The Health and Human Services Commission ("HHSC") and the Contractor named in Section I (HHSC and Contractor, collectively, the "parties," each a "party") hereby enter into this Community Services Contract - Provider Agreement (the "Contract") for the provision of services under the Contract type specified in Section I for the considerations set forth herein. The Contract begin date specified in Section I is not valid until this Contract is signed by both parties.

III.

The Contractor hereby agrees:In General

- A. To provide all services in the Contract Type and in the Service Area, specified in Section I of this Contract.
- B. To comply with all applicable federal and Texas state statutes and rules, including the following:
1. Title 42, Code of Federal Regulations (CFR), Chapter IV;
 2. Title 45, CFR, Part 96;
 3. Title 40, Texas Administrative Code (TAC), Part 1;
 4. Texas Human Resources Code, Title 2, Chapter 32;
 5. Texas Human Resources Code, Title 6, Chapter 102;
 6. Texas Health and Safety Code, Title 4, Chapters 250 and 253; and
 7. Title 1, TAC, Part 15, Chapter 355.
- C. To comply with the following documents promulgated by HHSC:
1. applicable provider manuals or handbooks;
 2. applicable billing guidelines; and
 3. applicable provider communications, including provider letters, information letters and policy clarifications.
- D. To comply with applicable federal and Texas laws and rules regarding confidentiality of information regarding an individual. This provision shall not be construed as limiting HHSC's access to an individual's records or other information relating to the individual.

Electronic Visit Verification ("EVV")

- A. To ensure:
1. the EVV system is used to verify the provision of services governed under 40 TAC, Chapter 68;
 2. only authorized persons access the Contractor's EVV account;
 3. all data elements required by HHSC are uploaded or entered into the EVV system completely and accurately and in a timely manner;
 4. that each time services governed by 40 TAC Chapter 68 are delivered to an individual, the Contractor's attendant uses the EVV system to verify when and where service delivery begins and when and where service delivery is completed in a manner prescribed by HHSC;
 5. service delivery documentation is immediately available for review by HHSC when requested; and
 6. equipment ("Equipment") provided to Contractor by HHSC or by a third party, if applicable, is returned in good condition.
- B. That if the Contractor determines an electronic record in the EVV system needs to be adjusted, the Contractor will make the adjustment in the EVV system using codes or other identifiers ("codes") prescribed by HHSC that identify reasons for the adjustment. The required codes are designated by HHSC as either preferred or non-preferred. Each time the Contractor adjusts an electronic record in the EVV system, the Contractor must enter the applicable codes.
- C. That a preferred code represents a situation where the Contractor provided and documented the services as required by HHSC. HHSC will perform quarterly assessments of the Contractor's compliance with EVV requirements. Preferred codes will be used when determining the Contractor's compliance score. HHSC will track the Contractor's use of preferred codes and if HHSC, in its sole determination, identifies misuse of preferred codes, HHSC may require the Contractor to use an HHSC-approved alternative service delivery verification method and the Contractor's compliance score may be negatively affected.

- D. That a non-preferred code represents a situation where the Contractor did not provide or document the services as required by HHSC. HHSC will include the Contractor's use of non-preferred codes when determining the Contractor's compliance with EVV requirements. The use of non-preferred codes will lower the Contractor's compliance score and may subject the Contractor to an assessment of liquidated damages by HHSC.
- E. HHSC will conduct quarterly EVV compliance reviews to determine if Contractor has provided and documented services described in 40 TAC Chapter 68 in accordance with HHSC's requirements. The EVV requirements include those elements identified under 40 TAC Chapter 68. These reviews will be based on Contractor's performance for the period reviewed.
1. For provisional contracts with a contract begin date after June 1, 2015, the Contractor will be subject to EVV compliance reviews for services provided beginning with the 1st day of the 4th calendar month after the Contract begin date.
 2. For provisional contracts with a begin date on or before June 1, 2015, and for all standard contracts, the Contractor will be subject to EVV compliance reviews for services provided after August 31, 2015.
 3. For contracts included in any future expansion of EVV requirements to cover additional services, the Contractor will be subject to EVV compliance reviews for the additional services beginning the 1st day of the 4th calendar month following the effective date of the expansion of EVV requirements to cover additional services.
- F. That if the Contractor receives a quarterly compliance score of less than 90 percent the Contractor shall be in non-compliance with EVV requirements and subject to an assessment of liquidated damages. HHSC may assess a liquidated damage against the Contractor based on the degree of non-compliance in an amount ranging from \$10.00 to \$500.00 for each calendar day HHSC determines the Contractor is not in compliance with EVV requirements.
- G. That a liquidated damage assessment against the Contractor by HHSC constitutes a reasonable estimate of HHSC's loss and damage due to the Contractor's failure to comply with EVV requirements and such an assessment is not a penalty
- H. That the Contractor may request an informal review if the Contractor can demonstrate that an assessment of liquidated damages resulted from a quarterly compliance score based on a failure of the EVV system. The informal review request must:
1. be sent in the form of a letter;
 2. describe the specific EVV system failure(s) that prevented the Contractor from complying with the required performance standard;
 3. include all documentation that supports the Contractor's position; and
 4. be received by HHSC within 10 calendar days after the Contractor's receipt of HHSC's written quarterly compliance review findings.
- A request for an informal review that does not meet the above requirements will not be granted. The use of the informal review process does not limit Contractor's ability to request a hearing, as provided for in Section IV of this Contract.
- I. That if Contractor must use Equipment provided by HHSC or by a third party, the Equipment must be returned in good condition when the Equipment is no longer needed. Contractor must not place any marks or any other identifying information on the Equipment, and may not alter information on the Equipment including logos and serial numbers. If the Equipment is lost, stolen, marked, altered or damaged by Contractor, Contractor may be required to pay the replacement cost for each piece of Equipment that is lost, stolen, marked or damaged. Replacement costs for lost, stolen, marked or damaged Equipment may be assessed periodically for administrative convenience purposes.
- J. If Contractor recovers previously lost or stolen Equipment for which Contractor paid the replacement cost in the prior 12 months, Contractor may return the Equipment and be reimbursed for the replacement costs, provided the Equipment is returned in good condition as specified in Paragraph I above.
- K. The assessment of a liquidated damage against the Contractor does not limit HHSC's ability to take other action based on the Contractor's non-compliance with EVV requirements, including the sanctions set forth in Section III of this Contract.

Updating HHSC

- A. To disclose information on ownership and control, information related to business transactions and information on persons convicted of crimes in accordance with 42 CFR, Part 455, Subpart B, and to submit updated ownership and control disclosures within 10 business days of a change in ownership or control interest and at any time within 35 business days of a written request by HHSC or the U.S. Department of Health and Human Services ("HHS").

1. if the Contractor files for bankruptcy within 14 calendar days after filing;
2. if a controlling person, as that term is defined in 40 TAC §49.102, is convicted of an offense listed in 40 TAC §49.206 within 3 business days after the contractor or controlling person becomes aware of the conviction;
3. if the Contractor or a controlling person is excluded from participation in Medicare, Medicaid or any federal or state health care program in accordance with §§1128, 1128A, 1136, 1156, or 1842(j)(2) of the Social Security Act, within 3 business days after the Contractor or controlling person becomes aware of the exclusion; and
4. if the Contractor is notified by HHSC that its enrollment application has been denied or abated within 3 business days after the notification date.

Claims

- A. To accept HHSC's reimbursement rates as payment in full for the services specified in this Contract to the persons for whom a payment is received, and to make no additional charge to the individual, any member of his or her family or to any other source for any supplementation for such services, unless specifically allowed by HHSC rules.

- A. To require any subcontractor to execute documents that binds the subcontractor to comply with the provisions of this Contract. Subcontractor means an individual or entity to which the Contractor has contracted with or delegated some of its management functions or responsibilities of providing all or a part of the services required of the Contractor under this Contract.
- B. That it is responsible for the behavior of its staff and subcontractors to ensure a violence-free contractual relationship. The Contractor understands that any remarks, gestures or actions toward HHSC employees, volunteers or clients that carry an implied threat of any kind, even if intended to be in jest, will be taken seriously and may lead to corrective action, up to and including terminating this contractor.

- E. That representatives of HHSC, AG-MFCU and HHS may conduct interviews of Contractor personnel, subcontractors and their personnel, witnesses, and clients without a Contractor's representative present unless the person interviewed voluntarily requests that the representative be present. The Contractor must not coerce its personnel, subcontractors and their personnel, witnesses, or clients to accept representation by the Contractor, and the Contractor agrees that no retaliation will occur to a person who denies the Contractor's offer of representation. Nothing in the Contract limits a person's right to counsel of his or her choice. Requests for interviews are to be complied with in the form and the manner requested. The Contractor must ensure by contract or other means that its personnel and subcontractors cooperate fully in any investigation conducted by representatives of HHSC, AG-MFCU and HHS.

1. comply with Title VI of the Civil Rights Act of 1964, and its implementing regulations at 45 C.F.R. Part 80 or 7 C.F.R. Part 15, which prohibit a contractor from adopting and implementing policies and procedures that exclude or limit clients' participation in programs and benefits, on the basis of national origin. No contractor may discriminate against you on the basis of religion, a religious belief or your refusal to actively participate in a religious practice. If you object to a particular Contractor because of its religious character, you may request a different contractor. If you believe that you have been discriminated against, please discuss the complaint with your contractor or notify your appropriate case manager."

Fraud Prevention

- A. To screen its employees and contractors to determine if they have been excluded from Medicare, Medicaid or any federal or state health care program. The Contractor agrees to search monthly the HHS-Office of Inspector General ("OIG") and Health and Human Services Commission Office of Inspector General ("HHSC-OIG") List of Excluded Individuals/Entities ("LEIE") websites to capture exclusions and reinstatements that have occurred since the last search and to immediately report to HHSC-OIG any exclusion information the Contractor discovers. This prohibition applies even when the Medicaid payment itself is made to another contractor, practitioner or supplier who is not excluded.
- C. That this contract is subject to all state and federal laws and regulations relating to fraud and abuse in health care and the Medicaid program. As required by 42 C.F.R. §431.107, the Contractor agrees to keep any and all records necessary to disclose the extent of services the Contractor furnishes to individuals in the Medicaid program and any information relating to payments claimed by the Contractor for furnishing Medicaid services. On request, the Contractor also agrees to furnish HHSC, AG-MFCU, or HHS any information maintained under 42 C.F.R. §431.107(b). The Contractor will furnish copies of this information free of charge.

Sanctions

- A. That HHSC may apply, at its discretion, sanctions if the Contractor fails to comply with any provision of the Contract, including:
1. recouping overpayments;
 2. suspending the Contractor's payments; and
 3. initiating termination of the Contract.
- B. That payments to the Contractor under this Contract may be withheld during the pendency of a hearing on the termination of this Contract until a final decision is issued and all appeals are exhausted. HHSC shall pay the withheld payments and resume contract payments if the final decision is favorable to the Contractor.
- C. That in accordance with 42 C.F.R. §455.23, HHSC shall suspend all Medicaid payments to the Contractor upon notification by HHSC-OIG that a credible allegation of fraud under the Medicaid program is pending against the Contractor, unless HHSC has good cause not to suspend the payments or to suspend the payments only in part.

Handling Sensitive Personal Information and Breach Notification

- A. As part of its contract with HHSC Contractor may receive or create sensitive personal information, as section 521.002 of the Business and Commerce Code defines that phrase. Contractor must use appropriate safeguards to protect this sensitive personal information. These safeguards must include maintaining the sensitive personal information in a form that is unusable, unreadable, or indecipherable to unauthorized persons. Contractor may consult the "Guidance to Render Unsecured Protected Health Information Unusable, Unreadable, or Indecipherable to Unauthorized Individuals" issued by the U.S. Department of Health and Human Services to determine ways to meet this standard.
- B. Contractor must notify HHSC of any confirmed or suspected unauthorized acquisition, access, use or disclosure of sensitive personal information related to this Contract, including any breach of system security, as section 521.053 of the Business and Commerce Code defines that phrase. Contractor must submit a written report to HHSC as soon as possible but no later than 10 business days after discovering the unauthorized acquisition, access, use or disclosure. The written report must identify each individual whose sensitive personal information has been or is reasonably believed to have been compromised.
- C. Contractor must either disclose the unauthorized acquisition, access, use or disclosure to each individual whose sensitive personal information has been or is reasonably believed to have been compromised or pay the expenses associated with HHSC doing the disclosure if:
1. Contractor experiences a breach of system security involving information owned by HHSC for which disclosure or notification is required under section 521.053 of the Business and Commerce Code; or
 2. Contractor experiences a breach of unsecured protected health information, as 45 C.F.R. §164.402 defines that phrase, and HHSC becomes responsible for doing the notification required by 45 C.F.R. §164.404.

HHSC may, at its discretion, waive Contractor's payment of expenses associated with HHSC doing the disclosure.

Miscellaneous Requirements

- A. To comply with Texas Health and Safety Code, §85.113 and §85.115 concerning workplace and confidentiality guidelines for persons with AIDS or HIV.
- B. To comply with applicable provisions of the Clean Air Act (42 U.S.C. §7401-7671q) and the Federal Water Pollution Control Act (33 U.S.C. §1251-1387), if funding for the Contract exceeds \$100,000.
- C. That in accordance with §2155.4441, Texas Government Code, the Contractor shall, in performing any service under this Contract, purchase products and materials produced in Texas when they are available at a comparable price and in a comparable period of time to products and materials produced outside of Texas.

- D. To make a good faith effort to utilize historically underutilized businesses ("HUBs") when subcontracting. Some methods for locating HUBs include using searchable HUB databases at the Texas Comptroller of Public Accounts' website, using websites or other minority/women directory listings maintained by local chambers of commerce, advertising subcontract work in local minority publications or contacting HHSC for assistance in locating available HUBs.
- E. That except as provided in the paragraphs below, the Contractor must not use HHSC's name, the State of Texas or refer to HHSC or the State directly or indirectly in any media release, public announcement, or public disclosure relating to this Contract or its subject matter, including, but not limited to, in any promotional or marketing materials, customer lists or business presentations (other than those submitted to HHSC, an administrative agency of the State of Texas, or a governmental agency or unit of another state or the Federal Government).

The Contractor may publish, at its sole expense, results of Contractor performance under this Contract with HHSC's prior review and approval, which HHSC may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from HHSC and any Federal agency, as appropriate. The Contractor will provide HHSC at least 3 copies of such publication prior to public release. The Contractor will provide additional copies at the request of HHSC.

The Contractor may include information concerning this Contract's terms, subject matter, and estimated value in any report to a governmental body to which the Contractor is required by law to report such information. The Contractor must not use HHSC's logo under any circumstances.

IV.

HHSC hereby agrees:

- A. To pay the Contractor for services provided under the Contract type specified in Section I of this Contract in amounts and under conditions determined by HHSC as defined in this Contract, the applicable Contractor manual, handbook, policy letter or program rules and standards and in accordance with applicable laws and regulations for all eligible persons receiving such services under Title XIX and or Title XX.
- B. To pay the Contractor within time limits set by HHSC and in accordance with applicable laws and regulations after a proper claim for payment is submitted and approved for payment in accordance with HHSC's Claims Administrator billing guidelines.
- C. To adjust payments to the Contractor to compensate for prior overpayment or underpayment.
- D. To give the Contractor reasonable notice of any impending change in its status as a participating Contractor, except that nothing in this section shall be construed to deny HHSC the right, for failure to comply with this Contract or regulations published in the Texas Register, to terminate this Contract, suspend payments or take any other legal remedy available to HHSC.
- E. To provide a hearing, in accordance with TAC, Title 1, Part 15, Chapter 357, Subchapter I, to the Contractor in the event HHSC imposes an adverse action on the Contractor under this Contract.
- F. To make available to the Contractor the applicable Contractor manual and any changes to that manual that change the requirements for participation.
- G. That a religious organization that contracts with HHSC does not by contracting with HHSC lose the exemption provided under Section 702 of the Civil Rights Act [42 U.S.C. §2000E-1(a)] regarding employment practices.

A religious or charitable organization is eligible to be a Contractor on the same basis as any other private organization. The Contractor retains its independence from state and local governments, including the Contractor's control over the definition, development, practice and expression of its charitable or religious beliefs. Except as provided by federal law, HHSC shall not interpret this Contract to require a charitable or religious organization to alter its form of internal governance or remove religious art, icons, scripture or other symbols. Furthermore, if a religious or charitable organization segregates the government funds provided under this Contract, then only the financial assistance provided by these funds will be subject to audit. However, neither HHSC's selection of a charitable or faith-based Contractor nor the expenditure of funds under this Contract is an endorsement of the Contractor's charitable or religious character, practices or expression. The purpose of this Contract is the provision of community services; no state expenditures have as their objective the funding of sectarian worship, instruction or proselytization, and no state funds shall be expended for these purposes.

V.

HHSC and Contractor hereby agree:

- A. That in the event any provision of this Contract becomes unenforceable or void all other provisions of this Contract will remain in effect.
- B. That the Contractor may not transfer or assign this Contract without the express prior written approval of HHSC.
- C. That this Contract may be assigned to a state agency or agencies.

- D. That HHSC may amend this Contract by written notice to the Contractor. HHSC reserves the right to amend this Contract through execution of a unilateral amendment signed by an HHSC person with delegated signature authority and provided to the Contractor under the following circumstances:
1. to correct an obvious clerical error in the Contract;
 2. to incorporate new or revised federal or state statutes, rules or policies;
 3. to comply with a court order or judgment; and
 4. to change the name of the Contractor in order to reflect the Contractor's name as recorded by the Texas Secretary of State.
- E. That nothing in this Contract or any conduct by a representative of HHSC relating to this Contract shall be construed as a waiver of the state's sovereign immunity to suit.
- F. That neither party to this Contract waives its right to enforce a right under this Contract by failing to enforce or delaying the enforcement of any other right under this Contract.
- G. That the Contractor is an independent contractor and not an employee of HHSC for any purpose. The Contractor and HHSC agree that:
1. HHSC will not withhold or pay on behalf of the Contractor any sums for income tax, unemployment insurance, Social Security or any other withholding, or make available to the Contractor any of the benefits, including workers' compensation insurance coverage and health and retirement benefits, afforded to HHSC employees; and
 2. the Contractor must indemnify HHSC from any liability, including attorneys' fees and legal expenses, incurred by HHSC with respect to claims that HHSC should have been withholding or making payments on behalf of the Contractor or providing benefits to the Contractor's employees.
- H. That nothing in this Contract is intended to create a joint venture, a partnership or a principal-agent relationship.
- I. That the Contractor assigns to HHSC all claims for overcharges associated with this Contract arising under the anti-trust laws of the United States, 15 U.S.C. §§ 1-38, or the anti-trust laws of the state of Texas, Tex. Bus. & Com. Code, §§ 15.01-40.
- J. That HHSC has authority to monitor and conduct fiscal and program compliance reviews of the Contractor and its subcontractor(s) to the extent of services provided under the terms of this Contract. The Contractor will grant on-site access at reasonable times to all records relating to services provided and payments received under the terms of this Contract to state and federal auditing agencies and personnel and representatives of HHSC and HHS when it is deemed necessary by such agencies for purposes of inspection, monitoring, auditing or evaluating Contractor's performance under this Contract and compliance with applicable state and federal laws, rules and regulations; the applicable HHSC provider handbook or manual; and this Contract.
- That for Title XX programs, HHSC shall, by Form 2029, Information Worksheet – POS Contract, set the rate or maximum amount of funds or both available to be paid to Contractor by HHSC. Form 2029 is incorporated into and made a part of this Contract and is effective for the time period stated on the form. Form 2029 may be amended by HHSC as necessary to comply with state and federal laws and regulations or renewed by HHSC by a new Form 2029 and incorporated into and made part of this Contract.
- K. That in compliance with §2262.003, Texas Government Code:
1. the state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract;
 2. acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds; and
 3. under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.
- L. That this Contract shall continue subject to the availability of appropriated funds or until the federal or state governments or both cease to participate in the program.
- M. That any breach or violation of any of the provisions of this Contract or state or federal regulations shall make this entire Contract, at HHSC's option, subject to termination.
