- b. Grantee grants to the System Agency and the State of Texas a royalty-free, paid up, worldwide, perpetual, non-exclusive, non-transferable license to use any Intellectual Property invented or created by Grantee, Grantee's contractor, or a subcontractor in the performance of the Project. Grantee will require its contractors to grant such a license under its contracts.

ARTICLE VII RECORDS, AUDIT, AND DISCLOSURE

7.01 Books and Records

Grantee will keep and maintain under GAAP or GASB, as applicable, full, true, and complete records necessary to fully disclose to the System Agency, the Texas State Auditor's Office, the United States Government, and their authorized representatives sufficient information to determine compliance with the terms and conditions of this Contract and all state and federal rules, regulations, and statutes. Unless otherwise specified in this Contract, Grantee will maintain legible copies of this Contract and all related documents for a minimum of seven (7) years after the termination of the contract period or seven (7) years after the completion of any litigation or dispute involving the Contract, whichever is later.

7.02 Access to records, books, and documents

In addition to any right of access arising by operation of law, Grantee and any of Grantee's affiliate or subsidiary organizations, or Subcontractors will permit the System Agency or any of its duly authorized representatives, as well as duly authorized federal, state or local authorities, unrestricted access to and the right to examine any site where business is conducted or Services are performed, and all records, which includes but is not limited to financial, client and patient records, books, papers or documents related to this Contract. If the Contract includes federal funds, federal agencies that will have a right of access to records as described in this section include: the federal agency providing the funds, the Comptroller General of the United States, the General Accounting Office, the Office of the Inspector General, and any of their authorized representatives. In addition, agencies of the State of Texas that will have a right of access to records as described in this section include: the System Agency, HHSC, HHSC's contracted examiners, the State Auditor's Office, the Texas Attorney General's Office, and any successor agencies. Each of these entities may be a duly authorized authority. The System Agency and any duly authorized authority will have the right to audit billings both before and after payment, and all documentation that substantiates the billings. Grantee will include this provision concerning

7.04 SAO Audit

Grantee understands that acceptance of funds directly under the Contract or indirectly through a Subcontract under the Contract acts as acceptance of the authority of the State Auditor's Office (SAO), or any successor agency, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the SAO must provide the SAO with access to any information the SAO considers relevant to the investigation or audit. Grantee agrees to cooperate fully with the SAO or its successor in the conduct of the audit or investigation, including providing all records requested. Grantee will ensure that this clause concerning the authority to audit funds received indirectly by Subcontractors through Grantee and the requirement to cooperate is included in any Subcontract it awards.

7.05 Confidentiality

Any specific confidentiality agreement between the Parties takes precedent over the terms of this section. To the extent permitted by law, Grantee agrees to keep all information confidential, in whatever form produced, prepared, observed, or received by Grantee. The provisions of this section remain in full force and effect following termination or cessation of the services performed under this Contract.

8.03 Termination for Cause

Except as otherwise provided by the U.S. Bankruptcy Code, or any successor law, the System Agency may terminate the Contract, in whole or in part, upon either of the following conditions:

a. Material Breach

The System Agency will have the right to terminate the Contract in whole or in part if the System Agency determines, at its sole discretion, that Grantee has materially breached the Contract or has failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of Grantee's duties under the Contract. Grantee's misrepresentation in any aspect of Grantee's Solicitation Response, if any or Grantee's addition to the Excluded Parties List System (EPLS) will also constitute a material breach of the Contract.

b. Failure to Maintain Financial Viability

The System Agency may terminate the Contract if, in its sole discretion, the System Agency has a good faith belief that Grantee no longer maintains the financial viability required to complete the Services and Deliverables, or otherwise fully perform its responsibilities under the Contract.

8.04 Equitable Settlement

Any early termination under this Article will be subject to the equitable settlement of the respective interests of the Parties up to the date of termination.

The Contract may only be amended by an Amendment executed by both Parties.

9.02 Insurance

Unless otherwise specified in this Contract, Grantee will acquire and maintain, for the duration of this Contract, insurance coverage necessary to ensure proper fulfillment of this Contract and potential liabilities thereunder with financially sound and reputable insurers licensed by the Texas Department of Insurance, in the type and amount customarily carried within the industry as determined by the System Agency. Grantee will provide evidence of insurance as required

under this Contract, including a schedule of coverage or underwriter's schedules establishing to the satisfaction of the System Agency the nature and extent of coverage granted by each such policy, upon request by the System Agency. In the event that any policy is determined by the System Agency to be deficient to comply with the terms of this Contract, Grantee will secure such additional policies or coverage as the System Agency may reasonably request or that are required by law or regulation. If coverage expires during the term of this Contract, Grantee must produce renewal certificates for each type of coverage.

These and all other insurance requirements under the Contract apply to both Grantee and its Subcontractors, if any. Grantee is responsible for ensuring its Subcontractors' compliance with all requirements.

9.03 Legal Obligations

Grantee will comply with all applicable federal, state, and local laws, ordinances, and regulations, including all federal and state accessibility laws relating to direct and indirect use of information and communication technology. Grantee will be deemed to have knowledge of all applicable laws and regulations and be deemed to understand them. In addition to any other act or omission that may constitute a material breach of the Contract, failure to comply with this Section may also be a material breach of the Contract.

9.04 Permitting and Licensure

At Grantee's sole expense, Grantee will procure and maintain for the duration of this Contract any state, county, city, or federal license, authorization, insurance, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Grantee to provide the goods or Services required by this Contract. Grantee will be responsible for payment of all taxes, assessments, fees, premiums, permits, and licenses required by law. Grantee agrees to be responsible for payment of any such government obligations not paid by its contactors or subcontractors during performance of this Contract.

- b. ANY BREACH OR VIOLATION OF A STATUTE, ORDINANCE, GOVERNMENTAL REGULATION, STANDARD, RULE, OR BREACH OF CONTRACT BY GRANTEE, ANY AGENT, EMPLOYEE, SUBCONTRACTOR, OR SUPPLIER OF GRANTEE, OR ANY THIRD PARTY UNDER THE CONTROL OR SUPERVISION OF GRANTEE, IN THE EXECUTION OR PERFORMANCE OF THIS CONTRACT; OR**
- c. EMPLOYMENT OR ALLEGED EMPLOYMENT, INCLUDING CLAIMS OF DISCRIMINATION AGAINST GRANTEE, ITS OFFICERS, OR ITS AGENTS; OR**

- d. WORK UNDER THIS CONTRACT THAT INFRINGES OR MISAPPROPRIATES ANY RIGHT OF ANY THIRD PERSON OR ENTITY BASED ON COPYRIGHT, PATENT, TRADE SECRET, OR OTHER INTELLECTUAL PROPERTY RIGHTS.**

GRANTEE WILL COORDINATE ITS DEFENSE WITH THE SYSTEM AGENCY AND ITS COUNSEL. THIS PARAGRAPH IS NOT INTENDED TO AND WILL NOT BE CONSTRUED TO REQUIRE GRANTEE TO INDEMNIFY OR HOLD HARMLESS THE STATE OR THE SYSTEM AGENCY FOR ANY CLAIMS OR LIABILITIES RESULTING SOLELY FROM THE GROSS NEGLIGENCE OF THE SYSTEM AGENCY OR ITS EMPLOYEES. THE PROVISIONS OF THIS SECTION WILL SURVIVE TERMINATION OF THIS CONTRACT.

9.06 Assignments

Grantee may not assign all or any portion of its rights under, interests in, or duties required under this Contract without prior written consent of the System Agency, which may be withheld or granted at the sole discretion of the System Agency. Except where otherwise agreed in writing by the System Agency, assignment will not release Grantee from its obligations under the Contract.

Grantee understands and agrees the System Agency may in one or more transactions assign, pledge, or transfer the Contract. This assignment will only be made to another State agency or a non-state agency that is contracted to perform agency support.

9.07 Relationship of the Parties

Grantee is, and will be, an independent contractor and, subject only to the terms of this Contract, will have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract will be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create for the System Agency any liability whatsoever with respect to the indebtedness, liabilities, and obligations of Grantee or any other Party.

Grantee will be solely responsible for, and the System Agency will have no obligation with respect to:

- a. Payment of Grantee's employees for all Services performed;

writing, and may be delivered by regular mail, electronic mail, or facsimile transmission. Any TGL issued by the System Agency will be incorporated into the Contract by reference herein for all purposes when it is issued.

9.09 Governing Law and Venue

This Contract and the rights and obligations of the Parties hereto will be governed by, and construed according to, the laws of the State of Texas, exclusive of conflicts of law provisions. Venue of any suit brought under this Contract will be in a court of competent jurisdiction in Travis County, Texas unless otherwise elected by the System Agency. Grantee irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of forum non conveniens, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect of this Contract or any document related hereto.

9.10 Severability

If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract will be construed as if such provision did not exist and the non-enforceability of such provision will not be held to render any other provision or provisions of this Contract unenforceable.

9.11 Survivability

Termination or expiration of this Contract or a Contract for any reason will not release either party from any liabilities or obligations in this Contract that the parties have expressly agreed will survive any such termination or expiration, remain to be performed, or by their nature would be intended to be applicable following any such termination or expiration, including maintaining confidentiality of information and records retention.

9.12 Force Majeure

Except with respect to the obligation of payments under this Contract, if either of the Parties, after a good faith effort, is prevented from complying with any express or implied covenant of this Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected Party (collectively referred to as a "Force Majeure"), then, while so prevented, the affected Party's obligation to comply with such covenant will be suspended, and the affected Party will not be liable for damages for failure to comply with such covenant. In any such event, the Party claiming Force Majeure will promptly notify the other Party of the Force Majeure event in writing and, if possible, such notice will set forth the extent and duration thereof.

9.13 No Waiver of Provisions

Neither failure to enforce any provision of this Contract nor payment for services provided under it constitute waiver of any provision of the Contract.

9.14 Publicity

Except as provided in the paragraph below, Grantee must not use the name of, or directly or indirectly refer to, the System Agency, the State of Texas, or any other State agency in any media release, public announcement, or public disclosure relating to the Contract or its subject

matter, including in any promotional or marketing materials, customer lists, or business presentations.

Grantee may publish, at its sole expense, results of Grantee performance under the Contract with the System Agency's prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.

9.15 Prohibition on Non-compete Restrictions

Grantee will not require any employees or Subcontractors to agree to any conditions, such as non-compete clauses or other contractual arrangements that would limit or restrict such persons or entities from employment or contracting with the State of Texas.

9.16 No Waiver of Sovereign Immunity

Nothing in the Contract will be construed as a waiver of sovereign immunity by the System Agency.

9.17 Entire Contract and Modification

The Contract constitutes the entire agreement of the Parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in any future document incorporated into the Contract will be harmonized with this Contract to the extent possible by the System Agency.

9.18 Counterparts

This Contract may be executed in any number of counterparts, each of which will be an original, and all such counterparts will together constitute but one and the same Contract.

9.19 Proper Authority

Each Party hereto represents and warrants that the person executing this Contract on its behalf has full power and authority to enter into this Contract. Any Services or Work performed by Grantee before this Contract is effective or after it ceases to be effective are performed at the sole risk of Grantee with respect to compensation.

These laws provide in part that no persons in the United States may, on the grounds of race, color, national origin, sex, age, disability, political beliefs, or religion, be excluded from participation in or denied any aid, care, service or other benefits provided by Federal or State funding, or otherwise be subjected to discrimination.

- b. Grantee agrees to comply with Title VI of the Civil Rights Act of 1964, and its implementing regulations at 45 C.F.R. Part 80 or 7 C.F.R. Part 15, prohibiting a contractor from adopting and implementing policies and procedures that exclude or have the effect of excluding or limiting the participation of clients in its programs, benefits, or activities on the basis of national origin. State and federal civil rights laws require contractors to provide alternative methods for ensuring access to services for applicants and recipients who cannot express themselves fluently in English. SECTION 1.05 ELECTRONIC AND INFORMATION RESOURCES ACCESSIBILITY AND SECURITY STANDARDS

a. Applicability:

The following Electronic and Information Resources (EIR) requirements apply to the Contract because the Grantee performs services that include EIR that the System Agency's employees are required or permitted to access or members of the public are required or permitted to access.

This Section does not apply to incidental uses of EIR in the performance of the Agreement, unless the Parties agree that the EIR will become property of the State of Texas or will be used by HHSC’s clients or recipients after completion of the Agreement.

Nothing in this section is intended to prescribe the use of particular designs or technologies or to prevent the use of alternative technologies, provided they result in substantially equivalent or greater access to and use of a Product.

b. Definitions:

“Electronic and Information Resources” means information resources, including information resources technologies, and any equipment or interconnected system of equipment that is used in the creation, conversion, duplication, or delivery of data or information. Review, testing, evaluation and monitoring may be conducted before and after the award of a contract. Testing and monitoring may include user acceptance testing. Neither the review, testing (including acceptance testing), evaluation or monitoring of any Product or service, nor the absence of review, testing, evaluation or monitoring, will result in a waiver of the State's right to contest the Grantee's assertion of compliance with the Accessibility Standards.
2. Grantee agrees to cooperate fully and provide the System Agency and its representative's timely access to Products, records, and other items and information needed to conduct such review, evaluation, testing, and monitoring.

 - ii. If the Products will be in the custody of the state or a System Agency's client or recipient after the Contract expiration or termination, the Products will continue to comply with Accessibility Standards after the expiration or termination of the Contract Term, unless the System Agency or its clients or recipients, as applicable, use the Products in a manner that renders it noncompliant.
2. In the event Grantee becomes aware, or is notified that the Product or service and associated documentation and technical support do not comply with the Accessibility Standards, Grantee represents and warrants that it will, in a timely manner and at no cost to the System Agency, perform all necessary steps to satisfy the Accessibility Standards, including remediation, replacement, and upgrading of the Product or service, or providing a suitable substitute.
