Attachment A-4.1
Revised SFY22 Statement of Work

I. GRANTEE RESPONSIBILITIES & REQUIREMENTS

A. Emergency Medical Services/COUNTY—Grantee shall:

1. Notify the Department of State Health Services (DSHS) whether Emergency Medical Services (EMS)/COUNTY funds will be distributed to EMS providers as an advance or as a reimbursement. Reports for EMS providers must be reconciled immediately upon the funds being expended by the EMS provider and Grantee-reconciled reports must be submitted to DSHS by dates included in Deliverable Reporting Calendar;
2. Distribute funds to EMS providers. DSHS will provide allocations by county however actual eligibility will be based on participation. If an EMS provider is no longer considered eligible or is no longer operational, these funds may be redirected to provide additional allocations to eligible providers within the same county where funds were allocated to. If there are no additional, eligible EMS providers within the same county to reallocate funds to, then funds awarded for the county would need to be returned to DSHS accordingly. Grantee should contact DSHS Contract Management Section (CMS) if funds will be returned to the agency for instructions to complete this request. All disbursements should be outlined on an end-of-the-year Provider Distribution Report. Funds not distributed as detailed in your end-of-the-year Provider Distribution Report may result in disallowed costs. **Funds distributed to EMS providers as an advance may not be reduced by the Grantee for the cost of dues, fees, or services provided by the Grantee and that are billed to the EMS providers;**
3. Prioritize, in the order listed below, EMS provider reimbursements to ensure the viability of the organization to ensure continued emergency medical services are provided:
 - a. EMS operational expenses used to maintain the viability of the organization;
 - b. EMS supplies;
 - c. EMS education and training:
 - i. Cost of meals during overnight travel may be reimbursed only if EMS personnel are attending meetings or conferences that relate to the EMS/COUNTY Grant Program and technical information is being disseminated; and
 - ii. Subgrantees must have travel policies that specify maximum reimbursement limits for meals, lodging, and the mileage rate. Otherwise, the State of Texas travel policies and regulations will be applied;
 - d. EMS equipment;
 - e. EMS ambulances (other vehicles may be considered upon request and prior approval by DSHS); and
 - f. EMS communication systems;

4. Ensure Contract funds **are not** used for the following:
 - a. Buildings or real property, unless Grantee obtains prior written approval from DSHS. Any costs related to the initial acquisition of the buildings or real property are not allowable without written pre-approval;
 - b. Purchase and improvement of land;
 - c. Food (other than as specified under A(3)(c)(i));
 - d. Investments (such as stocks, bonds, or mutual funds); and
 - e. Expenses associated with a person or entity that has been hired to affect the outcome of legislation;
5. If necessary, utilize EMS/Regional Advisory Council (RAC) or Systems Development funds to administer the EMS/COUNTY deliverables;
6. For funds distributed to EMS providers as an advance or reimbursement, Grantee must submit a complete, reconciled, and verified accurate EMS Provider Expenditure Report on the template located at <http://www.dshs.texas.gov/emstraumasystems/formsresources.shtm> no later than the due date on the Deliverables Reporting Calendar. EMS Provider Expenditure Reports not received by DSHS by the date included on the Deliverables Reporting Calendar will result in the EMS provider not being eligible to receive funds in the following Contract term;
7. Review Grant Technical Assistance Guide, located online at <https://hhs.texas.gov/sites/default/files/documents/doing-business-with-hhs/vendor-contract-information/grant-technical-assistance-guide.pdf>, for acceptable source documents to support expenditures identified in the EMS Provider Expenditure Report. Grantee shall maintain source documents as part of its accounting records and prepare to submit to DSHS within 14 days **upon request**. Acceptable forms of documentation are also listed on the templates;
8. Submit a Provider Distribution Report that outlines the final list of eligible providers that were awarded funds on the template located at <http://www.dshs.texas.gov/emstraumasystems/formsresources.shtm> which delineates how the Grantee distributed funds to eligible EMS providers in the Grantee's trauma service area (TSA) counties. Upon DSHS receipt, the Provider Distribution Report shall be incorporated as part of this Contract;
9. Provide a list of the eligible EMS providers that met the RAC's eligibility requirements, participated in performance improvement activities as requested, and utilized the RAC's regional protocols regarding patient destination and transport;
10. Comply with the reporting requirements on the most current Deliverables Reporting Calendar, which shall be emailed to Grantee by DSHS no later than 30 days after the start of the Contract term. The Deliverables Reporting Calendar is incorporated herein by reference and made a part of this Contract. The Deliverables Reporting Calendar will include deadlines for all deliverables described herein; and
11. Submit all the above-referenced reports and deliverables, as well as any additional requested reports, to CMUReg.svcs@dshs.texas.gov.

12. In accordance with the Health and Safety Codes 773.122(c) and 780.004(d), Funds that are not disbursed by a regional advisory council to eligible recipients for approved functions by the end of the fiscal year in which the funds were disbursed may be retained by the regional advisory council for use in the following fiscal year for approved functions. Funds that are not disbursed by the regional advisory council in that following fiscal year shall be returned to the department to be used to fund a portion of the uncompensated trauma care. Grantee must notify DSHS Contract Management Section (CMS) by dates included in Deliverable Reporting Calendar, if any funds will not be expended by the end of the Contract term.

B. EMS/RAC – Grantee shall:

1. Comply with all applicable laws including Health and Safety Code Sections 241.182-185, 773.122, and 780.003-006. If DSHS determines that Grantee disbursed funds to a RAC in violation of Health and Safety Code Sections 241.182-185, 773.122, and 780.003-006, then DSHS may refrain from distributing funds to Grantee for a period of at least one year but not more than three years;
2. Use funds as provided for in this Contract for the enhancement and delivery of patient care in the Grantee's TSA;
3. Ensure that funds are used for the following allowable costs:
 - a. Supplies;
 - b. Operational expenses;
 - c. Education and training;
 - d. Equipment; and
 - e. Communication systems;
4. Ensure that funds are **not** used for the following:
 - a. Vehicles;
 - b. Improvements to buildings or real property without prior written approval from DSHS. Any costs related to the initial acquisition of the buildings or real property are not allowable without written pre-approval;
 - c. Purchase and improvement of land;
 - d. Investments (such as stocks, bonds, or mutual funds);
 - e. Expenses associated with a person or entity that has been hired to affect the outcome of legislation;
 - f. Salaries of Grantee's Executive Board members or executive officers, as applicable; and
 - g. Food, except that the cost of meals for RAC staff and/or RAC board members attending meetings or conferences, which pertain to carrying out activities under the Contract where there is dissemination of technical information, is allowable. In addition, same-day meal expense may be reimbursable if the RAC staff person or RAC board member is outside of his or her designated headquarters for at least six consecutive hours;
5. Submit Supporting Documentation Reports which capture monthly expenditures (i.e., Personnel, Fringe, Travel, Equipment, Supplies, Contractual, Other, and Indirect Costs) as well as programmatic and administrative costs. Program income

earned from funds directly associated with this program (i.e., fees or co-pays for services performed, income from the sale of items or services, registration fees collected, etc.) should also be reported. Rebates, refunds, discounts, and adjustments or credits should be treated as applicable credits and not as program income;

6. Submit a Final Supporting Documentation Report that includes expenditures from September 1, 2021, to August 31, 2022;
7. Submit a Final Narrative describing specifically how the funds were utilized to enhance and improve the delivery of EMS and trauma patient care in the region served;
8. Schedule general membership meetings and provide during the meeting a financial report, which includes funds expended, planned expenditures, and remaining balance. The general membership meeting(s) should be held within the current Contract term;
9. Review Grant Technical Assistance Guide located online at: <https://hhs.texas.gov/sites/default/files/documents/doing-business-with-hhs/vendor-contract-information/grant-technical-assistance-guide.pdf>. Grantee shall maintain as part of its accounting records and prepare to submit to DSHS within 14 days **upon request**, the following source documents to support expenditures identified in the Supporting Documentation Reports:
 - a. A detailed general ledger, specific to this program, which identifies and reconciles to costs reported in the Supporting Documentation Reports;
 - b. Timesheets or other record of actual hours worked, which reflect an after-the-fact distribution of the actual time spent on each activity, or documentation to support compliance with a substitute timekeeping system previously accepted by DSHS;
 - c. A payroll register, or similar report, that reflects 100% of the gross pay for employees charged to the Contract;
 - d. A labor distribution report, or similar document, that reflects the portion of an employee's gross pay charged to the Contract;
 - e. Vendor invoices for health, dental and similar fringe benefits; quarterly payroll tax reports for Federal Insurance Contributions Act and unemployment; and any other pertinent information necessary to support fringe benefits charged to the Contract;
 - f. Travel expense reports, including hotel bills and other applicable receipts, mileage logs, and the RAC Travel Policy to support travel costs charged to the Contract;
 - g. Purchase orders, invoices, receiving reports, and any other pertinent source documents for expenses charged to the Contract in the Equipment, Supplies, and Other categories;
 - h. Reimbursement requests, vouchers, or invoices to support costs charged to the Contractual category;
 - i. Evidence of programmatic and financial monitoring efforts (i.e., review and analysis of supporting documentation, reconciliation of costs to general ledger, reports, etc.) on reimbursed subcontractors; and

- j. Records to support the amount of program income earned from funds directly associated with this program;
10. Comply with the reporting requirements on the most recent Deliverables Reporting Calendar, which will be emailed no later than thirty (30) days after the start of the Contract term. The Deliverables Reporting Calendar shall be incorporated herein by reference and made a part of this Contract and includes deadlines for all deliverables; and
11. Submit all above reports and deliverables to CMUReg.svcs@dshs.texas.gov.
12. In accordance with the Health and Safety Codes 773.122(d) and 780.004(e), money that is not disbursed by a regional advisory council to eligible recipients for approved functions by the end of the fiscal year in which the funds were disbursed may be retained by the regional advisory council for use in the following fiscal year for approved functions. Money that is not disbursed by the regional advisory council in that following fiscal year shall be returned to the department to be used to fund a portion of the uncompensated trauma care. Grantee must notify DSHS Contract Management Section (CMS) by dates included in Deliverable Reporting Calendar, if any funds will not be expended by the end of the Contract term.

C. RAC SYSTEMS DEVELOPMENT – Grantee shall:

1. Perform activities to develop, implement, and monitor a regional EMS and trauma system plan by facilitating trauma and emergency health care system networking within the Grantee’s own TSA or among a group of TSAs throughout Texas;
2. Comply with all applicable laws and regulations established at federal and state levels as these regulations now appear or may be amended during the period of this Contract. Standards and guidelines referenced are those in effect at the beginning date of this Contract and include:
 - a. Texas Health and Safety Code §§780.003-6;
 - b. Texas Health and Safety Code Chapter 773;
 - c. Title 25 Texas Administrative Code §§ 157.123, 157.130 and 157.131;
 - d. Texas Health and Safety Code §§241.182-185;
 - e. Title 25 Texas Administrative Code Chapter 133, Subchapter J; and
 - f. Title 25 Texas Administrative Code Chapter 133, Subchapter K;
3. Assist DSHS, as requested, in identifying critical evacuation issues for Texas hospitals and EMS providers;
4. Participate in state and regional post-incident review activities as requested;
5. Ensure that the RAC Chair, or a RAC Executive Board member, and the person completing the Supporting Documentation Reports submitted to DSHS attend any scheduled meetings with the DSHS Program and CMS staff regarding the review of regional systems development activities and contractual requirements. DSHS may require the Grantee to participate and attend a virtual meeting;
6. Support the Perinatal Care Region (PCR) within the Grantee’s TSA for descriptive and regional planning purposes and ensure patient referral is not restricted by:

- a. Supporting the PCR;
 - b. Ensuring that the PCR members have fair and equitable representation on the RAC Board;
 - c. Having the PCR consider and facilitate transfer agreements through regional coordination; and
 - d. Reviewing the written plan annually to identify all resources available within the PCR for perinatal care including resources for emergency and disaster preparedness, and submit [that information to DSHS] upon request;
7. Ensure the following requirements are in Grantee's RAC bylaws or standard operating procedures or a comparable document and available on the RAC website:
- a. An election process, roles and responsibilities, terms of offices, and process for succession and removal of RAC Executive Board members and RAC officers;
 - b. A clearly defined process where the Grantee's executive director or equivalent and the RAC Board participate in the approval of the spending plan and expenditures that are to be presented to the general membership;
 - c. DSHS meeting attendance requirements for the RAC Chair and/or an Executive Board member to attend the **mandatory** RAC Chair meetings. The bylaws must also specifically include a defined process that discloses and addresses the mandatory attendance requirement to ensure compliance and addresses the removal of the RAC Chair and/or Executive Board member from office for failure to attend the mandatory meetings without prior written DSHS approval;
 - d. A defined process that discloses and addresses all possible conflicts of interest for the RAC Executive Board members, RAC officers, and RAC staff with potential vendors;
 - e. Clearly defined participation requirements for designated hospitals and EMS providers that collectively ensure ongoing regional review of resources, processes, DSHS EMS/Trauma Registry-derived (at minimum) outcome data, and system performance improvement meetings;
 - f. A requirement to have job descriptions for each staff person, whether contracted or employed by the Grantee;
 - g. An annual evaluation requirement of staff using pre-determined performance standards related to the responsibilities in the respective job descriptions; and
 - h. A requirement for the establishment and maintenance of a website for public access to include current information such as the following, at minimum:
 - i. RAC physical address;
 - ii. RAC hours of operation;
 - iii. Executive Board officers, RAC officers, and staff contact information;
 - iv. RAC meetings (general and special);
 - v. Educational opportunities; and
 - vi. Regional system development activities;
8. Adhere to the following programmatic allowable costs:
- a. The following eligible expenses are considered programmatic costs. These include but are not limited to:
 - i. Supplies/equipment and costs of personnel for EMS and injury prevention and education programs;

- ii. Costs of personnel, supplies and equipment to conduct trauma-related courses (Trauma Nursing Core Course, Advanced Trauma Life Support, Basic Trauma Life Support, etc.);
 - iii. Updating and sharing with the RAC general membership the regional EMS/Trauma System Plan;
 - iv. Education of the public or trauma care providers about the regional EMS/Trauma System Plan;
 - v. Expenditures or grants to entities related to the delivery of trauma patient care and/or expediting the implementation of the Texas EMS/Trauma System;
 - vi. System performance improvement meetings, newsletters, regional registry, regional communication systems; and
 - vii. Associated travel and registration fees for RAC staff to attend meetings/conferences related to EMS/Trauma Systems;
9. Comply with the following funding restrictions:
- a. Costs related to improvements to buildings or real property are not allowable without prior written approval from DSHS. Any costs related to the initial acquisition of the buildings or real property are not allowable without prior written approval; and
 - b. Expenses associated with membership in business, technical, and professional organizations involved in lobbying are not allowable expenses under this Contract. However, if an organization is not involved in lobbying and the Grantee can demonstrate how membership in a professional/technical organization benefits the DSHS program(s), cost of membership may be allowed with prior approval from DSHS;
10. Comply with the following non-allowable costs:
- a. Food, except that the cost of meals for RAC staff and RAC board members attending meetings or conferences that pertain to carrying out activities under the Contract where there is dissemination of technical information is allowable. In addition, same-day meal expense may be reimbursable if the RAC staff person or RAC board member is outside of his or her designated headquarters for at least six consecutive hours;
 - b. Purchase and improvement of land;
 - c. Investments (stocks, bonds, mutual funds, etc.); and
 - d. No more than 20% of the RAC Systems Development funds to be utilized for administrative costs, which are defined as costs related to the business of the RAC. These costs include, but may not be limited to:
 - i. Personnel, rent, utilities, office expense (postage, copying, phone), leased office equipment and supplies, mailboxes;
 - ii. Travel to and from required statewide meetings including lodging for the Executive Director (or equivalent) and RAC Executive Board members;

 - iv. Professional services (accountant, attorney, auditor);
 - v. Internet access, furniture, and travel for above-mentioned costs; and

- vi. Costs associated with the administration of the EMS/CO program are allowable expenses under this Contract;
11. Submit Supporting Documentation Reports which capture monthly expenditures (i.e., Personnel, Fringe, Travel, Equipment, Supplies, Contractual, Other, and Indirect Costs) as well as programmatic and administrative costs. Program income earned from funds directly associated with this program (i.e., fees or co-pays for services performed, income from the sale of items or services, registration fees collected, etc.) should also be reported. Rebates, refunds, discounts, and adjustments/credits should be treated as applicable credits and not as program income;
 12. Schedule general membership meetings and provide during the meeting a financial report, which includes funds expended, planned expenditures, and remaining balance. Submit a copy of the financial report and agenda to DSHS. A general membership meeting should be held within the current Contract term;
 13. Submit Final Expenditures and Reports to DSHS. The final reports shall consist of the following:
 - a. An Annual Report, on the template provided by DSHS, located at <http://www.dshs.texas.gov/emstraumasystems/formsresources.shtm>, of the Grantee's activities to include:
 - i. Evidence of the uses of the most recently completed year regional injury mortality and morbidity data, from the DSHS EMS/Trauma Registry used in developing the annual needs assessment, as well as a copy of the current Regional Trauma System Plan;
 - ii. Documentation of training to enhance trauma care provided to all entities on the Regional Trauma System Plan;
 - iii. Results of the annual needs assessment; and
 - iv. Evidence of ongoing system performance improvement;
 - b. An Annual Participation Report which includes a list of participation on regional local committees for development/maturation of the regional system for the following:
 - i. Designated hospitals and hospitals seeking designation;
 - ii. EMS providers;
 - iii. Recognized First Responder Organizations; and
 - iv. Any other stakeholders;
 - c. A Final Supporting Documentation Report that includes September 1, 2021, to August 31, 2022, expenditures; and
 - d. A Final Narrative describing specifically how the funds were utilized to enhance and improve the delivery of EMS and trauma patient care in the region served;
 14. Review Grant Technical Assistance Guide located online at: <https://hhs.texas.gov/sites/default/files/documents/doing-business-with-hhs/vendor-contract-information/grant-technical-assistance-guide.pdf>. Grantee shall maintain as part of its accounting records and prepare to submit to DSHS within 14 days upon request, the following source documents to support expenditures identified in the Supporting Documentation Reports:
 - a. A detailed general ledger specific to this program that identifies and reconciles to costs reported in the Supporting Documentation Reports;

- b. Timesheets or other record of actual hours worked that reflect an after-the-fact distribution of the actual time spent on each activity, or documentation to support compliance with a substitute timekeeping system previously accepted by DSHS;
 - c. A payroll register, or similar report, that reflects 100% of the gross pay for employees charged to the Contract;
 - d. A labor distribution report, or similar document, that reflects the portion of an employee's gross pay charged to the Contract;
 - e. Vendor invoices for health, dental and similar fringe benefits; quarterly payroll tax reports for Federal Insurance Contributions Act and unemployment; and any other pertinent information necessary to support fringe benefits charged to the Contract;
 - f. Travel expense reports (including hotel bills and other applicable receipts) and/or mileage logs and the RAC Travel Policy to support travel costs charged to the Contract;
 - g. Purchase orders, invoices, receiving reports, and any other pertinent source documents for expenses charged to the Contract in the Equipment, Supplies, and Other categories;
 - h. Reimbursement requests, vouchers, or invoices to support costs charged to the Contractual category;
 - i. Evidence of programmatic and financial monitoring efforts (i.e., review/analysis of supporting documentation, reconciliation of costs to general ledger, reports, etc.) on reimbursed subgrantees; and
 - j. Records to support the amount of program income earned from funds directly associated with this program;
15. Comply with the reporting requirements on the most recent Deliverables Reporting Calendar, which will be emailed to Grantee no later than thirty days from the start of the Contract term and shall be incorporated herein by reference and made a part of this Contract. The Deliverables Reporting Calendar will include deadlines for all deliverables; and
16. Submit all above reports/deliverables to CMUReg.svcs@dshs.texas.gov.

II. GENERAL RESPONSIBILITIES – Grantee shall:

- 1. Provide DSHS with current 24/7 contact information for the RAC Chair, Vice-Chair, Executive Director or comparable staff member, and Executive Board members within five business days of any change to the roster;
- 2. Serve as a point of contact for disseminating communications from DSHS to all Grantee's RAC members;
- 3. Ensure Grantee's RAC Chair, Executive Board member, or Executive Director attend all EMS/Trauma Systems Coordination RAC Chair meetings as directed by DSHS. The RAC Chair or an Executive Board member is required to attend mandatory meetings scheduled by DSHS. If the Grantee is unable to have appropriate representation at the required meetings, a waiver request with justification for not meeting this contractual requirement must be submitted in writing to DSHS at least two days prior to the meeting for approval;

4. Submit a list of all board members & executive officers which includes their term in office, if applicable;
5. Submit a “Board Members and Executive Officers Responsibilities Attestation Form” signed by all **new** members that have not previously signed and submitted a form. The form acknowledges their personal accountability for Contract funds and affirms that they viewed the DSHS online training prior to signing. Members added after the signed Attestation Form is submitted must complete the online training, and submit a completed attestation form within 60 calendar days of assuming office;
6. Respond to all surveys requested by DSHS in the specified time frame and if applicable, on the template provided;
7. Initiate the purchase of all EMS/RAC and RAC Systems Development equipment and supplies defined as Controlled Assets, pre-approved in writing by DSHS, on or before July 1, 2022. Failure to timely initiate the purchase of equipment and Controlled Assets may result in disallowed costs;
8. Maintain and submit annually the cumulative DSHS Contractor’s Property Inventory Report which contains an inventory of equipment, supplies defined as Controlled Assets, and real property. The report should be submitted no later than October 15 to the COSequip@dshs.texas.gov and CMUReg.svcs@dshs.texas.gov mailboxes. Controlled Assets are defined as follows:
 - a. Controlled Assets include firearms, regardless of the acquisition cost, and assets with an acquisition cost of \$500 or more, but less than \$5,000; and
 - b. Controlled Assets consist of desktop and laptop computers (including notebooks, tablets and similar devices); non-portable printers and copiers; emergency management equipment; communication devices and systems; medical and laboratory equipment; and media equipment. Controlled Assets are considered Supplies;
9. Submit a quarterly Financial Status Report (FSR-269A) which documents the quarterly expenditures by budget category. The reporting information may be obtained from Grantee’s Supporting Documentation Report. The form is located at <http://www.dshs.texas.gov/emstraumasystems/formsresources.shtm> and should be submitted to the invoices@dshs.texas.gov, FSRGrants@dshs.texas.gov, CMSInvoices@dshs.texas.gov, and the CMUReg.svcs@dshs.texas.gov mailboxes.
10. At the expiration or termination of this Contact for any reason, ownership to any remaining equipment and supplies purchased with funds under this Contract reverts to DSHS. Title may be transferred to any other party designated by DSHS. DSHS may, at its option and to the extent allowed by law, transfer the reversionary interest in such property to Grantee.

III. PERFORMANCE MEASURES

- A. DSHS will monitor Grantee’s performance of the requirements in Attachment A-4.1 and compliance with the Contract’s terms and conditions.
- B. Grantee shall submit additional reports, as requested by DSHS.
- C. DSHS will inform the Grantee, in writing, of any changes to applicable federal and state laws, rules, regulations, standards, or guidelines. If Grantee is unable to continue its

performance due to a change under this section, then Grantee shall inform DSHS, in writing, within thirty days of receipt. DSHS may terminate the Contract immediately or within a reasonable period after receiving such notice from Grantee.

IV. FUNDING INFORMATION

- A. Grantee must establish and maintain a separate cost center to capture costs incurred for carrying out the FY22 activities for each allocation within this Contract as provided below.
- B. Grantee's allocations are as follows:
 - 1. EMS/CO
 - a. \$409,913.00 (One lump sum payment).
 - b. Funds availability term: September 1, 2021, through August 31, 2022, if funds are distributed as an advance or reimbursement to the EMS providers.
 - 2. EMS/RAC
 - a. \$238,549.00 (One lump sum payment).
 - b. Funds availability term: September 1, 2021, through August 31, 2022.
 - 3. RAC SYSTEMS DEVELOPMENT
 - a. \$168,610.00 (First lump sum payment).
 - b. \$16,535.00 (Second lump sum payment).
 - c. Funds availability term: September 1, 2021, through August 31, 2022.

V. INVOICE AND PAYMENT

- A. Grantee shall request payments using the State of Texas Purchase Voucher (Form B-13), which may be found at <https://www.dshs.texas.gov/grants/forms/b13form.doc>. Grantee shall submit a completed Form B-13, along with all supporting documentation, to the Claims Processing Unit via any of the following means.

By Mail:
Department of State Health Services
Claims Processing Unit, MC 1940
P.O. Box 149347
Austin, TX 78714-9347

By E-mail to:
invoices@dshs.texas.gov

By Fax:
(512) 776-7442

In addition to submitting a completed Form B-13, along with all supporting documentation, to the Claims Processing Unit via U.S. mail, e-mail, or fax, Grantee must also e-mail a copy of the Form B-13, along with all supporting documentation, to each of the following e-mail addresses: CMSInvoices@dshs.texas.gov and CMUReg.svcs@dshs.texas.gov.

- B. DSHS will pay Grantee on a lump sum basis as described below:
1. EMS/CO funds:
Grantee shall be paid a lump sum payment of \$409,913.00 approximately 30 days after September 1, 2021.
 2. EMS/RAC funds:
Grantee shall be paid a lump sum payment of \$238,549.00 approximately 30 days after September 1, 2021.
 3. RAC Systems Development funds:
Grantee shall be paid a lump sum payment of \$168,610.00 approximately 30 days after September 1, 2021. A second lump sum payment of \$16,535.00 shall be paid approximately 30 days after execution of this Contract amendment.
- C. Grantee shall return any Systems Development funds not expended to DSHS no later than 30 days after the end of the Contract term. Contact your Contract Manager for instructions.
- D. Grantee shall notify DSHS Contract Management Section (CMS) of any EMS/COUNTY or EMS/RAC funds that will not be expended by the end of the Contract term. **Funds that are not disbursed by a regional advisory council to eligible recipients for approved functions by the end of the fiscal year in which the funds were disbursed may be retained by the regional advisory council for use in the following fiscal year for approved functions. Funds that are not disbursed by the regional advisory council in that following fiscal year shall be returned to the department to be used to fund a portion of the uncompensated trauma care.**
- E. Grantee shall not be reimbursed more than the total Contract amount without the execution of a written amendment executed by both Parties.
- F. DSHS will distribute funds to maximize the implementation of the Texas EMS/Trauma System. DSHS will monitor Grantee's billing activity on a quarterly basis. If utilization is above or below the Grantee's projected total Contract amount, as provided in the Signature Document to this Contract, Grantee's allocated amount may be subject to an increase or decrease for the remainder of the Contract period. Grantee may be subject to Contract amount increases during the Contract period if Grantee's billing activity exceeds projections and funds are available. Grantee may be subject to Contract amount decreases if Grantee's billing activity is less than projected.
- G. DSHS may pay for additional services as specified in this Contract if provided by Grantee during the term of this Contract (but not otherwise paid during the term of this Contract) if it is in the best interest of the State of Texas and DSHS to do so. If Grantee exceeds the total amount of the Contract, Grantee shall continue to submit itemized invoices to DSHS for the services provided. DSHS may pay for these additional services if funds become available later.
- H. If DSHS determines that the Grantee disbursed funds in violation of Health and Safety Code Sections 241.182-185, 773.122 or 780.003-006, then DSHS will not distribute funds to the Grantee for a period of at least one year but not more than three years.
