THIS IS A COVID-19 EMERGENCY PROCUREMENT AND IS MARKED PRIORITY!!!!!!

Under Chapter 418 of the Texas Government Code, the Governor may, by executive order or proclamation, declare a state of disaster if a disaster has occurred or if the occurrence or threat of disaster is imminent. The Governor may suspend the provisions of any regulatory statute prescribing the procedures for conduct of state business or the orders or rules of an agency if strict compliance with the provisions, orders, or rules would in any way prevent, hinder, or delay necessary action in coping with a disaster. The Governor may also suspend enforcement of statutes and administrative rules regarding contracting or procurement that would impede any agency's emergency response that is necessary to protect life or property threatened by a declared disaster. On March 13, 2020, Governor Greg Abbott declared a State of Disaster in Texas due to COVID-19.

Attached Terms and Conditions apply to this Purchase Order.

This purchase order is contingent upon the continued availability of lawful appropriations by the Texas Legislature and may be canceled at any time in whole or part without penalty. HHS or the agency does not commit to ordering specific quantities of goods or dollar amounts with respect to this purchase order. The agency shall be obligated to pay for only those goods actually ordered and received by the agency. Any funds not utilized by 08-31-2023 are automatically canceled.
