**HEALTH AND HUMAN SERVICES COMMISSION  
UNIFORM TERMS AND CONDITIONS AND AFFIRMATIONS  
FOR PRICE REQUESTS UNDER DIR COOPERATIVE CONTRACTS**

(HHS OCC Version 1, 3-01-23)

**1. PRICE REQUEST (PR)**

- 1.1 In accordance with Section 2157.068(e-1) of the Texas Government Code, the Price Request (PR) is being issued to vendors that provide commodity items under Department of Information Resources (DIR) Contracts.
- 1.2 The Texas Health and Human Services (HHS) System is comprised of more than 41,000 public servants under two agencies: the Health and Human Services Commission (HHSC) and the Department of State Health Services (DSHS). HHSC and DSHS are each a System Agency (Agency) with independent procurement authority. Unless DSHS is specified as the ordering agency in the specifications or purchase order, HHSC is the ordering agency.

**2. RESPONSE REQUIREMENTS**

- 2.1 By submitting a Response, Respondent agrees to comply with all terms of the Price Request (PR) issued by Agency.
- 2.2 In its Response, Respondent must specify the DIR Contract under which the Response is submitted.
- 2.3 Respondent must price per unit shown. Unit prices shall govern in the event of extension errors.
- 2.4 Respondent pricing is firm for Agency acceptance for ninety (90) calendar days from Response due date.
- 2.5 If an early payment discount is available to Agency, then Respondent in its Response must describe with specificity the early payment discount offered and the discount percentage that would apply to early payment within ten, fifteen, twenty, or twenty-five calendar days after receipt of a correct invoice.
- 2.6 Respondent acknowledges that the contract is not exclusive, and that Agency may solicit the same or similar commodity items from other service providers at any time.
- 2.7 Agency makes no guarantee of volume or usage of work under the contract.
- 2.8 Respondent is responsible for all expenses related to the preparation and submission of its Response.
- 2.9 A Response that is late, illegible, incomplete, or otherwise non-responsive will not be considered. If the Response is submitted electronically, Agency shall not be responsible for failure of electronic equipment or operator error.
- 2.10 A Response that does not meet all of the requirements or contain all of the required documentation specified in the PR may be rejected as non-responsive.

**3. IT COMMODITY REQUIREMENTS**

- 3.1 Unless otherwise indicated in the specifications, the commodity item(s) shall be new and unused and of current production.
- 3.2 All electrical items must meet all applicable OSHA standards and regulations, and bear the appropriate listing from UL, FMRC or NEMA.
- 3.3 Manufacturer's standard warranty shall apply unless otherwise stated in the specifications or Respondent's DIR Contract.
- 3.4 Respondent will use commercially reasonable efforts to perform services in a timely manner and devote adequate resources to meet its obligations under the contract.
- 3.5 Respondent will convey to Agency clear title, ownership and licenses, whichever is applicable, to each commodity item provided under the contract.
- 3.6 For each software product, Respondent represents that it has sufficient right, title, and interest in the software to grant the license required by the contract.
- 3.7 If Respondent is a software publisher, Respondent represents that the software does not infringe upon or constitute a misuse or misappropriation of any patent, trademark, copyright, trade secret or other proprietary right.
- 3.8 Respondent represents that the software and equipment provided under the contract will have the functionality specified in the associated technical documentation.
- 3.9 For a Respondent hosted service, Respondent shall, unless otherwise specified in the specifications or contract, provide to Agency for no additional compensation all Agency Data in a commercially standard database export format within thirty (30) calendar days following the date of contract expiration or termination.
- 3.10 In accordance with 45 C.F.R. 95.617, Respondent will provide requisite ownership rights in software or modifications thereof and associated documentation designed, developed or installed with Federal financial participation.
- 3.11 For purposes of a contract for software where HHSC is the ordering agency, HHSC is the licensee. HHSC, as authorized by applicable statute, provides administrative support to certain state agencies. For the avoidance of doubt, HHSC's internal business use of software includes any activities consistent with HHSC's statutory authority and such activities shall not be construed to be a service bureau, application service provider, provider of services to third parties, distribution outside of HHSC's organization, or similar activity. Respondent

acknowledges and agrees that HHSC's internal business use is within the scope of the license granted in the contract.

3.12 During the contract term, Agency may be presented with the requirement to "agree" to a click through agreement before accessing software provided under the contract. Respondent expressly agrees that the terms of any such click through agreement shall be considered null and void and shall not apply in any manner to Agency. For the avoidance of doubt, the terms of the contract supersede any clickwrap, shrinkwrap, browsewrap, terms of service, or similar agreement which may accompany the software.

3.13 Any software deployment verification activities conducted by Respondent will be (i) not more often than once each year, unless Respondent has a reasonable basis to believe that a violation of the license terms has occurred, (ii) in a manner that minimizes disruption to Agency's business operations, and (iii) during Agency's normal business hours. Respondent will comply with applicable Agency confidentiality requirements as well as information security, building access, and health and safety policies and procedures. Respondent, at its sole expense, may use an independent auditor to assist with such verification, provided Respondent has a written confidentiality agreement in place with such auditor that is no less stringent than the confidentiality obligations set forth in the contract. Respondent will provide written notice if any verification activity indicates that Agency has used any software in excess of Agency's use authorizations or Agency is otherwise not in compliance with the license terms. Respondent will afford Agency at least thirty (30) days to review the findings, correct any factual errors, and annotate the findings with Agency's position as part of Respondent's verification activities. In the event that a non-compliance determination is made, Respondent shall submit an invoice for any overuse of the software to Agency under Chapter 2251 of the Texas Government Code at rates provided to public sector entities, provided such rates do not exceed retail prices. Respondent understands that Agency will comply with applicable state procurement law in the acquisition of additional licenses subject to this section.

#### 4. AWARD OF CONTRACT

4.1 A Respondent's Response to the PR is an offer to contract based upon the terms, conditions and specifications contained herein. A Response does not become binding and enforceable until accepted by the Agency, followed by issuance of a purchase order to Respondent to award the contract.

4.2 Agency reserves the right to accept or reject all or any part of the Response, waive minor technicalities, and award the contract to best serve the interests of the State.

4.3 No terms or conditions advanced by Respondent, by way of exception, assumption or other means, are included as part of the contract unless expressly agreed in writing by Agency.

4.4 Except as otherwise provided in the negotiated terms and conditions, if any, that are expressly identified as such in a formal signed agreement or the purchase order resulting from the PR, the entire contract between Agency and successful Respondent shall consist of the following documents: (1) the purchase order and purchase order change notices; (2) the PR; (3) the successful Respondent's DIR Contract, (4) successful Respondent's Response, and (5) if applicable, a formal signed agreement. Except as otherwise provided in the negotiated terms and conditions, if any, that are expressly identified as such in the formal signed agreement or purchase order resulting from the PR, in the event of conflicting terms or provisions in the contract, the PR and the purchase order and the purchase order change notices, if any, will control.

#### 5. DELIVERY

5.1 No substitutions are permitted without written approval of Agency.

5.2 Delivery shall be made during normal working hours only, unless prior approval has been obtained from Agency.

5.3 If delivery will be delayed, Respondent must notify Agency. Default in promised delivery or failure to meet specifications authorizes Agency to purchase the commodity items elsewhere, pursue financial remedies available under Respondent's DIR Contract, and terminate the contract for cause.

5.4 A commodity item that is delivered and fails to meet specifications or is not the actual item awarded on the contract shall be rejected and may be returned at Respondent's expense.

#### 6. PAYMENT, INVOICING, DISCOUNTS

6.1 Chapter 2251 of the Texas Government Code shall govern remittance of payment and remedies for late payment and non-payment.

6.2 An itemized invoice must be submitted showing order number to the address indicated on the purchase order.

6.3 If Respondent at any time during the term of the contract provides a discount on the contract costs, Respondent will notify Agency in writing at least ten (10) calendar days prior to effective date of discount. Agency will generate a purchase order change notice and send a revised purchase order to Respondent.

6.4 Reimbursement for travel, meals, lodging or other related expenses shall not be made unless specifically provided for in the contract. When the reimbursement of travel expenses is authorized by the contract and approved in writing by the Agency, all such expenses will be reimbursed in accordance with the rates set by the State of Texas *Texttravel* available at the Texas Comptroller of Public Accounts State Travel Management Program website.

6.5 Agency shall pay no costs or other amounts incurred by any entity in responding to the PR or incurred prior to the effective date of the contract.

6.6 Purchases made for State of Texas use are exempt from the State Sales Tax and Federal Excise Tax. Tax Exemption Certificates will be furnished upon written request.

## ARTICLE 5. GENERAL PROVISIONS

### **Section 5.01 Ownership of Confidential Information**

Contractor acknowledges and agrees that the Confidential Information is and shall remain the property of HHS. Contractor agrees it acquires no title or rights to the Confidential Information.

### **Section 5.02 HHS Commitment and Obligations**

HHS will not request Contractor to create, maintain, transmit, use or disclose PHI in any manner that would not be permissible under applicable law if done by HHS.

### **Section 5.03 HHS Right to Inspection**

At any time upon reasonable notice to Contractor, or if HHS determines that Contractor has violated this DUA, HHS, directly or through its agent, will have the right to inspect the facilities, systems, books and records of Contractor to monitor compliance with this DUA. For purposes of this subsection, HHS's agent(s) include, without limitation, the HHS Office of the Inspector General, the Office of the Attorney General of Texas, the State Auditor's Office, outside consultants, legal counsel or other designee.

### **Section 5.04 Term; Termination of DUA; Survival**

This DUA will be effective on the date on which Contractor executes the Base Contract and will terminate upon termination of the Base Contract and as set forth herein. If the Base Contract is extended, this DUA is extended to run concurrent with the Base Contract.

(A) If HHS determines that Contractor has violated a material term of this DUA; HHS may in its sole discretion:

- (1) Exercise any of its rights including but not limited to reports, access and inspection under this DUA and/or the Base Contract; or
- (2) Require Contractor to submit to a corrective action plan, including a plan for monitoring and plan for reporting as HHS may determine necessary to maintain compliance with this DUA; or
- (3) Provide Contractor with a reasonable period to cure the violation as determined by HHS; or
- (4) Terminate the DUA and Base Contract immediately and seek relief in a court of competent jurisdiction in Travis County, Texas.

Before exercising any of these options, HHS will provide written notice to Contractor describing the violation and the action it intends to take.

(B) If neither termination nor cure is feasible, HHS shall report the violation to the applicable regulatory authorities.

(C) The duties of Contractor or its Subcontractor under this DUA survive the expiration or termination of this DUA until all the Confidential Information is Destroyed or returned to HHS, as required by this DUA.

### **Section 5.05 Injunctive Relief**

(A) Contractor acknowledges and agrees that HHS may suffer irreparable injury if Contractor or its Subcontractor fails to comply with any of the terms of this DUA with respect to the Confidential Information or a provision of HIPAA or other laws or regulations applicable to Confidential Information.

(B) Contractor further agrees that monetary damages may be inadequate to compensate HHS for Contractor's or its Subcontractor's failure to comply. Accordingly, Contractor agrees that HHS will, in addition to any other remedies available to it at law or in equity, be entitled to seek injunctive relief without posting a bond and without the necessity of demonstrating actual damages, to enforce the terms of this DUA.

### **Section 5.06 Indemnification**

Contractor shall indemnify, defend and hold harmless HHS and its respective Executive Commissioner, employees, Subcontractors, agents (including other state agencies acting on behalf of HHS) or other members of HHS' Workforce (each of the foregoing hereinafter referred to as "Indemnified Party") against all actual and direct losses suffered by the Indemnified Party and all liability to third parties arising from or in connection with any breach of this DUA or from any acts or omissions related to this DUA by Contractor or its employees, directors, officers, Subcontractors, or agents or other members of Contractor's Workforce. The duty to indemnify, defend and hold harmless is independent of the duty to insure. Upon demand, Contractor shall reimburse HHS for any and all losses, liabilities, lost profits, fines, penalties, costs or expenses (including costs of required notices, investigation, and mitigation of a Breach, fines or penalties imposed on an Indemnified Party by a regulatory authority, and reasonable attorneys' fees) which may be imposed upon any Indemnified Party to the extent caused by and which results from the Contractor's failure to meet any of its obligations under this DUA. Contractor's obligation to defend, indemnify and hold harmless any Indemnified Party will survive the expiration or termination of this DUA.

(A) In addition to any insurance required in the Base Contract, at HHS's option, HHS may require Contractor to maintain, at its expense, the special and/or custom first- and third-party insurance coverages, including without limitation data breach, cyber liability, crime theft and notification expense coverages, with policy limits sufficient to cover any liability arising under this DUA, naming the State of Texas, acting through HHS, as an additional named insured and loss payee, with primary and noncontributory status.

(B) Contractor shall provide HHS with written proof that required insurance coverage is in effect, at the request of HHS.

### **Section 5.08 Entirety of the Contract**

This DUA is incorporated by reference into the Base Contract and, together with the Base Contract, constitutes the entire agreement between the parties. No change, waiver, or discharge of obligations arising under those documents will be valid unless in writing and executed by the party against whom such change, waiver, or discharge is sought to be enforced.

### **Section 5.09 Automatic Amendment and Interpretation**

Upon the effective date of any amendment or issuance of additional regulations to any law applicable to Confidential Information, this DUA will automatically be amended so that the obligations imposed on HHS

and/or Contractor remain in compliance with such requirements. Any ambiguity in this DUA will be resolved in favor of a meaning that permits HHS and Contractor to comply with laws applicable to Confidential Information.

**Section 5.10 Notices; Requests for Approval**

All notices and requests for approval related to this DUA must be directed to the HHS Chief Privacy Officer at [privacy@hsc.state.tx.us](mailto:privacy@hsc.state.tx.us).
