To the extent that Work Product does not qualify as a "work made for hire" under applicable federal law, Grantee hereby irrevocably assigns and transfers to System Agency, its successors and assigns, the entire right, title, and interest in and to the Work Product, including any and all Intellectual Property Rights embodied therein or associated

therewith, and in and to all works based upon, derived from, or incorporating the Work Product, and in and to all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto, and in and to all causes of action, either in law or in equity for past, present or future infringement based on the copyrights, and in and to all rights corresponding to the foregoing. Grantee agrees to execute all papers and to perform such other property rights as System Agency may deem necessary to secure for System Agency or its designee the rights herein assigned. In the event that Grantee has any rights in and to the Work Product that cannot be assigned to System Agency, Grantee hereby grants to System Agency an exclusive, worldwide, royalty-free, transferable, irrevocable, and perpetual license, with the right to sublicense, to reproduce, distribute, modify, create derivative works of, publicly perform and publicly display, make, have made, use, sell and offer for sale the Work Product and any products developed by practicing such rights.

6.2 GRANTEE'S PRE-EXISTING WORKS

To the extent that Grantee incorporates into the Work Product any works of Grantee that were created by Grantee or that Grantee acquired rights in prior to the Effective Date of this Contract ("**Incorporated Pre-existing Works**"), Grantee retains ownership of such Incorporated Pre-existing Works, and Grantee hereby grants to System Agency an irrevocable, perpetual, non-exclusive, royalty-free, transferable, worldwide right and license, with the right to sublicense, to use, modify, copy, create derivative works of, publish, publicly perform and display, sell, offer to sell, make and have made, the Incorporated Pre-existing Works, in any medium, with or without the associated Work Product. Grantee represents, warrants, and covenants to System Agency that Grantee has all necessary right and authority to grant the foregoing license in the Incorporated Pre-existing Works to System Agency.

6.3 AGREEMENTS WITH EMPLOYEES AND SUBCONTRACTORS

Grantee shall have written, binding agreements with its employees and subcontractors that include provisions sufficient to give effect to and enable Grantee's compliance with Grantee's obligations under this **Article VI**.

6.4 DELIVERY UPON TERMINATION OR EXPIRATION

No later than the first calendar day after the termination or expiration of the Contract or upon System Agency's request, Grantee shall deliver to System Agency all completed, or partially completed, Work Product, including any Incorporated Pre-existing Works, and any and all versions thereof. Grantee's failure to timely deliver such Work Product is a material breach of the Contract. Grantee will not retain any copies of the Work Product or any documentation or other products or results of Grantee's activities under the Contract without the prior written consent of System Agency.

6.5 SURVIVAL

The provisions and obligations of this **Article VI** survive any termination or expiration of the Contract.

ARTICLE VII. RECORDS, AUDIT, AND DISCLOSURE

7.1 BOOKS AND RECORDS

Grantee shall keep and maintain under GAAP or GASB, as applicable, full, true, and complete records necessary to fully disclose to the System Agency, the Texas State Auditor's Office, the United States Government, and their authorized representatives sufficient information to determine compliance with the terms and conditions of this Contract and all state and federal rules, regulations, and statutes. 7.2 ACCESS TO RECORDS, BOOKS, AND DOCUMENTS

In addition to any right of access arising by operation of law, Grantee and any of Grantee's affiliate or subsidiary organizations, or Subcontractors shall permit the System Agency or any of its duly authorized representatives, as well as duly authorized federal, state or local authorities, unrestricted access to and the right to examine any site where business is conducted or services are performed, and all records, which includes but is not limited to financial, client and patient records, books, papers or documents related to this Contract. If the Contract includes federal funds, federal agencies that shall have a right of access to records as described in this section include: the federal agency providing the funds, the Comptroller General of the United States, the General Accounting Office, the Office of the Inspector General, and any of their authorized representatives. In addition, agencies of the State of Texas that shall have a right of access to records as described in this section include: the System Agency, HHSC, HHSC's contracted examiners, the State Auditor's Office, the Office of the Texas Attorney General, and any successor agencies. Each of these entities may be a duly authorized authority. If deemed necessary by the System Agency or any duly authorized authority, for the purpose of investigation or hearing, Grantee shall produce original documents related to this Contract. The System Agency and any duly authorized authority shall have the right to audit billings both before and after payment, and all documentation that substantiates the billings. Grantee shall include this provision concerning the right of access to, and examination of, sites and information related to this Contract in any Subcontract it awards.

- A. Grantee must act to ensure its and its Subcontractors' compliance with all corrections necessary to address any finding of noncompliance with any law, regulation, audit requirement, or generally accepted accounting principle, or any other deficiency identified in any audit, review, or inspection of the Contract and the services and Deliverables provided. Any such correction will be at Grantee's or its Subcontractor's sole expense. Whether Grantee's action corrects the noncompliance shall be solely the decision of the System Agency.
- B. As part of the services, Grantee must provide to HHSC upon request a copy of those portions of Grantee's and its Subcontractors' internal audit reports relating to the services and Deliverables provided to the State under the Contract.

7.4 SAO AUDIT

- A. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. The acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.
- B. Grantee shall comply with any rules and procedures of the state auditor in the implementation and enforcement of Section 2262.154 of the Texas Government Code.

7.5 CONFIDENTIALITY

Grantee shall maintain as confidential, and shall not disclose to third parties without System Agency's prior written consent, any System Agency information including but not limited to System Agency's business activities, practices, systems, conditions and services. This section will survive termination or expiration of this Contract.

ARTICLE VIII. CONTRACT REMEDIES AND EARLY TERMINATION**8.1 CONTRACT REMEDIES**

- v. imposing any other remedies, sanctions or penalties authorized under this Contract or permitted by federal or state statute, law, regulation or rule.

8.2 TERMINATION FOR CONVENIENCE

The System Agency may terminate the Contract at any time when, in its sole discretion, the System Agency determines that termination is in the best interests of the State of Texas. The termination will be effective on the date specified in HHSC's notice of termination. The System Agency's right to terminate the Contract for convenience is cumulative of all rights and remedies which exist now or in the future.

8.3 TERMINATION FOR CAUSE

Except as otherwise provided by the U.S. Bankruptcy Code, or any successor law, the System Agency may terminate the Contract, in whole or in part, upon either of the following conditions:

i. **Material Breach**

The System Agency will have the right to terminate the Contract in whole or in part if the System Agency determines, in its sole discretion, that Grantee has materially breached the Contract or has failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of Grantee's duties under the Contract. Grantee's misrepresentation in any aspect of Grantee's Solicitation Response, if any, or Grantee's addition to the Excluded Parties List System (EPLS) will also constitute a material breach of the Contract.

ii. **Failure to Maintain Financial Viability**

The System Agency may terminate the Contract if, in its sole discretion, the System Agency has a good faith belief that Grantee no longer maintains the financial viability required to complete the services and Deliverables, or otherwise fully perform its responsibilities under the Contract.

ARTICLE IX. MISCELLANEOUS PROVISIONS

9.1 AMENDMENT

The Contract may only be amended by an Amendment executed by both Parties.

9.2 INSURANCE

- A. Grantee shall provide evidence of insurance as required under this Contract, including a schedule of coverage or underwriter's schedules establishing to the satisfaction of the System Agency the nature and extent of coverage granted by each such policy, upon request by the System Agency. In the event that any policy is determined by the System Agency to be deficient to comply with the terms of this Contract, Grantee shall secure such additional policies or coverage as the System Agency may reasonably request or that are required by law or regulation. If coverage expires during the term of this Contract, Grantee must produce renewal certificates for each type of coverage.
- B. These and all other insurance requirements under the Contract apply to both Grantee and its Subcontractors, if any. Grantee is responsible for ensuring its Subcontractors' compliance with all requirements.

9.3 LEGAL OBLIGATIONS

THE DEFENSE SHALL BE COORDINATED BY GRANTEE WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND GRANTEE MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. GRANTEE AND SYSTEM AGENCY AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.**
- B. THIS PARAGRAPH IS NOT INTENDED TO AND SHALL NOT BE CONSTRUED TO REQUIRE GRANTEE TO INDEMNIFY OR HOLD HARMLESS THE STATE OR THE SYSTEM AGENCY FOR ANY CLAIMS OR LIABILITIES RESULTING FROM THE NEGLIGENT ACTS OR OMISSIONS OF THE SYSTEM AGENCY OR ITS EMPLOYEES.**
- C. For the avoidance of doubt, System Agency shall not indemnify Grantee or any other entity under the Contract.**

9.6 ASSIGNMENTS

- A. Grantee may not assign all or any portion of its rights under, interests in, or duties required under this Contract without prior written consent of the System Agency, which may be withheld or granted at the sole discretion of the System Agency. Except where otherwise agreed in writing by the System Agency, assignment will not release Grantee from its obligations under the Contract.**

9.7 INDEPENDENT CONTRACTOR

Grantee and Grantee's employees, representatives, agents, Subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the services under the Contract. Neither Grantee nor System Agency is an agent of the other and neither may make any commitments on the other party's behalf. Should Grantee subcontract any of the services required in the Contract, Grantee expressly understands and acknowledges that in entering such subcontract(s), System Agency is in no manner liable to any Subcontractor(s) of Grantee. In no event shall this provision relieve Grantee of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with the Contract. Grantee shall have no claim against System Agency for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. The Contract shall not create any joint venture, partnership, agency, or employment relationship between Grantee and System Agency.

9.8 TECHNICAL GUIDANCE LETTERS

In the sole discretion of the System Agency, and in conformance with federal and state law, the System Agency may issue instructions, clarifications, or interpretations as may be required during work performance in the form of a Technical Guidance Letter (TGL). A TGL must be in writing, and may be delivered by regular mail, electronic mail, or facsimile transmission. Any TGL issued by the System Agency will be incorporated into the Contract by reference for all purposes when it is issued.

- A. The dispute resolution process provided for in Chapter 2260 of the Texas Government Code must be used to attempt to resolve any dispute arising under the Contract.
- B. If a contract dispute arises that cannot be resolved to the satisfaction of the Parties, either Party may notify the other Party in writing of the dispute. If the Parties are unable to satisfactorily resolve the dispute within fourteen (14) days of the written notification, the Parties must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve the dispute. This provision will not apply to any matter with respect to which either Party may make a decision within its respective sole discretion.

9.10 GOVERNING LAW AND VENUE

The Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the System Agency.

9.11 SEVERABILITY

If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-

enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

9.12 SURVIVABILITY

Expiration or termination of the Contract for any reason does not release Grantee from any liability or obligation set forth in the Contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Contract, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.

9.13 FORCE MAJEURE

Neither Grantee nor System Agency shall be liable to the other for any delay in, or failure of performance, of any requirement included in the Contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

9.14 NO WAIVER OF PROVISIONS

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Grantee which is in violation or breach of the terms of the Contract shall not be construed as a waiver of the violation or breach, or of any future violation or breach.

9.15 PUBLICITY

- A. Except as provided in the paragraph below, Grantee must not use the name of, or directly or indirectly refer to, the System Agency, the State of Texas, or any other State agency in any media release, public announcement, or public disclosure relating to the Contract or its subject matter, including in any promotional or marketing materials, customer lists, or business presentations.
- B. Grantee may publish, at its sole expense, results of Grantee performance under the Contract with the System Agency's prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.
- C. Contractor is prohibited from using the Work for any Contractor or third party marketing, advertising, or promotional activities, without the prior written consent of System Agency. The foregoing prohibition includes, without limitation, the placement of banners, pop-up ads, or other advertisements promoting Contractor's or a third party's products, services, workshops, trainings, or other commercial offerings on any website portal or internet-based service or software application hosted or managed by Contractor as part of the Work.

9.16 PROHIBITION ON NON-COMPETE RESTRICTIONS

Grantee shall not require any employees or Subcontractors to agree to any conditions, such as non-compete clauses or other contractual arrangements that would limit or restrict such persons or entities from employment or contracting with the State of Texas.

9.17 NO WAIVER OF SOVEREIGN IMMUNITY

Nothing in the Contract will be construed as a waiver of the System Agency's or the State's sovereign immunity. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas under the Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. System Agency does not waive any privileges, rights, defenses, or immunities available to System Agency by entering into the Contract or by its conduct prior to or subsequent to entering into the Contract.

9.18 ENTIRE CONTRACT AND MODIFICATION

The Contract constitutes the entire agreement of the Parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in any future document incorporated into the Contract will be harmonized with this Contract to the extent possible.

9.19 COUNTERPARTS

This Contract may be executed in any number of counterparts, each of which will be an original, and all such counterparts will together constitute but one and the same Contract.

9.20 PROPER AUTHORITY

Each Party represents and warrants that the person executing this Contract on its behalf has full power and authority to enter into this Contract.

9.21 E-VERIFY PROGRAM

Grantee certifies that it utilizes and will continue to utilize the U.S. Department of Homeland Security's E-Verify system to determine the eligibility of:

Article VI. Disputes and Remedies

6.01 Agreement of the Parties

The Parties agree that the interests of fairness, efficiency, and good business practices are best served when the Parties employ all reasonable and informal means to resolve any dispute under the Contract before resorting to formal dispute resolution processes otherwise provided in the Contract. The Parties will use all reasonable and informal means of resolving disputes prior to invoking a remedy provided elsewhere in the Contract, unless HHSC immediately terminates the Contract in accordance with the terms and conditions of the Contract.

Any dispute, that in the judgment of any Party to the Agreement, may materially affect the performance of any Party will be reduced to writing and delivered to the other Party within 10 business days after the dispute arises. The Parties must then negotiate in good faith and use every reasonable effort to resolve the dispute at the managerial or executive levels prior to initiating formal proceedings pursuant to the UTC and Texas Government Code §2260, unless a Party has reasonably determined that a negotiated resolution is not possible and has so notified the other Party. The resolution of any dispute disposed of by agreement between the Parties will be reduced to writing and delivered to all Parties within 10 business days of such resolution.

6.02 Operational Remedies

The remedies described in this section may be used or pursued by HHSC in the context of the routine operation of the Contract and are directed to Contractor's timely and responsive performance of the Work as well as the creation of a flexible and responsive relationship between the Parties. Contractor agrees that HHSC may pursue operational remedies for Items of Noncompliance with the Contract. At any time, and at its sole discretion, HHSC may impose or pursue one or more said remedies for each item of noncompliance. HHSC will determine operational remedies on a case-by-case basis which include, but are not, limited to:

- (a) Requesting a detailed Corrective Action Plan, subject to HHSC approval, to correct and resolve a deficiency or breach of the Contract;

ATTACHMENT C

- (f) Accelerated or additional monitoring;
- (g) Withholding of payments; and
- (h) Additional and more detailed programmatic and financial reporting.

HHSC's pursuit or non-pursuit of an operational remedy does not constitute a waiver of any other remedy that HHSC may have at law or equity; excuse Contractor's prior substandard performance, relieve Contractor of its duty to comply with performance standards, or prohibit HHSC from assessing additional operational remedies or pursuing other appropriate remedies for continued substandard performance.

HHSC will provide notice to Contractor of the imposition of an operational remedy in accordance with this section, with the exception of accelerated monitoring, which may be unannounced. HHSC may require Contractor to file a written response as part of the operational remedy approach.

6.03 Equitable Remedies

Contractor acknowledges that if, Contractor breaches, attempts, or threatens to breach, any obligation under the Contract, the State will be irreparably harmed. In such a circumstance, the State may proceed directly to court notwithstanding any other provision of the Contract. If a court of competent jurisdiction finds that Contractor breached, attempted, or threatened to breach any such obligations, Contractor will not oppose the entry of an order compelling performance by Contractor and restraining it from any further breaches, attempts, or threats of breach without a further finding of irreparable injury or other conditions to injunctive relief.

6.04 Continuing Duty to Perform

Neither the occurrence of an event constituting an alleged breach of contract, the pending status of any claim for breach of contract, nor the application of an operational remedy, is grounds for the suspension of performance, in whole or in part, by Contractor of the Work or any duty or obligation with respect to the Contract.

Article VII. Damages

7.01 Availability and Assessment

HHSC will be entitled to actual, direct, indirect, incidental, special, and consequential damages resulting from Contractor's failure to comply with any of the terms of the Contract. Therefore, if provided in the Contract, liquidated damages may be assessed against Contractor for failure to meet any aspect of the Work or responsibilities of the Contractor. HHSC may elect to collect liquidated damages:

- (a) Through direct assessment and demand for payment to Contractor; or
- (b) By deducting the amounts assessed as liquidated damages against payments owed to Contractor for Work performed. In its sole discretion, HHSC may deduct amounts assessed as liquidated damages as a single lump sum payment or as multiple payments until the full amount payable by the Contractor is received by the HHSC.
