JOB DESCRIPTION:

A State Agency Medical Consultant (SAMC) is a licensed physician (medical or osteopathic doctor) in the State of Texas, hired by and reporting to the Social Security Administration (SSA) state Disability Determination Services (DDS) Medical Consultant Services Division. The SAMC is responsible for making accurate and timely physical and/or mental disability determinations on SSA disability claims based on SSA disability regulations. Duties include: Performing highly advanced disability determination medical case reviews ensuring the Social Security disability case is fully documented; all significant facts are reflected in the determination; conflicting evidence is reconciled; the conclusion reached is sound and rational; the weight given to the evidence is explained; the reasoning and thought process followed in evaluating the evidence are reflected; and the effect of the impairment(s) on the disability applicants work capacity is clearly indicated. Work is performed under limited supervision, with considerable latitude for the use of initiative and judgment. DDS employees perform all business functions for SSA, using the federal SSA network and equipment. Homeland Security Presidential Directive (HSPD)-12 security clearance is required.

Knowledge, Skills, and Abilities:

- Skill in applying SSA medical regulations, policies, and procedures relating to disability adjudication.
- Skill in evaluating physical and mental impairments as prescribed by Social Security.
- Skill in reading and analyzing documents, reports, and correspondence, and relating the information to the requirements for disability determinations within the framework of the SSA disability program.
- Ability to interpret rules, regulations, policies, procedures and diagnostic evaluations and assessments.
- Skill in communicating both written and verbally, for understanding, to both medical professionals and lay-persons.
- Skill in establishing and maintaining effective working relationships and rapport with managers, co-workers, supervisors, medical community, claimants, attorneys, the general public and other DDS, HHS, and SSA partners.
- Ability to use Social Security Administration software system or a comparable system.
- Ability to protect and safeguard confidential and sensitive personal, medical, and vocational information in accordance with federal and state mandates.
