For purposes of this Signature Page, a Directed Payment Program (DPP) includes the following programs: Texas Incentives for Physician and Professional Services; Rural Access to Primary and Preventive Services; and Directed Payment Program for Behavioral Health Services.

The DPP rates are identified in Exhibit 1, Directed Payment Program Rates. Upon CMS approval of the programs as proposed, the DPP rates in Exhibit 1 should be added to the Capitation Rates listed in this Signature Page.

The DPPs are dependent upon CMS approval. HHSC will recoup DPP-related funds paid to MCOs for any DPP not approved by CMS.

Reimbursement Rates MCO Pays to Certain Providers and for Certain Services

This Contract is expressly conditioned on the availability of state and federal appropriated funds.

The Texas Legislature, via SB 1, 87th Leg., R.S. appropriated funds for fiscal years 2022 and 2023 for rate increases for Outpatient Services at Rural Hospitals.

In furtherance of this State of Texas legislative funding directive, HHSC modified the MCO Capitation Rate to include this additional funding effective September 1, 2021. The MCO must make every effort to ensure that this additional funding is fully reflected in the reimbursement rates paid to these providers. In addition, HHSC will monitor the MCO for compliance with this legislative intent.

Pursuant to Section 9817 of the American Rescue Plan Act, HHSC submitted, and CMS approved, a plan that includes funds to provide enhanced payments to home and community based direct care providers for the purpose of recruitment and retention of direct care staff. HHSC modified the MCO Capitation Rate to include this additional funding for the period beginning March 1, 2022 and ending August 31, 2022, contingent upon final approval from the Legislative Budget Board. The MCO must make every effort to ensure that this additional funding is fully reflected in the reimbursement rates paid to these providers and for these services. In addition, HHSC will monitor MCO for compliance with this provision.

MCO Requirements in Relation to Certified Community Behavioral Health Clinic (CCBHC) Project Sites

MCOs participating in CCBHC must:

1. Reimburse for HHSC-designated CCBHC services using a quality-based alternative payment model as outlined in 8.1.7.9.2 and agreed upon by the MCO and the CCBHC. Such payments must begin no later than

**Subject: HHSC STAR Kids Contract****HHSC Contract No. 529-13-0071-00004

September 1, 2018. MCO must submit the agreed upon payment model to HHSC via the value-based contracting data collection tool under UMCM Chapter 8.10;

2. Continue monitoring and management of all potentially preventable event measures;
3. Adjust prior authorization requirements for behavioral health services provided by pilot sites. These updates will be identified in CCBHC project documents;
4. Engage with CCBHC pilot sites for care coordination, quality measure discussions, and development of a value-based payment structure to be employed after the two-year demonstration period; and
5. Comply with the requirements outlined in the CCBHC Operational Protocol. This document is incorporated fully into this Contract.

Non-risk Payments for COVID-19 Related Services

The Capitation Rates do not include the costs of Medically Necessary services provided as of April 1, 2020, for current and future procedure codes related to COVID-19 diagnosis as well as COVID-19-related treatment. HHSC will make non-risk payments to the MCO for these COVID-19-related services based on Encounter Data received by HHSC's Administrative Services Contractor during each applicable Encounter reporting period. Non-risk payments are limited to the lesser of the contractual Fee-for-Service rates or the actual amounts the MCO paid to medical providers for the COVID-19-related services, or other reimbursement methodology agreed to by the MCO and HHSC as allowed by CMS. Such payments may be subject to recoupment if CMS determines that the payments did not meet regulatory requirements.

HHSC will issue guidance describing the specific procedure codes and services eligible for the non-risk payments. HHSC will provide notice to the MCO prior to issuing the first non-risk payment. Thereafter, HHSC will make the non-risk payments within a reasonable amount of time after the Encounter reporting period and no later than 95 Days after HHSC's Administrative Services Contractor processed the first and then subsequent COVID-19 Encounter payment report.

Article 1. Introduction**Section 1.01 Purpose.**

The purpose of this Contract is to set forth the terms for the MCO's participation as a managed care organization in the STAR Kids Program administered by HHSC. Under the terms of this Contract, MCO will provide comprehensive healthcare services to qualified Program recipients through a managed care delivery system.

Section 1.02 Risk-based contract.

This is a Risk-based contract.

Section 1.03 Inducements.

In making the award of this Contract, HHSC relied on MCO's assurances of the following:

(1) MCO is a health maintenance organization, Approved Non-Profit Health Corporation (ANHC), or Exclusive Provider Organization that arranges for the delivery of Healthcare Services, and either (1) has received Texas Department of Insurance (TDI) licensure or approval as one of these entities and is fully authorized to conduct business in the Service Area, or (2) will receive TDI licensure or approval as one of these entities and be fully authorized to conduct business in the Service Area no later than 60 Days after HHSC executes this Contract;

(2) MCO and the MCO Administrative Service Subcontractors have the skills, qualifications, expertise, financial resources and experience necessary to provide the Services and Deliverables described in the RFP, MCO's Proposal, and this Contract in an efficient, cost-effective manner, with a high degree of quality and responsiveness, and has performed similar services for other public or private entities;

(3) MCO has thoroughly reviewed, analyzed, and understood the RFP, has timely raised all questions or objections to the RFP, and has had the opportunity to review and fully understand HHSC's current program and operating environment for the activities that are the subject of the Contract and HHSC's needs and requirements during the Contract term;

(4) MCO has had the opportunity to review and understand HHSC's stated objectives in entering into this Contract and, based on this review and understanding, MCO currently has the capability to perform in accordance with the terms of this Contract;

(5) MCO also has reviewed and understands the risks associated with the Program as described in the RFP, including the risk of non-appropriation of funds.

(6) The MCO is at risk for expenses that may be necessary or incurred in order to deliver

contractually required services and deliverables, even if these expenses are in excess of the Capitation Payments received.

Accordingly, on the basis of the terms of this Contract, HHSC engages MCO to perform the Services and provide the Deliverables described in this Contract.

Section 1.04 Construction of the Contract.

(a) Scope of Introductory Article.

The provisions of any introductory article to the Contract are intended to be a general introduction and are not intended to expand the scope of the Parties' obligations under the Contract or to alter the plain meaning of the terms of the Contract.

(b) References to the "State."

References in the Contract to the "state" mean the State of Texas unless otherwise specifically indicated and will be interpreted, as appropriate, to mean or include HHSC and other agencies of the State of Texas that may participate in the administration of the Program, provided, however, that no provision will be interpreted to include any entity other than HHSC as the contracting agency.

(c) Severability.

If any provision of this Contract is for any reason held to be unenforceable, the rest of it remains fully enforceable.

(d) Survival of terms.

Termination or expiration of this Contract for any reason will not release either Party from any liabilities or obligations set forth in this Contract that:

(1) The Parties have expressly agreed will survive any termination or expiration; or

(2) Arose prior to the effective date of termination and remain to be performed or by their nature would be intended to be applicable following any termination or expiration.

(e) Headings.

The article, section, and paragraph headings in this Contract are for reference and convenience only and may not be considered in the interpretation of this Contract.

(f) Global drafting conventions.

(1) The terms "include," "includes," and "including" are terms of inclusion and enlargement, and where used in this Contract, should be read as if followed by the phrase "without limitation."

(2) Any references to "sections," "appendices," "exhibits," or "attachments" are references to sections, appendices, exhibits or attachments to this Contract.

(3) Any references to laws, rules, regulations, and manuals in this Contract are references to these

documents as amended, modified, or supplemented from time to time during the term of this Contract.

Section 1.05 No implied authority.

The authority delegated to MCO by HHSC is limited to the terms of this Contract. HHSC is the state agency designated by the Texas Legislature to administer the Program, and no other state agency grants MCO any authority related to this program unless directed through HHSC. MCO may not rely upon implied authority, and specifically, is not delegated authority under this Contract to:

- (1) make public policy;
- (2) promulgate, amend, or disregard administrative regulations or program policy decisions made by state and federal agencies responsible for administration of HHSC Programs; or
- (3) unilaterally communicate or negotiate with any state or federal agency or the Texas Legislature on behalf of HHSC regarding the HHSC Programs.

MCO is required to cooperate to the fullest extent possible to assist HHSC in communications and negotiations with state and federal governments and agencies concerning matters relating to the scope of the Contract and the MCO Program, as directed by HHSC.

Section 1.06 Legal Authority.

(a) HHSC is authorized to enter into this Contract under Texas Government Code Chapters 531 and 533 and Section 2155.144. MCO is authorized to enter into this Contract under the authorization of its governing board or controlling owner or officer.

(b) Any person signing and executing this Contract on behalf of the Parties, or representing signatory authority on behalf of the Parties, warrant and guarantee that he or she is authorized to execute this Contract and to validly and legally bind the Parties to all of its terms, performances, and provisions.

Section 1.07 Loss of Program Authority

Should any part of the Scope of Work under this Contract relate to a state program that is no longer authorized by law (e.g., which has been vacated by a court of law, or for which CMS has withdrawn federal authority, or which is the subject of a legislative repeal), the MCO must do no work on that part after the effective date of the loss of program authority. HHSC must adjust Capitation Rates, or non-risk payments as applicable, to remove costs that are specific to any program or activity that is no longer authorized by law. If the MCO works on a program or activity no longer authorized by law after the date the legal authority for the work ends, the MCO will not be paid for that work. If HHSC paid the MCO in advance to work on a no-longer-authorized program or activity and under the terms of this Contract the work was to be performed after the date the legal authority ended,

the payment for that work should be returned to HHSC. However, if the MCO worked on a program or activity prior to the date legal authority ended for that program or activity, and HHSC included the cost of performing that work in its payments to the MCO, the MCO may keep the payment for that work even if the payment was made after the date the program or activity lost legal authority.

(a) Cooperation with Other MCOs.

MCO agrees to reasonably cooperate with and work with the other MCOs in the HHSC MCO Programs, Subcontractors, and third-party representatives as requested by HHSC. To the extent permitted by HHSC's financial and personnel resources, HHSC agrees to reasonably cooperate with MCO and to use its best efforts to ensure that other HHSC contractors reasonably cooperate with the MCO.

(b) Cooperation with state and federal administrative agencies.

MCO must ensure that MCO personnel will cooperate with HHSC or other state or federal administrative agency personnel at no charge to HHSC for purposes relating to the administration of HHSC programs including the following purposes:

- (1) The investigation and prosecution of Fraud, Waste, and Abuse in the HHSC programs;
- (2) Audit, inspection, or other investigative purposes; and

- (1) Comply with applicable state and federal rules and regulations and HHSC's requests regarding personal and professional conduct; and

(2) Otherwise conduct themselves in a businesslike and professional manner.

(b) If HHSC determines in good faith that a particular employee or Subcontractor is not conducting himself or herself in accordance with this Contract, HHSC may provide MCO with notice and documentation concerning this conduct. If MCO receives this notice, MCO must promptly investigate the matter and take appropriate action that may include:

- (1) Removing the employee from the project;
- (2) Providing HHSC with written notice of the removal; and

In this event, MCO will provide replacement personnel with equal or greater skills and qualifications as soon as reasonably practicable. Replacement of Key Personnel will be subject to HHSC review. The Parties will work together in any replacement, so the overall project schedule is not disrupted.

(d) MCO agrees that anyone employed by MCO to fulfill the terms of the Contract remains under MCO's sole direction and control.

Section 4.08 Subcontractors and Agreements with Third Parties.

(a) MCO remains fully responsible for the obligations, services, and functions performed by its Subcontractors to the same extent as if these obligations, services, and functions were performed by MCO's employees, and for purposes of this Contract, any work is deemed work performed by MCO. The MCO must ensure its contracts with Subcontractors comply with all of the requirements of 42 C.F.R. § 438.230. HHSC reserves the right to require the replacement of any Subcontractor that HHSC finds unacceptable and unable to meet the requirements of the Contract. HHSC may also object to the selection of any Subcontractor.

(b) MCO must:

(1) actively monitor the quality of care and services, as well as the quality of reporting data, provided under a Subcontract;

(2) provide HHSC with a copy of TDI filings of delegation agreements;

(3) unless otherwise provided in this Contract, provide HHSC with written notice no later than:

(i) three Business Days after receiving notice from a Material Subcontractor of its intent to terminate a Subcontract;

(ii) 180 Days prior to the termination date of a Material Subcontract for MIS systems operation or reporting;

(iii) 90 Days prior to the termination date of a Material Subcontract for non-MIS Administrative Services; and

(iv) 30 Days prior to the termination date of any other Material Subcontract.

HHSC may grant a written exception to these notice requirements if, in HHSC's reasonable determination, MCO has shown good cause for a shorter notice period.

(4) the MCO must demonstrate that a Material Subcontractor assuming delegated functions satisfies all requirements of a pre-delegation audit before the applicable functions can be delegated. The MCO must conduct the audit, which must include: a standard audit tool approved by HHSC, site visit, file review (if applicable), staff interviews, and scoring to ensure compliance is achieved.

(c) During the Contract Period, Readiness Reviews by HHSC or its designated agent may occur if:

(d) MCO must not disclose Confidential Information of HHSC, the State of Texas, or the federal government to a Subcontractor unless that Subcontractor has agreed in writing to protect the confidentiality of the Confidential Information in the manner required of MCO under this Contract.

(e) MCO must identify any Subcontractor that is a subsidiary or entity formed after the Effective Date of the Contract, whether or not an Affiliate of MCO, substantiate the proposed Subcontractor's ability to perform the subcontracted Services and certify to HHSC that no loss of service will occur as a result of the performance of such Subcontractor. The MCO will assume responsibility for all contractual responsibilities whether or not the MCO performs them. Further, HHSC considers the MCO to be the sole point of contact with regard to contractual matters, including payment.

(f) Except as provided in this section, all Subcontracts must be in writing and must provide HHSC the right to examine the Subcontract and all Subcontractor records relating to the Contract and the Subcontract. This requirement does not apply to agreements with non-Affiliate utility or mail service providers.

If the MCO intends to report compensation or any other payments paid to any third party (including an Affiliate) as an Allowable Expense under this Contract and the amounts paid to the third party exceed \$200,000, or are reasonably anticipated to exceed \$200,000, in a State Fiscal Year (or in any contiguous twelve-month period), then the MCO's agreement with the third party must be in writing. The agreement must provide HHSC the right to examine the agreement and all records relating to the agreement.

For any third-party agreements not in writing valued under \$200,000 per State Fiscal Year that are reported as Allowable Expenses, the MCO still must maintain standard financial records and data sufficient to verify the accuracy of those expenses in accordance with the requirements of **Article 9, "Audit and Financial Compliance."** Any agreements that are, or could be interpreted to be, with a single party, must be in writing if the combined total is more than \$200,000. This would include payments to individuals or entities that are related to each other.

(g) A Subcontract or any other agreement in which the MCO receives rebates, recoupments, discounts, payments, incentives, fees, free goods, bundling arrangements, retrocession payments, as

described in **UMCM Chapter 6**, or any other consideration from a Subcontractor or any other third party, including Affiliates, as related to this Contract must be in writing and the MCO must allow HHSC and the Office of the Attorney General to examine the Subcontract or agreement and all related records.

(i) The MCO must submit a copy of each Material Subcontract and any agreement covered under subsection (g) executed prior to the Effective Date of the Contract to HHSC no later than 30 Days after the Effective Date of the Contract. (l) MCO must comply with the requirements of Section 6505 of PPACA, entitled “Prohibition on Payments to Institutions or Entities Located Outside of the United States.”

(m) Provider payment must comply with the requirements of Section 2702 of PPACA, entitled “Payment Adjustment for Health Acquired Conditions.”

excluding or limiting the participation of persons in its programs, benefits, and activities on the basis of national origin. MCO also agrees to take reasonable steps to provide services and information, both orally and in writing, in appropriate languages other than English, in order to ensure that persons with limited English proficiency are effectively informed and can have meaningful access to programs, benefits, and activities.

(c) MCO agrees to comply with Section 1557 of the Patient Protection and Affordable Care Act;

(d) MCO agrees to comply with Executive Order 13279 and its implementing regulations at 45 C.F.R. Part 87 or 7 C.F.R. Part 16. These provide in part that any organization that participates in programs funded by direct financial assistance from the United States Department of Agriculture or the United States Department of Health and Human Services will not, in providing services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(e) Upon request, MCO will provide HHSC with copies of all of the MCO'S civil rights policies and procedures.

(i) The MCO must submit a revised HSP to the HHSC HUB Office when it: changes the dollar amount of, terminates, or modifies an existing Subcontract for MCO Administrative Services; or enters into a new Subcontract for MCO Administrative Services. All proposed changes to the HSP must comply with the requirements of this Agreement.

(4) HHSC will determine if the value of Subcontracts to HUBs meet or exceed the HUB subcontracting provisions specified in the MCO's HSP. If federal or state laws, rules, regulations, policies, or guidelines are adopted, promulgated, judicially interpreted or changed, or if contracts are entered or changed, and the effect of which alters the ability of either Party to fulfill its obligations under this Contract, the Parties will promptly negotiate in good faith appropriate modifications or alterations to the Contract and any schedule(s) or attachment(s) made a part of this Contract. Any modifications or alterations must be in writing and signed by individuals with authority to bind the parties, must equitably adjust the terms of this Contract, and must be limited to those provisions of this Contract affected by the change.

(a) HHSC will provide MCO with at least ten Days' advance written notice before implementing a

substantive and material change in the **UMCM** (a change that materially and substantively alters the MCO's ability to fulfill its obligations under the Contract). HHSC will provide MCO with a reasonable amount of time to comment on substantive and material changes, generally at least ten Business Days. HHSC is not required to provide advance written notice of changes that are not material and substantive in nature, such as corrections of clerical errors or policy clarifications (including policy guidance memos).

(b) The Parties agree to work in good faith to resolve disagreements concerning material and substantive changes to the **UMCM**. If the Parties are unable to resolve issues relating to material and substantive changes, then either Party may terminate the agreement in accordance with **Article 12** (Remedies and Disputes).

(c) Changes will be effective on the date specified in HHSC's written notice, which will not be earlier than the MCO's response deadline, and the changes will be incorporated into the **UMCM**. If the MCO has raised an objection to a material and substantive change to the **UMCM** and submitted a notice of termination in accordance with **Section 12.04(d)**, HHSC will not enforce the policy change during the period of time between the receipt of the notice and the date of Contract termination.

Section 8.06 CMS approval of Contracts.

The implementation of amendments, modifications, and changes to the Contract is subject to the approval of the Centers for Medicare and Medicaid Services (CMS).

Section 8.07 Required compliance with amendment and modification procedures.

No different or additional services, work, or products will be authorized or performed except as authorized by this Article. No waiver of any term, covenant, or condition of this Contract will be valid unless executed in compliance with this Article. MCO will not be entitled to payment for any services, work, or products that are not authorized by a properly executed Contract amendment or modification.

Article 9. Audit and Financial Compliance and Litigation Hold**Section 9.01 Financial record retention and audit.**

The State, CMS, the OIG, the Comptroller, the Attorney General and their designees have the right to audit records or documents, related to this Contract of the MCO or MCOs subcontractor for ten years from the final date of the contract period or from the date of any audit, whichever is later.

MCO agrees to maintain, and require its Subcontractors to maintain, records, books, documents, and information (collectively "records") that are adequate to document that services are provided and payments are made in accordance with the requirements of this Contract, including **UMCM Chapter 18** and applicable federal and State requirement. The records must be retained by MCO and its Subcontractors for a period of ten years after the Contract Expiration Date or until the resolution of all litigation, claims, financial management reviews, or audits pertaining to this Contract, whichever is longer.

Additionally, MCO agrees to, and to require its Subcontractors to, retain all records in accordance with any litigation hold that is provided to them by HHSC and actively participate in the discovery process if required to do so, at no additional charge to HHSC. Litigation holds may require the MCO or its Subcontractors to keep the records longer than other records retention schedules. The MCO will be required to retain all records subject to the litigation hold until notified by HHSC when the litigation hold ends and then other approved records retention schedule(s) may resume. If MCO or its Subcontractors fail to retain the pertinent records after receiving a litigation hold from HHSC, the MCO agrees to pay to HHSC all damages, costs, and expenses incurred by HHSC arising from such failure to retain.

Section 9.02 Access to records, books, and documents.

(b) The MCO must:

(1) Cooperate with the state and federal governments in their evaluation, inspection, audit, or review of accounting records and any necessary supporting information.

(2) Permit authorized representatives of the state and federal governments full access, during normal business hours, to the accounting records that the state and federal governments reasonably determine are relevant to the Contract. This access is guaranteed at all times during the performance and retention period of the Contract and will include both announced and unannounced inspections, on-site audits, and the review, analysis, and reproduction of reports produced by the MCO. Except in the case of unannounced inspections or audits, the state or federal government will provide reasonable advance written notice of the inspections or audits, as determined by the state or federal government.

(3) At the MCO's expense, make copies of any accounting records or supporting documentation relevant to the MCO available to HHSC or its agents within ten Business Days of receiving a written request from HHSC for specified records or information. If the MCO does not produce the documentation as requested, the MCO agrees to reimburse HHSC for all costs, including transportation, lodging, and subsistence for all state and federal representatives, or their agents, to carry out their inspection, audit, review, analysis, and reproduction functions at the location(s) of the accounting records or supporting documentation.

(4) Pay any and all additional costs incurred by the state or federal government that are the result of the MCO's failure to provide the requested accounting records or financial information within ten Business Days of receiving a written request from the state or federal government.

(c) MCO must provide, as part of the Scope of Work, any assistance that the auditors and inspectors reasonably may require to complete their audits or inspections.

(d) If, as a result of an audit or review of payments made to the MCO, HHSC discovers a payment error or overcharge, HHSC will notify the MCO of that error or overcharge. HHSC will be entitled to recover those funds as an offset to future payments to the MCO, or to collect the funds directly from the MCO. MCO must return funds owed to HHSC within 30 Days after receiving notice of the error or overcharge, or interest will accrue on the amount due. HHSC will calculate interest at 12% per annum, compounded daily. In the event that an audit reveals that errors in reporting by the MCO have resulted in errors in payments to the MCO or errors in the calculation of the Experience Rebate, the MCO will indemnify HHSC for any losses resulting from these errors, including the cost of audit. If the interest rate stipulated in this Section is found by a court of competent jurisdiction to be outside the legal and enforceable range, then the rate in this Section will be adjusted to the maximum allowable rate the court of competent jurisdiction finds legal and enforceable.

Section 9.05 SAO Audit

The MCO understands that acceptance of funds under this Contract acts as acceptance of the authority of the State Auditor's Office (SAO), or any successor agency, to conduct an investigation in connection with those funds. The MCO further agrees to cooperate fully with the SAO or its successor in the conduct of the audit or investigation, including providing all records requested at no cost. This action will include the MCO or any Subcontractor coming into compliance and the MCO'S delivery to HHSC, for HHSC'S approval, a Corrective Action Plan that addresses deficiencies identified in any audit(s), review(s), or inspection(s) within 30 Days of the close of the audit(s), review(s), or inspection(s).

(b) MCO must bear the expense of compliance with any finding of noncompliance under this Article that is:

- (1) Required by state or federal law, regulation, rule or other audit requirement relating to MCO's business;
- (2) Performed by MCO as part of the Services or Deliverables; or
- (3) Necessary due to MCO's noncompliance with any law, regulation, rule, or audit requirement imposed on MCO.

(c) As part of the Scope of Work, MCO must provide to HHSC, upon request, a copy of those portions of MCO's and its Subcontractors' internal audit reports relating to the Services and Deliverables provided to HHSC under the Contract.

Article 10. Terms of Payment**Section 10.01 Calculation of monthly Capitation Payment.**

(a) This is a Risk-based contract. The MCO will provide Healthcare Services for Members on a fully insured basis. HHSC will calculate the fixed monthly Capitation Payments by multiplying the number of Members enrolled on the first day of the month by the Capitation Rate. HHSC will not pay a Capitation Payment for new Members during the first month of coverage unless the Member's Effective Date of Coverage occurs on the first day of the month. In consideration of the Monthly Capitation Payment(s), the MCO agrees to provide the Services and Deliverables described in this Contract.

(b) MCO will be required to provide timely financial and statistical information necessary in the

Capitation Rate determination process. Encounter Data provided by MCO must conform to all HHSC requirements. (c) Information or data, including complete and accurate Encounter Data, as requested by HHSC for rate-setting purposes, must be provided to HHSC:

- (1) within 30 Days of receipt of the letter from HHSC requesting the information or data; and
- (2) no later than March 31 annually.

(d) The fixed monthly Capitation Rate consists of the following components:

- (1) an amount for Healthcare Services performed during the month;
- (2) an amount for administering the program;
- (3) an amount for the MCO's Risk margin, and

(4) an amount for NEMT Services provided during the month

HHSC will employ or retain qualified actuaries to perform data analysis and calculate the Capitation Rates for each Rate Period.

(e) MCO understands and expressly assumes the risks associated with the performance of the duties and responsibilities under this Contract, including the failure, termination, or suspension of funding to HHSC, delays or denials of required approvals, and cost overruns not reasonably attributable to HHSC.

Section 10.02 Time and Manner of Payment.

(a) During the Contract Term and beginning after the Operational Start Date, HHSC will pay the monthly Capitation Payments by the 10th Business Day of each month.

(b) The MCO must accept Capitation Payments by direct deposit into the MCO's account.

(c) HHSC may adjust the monthly Capitation Payment to the MCO: in the case of an overpayment to the MCO; for Experience Rebate amounts due and unpaid; and if monetary damages (including any associated interest) are assessed in accordance with **Article 12** (Remedies and Disputes).

(d) HHSC's payment of monthly Capitation Payments is subject to availability of federal and state appropriations. If appropriations are not available to pay the full monthly Capitation Payment, HHSC may:

- (1) equitably adjust Capitation Payments and reduce scope of service requirements as

appropriate in accordance with **Article 8** (Amendments and Modifications); or

(3) terminate the Contract in accordance with **Article 12** (Remedies and Disputes).

Section 10.03 Certification of Capitation Rates.

As federally required, HHSC will employ or retain a qualified actuary to certify the actuarial soundness of the Capitation Rates contained in this Contract. HHSC will also employ or retain a qualified actuary to certify all revisions or modifications to the Capitation Rates.

Section 10.04 Modification of Capitation Rates.

The Parties understand and agree that the Capitation Rates are subject to modification in accordance with **Article 8** (Amendments and Modifications) if changes in state or federal laws, rules, regulations, or policies affect the rates or the actuarial soundness of the rates. HHSC will provide the MCO with notice of a modification to the Capitation Rates 60 Days prior to the effective date of the change, unless HHSC determines that circumstances warrant a shorter notice period. If the MCO does not accept the rate change, either Party may terminate the Contract in accordance with **Article 12** (Remedies and Disputes).

Section 10.05 Capitation Structure.

(a) Capitation Rate development: Capitation Rates after Rate Period 1.

HHSC will establish base Capitation Rates for the Rate Periods following Rate Period 1 by analyzing historical Encounter Data and financial data. This analysis will include a review of historical enrollment and claims experience information; any changes to Covered Services and covered populations; rate changes specified by the Texas Legislature; and any other relevant information.

(b) Value-added Services.

Value-added Services will not be included in the rate-setting process.

(c) Case-by-case services.

Case-by-case services will not be included in the rate setting process.

Section 10.06 MCO input during rate-setting process.

(a) MCO must provide certified Encounter Data and financial data as described in the **UMCM**. The required information may include: claims lag information, capitation expenses, and stop loss reinsurance expenses. HHSC may request clarification or additional financial information from the MCO. HHSC will notify the MCO of the deadline for submitting a response, which will include a reasonable amount of time for response.

(b) HHSC will allow the MCO to review and comment on data used by HHSC to determine base

Capitation Rates. This will include Fee-for-Service data for Rate Periods 1 and 2. HHSC will notify the MCO of the deadline for submitting comments, which will include a reasonable amount of time for response. HHSC will not consider comments received after the deadline in its rate analysis.

(c) During the rate-setting process, HHSC will conduct at least two meetings with the MCO. HHSC may conduct the meetings in person, via teleconference, or by another appropriate method determined by HHSC. Prior to the first meeting, HHSC will provide the MCO with proposed Capitation Rates. During the first meeting, HHSC will describe the process used to generate the proposed Capitation Rates, discuss major changes in the rate-setting process, and receive input from the MCO. HHSC will notify the MCO of the deadline for submitting comments, which will include a reasonable amount of time to review and comment on the proposed Capitation Rates and rate-setting process. After reviewing any comments and making any necessary changes due to those comments, HHSC will conduct a second meeting to discuss the final Capitation Rates and changes.

Section 10.07 Adjustments to Capitation Payments.

(a) Adjustment.

HHSC may adjust a payment made to the MCO for a Member if:

(1) a Member's eligibility status or program type is changed, corrected as a result of error, or is retroactively adjusted;

(2) the Member is enrolled into the MCO in error;

(3) the Member moves outside the United States;

(4) the Member dies before the first day of the month for which the payment was made; or

(5) payment has been denied by CMS in accordance with the requirements in 42 C.F.R. § 438.730.

(b) Appeal of adjustment.

The MCO may appeal the adjustment of capitation payments in the above circumstances using the HHSC dispute resolution process in **Section 12.12**, (Dispute Resolution).

Section 10.08 Experience Rebate.

(a) MCO's duty to pay.

(1) General.

At the end of each FSR Reporting Period, the MCO must pay an Experience Rebate if the MCO's Net Income Before Taxes is greater than the percentage set forth below of the total Revenue for the period. The Experience Rebate is calculated in accordance with the tiered rebate

method in **Section 10.08(b)**. The Net Income Before Taxes and the total Revenues are as measured by the FSR and as reviewed and confirmed by HHSC. Various factors in this Contract may impact the final amount used in the calculation of the percentage, including the Loss Carry Forward, the Admin Cap, or the Reinsurance Cap.

(2) Basis of consolidation.

With the exception of the Dual Demonstration, the percentages are calculated on a Consolidated Basis and include the consolidated Net Income Before Taxes for all of the MCO's and its Affiliates' Texas HHSC Programs and Service Areas.

(b) Graduated Experience Rebate Sharing Method.

For the limited period beginning September 1, 2021, through August 31, 2022, the following Graduated Experience Rebate Sharing Method will be utilized to calculate the Experience Rebate:

Pre-tax Income as a % of Revenues	MCO Share	HHSC Share
≤ 3%	100%	0%
> 3% and ≤ 5%	80%	20%
> 5% and ≤ 7%	0%	100%
> 7% and ≤ 9%	0%	100%
> 9% and ≤ 12%	0%	100%
> 12%	0%	100%

HHSC and the MCO will share the consolidated Net Income Before Taxes for its HHSC Programs as follows:

- (1) The MCO will retain all the Net Income Before Taxes that is equal to or less than 3% of the total Revenues received by the MCO;
- (2) HHSC and the MCO will share that portion of the Net Income Before Taxes that is over 3% and less than or equal to 5% of the total Revenues received, with 80% to the MCO and 20% to HHSC.
- (3) HHSC will be paid the entire portion of the Net Income Before Taxes that exceeds 5% of the total Revenues.

Beginning September 1, 2022, the Graduated Experience Rebate Sharing Method will revert to the following:

Graduated Experience Rebate Sharing Method.

Pre-tax Income as a Percentage of Revenues	MCO Share	HHSC Share
≤ 3%	100%	0%
> 3% and ≤ 5%	80%	20%
> 5% and ≤ 7%	60%	40%
> 7% and ≤ 9%	40%	60%
> 9% and ≤ 12%	20%	80%
> 12%	0%	100%

HHSC and the MCO will share the consolidated Net Income Before Taxes for its HHSC Programs as follows:

(1) The MCO will retain all the Net Income Before Taxes that is equal to or less than 3% of the total Revenues received by the MCO;

(2) HHSC and the MCO will share that portion of the Net Income Before Taxes that is over 3% and less than or equal to 5% of the total Revenues received, with 80% to the MCO and 20% to HHSC.

(3) HHSC and the MCO will share that portion of the Net Income Before Taxes that is over 5% and less than or equal to 7% of the total Revenues received, with 60% to the MCO and 40% to HHSC.

(4) HHSC and the MCO will share that portion of the Net Income Before Taxes that is over 7% and less than or equal to 9% of the total Revenues received, with 40% to the MCO and 60% to HHSC.

(5) HHSC and the MCO will share that portion of the Net Income Before Taxes that is over 9% and less than or equal to 12% of the total Revenues received, with 20% to the MCO and 80% to HHSC.

(6) HHSC will be paid the entire portion of the Net Income Before Taxes that exceeds 12% of the total Revenues.

(c) Net income Before taxes.

(1) The MCO must compute the Net Income Before Taxes in accordance with applicable federal regulations and **UMCM Chapter 6 and 5** and other similar instructions for other HHSC Programs. The Net Income Before Taxes will be confirmed by HHSC or its agent for the FSR Reporting Period relating to all Revenues and Allowable Expenses incurred under the Contract. HHSC reserves the right to modify the **UMCM-Chapter 6 and 5** in accordance with **Section 8.05**, "Modification of HHSC Uniform Managed Care Manual."

(2) For purposes of calculating Net Income Before Taxes, certain items are omitted from the

calculation as they are not Allowable Expenses; these include:

- (i) the payment of an Experience Rebate;
- (ii) any interest expense associated with late or underpayment of the Experience Rebate;
- (iii) financial incentives, including without limitation any incentives described in **Attachment B-1, Section 6.2**; and
- (iv) financial disincentives, including without limitation the liquidated damages described in **Attachment B-3**.

See **UMCM Chapter 6**.

(3) Financial incentives are true net bonuses and must not be reduced by the potential increased Experience Rebate payments. Financial disincentives are true net disincentives, and must not be offset in whole or part by potential decreases in Experience Rebate payments.

(4) For FSR reporting purposes, financial incentives incurred must not be reported as an increase in Revenues or as an offset to costs, and any financial incentive award will not increase reported income. Financial disincentives incurred must not be included as reported expenses, and must not reduce reported income. The reporting or recording of any of these incurred items will be done on a memo basis, which is below the income line, and will be listed as separate items.

(d) Carry forward of prior FSR Reporting Period losses.

(1) Losses incurred on a Consolidated Basis for a given FSR Reporting Period may be carried forward to the next FSR Reporting Period, and applied as an offset against consolidated pre-tax net income for determination of any Experience Rebate due. These prior losses may be carried forward for the next two contiguous FSR Reporting Periods.

In the case of a loss in a given FSR Reporting Period being carried forward and applied against profits in either or both of the next two FSR Reporting Periods, the loss must first be applied against the first subsequent FSR Reporting Period such that the profit in the first subsequent FSR Reporting Period is reduced to a zero pre-tax income; any additional loss then remaining unapplied may be carried forward to any profit in the next subsequent FSR Reporting Period. In this case, the revised income in the

third FSR Reporting Period would be equal to the cumulative income of the three contiguous FSR Reporting Periods. In no case could the loss be carried forward to the fourth FSR Reporting Period or beyond.

Carrying forward of losses may be impacted by the Admin Cap; see **Section 10.08.1(f)**.

Losses incurred in the last or next-to-last FSR Reporting Period of a prior contiguous contract with HHSC may be carried forward up to two FSR Reporting Periods, into the first or potentially second FSR Reporting Period of this Contract, if such losses meet all other requirements of both the prior and current contracts.

(2) Basis of consolidation.

In order for a loss to be eligible as a potential loss carry-forward to offset future income, the MCO must have a negative Net Income Before Taxes for an FSR Reporting Period on a Consolidated Basis.

(e) Settlements for payment.

(1) There may be one or more MCO payment(s) of HHSC's share of the Experience Rebate on income generated for a given FSR Reporting Period under the STAR Kids Program. The first scheduled payment (the "Primary Settlement") will equal 100% of HHSC's share of the Experience Rebate as derived from the FSR, and will be paid on the same day the 90-Day FSR Report is submitted to HHSC.

The "Primary Settlement," as utilized in this Article, refers strictly to what should be paid with the 90-Day FSR, and does not refer to the first instance in which an MCO may tender a payment. For example, an MCO may submit a 90-Day FSR indicating no Experience Rebate is due, but then submit a 334-Day FSR with a higher income and a corresponding Experience Rebate payment. In this case, this initial payment would be subsequent to the Primary Settlement.

(2) The next scheduled payment will be an adjustment to the Primary Settlement, if required, and will be paid on the same day that the 334-Day FSR Report is submitted to HHSC if the adjustment is a payment from the MCO to HHSC. **Section 10.08(f)** describes the interest expenses associated with any payment after the Primary Settlement.

An MCO may make non-scheduled payments at any time to reduce the accumulation of interest under **Section 10.08(f)**. For any nonscheduled payments prior to the 334-Day FSR, the MCO is not required to submit a revised

FSR, but is required to submit an Experience Rebate calculation form and an adjusted summary page of the FSR. The FSR summary page is labeled “Summary Income Statements (Dollars), All Coverage Groups Combined (FSR, Part I).”

(3) HHSC or its agent may audit or review the FSRs. If HHSC determines that corrections to the FSRs are required, based on an HHSC audit/review or other documentation acceptable to HHSC, then HHSC will make final adjustments. Any payment resulting from an audit or final adjustment will be due from the MCO within 30 Days of the earlier of:

(i) the date of the management representation letter resulting from the audit; or

(ii) the date of any invoice issued by HHSC.

Payment within this 30-Day timeframe will not relieve the MCO of any interest payment obligation that may exist under **Section 10.08(f)**.

(4) In the event that any Experience Rebates or corresponding interest payments owed to HHSC are not paid by the required due dates, then HHSC may offset these amounts from any future Capitation Payments, or collect these sums directly from the MCO. HHSC may adjust the Experience Rebate if HHSC determines the MCO has paid amounts for goods or services that are not reasonable, necessary, allocable, or allowable in accordance with **UMCM Chapter 6** and **5** and the Federal Acquisition Regulations (FAR), or other applicable federal or state regulations. HHSC has final authority in auditing and determining the amount of the Experience Rebate.

(f) Interest on Experience Rebate.

(1) Interest on any Experience Rebate owed to HHSC will be charged beginning 35 Days after the due date of the Primary Settlement, as described in **Section 10.08(e)(1)**. Thus, any Experience Rebate due or paid on or after the Primary Settlement will accrue interest starting at 35 Days after the due date for the 90-Day FSR Report. For example, any Experience Rebate payment(s) made in conjunction with the 334-Day FSR, or as a result of audit findings, will accrue interest back to 35 Days after the due-date for submission of the 90-Day FSR.

The MCO has the option of preparing an additional FSR based on 120 Days of claims run-out (a “120-Day FSR”). If a 120-Day FSR, and an Experience Rebate payment based on it, are received by HHSC before the interest commencement date above, then such a

payment would be counted as part of the Primary Settlement.

(2) If an audit or adjustment determines a downward revision of income after an interest payment has previously been required for the same State Fiscal Year, then HHSC will recalculate the interest and, if necessary, issue a full or partial refund or credit to the MCO.

(3) Any interest obligations that are incurred under **Section 10.08** that are not timely paid will be subject to accumulation of interest as well, at the same rate as applicable to the underlying Experience Rebate.

(4) All interest assessed under **Section 10.08** will continue to accrue until such point as a payment is received by HHSC, at which point interest on the amount received will stop accruing. If a balance remains at that point that is subject to interest, then the balance will continue to accrue interest. If interim payments are made, then any interest that may be due will only be charged on amounts for the time period during which they remained unpaid. By way of example only, if \$100,000 is subject to interest commencing on a given Day, and a payment is received for \$75,000 27 Days after the start of interest, then the \$75,000 will be subject to 27 Days of interest, and the \$25,000 balance, along with any unpaid interest, will continue to accrue interest until paid. The accrual of interest as defined under **Section 10.08(f)** will not stop during any period of dispute. If a dispute is resolved in the MCO’s favor, then interest will only be assessed on the revised unpaid amount.

(5) If the MCO incurs an interest obligation under **Section 10.08** for an Experience Rebate payment, HHSC will assess that interest at 12% per annum, compounded daily. If the interest rate stipulated in this Section is found by a court of competent jurisdiction to be outside the legal and enforceable range, then the rate in this Section will be adjusted to the maximum allowable rate the court of competent jurisdiction finds legal and enforceable.

(6) Any interest expense incurred under **Section 10.08** is not an Allowable Expense for reporting purposes on the FSR.

(g) In the event that the MCO achieves a net profit in Rate Period 1 or any subsequent Rate Period, the Parties agree to enter into good faith negotiations to develop reasonable financial incentives for the MCO’s Providers for the following Rate Period.

Section 10.08.1 Administrative Expense Cap

(a) General requirement.

The calculation methodology of Experience Rebates described in **Section 10.08** will be adjusted by an Administrative Expense Cap (Admin Cap). The Admin Cap is a calculated maximum amount of administrative expense dollars that can be deducted from Revenues for purposes of determining income subject to the Experience Rebate. While Administrative Expenses may be limited by the Admin Cap to determine Experience Rebates, all valid Allowable Expenses will continue to be reported on the Financial Statistical Reports (FSRs). Thus, the Admin Cap does not impact FSR reporting, but may impact any associated Experience Rebate calculation.

The calculation of any Experience Rebate due under this Contract will be subject to limitations on total deductible administrative expenses.

The limitations will be calculated as follows:

(b) Calculation methodology.

HHSC will determine the administrative expense component of the applicable Capitation Rate structure for the MCO prior to each applicable Rate Period. At the conclusion of an FSR Reporting Period, HHSC will apply that predetermined administrative expense component against the MCO's actually incurred number of Member Months and aggregate premiums received (monthly Capitation Payments plus any Delivery Supplemental Payments, which excludes any investment income or interest earned), to determine the specific Admin Cap, in aggregate dollars, for a given MCO.

If rates are changed during the FSR Reporting Period, this same methodology of multiplying the predetermined HHSC rates for a given month against the ultimate actual number of Member Months or revenues that occurred during that month will be utilized, such that each month's actual results will be applied against the rates that were in effect for that month.

(c) Data sources.

In determining the amount of Experience Rebate payment to include in the Primary Settlement (or in conjunction with any subsequent payment or settlement), the MCO will need to make the appropriate calculation, in order to assess the impact, if any, of the Admin Cap.

(1) The total premiums paid by HHSC (received by the MCO), and corresponding Member Months, will be taken from the relevant FSR (or audit report) for the FSR Reporting Period.

(2) There are three components of the administrative expense portion of the Capitation Rate structure:

(i) the percentage rate to apply against the total premiums paid (the "percentage of premium" within the administrative expenses),

(ii) the dollar rate per Member Month (the "fixed amount" within the administrative expenses), and

(iii) the portion incorporated into the pharmacy (prescription expense) rate that pertains to prescription administrative expenses.

These will be taken from the supporting details associated with the official notification of final Capitation Rates, as supplied by HHSC. This notification is sent to the MCOs during the annual rate setting process via e-mail, labeled as "the final rate exhibits for your health plan." The e-mail has one or more spreadsheet files attached, which are particular to the given MCO. The spreadsheet(s) show the fixed amount and percentage of premium components for the administrative component of the Capitation Rate.

The components of the administrative expense portion of the Capitation Rate can also be found on HHSC's Medicaid website, under "Rate Analysis for Managed Care Services." Under each Program, there is a separate Rate-Setting document for each Rate Period that describes the development of the Capitation Rates. Within each document, there is a section entitled "Administrative Fees," where it refers to "the amount allocated for administrative expenses."

(3) In cases where the administrative expense portion of the Capitation Rate refers to "the greater of (a) [one set of factors], and (b) [another set of factors]," then the Admin Cap will be calculated each way, and the larger of the two results will be the Admin Cap utilized for the determination of any Experience Rebates due.

(d) Example of Calculation.

By way of example only, HHSC will calculate the Admin Cap as follows:

(1) Multiply the predetermined administrative expense rate structure "fixed amount," or dollar rate per Member Month (for example, \$8.00), by the actual number of Member Months for the Program during the FSR Reporting Period (for example, 70,000):

$$\bullet \$8.00 \times 70,000 = \$560,000.$$

(2) Multiply the predetermined percent of premiums in the administrative expense rate structure (for example, 5.75%), by the actual aggregate premiums earned by the MCO during the FSR Reporting Period (for example, \$6,000,000).

- $5.75\% \times \$6,000,000 = \$345,000$.

(3) Multiply the predetermined pharmacy administrative expense rate (for example, \$1.80), by the actual number of Member Months for the Program during the FSR Reporting Period (for example, 70,000):

- $\$1.80 \times 70,000 = \$126,000$.

(4) Add the totals of items 1, 2, and 3, plus applicable premium taxes and maintenance taxes (for example, \$112,000), to determine the Admin Cap:

- $(\$560,000 + \$345,000 + \$126,000) + \$112,000 = \$1,143,000$.

In this example, \$1,143,000 would be the MCO's Admin Cap for a single Program, for the FSR Reporting Period.

(e) Consolidation and offsets.

The Admin Cap will be consolidated on the same basis as is applied to the Experience Rebate consolidation for the FSR Reporting Period. Additional details are provided in the applicable FSR Template and FSR Instructions in the **UMCM Chapter 5**. There will be one aggregate amount of dollars determined as the Admin Cap for each MCO, which will cover all of an MCO's and its Affiliates' Programs and Service Areas, excluding the Dual Demonstration. The Dual Demonstration will have its own separate Admin Cap calculated. This consolidated Admin Cap will be applied to the administrative expenses of the MCO on a Consolidated Basis. The net impact of the Admin Cap will be applied to the Experience Rebate calculation.

(f) Impact on Loss carry-forward.

For Experience Rebate calculation purposes, the calculation of any loss carry-forward, as described in **Section 10.08(d)**, will be based on the allowable pre-tax loss as determined under the Admin Cap.

(g) Unforeseen events.

If, in HHSC's sole discretion, it determines that unforeseen events have created significant hardships for one or more MCOs, HHSC may revise or temporarily suspend the Admin Cap as necessary.

Section 10.09 Payment by Members.

MCOs and their Network Providers are prohibited from billing or collecting any amount from a Member for Healthcare Services covered by this Contract. MCO must inform Members of costs for non-covered services, and must require its Network Providers to:

- (1) inform Members of costs for non-covered services prior to rendering the services; and

- (2) obtain a signed Private Pay form from Members prior to rendering the services.

Section 10.09.1 Reinsurance Cap

Reinsurance is reported on HHSC's FSR report format as: 1) gross reinsurance premiums paid, and 2) reinsurance recoveries received. The premiums paid are treated as a part of medical expenses, and the recoveries received are treated as an offset to those medical expenses (also known as a contra-cost). The net of the gross premiums paid minus the recoveries received is called the net reinsurance cost. The net reinsurance cost, as measured in aggregate dollars over the FSR Reporting Period, divided by the number of Member Months for that same period, is referred to as the net reinsurance cost per-member-per-month (PMPM).

The MCO will be limited to a maximum amount of net reinsurance cost PMPM for purposes of calculating the pre-tax net income that is subject to the Experience Rebate. This limitation does not impact an MCO's ability to purchase or arrange for reinsurance. It only impacts what is factored into the Experience Rebate calculation. The maximum amount of allowed net reinsurance cost PMPM (Reinsurance Cap) varies by MCO Program and is equal to 110% of the net reinsurance cost PMPM contained in the Capitation Rates for the Program during the FSR Reporting Period.

Regardless of the maximum amounts as represented by the Reinsurance Cap, all reinsurance reported on the FSR is subject to audit, and must comply with **UMCM Chapter 6**.

Section 10.10 Restriction on assignment of fees.

During the term of the Contract, MCO may not, directly or indirectly, assign to any third party any beneficial or legal interest of the MCO in or to any payments to be made by HHSC under this Contract. This restriction does not apply to fees paid to Subcontractors.

Section 10.11 Liability for taxes.

HHSC is not responsible in any way for the payment of any federal, state, or local taxes related to or incurred in connection with the MCO's performance of this Contract. MCO must pay and discharge any taxes, including any penalties and interest. In addition, HHSC is exempt from federal excise taxes and will not pay any personal property taxes or income taxes levied on MCO or any taxes levied on employee wages.

Section 10.12 Liability for employment-related charges and benefits.

MCO will perform work under this Contract as an independent contractor and not as agent or representative of HHSC. MCO is solely and exclusively liable for payment of all employment-

related charges incurred in connection with the performance of this Contract, including salaries, benefits, employment taxes, workers compensation benefits, unemployment insurance and benefits, and other insurance or fringe benefits for Staff.

Section 10.13 No additional consideration.

(a) MCO is not entitled to nor will receive from HHSC any additional consideration, compensation, salary, wages, charges, fees, costs, or any other type of remuneration for Services and Deliverables provided under the Contract, except by properly authorized and executed Contract amendments.

(b) No other charges for tasks, functions, or activities that are incidental or ancillary to the delivery of the Services and Deliverables will be sought from HHSC or any other state agency, nor will the failure of HHSC or any other party to pay for these incidental or ancillary services entitle the MCO to withhold Services and Deliverables due under the Agreement.

(c) MCO is not entitled by virtue of the Contract to consideration in the form of overtime, health insurance benefits, retirement benefits, disability retirement benefits, sick leave, vacation time, paid holidays, or other paid leaves of absence of any type or kind.

Section 10.14 Federal Disallowance

If the federal government recoups money from the state for unallowable expenses or costs, the state has the right to recoup payments made to the MCO in turn for these same expenses or costs. HHSC is allowed to recoup payments from the MCO even if the expenses or costs had not been previously disallowed by the state and were incurred by the MCO. Any of the same future expenses or costs would then be unallowable by the state. If the state retroactively recoups money from the MCO due to a federal disallowance, the state will recoup the entire amount paid to the MCO for the federally disallowed expenses or costs, not just the federal portion.

Section 10.15 Supplemental Payments for Medicaid Wrap-Around Services for Outpatient Drugs and Biological Products

The capitation rates do not include the costs of Medicaid wrap-around services for outpatient drugs and biological products for STAR Kids Members, as described in **Attachment B-1, Section 8.2.1.1**. HHSC will make supplemental payments to the MCO for these Medicaid wrap-around services, based on encounter data received by HHSC's Administrative Services Contractor during an encounter reporting period. Supplemental payments will cover six-month encounter reporting periods. HHSC will make supplemental payments within a reasonable amount of time after the encounter reporting period, generally no later than 95 Days after HHSC's Administrative Services

Contractor has processed the encounter data.

Supplemental payments will be limited to the actual amounts paid to pharmacy providers for these Medicaid wrap-around services, as represented in "Net Amount Due" field (Field 281) on the National Council for Prescription Drug Programs (NCPDP) encounter transaction. To be eligible for reimbursement, encounters must contain a Financial Arrangement Code "14" in the "Line of Business" field (Field 270) on the NCPDP encounter transaction.

Section 10.16 Non-Risk Payments for Certain Drugs

The capitation rates do not include the costs of certain clinician-administered and pharmacy drugs as identified in **UMCM Chapter 2**. For providing these drugs to Members, HHSC will make non-risk payments to the MCO based on Encounter Data received by HHSC's Administrative Services Contractor during an encounter reporting period.

For drugs dispensed by a pharmacy, the first non-risk payment will cover pharmacy Encounter Data received from the date the drugs are added to the Medicaid and CHIP formularies through the end of that State Fiscal Quarter. Thereafter, non-risk payments will cover quarterly encounter reporting periods. HHSC will make non-risk payments within a reasonable amount of time after the encounter reporting period, generally no later than 95 Days after HHSC's Administrative Services Contractor has processed the Encounter Data. Non-risk payments will be limited to the actual amounts MCOs paid to pharmacy providers for these drugs as represented in "Net Amount Due" field (Field 281) on the National Council for Prescription Drug Programs (NCPDP) encounter transaction up to the Fee-for-Service reimbursement amount. To be eligible for reimbursement, pharmacy encounters must contain a Financial Arrangement Code "14" in the "Line of Business" field (Field 270) on the NCPDP encounter transaction.

For clinician-administered drugs, the first non-risk payment will cover medical Encounter Data received from the date specified in **UMCM Chapter 2** through the end of that State Fiscal Quarter. Thereafter, non-risk payments will cover state fiscal quarterly encounter reporting periods. HHSC will make non-risk payments within a reasonable amount of time after the encounter reporting period, but no later than 95 Days after HHSC's Administrative Services Contractor has processed the medical Encounter Data. Non-risk payments will be limited to the actual amounts MCOs paid to medical providers for the ingredient cost of these drugs up to the Fee-for-Service reimbursement amount.

Section 10.17 Payment/Adjustment to Capitation in Consideration of the ACA Section 9010 Health Insurance Providers Fee

The following applies only to MCOs that are covered entities under Section 9010 of the PPACA, and thus required to pay the Health Insurance Providers Fee ("HIP Fee") for United States health risks.

Beginning in calendar year 2014, the PPACA requires the MCO to pay the HIP Fee no later than September 30th (as applicable to each relevant year, the "HIP Fee Year") with respect to premiums paid to the MCO in the preceding calendar year (as applicable to each relevant year, the "HIP Data Year"), and continuing similarly in each successive year. In order to satisfy the requirement for actuarial soundness set forth in 42 C.F.R. § 438.4 with respect to amounts paid by HHSC under this Agreement, the parties agree that HHSC will make a retroactive adjustment to capitation to the MCO for the full amount of the HIP Fee allocable to this Agreement, as follows:

Amount and method of payment: For each HIP Fee Year, HHSC will make an adjustment to capitation to the MCO for that portion of the HIP Fee that is attributable to the Capitation Payments paid by HHSC to the MCO for risks in the applicable HIP Data Year under the Agreement, less any applicable exclusions and appropriate credit offsets. This capitation adjustment will be determined by HHSC and will include the following:

1. The amount of the HIP Fee attributable to this Agreement;
2. The federal income tax liability, if any, that the MCO incurs as a result of receiving HHSC's payment for the amount of the HIP Fee attributable to this Agreement; and
3. Any Texas state premium tax attributable to the capitation adjustment.

The amount of the HIP Fee will not be determinable until after HHSC establishes the regular Capitation Rates for a rate period. HHSC therefore will perform an actuarial calculation to account for the HIP Fee within actuarially sound Capitation Rates each year, and apply this Capitation Rate adjustment to the regular Capitation Rates already paid to the MCO.

The MCO's federal income tax rate will not be known prior to the end of the tax year. As a result, HHSC will make a tax rate assumption for purposes of developing the capitation adjustment. If the tax rate assumption later proves to be higher than the actual tax rate for one or more MCOs, HHSC may re-determine the capitation adjustment for those MCOs

using the lower tax rate and reconcile the capitation amount paid.

Documentation Requirements: HHSC will pay the MCO after it receives sufficient documentation, as determined by HHSC, detailing the MCO's Texas Medicaid and CHIP-specific liability for the HIP Fee. The MCO will provide documentation that includes the following:

1. The preliminary and final versions of the IRS Form 8963;
2. Texas Medicaid/CHIP-specific premiums included in the premiums reported on Form 8963; and
3. The preliminary and final versions of the Fee statement provided by the IRS.

Payment by HHSC is intended to put the MCO in the same position as the MCO would have been had no HIP Fee been imposed upon the MCO.

This provision will survive the termination of the Agreement.

Section 10.18 Non-Risk Payments for Certain Autism Services

Capitation Rates do not include the costs of delivering applied behavior analysis (ABA) services to Medicaid Members age 20 and under or the costs of interdisciplinary team meetings to identify needed services and formulate individualized treatment plans for these eligible Medicaid Members, as described in the TMPPM.

For providing these services to eligible Medicaid Members, HHSC will make non-risk payments to the MCO based on Encounter Data received by HHSC's Administrative Services Contractor during an Encounter reporting period. HHSC will reimburse for services provided to eligible Medicaid Members as documented in both the invoice and Encounter Data on a non-risk basis subject to the non-risk upper payment limit in 42 CFR § 447.362.

Non-risk payments will cover quarterly Encounter reporting periods. HHSC will make non-risk payments within a reasonable amount of time after the Encounter reporting period, generally no later than 95 Days after HHSC's Administrative Services Contractor has processed the Encounter Data. Non-risk payments for these services require MCO adherence to all applicable requirements including those specified in the TMPPM.

Non-risk payments will be limited to the actual amounts MCOs paid to providers for these services up to the Fee-for-Service reimbursement amount. The non-risk payments will cover only the cost of the covered ABA services and interdisciplinary team meetings to identify needed services and formulate

individualized treatment plans for these eligible Medicaid Members.

Article 11. Disclosure and Confidentiality of Information

Section 11.01 Confidentiality.

(a) MCO and all Subcontractors, consultants, or agents must treat all information that is obtained through performance of the Services under the Contract, including information relating to applicants or recipients of HHSC Programs as Confidential Information to the extent that confidential treatment is provided under law and regulations.

(b) MCO is responsible for understanding the degree to which information obtained through performance of this Contract is confidential under state and federal law, regulations, or administrative rules.

(c) MCO and all Subcontractors, consultants, or agents under the Contract may not use any information obtained through performance of this Contract in any manner except as is necessary for the proper discharge of obligations and securing of rights under the Contract.

(d) MCO must have a system in effect to protect all records and all other documents deemed confidential under this Contract maintained in connection with the activities funded under the Contract. Any disclosure or transfer of Confidential Information by MCO, including information required by HHSC, will be in accordance with applicable law. If the MCO receives a request for information deemed confidential under this Contract, the MCO will immediately notify HHSC of such request, and will make reasonable efforts to protect the information from public disclosure.

(e) In addition to the requirements expressly stated in this Section, MCO must comply with any policy, rule, or reasonable requirement of HHSC that relates to the safeguarding or disclosure of information relating to Members, MCO'S operations, or MCO'S performance of the Contract.

(f) In the event of the expiration of the Contract or termination of the Contract for any reason, all Confidential Information disclosed to and all copies of any Confidential Information made by the MCO must be returned to HHSC or, at HHSC's option, erased or destroyed. MCO must provide HHSC certificates evidencing this erasure or destruction.

(g) The obligations in this Section do not restrict any disclosure by the MCO under any applicable law, or by order of any court or government agency. However, HHSC must be notified promptly, as dictated by the circumstances or law; but not later than 24 hours in any circumstance.

(h) With the exception of confidential Member information, information provided under this Agreement by one Party (the "Furnishing Party") to another Party (the "Receiving Party") will not be considered Confidential Information if the data was:

- (1) Already known to the Receiving Party without restrictions at the time of its disclosure by the Furnishing Party;
- (2) Independently developed by the Receiving Party without reference to the Furnishing Party's Confidential Information;
- (3) Rightfully obtained by the Receiving Party without restriction from a third party after its disclosure to a third party by the Furnishing Party;
- (4) Publicly available other than through the fault or negligence of the Receiving Party; or
- (5) Lawfully released without restriction to anyone.

Section 11.02 Disclosure of HHSC's Confidential Information.

(a) MCO will report to HHSC any and all unauthorized disclosures or uses of HHSC's Confidential Information of which it or its Subcontractor(s), consultant(s), or agent(s) is aware or has knowledge in accordance with Section 11.09 of this Contract. MCO acknowledges that any publication or disclosure of HHSC's Confidential Information to others may cause immediate and irreparable harm to HHSC and may constitute a violation of state or federal laws. If MCO, its Subcontractor(s), consultant(s), or agent(s) should publish or disclose such Confidential Information to others without authorization, HHSC will immediately be entitled to injunctive relief or any other remedies to which it is entitled under law or equity. HHSC will have the right to recover from MCO all damages and liabilities caused by or arising from MCO's, its Subcontractors', consultants', or agents' failure to protect HHSC's Confidential Information. MCO will defend with counsel approved by HHSC, indemnify and hold harmless HHSC from all damages, costs, liabilities, and expenses (including without limitation reasonable attorneys' fees and costs) caused by or arising from MCO's or its Subcontractors', consultants', or agents' failure to protect HHSC's Confidential Information. HHSC will not unreasonably withhold approval of counsel selected by the MCO.

(b) MCO will require its Subcontractor(s), consultant(s), and agent(s) to comply with the terms of this provision.

Section 11.03 Member Records

(a) MCO must comply with the requirements of state and federal laws, including the HIPAA requirements set forth in **Section 7.06** (HIPAA), regarding the transfer of Member Records.

(b) If at any time during the Contract Term this Contract is terminated, HHSC may require the transfer of Member Records, upon written notice to MCO, to another entity, as consistent with federal and state laws and applicable releases.

(c) The term "Member Record" for this Section means only those administrative, enrollment, case management, and other records maintained by MCO and is not intended to include Member records maintained by participating Network Providers.

Section 11.04 Requests for public information.

(a) HHSC agrees that it will promptly notify MCO of a request for disclosure of information filed in accordance with the Texas Public Information Act, Texas Government Code Chapter 552 that consists of the MCO'S confidential information, including information or data to which MCO has a proprietary or commercial interest. HHSC will deliver a copy of the request for public information to MCO.

(b) HHSC will notify MCO of any privileged work product to which MCO has or may have access. After the MCO is notified or otherwise becomes aware that these documents, data, databases, or communications are privileged work product, only MCO personnel, for whom access is necessary for

the purposes of providing the Services, may have access to privileged work product.

(c) If MCO receives notice of any judicial or other proceeding seeking to obtain access to HHSC's privileged work product, MCO will:

- (1) Immediately notify HHSC; and
- (2) Use all reasonable efforts to resist providing access.

(d) If MCO resists disclosure of HHSC's privileged work product in accordance with this Section, HHSC will, to the extent authorized under Civil Practices and Remedies Code or other applicable state law, have the right and duty to:

- (1) represent MCO in the resistance; or
- (2) to retain counsel to represent MCO.

(e) If a court of competent jurisdiction orders MCO to produce documents, disclose data, breach the confidentiality obligations imposed in the Contract, or otherwise breach the Contract with respect to maintaining the confidentiality, proprietary nature, and secrecy of privileged work product, MCO will not be liable for a Contract breach when ordered to do so by the court.

Section 11.09 MCO's Incident and Breach Notice, Reporting and Mitigation

The MCO's obligation begins at discovery of any unauthorized disclosure of Confidential Information or any privacy or security incident that may compromise Confidential Information (collectively "Incident") and continues until all effects of the Incident are resolved to HHSC's satisfaction, hereafter referred to as the "Incident Response Period".

For each Incident, the MCO must perform a risk analysis in accordance with HIPAA requirements to determine the probability of compromise of the Confidential Information.

Section 11.09.1 Notification to HHSC.

- (a) The MCO must notify HHSC within the timeframes set forth in Section (c) below unless HHSC has agreed in writing to an alternate timeframe for notification.
- (b) The MCO must require that its Subcontractors and Providers take the necessary steps to assure that the MCO can comply with all of the following Incident notice requirements.
- (c) Incident Notice:

1. Initial Notice.

Within 24 hours of discovery of an Incident that the MCO's risk analysis has determined has more than a low probability of compromise, the MCO must preliminarily report on the occurrence of an Incident to the HHSC Privacy Officer via email at: privacy@HHSC.state.tx.us using the Potential Privacy/Security Incident Form which is available on the HHSC website. This initial notice must, at a minimum, contain (1) all information reasonably available to MCO about the Incident, (2) confirmation that the MCO has met any applicable federal Breach notification requirements and (3) a single point of contact for the MCOs for HHSC communications both during and outside of business hours during the Incident Response Period.

The formal notification must include all available information about the Incident, and the MCO's investigation of the Incident.

3. Annual Notice

For an Incident that the MCO's risk analysis has determined has a low probability of compromise or only involves unauthorized disclosure of a single individual's Confidential Information to a single unauthorized recipient, the MCO must provide notice to HHSC of such Incident no later

than 60 Days after the end of the calendar year in which the Incident occurred.

No later than 60 Days after the end of each calendar year, MCO's must provide the HHS Privacy Office with a comprehensive list of all incidents involving HHSC confidential information that were reported to the US Office for Civil Rights in accordance with the obligations under HIPAA.

Section 11.09.2 MCO Investigation, Response and Mitigation.

The MCO must demonstrate to the satisfaction of HHSC that any Breach notification required by applicable law was timely made. If there are delays outside of the MCO's control, the MCO must provide written documentation to HHSC of the reasons for the delay.

Article 12. Remedies & Disputes

Section 12.01 Understanding and expectations.

The remedies described in this Section are directed to MCO's timely and responsive performance of the Services and production of Deliverables, and the creation of a flexible and responsive relationship between the Parties. The MCO is expected to meet or exceed all HHSC objectives and standards set forth in the Contract. All areas of responsibility and all Contract requirements will be subject to performance evaluation by HHSC. Performance reviews may be conducted at the discretion of HHSC at any time and may relate to any responsibility and/or requirement. Any and all responsibilities and/or requirements not fulfilled may be subject to remedies set forth in the Contract.

Section 12.02 Tailored remedies.

(a) Understanding of the Parties.

MCO agrees and understands that HHSC may pursue tailored contractual remedies for noncompliance with the Contract. At any time and at its discretion, HHSC may impose or pursue one or more remedies for each item of noncompliance and will determine remedies on a case-by-case basis. HHSC's pursuit or non-pursuit of a tailored remedy does not constitute a waiver of any other remedy that HHSC may have at law or equity.

(b) Notice and opportunity to cure for non-material breach.

(1) HHSC will notify MCO in writing of specific areas of MCO performance that fail to meet performance expectations, standards, or schedules set forth in the Contract, but that, in the determination of HHSC, do not result in a

material deficiency or delay in the implementation or operation of the Services.

(2) MCO will, within five (5) Business Days (or another date approved by HHSC) of receipt of written notice of a non-material deficiency, provide the HHSC Project Manager a written response that:

(i) Explains the reasons for the deficiency, MCO's plan to address or cure the deficiency, and the date and time by which the deficiency will be cured; or

(ii) If MCO disagrees with HHSC's findings, its reasons for disagreeing with HHSC's findings.

(3) MCO's proposed cure of a non-material deficiency is subject to the approval of HHSC. MCO's repeated commission of non-material deficiencies or repeated failure to resolve any such deficiencies may be regarded by HHSC as a material deficiency and entitle HHSC to pursue any other remedy provided in the Contract or any other appropriate remedy HHSC may have at law or equity.

(c) Corrective Action Plan.

(1) At its option, HHSC may require MCO to submit to HHSC a written plan (the "Corrective Action Plan") to correct or resolve a material breach of the Contract, as determined by HHSC.

(2) The Corrective Action Plan must provide:

(i) A detailed explanation of the reasons for the cited deficiency;

(ii) MCO's assessment or diagnosis of the cause; and

(iii) A specific proposal to cure or resolve the deficiency.

(3) The Corrective Action Plan must be submitted by the deadline set forth in HHSC's request for a Corrective Action Plan. The Corrective Action Plan is subject to approval by HHSC, which will not unreasonably be withheld.

(4) HHSC will notify MCO in writing of HHSC's final disposition of HHSC's concerns. If HHSC accepts MCO's proposed Corrective Action Plan, HHSC may:

(i) Condition such approval on completion of tasks in the order or priority that HHSC may reasonably prescribe;

(ii) Disapprove portions of MCO's proposed Corrective Action Plan; or

(iii) Require additional or different corrective action(s).

Notwithstanding the submission and acceptance of a Corrective Action Plan, MCO

remains responsible for achieving all written performance criteria.

(5) HHSC's acceptance of a Corrective Action Plan under this Section will not:

(i) Excuse MCO's prior substandard performance;

(ii) Relieve MCO of its duty to comply with performance standards; or

(iii) Prohibit HHSC from assessing additional tailored remedies or pursuing other appropriate remedies for continued substandard performance.

(d) Administrative remedies.

(1) At its discretion, HHSC may impose one or more of the following remedies for each item of material noncompliance and will determine the scope and severity of the remedy on a case-by-case basis:

(i) Assess liquidated damages in accordance with the "Deliverables/Liquidated Damages Matrix;"

(ii) Conduct accelerated monitoring of the MCO. Accelerated monitoring includes more frequent or more extensive monitoring by HHSC or its agent;

(iii) Require additional, more detailed, financial or programmatic reports to be submitted by MCO;

(iv) Decline to renew or extend the Contract;

(v) Appoint temporary management under the circumstances described in 42 C.F.R. § 438.706;

(vi) Initiate disenrollment of a Member or Members;

(vii) Suspend enrollment of Members;

(viii) Withhold or recoup payment to MCO;

(ix) Require forfeiture of all or part of the MCO's bond; or

(x) Terminate the Contract in accordance with **Section 12.03**, ("Termination by HHSC").

(2) For purposes of the Contract, an item of material noncompliance means a specific action of MCO that:

(i) Violates a material provision of the Contract;

(ii) Fails to meet an agreed measure of performance; or

(iii) Represents a failure of MCO to be reasonably responsive to a reasonable request of HHSC relating to the Services for

information, assistance, or support within the timeframe specified by HHSC.

(3) HHSC will provide notice to MCO of the imposition of an administrative remedy in accordance with this Section, with the exception of accelerated monitoring, which may be unannounced. HHSC may require MCO to file a written response in accordance with this Section.

(4) The Parties agree that a State or Federal statute, rule, regulation, or Federal guideline will prevail over the provisions of this Section unless the statute, rule, regulation, or guidelines can be read together with this Section to give effect to both.

(e) Damages.

(1) HHSC will be entitled to actual and consequential damages resulting from the MCO's failure to comply with any of the terms of the Contract. In some cases, the actual damage to HHSC or State of Texas as a result of MCO's failure to meet any aspect of the responsibilities of the Contract and/or to meet specific performance standards set forth in the Contract are difficult or impossible to determine with precise accuracy. Therefore, liquidated damages will be assessed in writing against and paid by the MCO in accordance with and for failure to meet any aspect of the responsibilities of the Contract and/or to meet the specific performance standards identified by the HHSC "Deliverables/Liquidated Damages Matrix." Liquidated damages will be assessed if HHSC determines such failure is the fault of the MCO, including the MCO's Subcontractors and/or consultants, and is not materially caused or contributed to by HHSC or its agents. If at any time, HHSC determines the MCO has not met any aspect of the responsibilities of the Contract and/or the specific performance standards due to mitigating circumstances, HHSC reserves the right to waive all or part of the liquidated damages. All such waivers must be in writing, contain the reasons for the waiver, and be signed by the appropriate executive of HHSC.

(2) The liquidated damages prescribed in this Section are not intended to be in the nature of a penalty, but are intended to be reasonable estimates of HHSC's projected financial loss and damage resulting from the MCO's nonperformance, including financial loss as a result of project delays. Accordingly, in the event MCO fails to perform in accordance with the Contract, HHSC may assess liquidated damages as provided in this Section.

(3) If MCO fails to perform any of the Services described in the Contract, HHSC may assess liquidated damages for each occurrence

of a liquidated damages event, to the extent consistent with HHSC's tailored approach to remedies and Texas law.

(4) HHSC may elect to collect liquidated damages:

(i) Through direct assessment and demand for payment delivered to MCO; or

(ii) By deduction of amounts assessed as liquidated damages as set-off against payments then due to MCO or that become due at any time after assessment of the liquidated damages. HHSC will make deductions until the full amount payable by the MCO is received by HHSC.

(f) Equitable Remedies.

(1) MCO acknowledges that, if MCO breaches (or attempts or threatens to breach) its material obligation under the Contract, HHSC may be irreparably harmed. In such a circumstance, HHSC may proceed directly to court to pursue equitable remedies.

(2) If a court of competent jurisdiction finds that MCO breached, or attempted or threatened to breach any such obligations, MCO agrees that without any additional findings of irreparable injury or other conditions to injunctive relief, it will not oppose the entry of an appropriate order compelling performance by MCO and restraining it from any further breaches, or attempted or threatened breaches.

(g) Suspension of Contract.

(1) HHSC may suspend performance of all or any part of the Contract if:

(i) HHSC determines that MCO has committed a material breach of the Contract;

(ii) HHSC has reason to believe that MCO has committed, assisted in the commission of Fraud, Waste, or Abuse, malfeasance, misfeasance, or nonfeasance by any party concerning the Contract;

(iii) HHSC determines that the MCO knew, or should have known, of Fraud, Waste or, Abuse, malfeasance, or nonfeasance by any party concerning the Contract, and the MCO failed to take appropriate action; or

(iv) HHSC determines that suspension of the Contract in whole or in part is in the best interests of the State of Texas or the HHSC Programs.

(2) HHSC will notify MCO in writing of its intention to suspend the Contract in whole or in part. Such notice will:

(i) Be delivered in writing to MCO;

(ii) Include a concise description of the facts or matter leading to HHSC's decision; and

(iii) Unless HHSC is suspending the contract for convenience, request a Corrective Action Plan from MCO or describe actions that MCO may take to avoid the contemplated suspension of the Contract.

Section 12.03 Termination by HHSC.

Prior to completion of the Contract Period, all or a part of the Contract may be terminated for any of the following reasons:

(a) Termination in the best interest of HHSC.

HHSC may terminate the Contract without cause at any time when, in its sole discretion, HHSC determines that termination is in the best interests of the State of Texas. HHSC will provide reasonable advance written notice of the termination, as it deems appropriate under the circumstances. The termination will be effective on the date specified in HHSC's notice of termination.

(b) Termination for cause.

Except as otherwise provided by the U.S. Bankruptcy Code, or any successor law, HHSC may terminate the Contract, in whole or in part, upon the following conditions:

(1) Assignment for the benefit of creditors, appointment of receiver, or inability to pay debts.

HHSC may terminate the Contract at any time if MCO:

- (i) Makes an assignment for the benefit of its creditors;
- (ii) Admits in writing its inability to pay its debts generally as they become due; or
- (iii) Consents to the appointment of a receiver, trustee, or liquidator of MCO or of all or any part of its property.

(2) Failure to adhere to laws, rules, ordinances, or orders.

HHSC may terminate the Contract if a court of competent jurisdiction finds MCO failed to adhere to any laws, ordinances, rules, regulations, or orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of MCO's duties under the Contract. HHSC will provide at least 30 Days' advance written notice of such termination.

(3) Breach of confidentiality.

HHSC may terminate the Contract at any time if MCO breaches confidentiality laws with respect to the Services and Deliverables provided under the Contract.

(4) Failure to maintain adequate personnel or resources.

HHSC may terminate the Contract if, after providing notice and an opportunity to correct, HHSC determines that MCO has failed to supply personnel or resources and such failure results in MCO's inability to fulfill its duties under the Contract. HHSC will provide at least 30 Days' advance written notice of such termination.

(5) Termination for gifts and gratuities.

(i) HHSC may terminate the Contract at any time following the determination by a competent judicial or quasi-judicial authority and MCO's exhaustion of all legal remedies that MCO, its employees, agents or representatives have either offered or given anything of value to an officer or employee of HHSC or the State of Texas in violation of state law.

(ii) MCO must include a similar provision in each of its Subcontracts and shall enforce this provision against a Subcontractor who has offered or given anything of value to any of the persons or entities described in this Section, whether or not the offer or gift was in the MCO's behalf.

(iii) Termination of a Subcontract by MCO pursuant to this provision will not be a cause for termination of the Contract unless:

(a) MCO fails to replace such terminated Subcontractor within a reasonable time; and

(b) Such failure constitutes cause, as described in this **Subsection 12.03(b)**.

(iv) For purposes of this Section, a "thing of value" means any item of tangible or intangible property that has a monetary value of more than \$50.00 and includes, but is not limited to, cash, food, lodging, entertainment, and charitable contributions. The term does not include contributions to holders of public office or candidates for public office that are paid and reported in accordance with State and/or Federal law.

(6) Termination for non-appropriation of funds.

Notwithstanding any other provision of the Contract, if funds for the continued fulfillment of the Contract by HHSC are at any time not forthcoming or are insufficient, through failure of any entity to appropriate funds or otherwise, then HHSC will have the right to terminate the Contract at no additional cost and with no penalty whatsoever by giving prior written notice

documenting the lack of funding. HHSC will provide at least 30 Days' advance written notice of such termination. HHSC will use reasonable efforts to ensure appropriated funds are available.

(7) Judgment and execution.

(i) HHSC may terminate the Contract at any time if judgment for the payment of money in excess of \$500,000.00 that is not covered by insurance, is rendered by any court or governmental body against MCO, and MCO does not:

(a) Discharge the judgment or provide for its discharge in accordance with the terms of the judgment;

(b) Procure a stay of execution of the judgment within 30 Days from the date of entry thereof; or

(c) Perfect an appeal of such judgment and cause the execution of such judgment to be stayed during the appeal, providing such financial reserves as may be required under generally accepted accounting principles.

(ii) If a writ or warrant of attachment or any similar process is issued by any court against all or any material portion of the property of MCO, and such writ or warrant of attachment or any similar process is not released or bonded within 30 Days after its entry, HHSC may terminate the Contract in accordance with this Section.

(8) Termination for MCO's material breach of the Contract.

HHSC will have the right to terminate the Contract in whole or in part if HHSC determines, at its sole discretion, that MCO has materially breached the Contract. HHSC will provide at least 30 Days' advance written notice of such termination.

(9) Termination for Criminal Conviction

HHSC will have the right to terminate the Contract in whole or in part, or require the replacement of a Material Subcontractor, if the MCO or a Material Subcontractor is convicted of a criminal offense in a state or federal court:

(i) Related to the delivery of an item or service;

(ii) Related to the neglect or abuse of Members in connection with the delivery of an item or service;

(iii) Consisting of a felony related to fraud, theft, embezzlement, breach of

fiduciary responsibility, or other financial misconduct, or

(iv) Resulting in a penalty or fine in the amount of \$500,000 or more in a state or federal administrative proceeding.

(c) Pre-termination Process

The following process will apply when HHSC terminates the Contract for any reason set forth in Section 12.03(b), "Termination for Cause," other than Subpart 6, "Termination for Non-appropriation of Funds."

In accordance with 42 C.F.R. §438.710, before terminating the Contract, HHSC will provide the MCO with 30 Days advance written notice of its intent to terminate. The pre-termination notice will include the following information; the reason for the proposed termination; the proposed effective date of the termination; and the time and place of the pre-termination hearing. During the hearing, the MCO may present written information explaining why HHSC should not terminate the Contract. After the pre-termination hearing, the State Medicaid Director will provide the MCO with a written notice of HHSC's final affirming or reversing the proposed termination of the Contract and the effective date of termination if applicable.

HHSC's final decision to terminate the Contract is binding and is not subject to review by the State Office of Administrative Hearings under Chapter 2260, Texas Government Code.

The pre-termination process described herein will not limit or otherwise reduce the MCO's rights and the Parties' responsibilities under Section 12.13, "Dispute Resolution."

Section 12.04 Termination by MCO.

(a) Failure to pay.

MCO may terminate the Contract if HHSC fails to pay the MCO undisputed charges when due as required under the Contract. Retaining premium, recoupment, sanctions, or penalties that are allowed under the Contract or that result from the MCO's failure to perform or the MCO's default under the terms of the Contract is not cause for termination. Termination for failure to pay does not release HHSC from the obligation to pay undisputed charges for services provided prior to the termination date.

If HHSC fails to pay undisputed charges when due, then the MCO may submit a notice of intent to terminate for failure to pay in accordance with the requirements of **Section 12.04(e)**. If HHSC pays all undisputed amounts then due within 30 Days after receiving the notice of intent to terminate, the MCO

cannot proceed with termination of the Contract under this Article.

(b) Change to HHSC Uniform Managed Care Manual.

MCO may terminate this agreement if the Parties are unable to resolve a dispute concerning a material and substantive change to the **UMCM**, a change that materially and substantively alters the MCO's ability to fulfill its obligations under the Contract. MCO must submit a notice of intent to terminate due to a material and substantive change in the **UMCM** no later than 30 Days after the effective date of the policy change. HHSC will not enforce the policy change during the period of time between the receipt of the notice of intent to terminate and the effective date of termination.

(c) Change to Capitation Rate.

If HHSC proposes an initial Capitation Rate or a modification to the Capitation Rate that is unacceptable to the MCO, the MCO may terminate the Contract. MCO must submit a written notice of intent to terminate due to a change in the Capitation Rate no later than 30 Days after HHSC's notice of the proposed change. HHSC will not enforce the rate change during the period of time between the receipt of the notice of intent to terminate and the effective date of termination.

(d) Expiration of Contract.

If MCO rejects, or intends to reject, an amendment extending the term of the Contract, MCO is subject to the requirements of Section 12.04(e).

(e) Notice of intent to terminate or to allow the Contract to expire.

If the MCO intends to terminate the Contract pursuant to this Section or allow the Contract to expire, MCO must give HHSC at least 90 Days' written notice of intent to terminate or intent to allow the Contract to expire. The termination date will be calculated as the last Day of the month following 90 Days from the date the notice of intent is received by HHSC.

In the event the MCO fails to comply with this notice requirement, the Contract shall be extended under the same terms, conditions, and rates, for the period of time necessary to satisfy this notice requirement.

Section 12.05 Termination by mutual agreement.

The Contract may be terminated by mutual written agreement of the Parties.

Section 12.06 Effective date of termination.

Except as otherwise provided in the Contract, termination will be effective as of the date specified in the notice of termination. The Turnover obligations of the MCO will continue to apply after the effective date of the Contract termination.

Section 12.07 Extension of termination effective date.

The Parties may extend the effective date of termination one or more times by mutual written agreement.

Section 12.08 Payment and other provisions at Contract termination.

(a) In the event of termination pursuant to this Article, HHSC will pay the Capitation Payment for Services and Deliverables rendered through the effective date of termination. All pertinent provisions of the Contract will form the basis of settlement.

(b) MCO must provide HHSC all reasonable access to records, facilities, and documentation as is required to efficiently and expeditiously close out the Services and Deliverables provided under this Contract.

(c) MCO must prepare a Turnover Plan, which is acceptable to and approved by HHSC. The Turnover Plan will be implemented during the time period between receipt of notice and the termination date.

Section 12.09 Modification of Contract in the event of remedies.

HHSC may propose a modification of the Contract in response to the imposition of a remedy under this Article. Any modifications under this Section must be reasonable, limited to the matters causing the exercise of a remedy, in writing, and executed in accordance with **Article 8**. MCO must negotiate such proposed modifications in good faith.

Section 12.10 Turnover assistance.

Upon receipt of notice of termination of the Contract by HHSC or by the MCO, MCO will provide any turnover assistance reasonably necessary to enable HHSC or its designee to effectively close out the Contract and move the work to another vendor or to perform the work itself.

During the Turnover Phase, MCO must continue performing under the Contract, including rendering all contracted Services, until such time HHSC determines that the MCO has completed all requirements in accordance with the Turnover Plan.

Section 12.11 Rights upon termination or expiration of Contract.

In the event that the Contract is terminated for any reason, or upon its expiration, HHSC will, at HHSC's discretion, retain ownership of any and all associated work products, Deliverables, or documentation in whatever form that they exist.

Section 12.12 MCO responsibility for associated costs.

If HHSC terminates the Contract for Cause, the MCO will be responsible to HHSC for all reasonable costs incurred by HHSC, the State of Texas, or any of its administrative agencies to replace the MCO.

These costs include, but are not limited to, the costs of procuring a substitute vendor and the cost of any claim or litigation that is reasonably attributable to MCO's failure to perform any Service in accordance with the terms of the Contract.

Section 12.13 Dispute resolution.

(a) General agreement of the Parties.

The Parties mutually agree that the interests of fairness, efficiency, and good business practices are best served when the Parties employ all reasonable and informal means to resolve any dispute under the Contract. The Parties express their mutual commitment to using all reasonable and informal means of resolving disputes prior to invoking a remedy provided elsewhere in this Section.

(b) Duty to negotiate in good faith.

Any dispute that in the judgment of any Party to the Contract may materially or substantially affect the performance of any Party will be reduced to writing and delivered to the other Party. The Parties must then negotiate in good faith and use every reasonable effort to resolve such dispute and the Parties shall not resort to any formal proceedings unless they have reasonably determined that a negotiated resolution is not possible. The resolution of any dispute disposed of by Contract between the Parties shall be reduced to writing and delivered to all Parties within 10 Business Days.

(c) Claims for breach of Contract.

(1) General requirement.

MCO's claim for breach of the Contract will be resolved in accordance with the dispute resolution process established by HHSC in accordance with Chapter 2260, Texas Government Code.

(2) Negotiation of claims.

The Parties expressly agree that the MCO's claim for breach of the Contract that the Parties cannot resolve in the ordinary course of business or through the use of all reasonable and informal means will be submitted to the negotiation process provided in Chapter 2260, Subchapter B, Texas Government Code.

(i) To initiate the process, MCO must submit written notice to HHSC that specifically states that MCO invokes the provisions of Chapter 2260, Subchapter B, Texas Government Code. The notice must comply with the requirements of Title 1, Chapter 392, Subchapter B of the Texas Administrative Code.

(ii) The Parties expressly agree that the MCO's compliance with Chapter 2260, Subchapter B, Texas Government Code, will be a condition precedent to the filing of a

contested case proceeding under Chapter 2260, Subchapter C of the Texas Government Code.

(3) Contested case proceedings.

The contested case process provided in Chapter 2260, Subchapter C, Texas Government Code, will be MCO's sole and exclusive process for seeking a remedy for any and all alleged breaches of contract by HHSC if the Parties are unable to resolve their disputes under Subsection (c)(2) of this Section.

The Parties expressly agree that compliance with the contested case process provided in Chapter 2260, Subchapter C, Texas Government Code, will be a condition precedent to seeking consent to sue from the Texas Legislature under Chapter 107, Civil Practices & Remedies Code. Neither the execution of the Contract by HHSC nor any other conduct of any representative of HHSC relating to the Contract shall be considered a waiver of HHSC's sovereign immunity to suit.

(4) HHSC rules.

The submission, processing, and resolution of MCO's claim is governed by the rules adopted by HHSC pursuant to Chapter 2260, Texas Government Code found at Title 1, Chapter 392, Subchapter B of the Texas Administrative Code.

(5) MCO's duty to perform.

Neither the occurrence of an event constituting an alleged breach of contract nor the pending status of any claim for breach of contract is grounds for the suspension of performance, in whole or in part, by MCO of any duty or obligation with respect to the performance of the Contract. Any changes to the Contract as a result of a dispute resolution will be implemented in accordance with **Article 8** ("Amendments and Modifications").

Section 12.14 Liability of MCO.

(a) MCO bears all risk of loss or damage to HHSC or the State due to:

- (1) Defects in Services or Deliverables;
- (2) Unfitness or obsolescence of Services or Deliverables; or

(b) MCO must, at the MCO's own expense, defend with counsel approved by HHSC, indemnify, and hold harmless HHSC and State employees, officers, directors, contractors and agents from and against any losses, liabilities, damages, penalties, costs, fees, including without limitation reasonable attorneys' fees, and expenses from any claim or

action for property damage, bodily injury or death, to the extent caused by or arising from the negligence or intentional misconduct of the MCO and its employees, officers, agents, or Subcontractors. HHSC will not unreasonably withhold approval of counsel selected by MCO.

(c) MCO will not be liable to HHSC for any loss, damages, or liabilities attributable to or arising from the failure of HHSC or any state agency to perform a service or activity in connection with the Contract.

Article 13. Assurances and Certifications

Section 13.01 Proposal certifications.

MCO acknowledges its continuing obligation to comply with the requirements of the certifications contained in its Proposal, and will immediately notify HHSC of any changes in circumstances affecting these certifications.

Section 13.02 Conflicts of interest.

(a) Representation.

MCO agrees to comply with applicable state and federal laws, including 41 U.S.C. § 423, rules, and regulations regarding conflicts of interest in the performance of its duties under this Contract. MCO warrants that it has no interest and will not acquire any direct or indirect interest that would conflict in any manner or degree with its performance under this Contract.

(b) General duty regarding conflicts of interest.

MCO will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain. MCO will operate with complete independence and objectivity without actual, potential, or apparent conflict of interest with respect to the activities conducted under this Contract with the State of Texas.

Section 13.03 Organizational conflicts of interest.

(a) Definition.

An organizational conflict of interest is a set of facts or circumstances, a relationship, or other situation under which an MCO, or a Subcontractor has past, present, or currently planned personal or financial activities or interests that either directly or indirectly:

(1) Impairs or diminishes the MCO's, or Subcontractor's ability to render impartial or objective assistance or advice to HHSC; or

(2) Provides the MCO or Subcontractor an unfair competitive advantage in future HHSC procurements (excluding the award of this Contract).

(b) Warranty.

Except as otherwise disclosed and approved by HHSC prior to the Effective Date of the Contract, MCO warrants that, as of the Effective Date and to the best of its knowledge and belief, there are no relevant facts or circumstances that could give rise to an organizational conflict of interest affecting this Contract. MCO affirms that it has neither given, nor intends to give, at any time after Contract Execution, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant or any employee or representative of same, at any time during the procurement process or in connection with the procurement process except as allowed under relevant state and federal law.

(c) Continuing duty to disclose.

(1) MCO agrees that, if after the Effective Date, MCO discovers or is made aware of an organizational conflict of interest, MCO will immediately and fully disclose such interest in writing to the HHSC project manager. In addition, MCO must promptly disclose any relationship that might be perceived or represented as a conflict after its discovery by MCO or by HHSC as a potential conflict. HHSC reserves the right to make a final determination regarding the existence of conflicts of interest, and MCO agrees to abide by HHSC's decision.

(2) The disclosure will include a description of the action(s) that MCO has taken or proposes to take to avoid or mitigate such conflicts.

(d) Remedy.

If HHSC determines that an organizational conflict of interest exists, HHSC may, at its discretion, terminate the Contract under the terms found in **Subsection 12.03(b)(9)**. If HHSC determines that MCO was aware of an organizational conflict of interest before the award of this Contract and did not disclose the conflict to HHSC, the nondisclosure will be considered a material breach of the Contract. Furthermore, the breach may be submitted to the Office of the Attorney General, Texas Ethics Commission, or appropriate state or federal law enforcement officials for further action.

(e) Flow-down obligation.

MCO must include the provisions of this Section in all Subcontracts for work to be performed similar to the service provided by MCO, and the terms "Contract," "MCO," and "project manager" modified appropriately to preserve HHSC's rights.

Section 13.04 HHSC personnel recruitment prohibition.

MCO has not retained or promised to retain any person or company, or utilized or promised to utilize a consultant that participated in HHSC's development of specific criteria of the RFP or who participated in the selection of the MCO for this Contract.

Unless authorized in writing by HHSC, MCO will not recruit or employ any HHSC professional or technical personnel who have worked on projects relating to the subject matter of this Contract, or who have had any influence on decisions affecting the subject matter of this Contract, for two years following the completion of this Contract.

Section 13.05 Anti-kickback provisions.

MCO certifies that it will comply with the Anti-Kickback Act of 1986 (41 U.S.C. § 51–58), 42 U.S.C. § 1320a-7b(b), and Federal Acquisition Regulation Subpart 52.203-7, to the extent applicable.

Section 13.06 Debt or back taxes owed to State of Texas.

In accordance with Texas Government Code § 403.055, MCO agrees that any payments due to MCO under the Contract will be first applied toward any debt or back taxes MCO owes the State of Texas. MCO further agrees that payments will be so applied until those debts and back taxes are paid in full.

Section 13.07 Certification regarding status of license, certificate, or permit.

Article IX, Section 163 of the General Appropriations Act for the 1998/1999 state fiscal biennium prohibits an agency that receives an appropriation under either Article II or V of the General Appropriations Act from awarding a contract with the owner, operator, or administrator of a facility that has had a license, certificate, or permit revoked by another Article II or V agency. MCO certifies it is not ineligible for an award under this provision.

Section 13.08 Outstanding debts and judgments.

MCO certifies that it is not presently indebted to the State of Texas, and that MCO is not subject to an outstanding judgment in a suit by the State of Texas against MCO for collection of the balance. For purposes of this Section, an indebtedness is any amount of money that is due and owing to the State of Texas and is not currently under dispute. A false statement regarding MCO's status will be treated as a material breach of this Contract and may be grounds for termination at the option of HHSC.

Article 14. Representations and Warranties

Section 14.01 Authorization.

(a) The execution, delivery, and performance of this Contract has been duly authorized by MCO and no additional approval, authorization, or consent of any governmental or regulatory agency is required in order for MCO to enter into this Contract and perform its obligations under this Contract.

(b) MCO has obtained all licenses, certifications, permits, and authorizations necessary to perform the Services under this Contract and currently is in good standing with all regulatory agencies that regulate any

or all aspects of MCO's performance of this Contract. MCO will maintain all required certifications, licenses, permits, and authorizations during the term of this Contract.

Provision against the risk of insolvency must be made by establishing adequate reserves, insurance or other guarantees in full compliance with all financial requirements of TDI. In the event the MCO fails to maintain such compliance, HHSC, without limiting any other rights it may have by law or under the Contract, may terminate the Contract.

(b) If the MCO becomes aware of any impending changes to its financial or business structure that could adversely impact its compliance with the requirements of the Contract or its ability to pay its debts as they come due, the MCO must notify HHSC immediately in writing.

(c) The MCO must have a plan and take appropriate measures to ensure adequate provision against the risk of insolvency as required by TDI. Such provision must be adequate to provide for the following in the event of insolvency:

(1) continuation of Covered Services, until the time of discharge, to Members who are confined on the date of insolvency in a hospital or other inpatient facility;

(2) payments to unaffiliated healthcare providers and affiliated healthcare providers whose Contracts do not contain Member "hold harmless" clauses acceptable to the TDI;

(3) continuation of Covered Services for the duration of the Contract Period for which a capitation has been paid for a Member;

(4) provision against the risk of insolvency must be made by establishing adequate reserves, insurance or other guarantees in full compliance with all financial requirements of TDI and the Contract.

Should TDI determine that there is an immediate risk of insolvency or the MCO is unable to provide Covered Services to its Members, HHSC, without limiting any other rights it may have by law, or under the Contract, may terminate the Contract.

Section 14.05 Workmanship and performance.

MCO will promptly repair or replace any Deliverables not in compliance with this warranty at no charge to HHSC.

Section 14.07 Compliance with Contract.

MCO will not take any action substantially or materially inconsistent with any of the terms set forth in this Contract without the express written approval of HHSC.

Section 14.08 Technology Access.

All technological solutions offered by the MCO must comply with the requirements of Texas Government Code § 531.0162. This includes providing technological solutions that meet federal accessibility standards for persons with disabilities, as applicable.

Section 14.09 Electronic and Information Resources Accessibility Standards.

(a) Applicability.

The following Electronic and Information Resources (EIR) requirements apply to the Contract because the MCO performs services that include EIR that: (i) HHSC employees are required or permitted to access; or (ii) members of the public are required or

permitted to access. This Section does not apply to incidental uses of EIR in the performance of a Contract, unless the Parties agree that the EIR will become property of the State of Texas or will be used by HHSC's Members or recipients after completion of the Contract. Nothing in this section is intended to prescribe the use of particular designs or technologies or to prevent the use of alternative technologies, provided they result in substantially equivalent or greater access to and use of a Product.

(b) Definitions.

For purposes of this Section:

“Accessibility Standards” means the Electronic and Information Resources Accessibility Standards and the Web Site Accessibility Standards/Specifications.

“Electronic and Information Resources” means information resources, including information resources technologies, and any equipment or interconnected system of equipment that is used in the creation, conversion, duplication, or delivery of data or information. Accordingly, MCO must provide electronic and information resources and associated Product documentation and technical support that comply with the Accessibility Standards.

(d) Evaluation, Testing, and Monitoring.

(1) HHSC may review, test, evaluate and monitor MCO's Products and associated documentation and technical support for compliance with the Accessibility Standards. Review, testing, evaluation and monitoring may be

conducted before and after the award of a contract. Testing and monitoring may include user acceptance testing.

Neither (i) the review, testing (including acceptance testing), evaluation or monitoring of any Product, nor (ii) the absence of review, testing, evaluation or monitoring, will result in a waiver of the State's right to contest the MCO's assertion of compliance with the Accessibility Standards.

(2) MCO agrees to cooperate fully and provide HHSC and its representatives timely access to Products, records, and other items and information needed to conduct such review, evaluation, testing, and monitoring.

(e) Representations and Warranties.

(1) MCO represents and warrants that: (i) as of the Effective Date of the Contract, the Products and associated documentation and technical support comply with the Accessibility Standards as they exist at the time of entering the Contract, unless and to the extent the Parties otherwise expressly agree in writing; and (ii) if the Products will be in the custody of the state or an HHS Agency's Member or recipient after the Contract expiration or termination, the Products will continue to comply with Accessibility Standards after the expiration or termination of the Contract Term, unless HHSC or its Members or recipients, as applicable, use the Products in a manner that renders it noncompliant.

(2) In the event MCO should have known, becomes aware, or is notified that the Product and associated documentation and technical support do not comply with the Accessibility Standards, MCO represents and warrants that it will, in a timely manner and at no cost to HHSC, perform all necessary steps to satisfy the Accessibility Standards, including remediation, replacement, and upgrading of the Product, or providing a suitable substitute.

(3) MCO acknowledges and agrees that these representations and warranties are essential inducements on which HHSC relies in awarding this Contract.

(4) MCO's representations and warranties under this subsection will survive the termination or expiration of the Contract and will remain in full force and effect throughout the useful life of the Product.

(f) Remedies.

(1) Under Tex. Government Code § 2054.465, neither MCO nor any other person has cause of action against HHSC for a claim of a

failure to comply with Tex. Government Code Chapter 2054, Subchapter M, and rules of the Department of Information Resources.

(2) In the event of a breach of MCO's representations and warranties, MCO will be liable for direct, consequential, indirect, special, or liquidated damages and any other remedies to which HHSC may be entitled under this Contract and other applicable law. This remedy is cumulative of any other remedies to which HHSC may be entitled under this Contract and other applicable law.

Article 15. Intellectual Property

(a) MCO warrants that all Deliverables provided by MCO will not infringe or misappropriate any right of, and will be free of any claim of, any third person or entity based on copyright, patent, trade secret, or other intellectual property rights.

(b) MCO will, at its expense, defend with counsel approved by HHSC, indemnify, and hold harmless HHSC, its employees, officers, directors, contractors, and agents from and against any losses, liabilities, damages, penalties, costs, fees, including reasonable attorneys' fees and expenses, from any claim or action against HHSC that is based on a claim of breach of the warranty according to this section. HHSC will promptly notify MCO in writing of the claim, provide MCO a copy of all information received by HHSC with respect to the claim, and cooperate with MCO in defending or settling the claim. HHSC will not unreasonably withhold, delay, or condition approval of counsel selected by the MCO.

(c) In case the Deliverables, or any one or part of them, is held to constitute an infringement or misappropriation in an action, or the use is enjoined or restricted or if a proceeding appears to MCO to be likely to be brought, MCO will, at its own expense, either:

(1) Procure for HHSC the right to continue using the Deliverables; or

(2) Modify or replace the Deliverables to comply with the Specifications and to not violate any intellectual property rights.

If neither of the alternatives set forth in (1) or (2) above are available to the MCO on commercially reasonable terms, MCO may require that HHSC return the allegedly infringing Deliverable(s) in which case MCO will refund all amounts paid for all the Deliverables.

Section 15.02 Exceptions.

MCO is not responsible for any claimed breaches of the warranties set forth in **Section 15.01** to the extent caused by:

(a) Modifications made to the item in question by anyone other than MCO or its Subcontractors, or modifications made by HHSC or its contractors working at MCO's direction or in accordance with the specifications; or

Section 16.02 Risk of Loss.

During the period Deliverables are in transit and in possession of MCO, its carriers, or HHSC prior to being accepted by HHSC, MCO will bear the risk of loss or damage, unless the loss or damage is caused by the negligence or intentional misconduct of HHSC. After HHSC accepts a Deliverable, HHSC will bear the risk of loss or damage to the Deliverable, except loss or damage attributable to the negligence or intentional misconduct of MCO's agents, employees, or Subcontractors.

An MCO that waives the Professional Liability Insurance requirement for a Network Provider pursuant to this provision is not required to obtain such coverage on behalf of the Network Provider.

(2) The MCO or the Network Provider is responsible for any deductibles stated in the insurance policies.

(3) Insurance coverage must be issued by insurance companies authorized to conduct business in the State of Texas.

(4) With the exception of Professional Liability Insurance maintained by Network Providers, all insurance coverage must name HHSC as an additional insured. In addition, the Professional Liability Insurance maintained by Network Providers and Business Automobile Liability Insurance must name HHSC as a loss payee.

(5) Insurance coverage kept by the MCO must be maintained in full force at all times during the Term of the Contract, and until HHSC's final acceptance of all Services and Deliverables. Failure to maintain insurance coverage will constitute a material breach of this Contract.

(6) With the exception of Professional Liability Insurance maintained by Network Providers, the insurance policies described in this Section must have extended reporting periods of two years. When policies are renewed or replaced, the policy retroactive date

must coincide with, or precede, the Contract Effective Date.

(7) With the exception of Professional Liability Insurance maintained by Network Providers, the insurance policies described in this Section must provide that prior written notice be given to HHSC at least 30 Days before coverage is reduced below minimum HHSC contractual requirements, canceled, or non-renewed. The MCO must submit a new coverage binder to HHSC to ensure no break in coverage.

(8) The Parties understand and agree that any insurance coverages and limits furnished by the MCO will in no way expand or limit the MCO's liabilities and responsibilities specified within the Contract documents or by applicable law.

(9) The MCO understands and agrees that any insurance maintained by HHSC will apply in excess of and not contribute to insurance provided by the MCO under the Contract.

(10) If the MCO, or its Network Providers, desire additional coverage, higher limits of liability, or other modifications for its own protection, the MCO or its Network Providers will be responsible for the acquisition and cost of such additional protection. This additional protection will not be an Allowable Expense under this Contract.

(11) MCO will require all insurers to waive their rights of subrogation against HHSC for claims arising from or relating to this Contract.

(d) Proof of Insurance Coverage

(1) Except as provided in **Section 17.01(d)(2)**, the MCO must furnish the HHSC Project Manager original Certificates of Insurance evidencing the required insurance coverage on or before the Effective Date of the Contract. If insurance coverage is renewed during the Term of the Contract, the MCO must furnish the HHSC Project Manager renewal certificates of insurance, or such similar evidence, within five Business Days of renewal. The failure of HHSC to obtain this evidence from the MCO will not be deemed to be a waiver by HHSC and the MCO will remain under continuing obligation to maintain and provide proof of insurance coverage.

(2) The MCO is not required to furnish the HHSC Project Manager proof of Professional Liability Insurance maintained by Network Providers on or before the Effective Date of the Contract, but must provide that information upon HHSC's request during the Term of the Contract.

Section 17.02 Performance Bond.

(a) Beginning on the Operational Start Date of the Contract, the MCO must obtain a performance bond with a one-year term. The performance bond must be renewable and renewal must occur no later than the first Day of each subsequent State Fiscal Year. The performance bond must continue to be in effect for one year following the expiration of the final renewal period or the date the contract terminates. MCO must obtain and maintain the annual performance bonds in the form prescribed by HHSC and approved by TDI, naming HHSC as Obligee, securing MCO's faithful performance of the terms of this Contract. The performance bond must comply with Tex. Ins. Code Chapter 843. At least one performance bond must be issued. The amount of the performance bond(s) should total \$100,000.00 for the MCO Program covered under this Contract. Performance bonds must be issued by a surety licensed by TDI and specify cash payment as the sole remedy. MCO must deliver the initial performance bond to HHSC prior to the Operational Start Date of the Contract and each renewal prior to the first Day of the State Fiscal Year.

(b) Prior performance bonds received for a specific SFY will be released upon completion of the audit of the 334-Day FSR for the corresponding SFY.

Section 17.03 TDI Fidelity Bond.

The MCO will secure and maintain throughout the life of the Contract a fidelity bond in compliance with Chapter 843 of the Texas Insurance Code. The MCO must promptly provide HHSC with copies of the bond and any amendments or renewals.
