6.4 SAO AUDIT

Contractor understands that acceptance of funds directly under the Contract or indirectly through a Subcontract under the Contract acts as acceptance of the authority of the State Auditor's Office (SAO), or any successor agency, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the SAO must provide the SAO with access to any information the SAO considers relevant to the investigation or audit. Contractor agrees to cooperate fully with the SAO or its successor in the conduct of the audit or investigation, including providing all records requested. Contractor will ensure that this clause concerning the authority to audit funds received indirectly by Subcontractors through Contractor and the requirement to cooperate is included in any Subcontract it awards.

6.5 CONFIDENTIALITY

Any specific confidentiality agreement between the Parties takes precedent over the terms of this section. To the extent permitted by law, Contractor agrees to keep all information confidential, in whatever form produced, prepared, observed, or received by Contractor. The provisions of this section remain in full force and effect following termination or cessation of the services performed under this Contract.

6.6 PUBLIC INFORMATION ACT

Contractor must make all information not otherwise excepted from disclosure under the PIA available in portable document file (".pdf") format or any other format agreed between the Parties.

7.2 TERMINATION FOR CONVENIENCE

The System Agency may terminate the Contract, in whole or in part, at any time when, in its sole discretion, the System Agency determines that termination is in the best interests of the State of Texas. The termination will be effective on the date specified in HHSC's notice of termination.

7.3 TERMINATION FOR CAUSE

Except as otherwise provided by the U.S. Bankruptcy Code, or any successor law, the System Agency may terminate the Contract, in whole or in part, upon either of the following conditions:

a. **Material Breach**

The System Agency will have the right to terminate the Contract in whole or in part if the System Agency determines, at its sole discretion, that Contractor has materially breached the Contract or has failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of Contractor's duties under the Contract. Contractor's misrepresentation in any aspect of Contractor's Solicitation Response, if any, or Contractor's addition to the Excluded Parties List System (EPLS) will also constitute a material breach of the Contract.

b. **Failure to Maintain Financial Viability**

The System Agency may terminate the Contract if, in its sole discretion, the System Agency has a good faith belief that Contractor no longer maintains the financial

viability required to complete the Services and Deliverables, or otherwise fully perform its responsibilities under the Contract.

7.4 CONTRACTOR RESPONSIBILITY FOR ASSOCIATED COSTS.

If the System Agency terminates the Contract for Cause, the Contractor will be responsible to the System Agency for all costs incurred by the System Agency and the State of Texas to replace the Contractor. These costs include, but are not limited to, the costs of procuring a substitute vendor and the cost of any claim or litigation that is reasonably attributable to Contractor's failure to perform any Work in accordance with the terms of the Contract.

7.5 EQUITABLE SETTLEMENT

Any early termination under this Article will be subject to the equitable settlement of the respective interests of the Parties up to the date of termination.

ARTICLE VIII. MISCELLANEOUS PROVISIONS

8.1 AMENDMENT

The Contract may only be amended by an Amendment executed by both Parties.

8.2 INSURANCE

Unless otherwise specified in this Contract, Contractor will acquire and maintain, for the duration of this Contract, insurance coverage necessary to ensure proper fulfillment of this Contract and potential liabilities thereunder with financially sound and reputable insurers licensed by the Texas Department of Insurance, in the type and amount customarily carried within the industry as determined by the System Agency. Contractor will provide evidence of insurance as required under this Contract, including a schedule of coverage or underwriter's schedules establishing to the satisfaction of the System Agency the nature and extent of coverage granted by each such policy, upon request by the System Agency. In the event that any policy is determined by the System Agency to be deficient to comply with the terms of this Contract, Contractor will secure such additional policies or coverage as the System Agency may reasonably request or that are required by law or regulation. If coverage expires during the term of this Contract, Contractor must produce renewal certificates for each type of coverage.

These and all other insurance requirements under the Contract apply to both Contractor and its Subcontractors, if any. Contractor is responsible for ensuring its Subcontractors' compliance with all requirements.

8.3 DELEGATION OF AUTHORITY

Whenever, by any provision of the Contract, any right, power or duty is imposed or conferred on HHSC, the right power or duty so imposed or conferred is possessed and exercised by the System Agencies Executive Commissioner unless such is delegated to duly appointed agents or employees. The Executive Commissioner of the System Agency will reduce any delegation of authority to writing and provide a copy to Contractor on request. The authority delegated to Contractor by the System Agency is

limited to the terms of the Contract. Contractor may not reply upon implied authority and is not delegated authority under the Contract to:

- a. Make public policy;
- b. Promulgate, amend, or disregard administrative regulations or program policy decisions made by State and federal agencies responsible for administration of System Agency program; or

By entering into this Contract, Contractor certifies and ensures that it utilizes and will continue to utilize, for the term of this Contract, the U.S. Department of Homeland Security's e-Verify system to determine the eligibility of:

THE PROVISIONS OF THIS SECTION WILL SURVIVE TERMINATION OF THIS CONTRACT.

8.8 ASSIGNMENTS

Contractor may not assign all or any portion of its rights under, interests in, or duties required under this Contract without prior written consent of the System Agency, which may be withheld or granted at the sole discretion of the System Agency. Except where otherwise agreed in writing by the System Agency, assignment will not release Contractor from its obligations under the Contract.

In addition to information required by this Contract, the contracting Party will provide the procurement department of the System Agency with pertinent details of any participation by a HUB in fulfilling the duties and obligations arising hereunder.

The System Agency encourages the Parties it contracts with to partner with certified HUBs that participate in the Texas Comptroller of Public Accounts' Mentor Protégé Program.

8.11 RELATIONSHIP OF THE PARTIES

Contractor is, and will be, an independent contractor and, subject only to the terms of this Contract, will have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. 8.15 SURVIVABILITY

Termination or expiration of this Contract or a Contract for any reason will not release either party from any liabilities or obligations in this Contract that the parties have expressly agreed will survive any such termination or expiration, remain to be performed, or by their nature would be intended to be applicable following any such termination or expiration, including maintaining confidentiality of information and records retention.

8.16 FORCE MAJEURE

Except with respect to the obligation of payments under this Contract, if either of the Parties, after a good faith effort, is prevented from complying with any express or implied covenant of this Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected Party (collectively referred to as a "Force Majeure"), then, while so prevented, the affected Party's obligation to comply with such covenant will be suspended, and the affected Party will not be liable for damages for failure to comply with such covenant. In any such event, the Party claiming Force Majeure will promptly notify the other Party of the Force Majeure event in writing and, if possible, such notice will set forth the extent and duration thereof.

8.17 DISPUTE RESOLUTION

If a contract dispute arises that cannot be resolved to the satisfaction of the Parties, either Party may notify the other Party in writing of the dispute. If the Parties are unable to satisfactorily resolve the dispute within fourteen (14) days of the written notification, the Parties must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve the dispute. This provision will not apply to any matter with respect to which either Party may make a decision within its respective sole discretion.

Each System Agency that elects to obtain Work under this section will issue a purchase or Work order to Contractor, referring to, and incorporating by reference, the terms and conditions specified in the Contract.

System Agencies have no authority to modify the terms of the Contract. However, additional System Agency terms and conditions that do not conflict with the Contract, and are acceptable to the Contractor, may be added in a purchase or Work order and given effect. No additional term or condition added in a purchase or Work order issued by a System Agency can conflict with or diminish a term or condition of the Contract. Contractor Agents assigned to perform the duties and responsibilities under the Contract must be and remain properly trained and qualified for the functions they are to perform. Notwithstanding the transfer or turnover of personnel, Contractor remains obligated to perform all duties and responsibilities under the Contract without degradation and in strict accordance with the terms of the Contract.

3.02 Conduct and Removal

While performing the Work under the Contract, Contractor Agents must comply with applicable Contract terms, State and federal rules, regulations, HHSC's policies, and HHSC's requests regarding personal and professional conduct; and otherwise conduct themselves in a businesslike and professional manner.

No waiver of any term, covenant, or condition of the Contract will be valid unless executed in compliance with this Article. Contractor will not be entitled to payment for Work that is not authorized by a properly executed Contract amendment or modification, or through the express written authorization of HHSC.

Any changes to the Contract that results in a change to either the term, fees, or significantly impacting the obligations of the parties to the Contract must be effectuated by a formal Amendment to the Contract. Such Amendment must be signed by the appropriate and duly authorized representative of each party in order to have any effect.

5.02 Minor Administrative Changes

HHSC will not be required to pay any disputed portion of a Contractor invoice unless, and until, the dispute is resolved. Article VII. CONFIDENTIALITY

7.01 Consultant Disclosure

Contractor agrees that any consultant reports received by HHSC in connection with the Contract may be distributed by HHSC, in its discretion, to any other state agency and the Texas legislature. Contractor and all Contractor Agents will not disclose or use any Other Confidential Information in any manner except as is necessary for the Work or the proper discharge of obligations and securing of rights under the Contract. Contractor will have a system in effect to protect Other Confidential Information. Any disclosure or transfer of Other Confidential Information by Contractor, including information requested to do so by HHSC, will be in accordance with the Contract. If Contractor receives a request for Other Confidential Information, Contractor will immediately notify HHSC of the request, and will make reasonable efforts to protect the Other Confidential Information from disclosure until further instructed by the HHSC.

Contractor will notify HHSC promptly of any unauthorized possession, use, knowledge, or attempt thereof, of any Other Confidential Information by any person or entity that may become known to Contractor. Contractor will furnish to HHSC all known details of the unauthorized possession, use, or knowledge, or attempt thereof, and use reasonable efforts to assist HHSC in investigating or preventing the reoccurrence of any unauthorized possession, use, or knowledge, or attempt thereof, of Other Confidential Information.

HHSC will have the right to recover from Contractor all damages and liabilities caused by or arising from Contractor or Contractor Agents' failure to protect HHSC's Confidential Information as required by this section.

Article VIII. DISPUTES AND REMEDIES

8.01 Agreement of the Parties

The Parties agree that the interests of fairness, efficiency, and good business practices are best served when the Parties employ all reasonable and informal means to resolve any dispute under the Contract before resorting to formal dispute resolution processes otherwise provided in the Contract. The Parties will use all reasonable and informal means of resolving disputes prior to invoking a remedy provided elsewhere in the Contract, unless HHSC immediately terminates the Contract in accordance with the terms and conditions of the Contract.

Any dispute, that in the judgment of any Party to the Agreement, may materially affect the performance of any Party will be reduced to writing and delivered to the other Party within 10 business days after the dispute arises. The Parties must then negotiate in good faith and use every reasonable effort to resolve the dispute at the managerial or executive levels prior to initiating formal proceedings pursuant to the UTC and Texas Government Code §2260, unless a Party has reasonably determined that a negotiated resolution is not possible and has so notified the other Party. The resolution of any dispute disposed of by agreement between the Parties will be reduced to writing and delivered to all Parties within 10 business days of such resolution.

8.02 Operational Remedies

The remedies described in this section may be used or pursued by HHSC in the context of the routine operation of the Contract and are directed to Contractor's timely and responsive performance of the Work as well as the creation of a flexible and responsive relationship between the Parties. Contractor agrees that HHSC may pursue operational remedies for Items of Noncompliance with the Contract. At any time, and at its sole discretion, HHSC may impose or pursue one or more said remedies for each Item of Noncompliance. HHSC's pursuit or non-pursuit of an operational remedy does not constitute a waiver of any other remedy that HHSC may have at law or equity; excuse Contractor's prior substandard performance, relieve Contractor of its duty to comply with performance standards, or prohibit HHSC from assessing additional operational remedies or pursuing other appropriate remedies for continued substandard performance.

HHSC will provide notice to Contractor of the imposition of an operational remedy in accordance with this section, with the exception of accelerated monitoring, which may be unannounced. HHSC may require Contractor to file a written response as part of the operational remedy approach.

8.03 Equitable Remedies

Contractor acknowledges that if, Contractor breaches, attempts, or threatens to breach, any obligation under the Contract, the State will be irreparably harmed. In such a circumstance, the State may proceed directly to court notwithstanding any other provision of the Contract. If a court of competent jurisdiction finds that Contractor breached, attempted, or threatened to breach any such obligations, Contractor will not oppose the entry of an order compelling performance by Contractor and restraining it from any further breaches, attempts, or threats of breach without a further finding of irreparable injury or other conditions to injunctive relief.

8.04 Continuing Duty to Perform

Neither the occurrence of an event constituting an alleged breach of contract, the pending status of any claim for breach of contract, nor the application of an operational remedy, is grounds for the suspension of performance, in whole or in part, by Contractor of the Work or any duty or obligation with respect to the Contract.

Article IX. DAMAGES

9.01 Availability and Assessment

HHSC will be entitled to actual, direct, indirect, incidental, special, and consequential damages resulting from Contractor's failure to comply with any of the terms of the Contract. Therefore, if provided in the Contract, liquidated damages may be assessed against Contractor for failure to meet any aspect of the Work or responsibilities of the Contractor. HHSC may elect to collect liquidated damages:

- (a) Through direct assessment and demand for payment to Contractor; or
- (b) By deducting the amounts assessed as liquidated damages against payments owed to Contractor for Work performed. In its sole discretion, HHSC may deduct amounts assessed as liquidated damages as a single lump sum payment or as multiple payments until the full amount payable by the Contractor is received by the HHSC.

9.02 Specific Items of Liability

Contractor bears all risk of loss or damage due to defects in the Work, unfitness or obsolescence of the Work, or the negligence or intentional misconduct of Contractor or Contractor Agents. Contractor will ship all equipment and Software purchased and Third Party Software licensed under the Contract, freight prepaid, FOB HHSC's destination. The method of shipment will be consistent with the nature of the items shipped and applicable hazards of transportation to such items. Regardless of FOB point, Contractor bears all risks of loss, damage, or destruction of the Work, in whole or in part, under the Contract that occurs prior to acceptance by HHSC. After acceptance by HHSC, the risk of loss or damage will be borne by HHSC; however, Contractor remains liable for loss or damage attributable to Contractor's fault or negligence.

Contractor will protect HHSC's real and personal property from damage arising from Contractor or Contractor Agents performance of the Contract, and Contractor will be responsible for any loss, destruction, or damage to HHSC's property that results from or is caused by Contractor or Contractor Agents' negligent

or wrongful acts or omissions. Contractor will assign to HHSC all licenses for the Third Party Software as necessary to carry out the intent of this section.

Contractor will, during the Contract, maintain any and all Third Party Software at their most current version or no more than one version back from the most current version. However, Contractor will not maintain any Third Party Software versions, including one version back, if notified by HHSC that any such version would prevent HHSC from using any functions, in whole or in part, of HHSC systems or would cause deficiencies in HHSC systems.

11.03 Software and Ownership Rights

In accordance with 45 C.F.R. Part 95.617, all appropriate federal agencies will have a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, translate, or otherwise use, and to authorize others to use for government purposes all Work, materials, Custom Software and modifications thereof, source code, associated documentation designed, developed, or installed with Federal Financial Participation under the Contract, including but not limited to those materials covered by copyright.
