 2. applicable billing guidelines; and
 3. applicable provider communications, including provider letters, information letters and policy clarifications.
- D. To comply with applicable federal and Texas laws and rules regarding confidentiality of information regarding a person. This provision shall not be construed as limiting HHSC's access to a person's records or other information relating to the person.

III.2 Electronic Visit Verification ("EVV")

- A. To ensure:
1. the EVV system is used to verify the provision of services governed under 40 TAC, Chapter 68 or its successor;
 2. only authorized people access the Contractor's EVV account;
 3. all data elements required by HHSC or HHSC's designee are uploaded or entered and maintained in the EVV system completely, accurately, and prior to submitting the claim;
 4. that each time services governed by 40 TAC Chapter 68 or its successor are delivered to an individual, the Contractor's staff uses an HHSC-approved EVV system; and
 5. service delivery documentation is immediately available for review by HHSC when requested.
- B. Equipment provided to Contractor by HHSC, HHSC's designee, or an HHSC-approved EVV vendor, must be returned in good condition when the equipment is no longer needed under this Contract.
In the context of this agreement, "good condition" means Contractor must not place any marks or identifying information on the equipment and may not alter information on the equipment including logos and serial numbers. If the equipment is lost, stolen, marked, altered or damaged by Contractor, Contractor may be required to pay the replacement cost for each piece of equipment that is lost, stolen, marked or damaged. Replacement costs for lost, stolen, marked or damaged equipment may be assessed periodically.
If Contractor recovers previously lost or stolen equipment for which Contractor paid the replacement cost in the prior 12 months, Contractor may return the equipment and be reimbursed for the replacement costs within 12 months of the date HHSC, HHSC's designee or an HHSC-approved EVV vendor (as applicable) received payment in full from the Contractor. If the Contractor determines an electronic record in the EVV system needs to be adjusted at any time, the Contractor will make the adjustment in the EVV system using the most appropriate EVV reason code number(s), EVV reason code description(s) and enter any required free text when completing visit maintenance in the EVV system, if applicable.
- E. Contractor must begin using an HHSC-approved EVV system prior to submitting an EVV relevant claim.
- F. All claims for services required to use EVV (EVV claims) must match to an accepted EVV visit transaction in the EVV Aggregator (the state's centralized EVV database) prior to reimbursement of an EVV claim. Without a matching accepted EVV visit transaction, the claim will be denied.
- G. Contractor must submit all EVV related claims through the Texas Medicaid Claims Administrator, or as otherwise described in the EVV Policy posted on the HHSC EVV website or in the EVV Policy Handbook.
- H. Contractor must complete all required EVV training as outlined in the EVV Policy posted on the HHSC EVV website or EVV Policy Handbook:

- E. That representatives of HHSC, AG-MFCU and HHS may conduct interviews of Contractor personnel, subcontractors and their personnel, witnesses, and clients without a Contractor's representative present unless the person interviewed voluntarily requests that the representative be present. The Contractor must not coerce its personnel, subcontractors and their personnel, witnesses, or clients to accept representation by the Contractor, and the Contractor agrees that no retaliation will occur to a person who denies the Contractor's offer of representation. Nothing in the Contract limits a person's right to counsel of his or her choice. Requests for interviews are to be complied with in the form and the manner requested. The Contractor must ensure by contract or other means that its personnel and subcontractors cooperate fully in any investigation conducted by representatives of HHSC, AG-MFCU and HHS.
- F. That if it is a Home and Community Support Services agency ("HCSSA"), the Contractor will hire Personal Assistance Services and Community Support Services providers chosen by the client or the client's legally authorized representative, if requested, and provided the individual who will provide the services:

The Contractor further agrees to:

1. comply with Title VI of the Civil Rights Act of 1964, and its implementing regulations at 45 C.F.R. Part 80 or 7 C.F.R. Part 15, which prohibit a contractor from adopting and implementing policies and procedures that exclude or limit clients' participation in programs and benefits, based on national origin. No contractor may discriminate against you because of religion, a religious belief or your refusal to actively participate in a religious practice. If you object to a Contractor because of their religious character, you may request a different contractor. If you believe that you have been discriminated against, please discuss the complaint with your contractor or notify your appropriate case manager."

III.8 Fraud Prevention

- A. To screen its employees and contractors to determine if they have been excluded from Medicare, Medicaid or any federal or state health care program. The Contractor agrees to search monthly the HHS-Office of Inspector General ("OIG") and Texas Health and Human Services Commission Office of Inspector General ("HHSC-OIG") List of Excluded Individuals/Entities ("LEIE") websites to capture exclusions and reinstatements that have occurred since the last search and to immediately report to HHSC-OIG any exclusion information the Contractor discovers. Exclusionary searches for prospective employees and contractors shall be performed prior to employment or contracting.
- B. That no Medicaid payments can be made for any items or services directed or prescribed by a physician or other authorized person who is excluded from Medicare, Medicaid or any federal or state health care program when the individual or entity furnishing the items or services either knew or should have known of the exclusion. This prohibition applies even when the Medicaid payment itself is made to another contractor, practitioner or supplier who is not excluded.
- C. That this contract is subject to all state and federal laws and regulations relating to fraud and abuse in health care and the Medicaid program. As required by 42 C.F.R. §431.107, the Contractor agrees to keep all records necessary to disclose the extent of services the Contractor furnishes to people in the Medicaid program and any information relating to payments claimed by the Contractor for furnishing Medicaid services. On request, the Contractor also agrees to furnish HHSC, AG-MFCU, or HHS any information maintained under 42 C.F.R. §431.107(b). The Contractor will furnish copies of this information free of charge.

III.9 Sanctions

- A. That HHSC may apply, at its discretion, sanctions if the Contractor fails to comply with any provision of the Contract, including:
1. recouping overpayments;
 2. suspending the Contractor's payments; and
 3. initiating termination of the Contract.
- B. That payments to the Contractor under this Contract may be withheld during the pendency of a hearing on the termination of this Contract until a final decision is issued and all appeals are exhausted. - C. That in accordance with 42 C.F.R. §455.23, HHSC shall suspend all Medicaid payments to the Contractor upon notification by HHSC-OIG that a credible allegation of fraud under the Medicaid program is pending against the Contractor, unless HHSC has good cause not to suspend the payments or to suspend the payments only in part.

III.10 Handling Sensitive Personal Information and Breach Notification

- A. As part of its contract with HHSC Contractor may receive or create sensitive personal information, as section 521.002 of the Business and Commerce Code defines that phrase. Contractor must use appropriate safeguards to protect this sensitive personal information. These safeguards must include maintaining the sensitive personal information in a form that is unusable, unreadable, or indecipherable to unauthorized persons. Contractor may consult the "Guidance to Render Unsecured Protected Health Information Unusable, Unreadable, or Indecipherable to Unauthorized Individuals" issued by the U.S. Department of Health and Human Services to determine ways to meet this standard.
- B. Contractor must notify HHSC of any confirmed or suspected unauthorized acquisition, access, use or disclosure of sensitive personal information related to this Contract, including any breach of system security, as section 521.053 of the Business and Commerce Code defines that phrase. Contractor must submit a written report to HHSC as soon as possible but no later than 10 business days after discovering the unauthorized acquisition, access, use or disclosure. The written report must identify everyone whose sensitive personal information has been or is reasonably believed to have been compromised.
- C. Contractor must either disclose the unauthorized acquisition, access, use or disclosure to everyone whose sensitive personal information has been or is reasonably believed to have been compromised or pay the expenses associated with HHSC doing the disclosure if:
1. Contractor experiences a breach of system security involving information owned by HHSC for which disclosure or notification is required under section 521.053 of the Business and Commerce Code; or
 2. Contractor experiences a breach of unsecured protected health information, as 45 C.F.R. §164.402 defines that phrase, and HHSC becomes responsible for doing the notification required by 45 C.F.R. §164.404.

HHSC may, at its discretion, waive Contractor's payment of expenses associated with HHSC doing the disclosure.

III.11 Miscellaneous Requirements

- A. To comply with Texas Health and Safety Code, §85.113 and §85.115 concerning workplace and confidentiality guidelines for persons with AIDS or HIV.
- B. To comply with applicable provisions of the Clean Air Act (42 U.S.C. §7401-7671q) and the Federal Water Pollution Control Act (33 U.S.C. §1251-1387), if funding for the Contract exceeds \$100,000.
- C. That in accordance with §2155.4441, Texas Government Code, the Contractor shall, in performing any service under this Contract, purchase products and materials produced in Texas when they are available at a comparable price and in a comparable period to products and materials produced outside of Texas.
- D. To make a good faith effort to utilize historically underutilized businesses ("HUBs") when subcontracting. Some methods for locating HUBs include using searchable HUB databases at the Texas Comptroller of Public Accounts' website, using websites or other minority/women directory listings maintained by local chambers of commerce, advertising subcontract work in local minority publications or contacting HHSC for assistance in locating available HUBs.
- E. That except as provided in the paragraphs below, the Contractor must not use HHSC's name, the State of Texas or refer to HHSC or the State directly or indirectly in any media release, public announcement, or public disclosure relating to this Contract or its subject matter, including, but not limited to, in any promotional or marketing materials, customer lists or business presentations (other than those submitted to HHSC, an administrative agency of the State of Texas, or a governmental agency or unit of another state or the Federal Government).

The Contractor may publish, at its sole expense, results of Contractor performance under this Contract with HHSC's prior review and approval, which HHSC may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from HHSC and any Federal agency, as appropriate. The Contractor will provide HHSC at least 3 copies of such publication prior to public release. The Contractor will provide additional copies at the request of HHSC.

The Contractor may include information concerning this Contract's terms, subject matter, and estimated value in any report to a governmental body to which the law requires the Contractor to report such information. The Contractor must not use HHSC's logo under any circumstances.

IV. HHSC Agreements

HHSC hereby agrees:

- A. To pay the Contractor for services provided under the Contract type specified in Section I of this Contract in amounts and under conditions determined by HHSC as defined in this Contract, the applicable Contractor manual, handbook, policy letter or program rules and standards and in accordance with applicable laws and regulations for all eligible persons receiving such services under Title XIX and or Title XX.
- B. To pay the Contractor within time limits set by HHSC and in accordance with applicable laws and regulations after a proper claim for payment is submitted and approved for payment in accordance with HHSC's Claims Administrator billing guidelines.
- C. To adjust payments to the Contractor to compensate for prior overpayment or underpayment.
- D. To give the Contractor reasonable notice of any impending change in its status as a participating Contractor, except that nothing in this section shall be construed to deny HHSC the right, for failure to comply with this Contract or regulations published in the *Texas Register*, to terminate this Contract, suspend payments or take any other legal remedy available to HHSC.

- E. To provide a hearing, in accordance with TAC, Title 1, Part 15, Chapter 357, Subchapter I, or its successor to the Contractor in the event HHSC imposes an adverse action on the Contractor under this Contract.
- F. To make available to the Contractor the applicable Contractor manual and any changes to that manual that change the requirements for participation.
- G. That a religious organization that contracts with HHSC does not by contracting with HHSC lose the exemption provided under Section 702 of the Civil Rights Act [42 U.S.C. §2000E-1(a)] regarding employment practices.

A religious or charitable organization is eligible to be a Contractor on the same basis as any other private organization. The Contractor retains its independence from state and local governments, including the Contractor's control over the definition, development, practice and expression of its charitable or religious beliefs. Except as provided by federal law, HHSC shall not interpret this Contract to require a charitable or religious organization to alter its form of internal governance or remove religious art, icons, scripture or other symbols. Furthermore, if a religious or charitable organization segregates the government funds provided under this Contract, then only the financial assistance provided by these funds will be subject to audit. However, neither HHSC's selection of a charitable or faith-based Contractor nor the expenditure of funds under this Contract is an endorsement of the Contractor's charitable or religious character, practices or expression. The purpose of this Contract is the provision of community services. No state expenditures have as their objective the funding of sectarian worship, instruction or proselytization, and no state funds shall be expended for these purposes.

V. HHSC and Contractor Agreements

 1. HHSC will not withhold or pay on behalf of the Contractor any sums for income tax, unemployment insurance, Social Security or any other withholding, or make available to the Contractor any of the benefits, including workers' compensation insurance coverage and health and retirement benefits, afforded to HHSC employees; and
 2. the Contractor must indemnify HHSC from any liability, including attorneys' fees and legal expenses, incurred by HHSC with respect to claims that HHSC should have been withholding or making payments on behalf of the Contractor or providing benefits to the Contractor's employees.
