Reilly,

Attached please find the addendum for BCCS's extension of the deadline.

I didn't know if I should also update the 'Anticipated Notice of Award' and 'Anticipated Contract Start Date' on the schedule in 3.1 as well. Based on the timeline, it looks more like September 2020 and October 1, 2020… but these dates don't match the dates Michelle sent this morning.

Let me know if I should make any changes.
