I. GRANTEE RESPONSIBILITIES

Grantee will:

- A. Perform activities in support of the Public Health Emergency Preparedness Cooperative Agreement and the Office of the Assistant Secretary for Preparedness and Response (OASPR) from the Centers for Disease Control and Prevention (CDC). Activities include but are not limited to: continuing Level 3 chemical laboratory surge capacity activities; complying with new Laboratory Readiness Network (LRN) requirements for biological laboratories; coordinating with cross-cutting public health preparedness partners, and analyzing real-time clinical specimens. CDC's five-year Public Health Emergency Preparedness (PHEP) – Hospital Preparedness Program (HPP) Cooperative Agreement seeks to align PHEP and HPP programs and advance public health and healthcare preparedness and ensure jurisdictions are capable of providing a standard battery of tests for high priority biological threats and emerging infectious diseases.
- B. Perform activities in the following counties (hereinafter referred to as the "service area"): Anderson, Angelina, Bowie, Camp, Cass, Cherokee, Delta, Franklin, Gregg, Harrison, Henderson, Hopkins, Houston, Jasper, Lamar, Marion, Morris, Nacogdoches, Newton, Panola, Polk, Rains, Red River, Rusk, Sabine, San Augustine, Shelby, Smith, Titus, Trinity, Tyler, Upshur, Van Zandt, and Wood County.
- C. Comply with new biological laboratory requirements in accordance with the revised CDC policy for LRN-B Reference Level Laboratories. Laboratories must attain and maintain LRN-B Member Standard Level as detailed in the LRN Checklist of Laboratory Requirements. Minimum standards are required for testing capabilities, administrative activities, emerging infectious disease preparedness, and instrumentation and equipment.
- D. Provide matching funds for each fiscal year of this Contract not less than ten percent (10%) of the allocation amount for each fiscal year. Cash match is defined as an expenditure of cash by the Grantee on allowable costs of this Contract that are borne by the Grantee. In-kind match is defined as the dollar value of non-cash contributions by a third party given in goods, commodities, or services that are used in activities that benefit this Contract's project and that are contributed by non-federal third parties without charge to the Grantee. The criteria for match must:
 - 1. Be an allowable cost under the applicable federal cost principle;
 - 2. Be necessary and reasonable for the efficient accomplishment of project or program objectives;
 - 3. Be verifiable within the Grantee's (or subcontractor's) records;
 - 4. Be documented, including methods and sources, in the approved budget (applies only to cost reimbursement Contracts);
 - 5. Not be included as contributions toward any other federally-assisted project or program (match can count only once per fiscal year);

ATTACHMENT A STATEMENT OF WORK

6. Not be paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or match;
7. Conform to other provisions of governing circulars/statutes/regulations as applicable for the Contract;
8. Be adequately documented;
9. Must follow procedures for generally accepted accounting practices as well as meet audit requirements; and
10. Value the in-kind contributions reported and must be supported by documentation reflecting the use of goods and/or services during the Contract term.

Grantee must match funds awarded for this Contract by costs or third party contributions that are not paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or matching. The non-federal contributions (match) may be provided directly or through donations from public or private entities and may be in cash or in-kind donations, fairly evaluated, including plant, equipment, or services. The costs that the Grantee incurs in fulfilling the matching or cost-sharing requirement are subject to the same requirements, including the cost principles, that are applicable to the use of Federal funds, including prior approval requirements and other rules for allowable costs as described in 45 CFR 74.23 and 92.24.

- E. Notify System Agency in advance of Grantee's plans to participate in or conduct local exercises, in a format specified by System Agency. Grantee will participate in statewide exercises planned by System Agency as needed to assess the capacity of Grantee to respond to bioterrorism, other outbreaks of infectious disease, and other public health threats and emergencies. Grantee will prepare after-action reports, documenting and correcting any identified gaps or weaknesses in preparedness plans identified during exercise, in a form specified by System Agency.
- F. Cooperate with System Agency to coordinate all planning, training and exercises performed under this Contract with the Governor's Division of Emergency Management of the State of Texas, or other points of contact at the discretion of the division, to ensure consistency and coordination of requirements at the local level and eliminate duplication of effort between the various domestic preparedness funding sources in the state.
- G. In the event of a public health emergency involving a portion of the state, Grantee will mobilize and dispatch staff or equipment purchased with funds from the previous PHEP cooperative agreement and that are not performing critical duties in the jurisdiction served to the affected area of the state upon receipt of a written request from System Agency.
- H. Develop, implement and maintain a timekeeping system for accurately documenting staff time and salary expenditures for all staff funded through this Contract, including partial full-time employees and temporary staff.
- I. Maintain a confirmatory bioterrorism testing laboratory with a staff trained and proficient in CDC's LRN biothreat protocols.

The System Agency will have the right to terminate the Contract in whole or in part if the System Agency determines, at its sole discretion, that Grantee has materially breached the Contract or has failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of Grantee's duties under the Contract. Grantee's misrepresentation in any aspect of Grantee's Solicitation Response, if any or Grantee's addition to the Excluded Parties List System (EPLS) will also constitute a material breach of the Contract.

b. Failure to Maintain Financial Viability

The System Agency may terminate the Contract if, in its sole discretion, the System Agency has a good faith belief that Grantee no longer maintains the financial viability required to complete the Services and Deliverables, or otherwise fully perform its responsibilities under the Contract.

Grantee will provide evidence of insurance as required under this Contract, including a schedule of coverage or underwriter's schedules establishing to the satisfaction of the System Agency the nature and extent of coverage granted by each such policy, upon request by the System Agency. In the event that any policy is determined by the System Agency to be deficient to comply with the terms of this Contract, Grantee will secure such additional policies or coverage as the System Agency may reasonably request or that are required by law or regulation. If coverage expires during the term of this Contract, Grantee must produce renewal certificates for each type of coverage.

These and all other insurance requirements under the Contract apply to both Grantee and its Subcontractors, if any. Grantee is responsible for ensuring its Subcontractors' compliance with all requirements.

GRANTEE WILL COORDINATE ITS DEFENSE WITH THE SYSTEM AGENCY AND ITS COUNSEL. THIS PARAGRAPH IS NOT INTENDED TO AND WILL NOT BE CONSTRUED TO REQUIRE GRANTEE TO INDEMNIFY OR HOLD HARMLESS THE STATE OR THE SYSTEM AGENCY FOR ANY CLAIMS OR LIABILITIES RESULTING SOLELY FROM THE GROSS NEGLIGENCE OF THE SYSTEM AGENCY OR ITS EMPLOYEES. THE PROVISIONS OF THIS SECTION WILL SURVIVE TERMINATION OF THIS CONTRACT.

9.06 Assignments

Grantee may not assign all or any portion of its rights under, interests in, or duties required under this Contract without prior written consent of the System Agency, which may be withheld or granted at the sole discretion of the System Agency. 9.07 Relationship of the Parties

Nothing contained in this Contract will be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create for the System Agency any

9.10 Severability

If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract will be construed as if such provision did not exist and the non-enforceability of such provision will not be held to render any other provision or provisions of this Contract unenforceable.

9.11 Survivability

Termination or expiration of this Contract or a Contract for any reason will not release either party from any liabilities or obligations in this Contract that the parties have expressly agreed will survive any such termination or expiration, remain to be performed, or by their nature would be intended to be applicable following any such termination or expiration, including maintaining confidentiality of information and records retention.

9.12 Force Majeure

Except with respect to the obligation of payments under this Contract, if either of the Parties, after a good faith effort, is prevented from complying with any express or implied covenant of this Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected Party (collectively referred to as a “Force Majeure”), then, while so prevented, the affected Party’s obligation to comply with such covenant will be suspended, and the affected Party will not be liable for damages for failure to comply with such covenant. In any such event, the Party claiming Force Majeure will promptly notify the other Party of the Force Majeure event in writing and, if possible, such notice will set forth the extent and duration thereof.

Neither failure to enforce any provision of this Contract nor payment for services provided under it constitute waiver of any provision of the Contract.

9.14 Publicity

Except as provided in the paragraph below, Grantee must not use the name of, or directly or indirectly refer to, the System Agency, the State of Texas, or any other State agency in any media release, public announcement, or public disclosure relating to the Contract or its subject matter, including in any promotional or marketing materials, customer lists, or business presentations.

Grantee may publish, at its sole expense, results of Grantee performance under the Contract with the System Agency’s prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.

9.18 Counterparts

This Contract may be executed in any number of counterparts, each of which will be an original, and all such counterparts will together constitute but one and the same Contract.
