Clubhouse International

Creating Community: Changing the World of Mental Health

International Standards for Clubhouse Programs TM

The International Standards for Clubhouse Programs, consensually agreed upon by the worldwide Clubhouse community, define the Clubhouse Model of rehabilitation. The principles expressed in these Standards are at the heart of the Clubhouse community's success in helping people with mental illness to stay out of hospitals while achieving social, financial, educational and vocational goals. The Standards also serve as a "bill of rights" for members and a code of ethics for staff, board and administrators. The Standards insist that a Clubhouse is a place that offers respect and opportunity to its members.

The Standards provide the basis for assessing Clubhouse quality, through the Clubhouse International Accreditation process.

Every two years the worldwide Clubhouse community reviews these Standards, and amends them as deemed necessary. The process is coordinated by the Clubhouse International Standards Review Committee, made up of members and staff of Accredited Clubhouses from around the world.

MEMBERSHIP

1. Membership is voluntary and without time limits.
2. The Clubhouse has control over its acceptance of new members. Membership is open to anyone with a history of mental illness, unless that person poses a significant and current threat to the general safety of the Clubhouse community.
3. Members choose the way they utilize the Clubhouse, and the staff with whom they work. There are no agreements, contracts, schedules, or rules intended to enforce participation of members.
4. All members have equal access to every Clubhouse opportunity with no differentiation based on diagnosis or level of functioning.
5. Members at their choice are involved in the writing of all records reflecting their participation in the Clubhouse. All such records are to be signed by both member and staff.
6. Members have a right to immediate re-entry into the Clubhouse community after any length of absence, unless their return poses a threat to the Clubhouse community.
7. The Clubhouse provides an effective reach out system to members who are not attending, becoming isolated in the community or hospitalized.

RELATIONSHIPS

8. All Clubhouse meetings are open to both members and staff. There are no formal member only meetings or formal staff only meetings where program decisions and member issues are discussed.
9. Clubhouse staff are sufficient to engage the membership, yet few enough to make carrying out their responsibilities impossible without member involvement.

10. Clubhouse staff have generalist roles. All staff share employment, housing, evening and weekend, holiday and unit responsibilities. Clubhouse staff do not divide their time between Clubhouse and other major work responsibilities that conflict with the unique nature of member/staff relationships.
11. Responsibility for the operation of the Clubhouse lies with the members and staff and ultimately with the Clubhouse director. Central to this responsibility is the engagement of members and staff in all aspects of Clubhouse operation.

SPACE

12. The Clubhouse has its own identity, including its own name, mailing address and telephone number.
13. The Clubhouse is located in its own physical space. It is separate from any mental health center or institutional settings, and is impermeable to other programs. The Clubhouse is designed to facilitate the work-ordered day and at the same time be attractive, adequate in size, and convey a sense of respect and dignity.
14. All Clubhouse space is member and staff accessible. There are no staff only or member only spaces.

WORK-ORDERED DAY

15. The work-ordered day engages members and staff together, side-by-side, in the running of the Clubhouse. The Clubhouse focuses on strengths, talents and abilities; therefore, the work-ordered day must not include medication clinics, day treatment or therapy programs within the Clubhouse.
16. The work done in the Clubhouse is exclusively the work generated by the Clubhouse in the operation and enhancement of the Clubhouse community. No work for outside individuals or agencies, whether for pay or not, is acceptable work in the Clubhouse. Members are not paid for any Clubhouse work, nor are there any artificial reward systems.
17. The Clubhouse is open at least five days a week. The work-ordered day parallels typical working hours.
18. The Clubhouse is organized into one or more work units, each of which has sufficient staff, members and meaningful work to sustain a full and engaging work-ordered day. Unit meetings are held to foster relationships as well as to organize and plan the work of the day.
19. All work in the Clubhouse is designed to help members regain self worth, purpose and confidence; it is not intended to be job specific training.
20. Members have the opportunity to participate in all the work of the Clubhouse, including administration, research, enrollment and orientation, reach out, hiring, training and evaluation of staff, public relations, advocacy and evaluation of Clubhouse effectiveness.

EMPLOYMENT

21. The Clubhouse enables its members to return to paid work through Transitional Employment, Supported Employment and Independent Employment; therefore, the Clubhouse does not provide employment to members through in-house businesses, segregated Clubhouse enterprises or sheltered workshops.

Transitional Employment

22. The Clubhouse offers its own Transitional Employment program, which provides as a right of membership opportunities for members to work on job placements in the labor market. As a defining characteristic of a Clubhouse Transitional Employment program, the Clubhouse guarantees coverage

on all placements during member absences. In addition the Transitional Employment program meets the following basic criteria.

- a. The desire to work is the single most important factor determining placement opportunity.
- b. Placement opportunities will continue to be available regardless of the level of success in previous placements.
- c. Members work at the employer's place of business.
- d. Members are paid the prevailing wage rate, but at least minimum wage, directly by the employer.
- e. Transitional Employment placements are drawn from a wide variety of job opportunities.
- f. Transitional Employment placements are part-time and time-limited, generally 15 to 20 hours per week and from six to nine months in duration.
- g. Selection and training of members on Transitional Employment is the responsibility of the Clubhouse, not the employer.
- h. Clubhouse members and staff prepare reports on TE placements for all appropriate agencies dealing with members' benefits.
- i. Transitional Employment placements are managed by Clubhouse staff and members and not by TE specialists.
- j. There are no TE placements within the Clubhouse. Transitional Employment placements at an auspice agency must be off site from the Clubhouse and meet all of the above criteria.

Supported and Independent Employment

23. The Clubhouse offers its own Supported and Independent Employment Programs to assist members to secure, sustain, and better their employment. As a defining characteristic of Clubhouse Supported Employment, the Clubhouse maintains a relationship with the working member and the employer. Members and staff in partnership determine the type, frequency and location of desired supports.
24. Members who are working independently continue to have available all Clubhouse supports and opportunities including advocacy for entitlements, and assistance with housing, clinical, legal, financial and personal issues, as well as participation in evening and weekend programs.

EDUCATION

25. The Clubhouse assists members to reach their vocational and educational goals by helping them take advantage of educational opportunities in the community. When the Clubhouse also provides an in-house education program, it significantly utilizes the teaching and tutoring skills of members.

FUNCTIONS OF THE HOUSE

26. The Clubhouse is located in an area where access to local transportation can be assured, both in terms of getting to and from the program and accessing TE opportunities. The Clubhouse provides or arranges for effective alternatives whenever access to public transportation is limited.
27. Community support services are provided by members and staff of the Clubhouse. Community support activities are centered in the work unit structure of the Clubhouse. They include helping with entitlements, housing and advocacy, promoting healthy lifestyles, as well as assistance in finding quality medical, psychological, pharmacological and substance abuse services in the community.
28. The Clubhouse is committed to securing a range of choices of safe, decent and affordable housing including independent living opportunities for all members. The Clubhouse has access to opportunities that meet these criteria, or if unavailable, the Clubhouse develops its own housing program. Clubhouse housing programs meet the following basic criteria.
 - a. Members and staff manage the program together.
 - b. Members who live there do so by choice.
 - c. Members choose the location of their housing and their roommates.

- d. Policies and procedures are developed in a manner consistent with the rest of the Clubhouse culture.
 - e. The level of support increases or decreases in response to the changing needs of the member.
 - f. Members and staff actively reach out to help members keep their housing, especially during periods of hospitalization.
- 29. The Clubhouse conducts an objective evaluation of its effectiveness, including Clubhouse International Accreditation.
 - 30. The Clubhouse director, members, staff and other appropriate persons participate in a comprehensive two or three week training program in the Clubhouse Model at a certified training base.
 - 31. The Clubhouse has recreational and social programs during evenings and on weekends. Holidays are celebrated on the actual day they are observed.

FUNDING, GOVERNANCE AND ADMINISTRATION

- 32. The Clubhouse has an independent board of directors, or if it is affiliated with a sponsoring agency, has a separate advisory board comprised of individuals uniquely positioned to provide financial, legal, legislative, employment development, consumer and community support and advocacy for the Clubhouse.
- 33. The Clubhouse develops and maintains its own budget, approved by the board or supported by an advisory board which provides input and recommendations prior to the beginning of the fiscal year and monitored routinely during the fiscal year.
- 34. Staff salaries are competitive with comparable positions in the mental health field.
- 35. The Clubhouse has the support of appropriate mental health authorities and all necessary licenses and accreditations. The Clubhouse collaborates with people and organizations that can increase its effectiveness in the broader community.
- 36. The Clubhouse holds open forums and has procedures which enable members and staff to actively participate in decision making, generally by consensus, regarding governance, policy making, and the future direction and development of the Clubhouse.

Grantee will not retain any copies of the Work Product or any documentation or other products or results of Grantee's activities under the Contract without the prior written consent of System Agency.

7.4 SAO AUDIT

- A. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. The acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.

The termination will be effective on the date specified in HHSC's notice of termination. The System Agency's right to terminate the Contract for convenience is cumulative of all rights and remedies which exist now or in the future.

8.3 TERMINATION FOR CAUSE

Except as otherwise provided by the U.S. Bankruptcy Code, or any successor law, the System Agency may terminate the Contract, in whole or in part, upon either of the following conditions:

i. **Material Breach**

The System Agency will have the right to terminate the Contract in whole or in part if the System Agency determines, in its sole discretion, that Grantee has materially breached the Contract or has failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of Grantee's duties under the Contract. Grantee's misrepresentation in any aspect of Grantee's Solicitation Response, if any, or Grantee's addition to the Excluded Parties List System (EPLS) will also constitute a material breach of the Contract.

ii. **Failure to Maintain Financial Viability**

The System Agency may terminate the Contract if, in its sole discretion, the System Agency has a good faith belief that Grantee no longer maintains the financial viability required to complete the services and Deliverables, or otherwise fully perform its responsibilities under the Contract.

Grantee shall provide evidence of insurance as required under this Contract, including a schedule of coverage or underwriter's schedules establishing to the satisfaction of the System Agency the nature and extent of coverage granted by each such policy, upon request by the System Agency. In the event that any policy is determined by the System Agency to be deficient to comply with the terms of this Contract, Grantee shall secure such additional policies or coverage as the System Agency may reasonably request or that are required by law or regulation. If coverage expires during the term of this Contract, Grantee must produce renewal certificates for each type of coverage.

B. These and all other insurance requirements under the Contract apply to both Grantee and its Subcontractors, if any. Grantee is responsible for ensuring its Subcontractors' compliance with all requirements.

THE DEFENSE SHALL BE COORDINATED BY GRANTEE WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND GRANTEE MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. GRANTEE AND SYSTEM AGENCY AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.**
- B. THIS PARAGRAPH IS NOT INTENDED TO AND SHALL NOT BE CONSTRUED TO REQUIRE GRANTEE TO INDEMNIFY OR HOLD HARMLESS THE STATE OR THE SYSTEM AGENCY FOR ANY CLAIMS OR LIABILITIES RESULTING FROM THE NEGLIGENCE ACTS OR OMISSIONS OF THE SYSTEM AGENCY OR ITS EMPLOYEES.**
- C. For the avoidance of doubt, System Agency shall not indemnify Grantee or any other entity under the Contract.**

9.6 ASSIGNMENTS

Grantee may not assign all or any portion of its rights under, interests in, or duties required under this Contract without prior written consent of the System Agency, which may be withheld or granted at the sole discretion of the System Agency. Except where otherwise agreed in writing by the System Agency, assignment will not release Grantee from its obligations under the Contract.
- B. Grantee understands and agrees the System Agency may in one or more transactions assign, pledge, or transfer the Contract. This assignment will only be made to another State agency or a non-state agency that is contracted to perform agency support.

9.7 INDEPENDENT CONTRACTOR

Neither Grantee nor System Agency is an agent of the other and neither may make any commitments on the other party's behalf. Should Grantee subcontract any of the services required in the Contract, Grantee expressly understands and acknowledges that in entering such subcontract(s), System Agency is in no manner liable to any Subcontractor(s) of Grantee. In no event shall this provision relieve Grantee of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with the Contract. Grantee shall have no claim against System Agency for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. The Contract shall not create any joint venture, partnership, agency, or employment relationship between Grantee and System Agency.

9.8 TECHNICAL GUIDANCE LETTERS

In the sole discretion of the System Agency, and in conformance with federal and state law, the System Agency may issue instructions, clarifications, or interpretations as may be required during work performance in the form of a Technical Guidance Letter (TGL). 9.11 SEVERABILITY

If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-

enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

9.12 SURVIVABILITY

Expiration or termination of the Contract for any reason does not release Grantee from any liability or obligation set forth in the Contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Contract, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.

9.13 FORCE MAJEURE

Neither Grantee nor System Agency shall be liable to the other for any delay in, or failure of performance, of any requirement included in the Contract caused by force majeure. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

9.14 NO WAIVER OF PROVISIONS

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Grantee which is in violation or breach of the terms of the Contract shall not be construed as a waiver of the violation or breach, or of any future violation or breach.

9.15 PUBLICITY

- A. Except as provided in the paragraph below, Grantee must not use the name of, or directly or indirectly refer to, the System Agency, the State of Texas, or any other State agency in any media release, public announcement, or public disclosure relating to the Contract or its subject matter, including in any promotional or marketing materials, customer lists, or business presentations.
- B. Grantee may publish, at its sole expense, results of Grantee performance under the Contract with the System Agency's prior review and approval, which the System Agency may exercise at its sole discretion.
