### 7.02 Access to records, books, and documents

In addition to any right of access arising by operation of law, Grantee and any of Grantee's affiliate or subsidiary organizations, or Subcontractors will permit the System Agency or any of its duly authorized representatives, as well as duly authorized federal, state or local authorities, unrestricted access to and the right to examine any site where business is conducted or Services are performed, and all records, which includes but is not limited to financial, client and patient records, books, papers or documents related to this Contract. If the Contract includes federal funds, federal agencies that will have a right of access to records as described in this section include: the federal agency providing the funds, the Comptroller General of the United States, the General Accounting Office, the Office of the Inspector General, and any of their authorized representatives. In addition, agencies of the State of Texas that will have a right of access to records as described in this section include: the System Agency, HHSC, HHSC's contracted examiners, the State Auditor's Office, the Texas Attorney General's Office, and any successor agencies. Each of these entities may be a duly authorized authority. If deemed necessary by the System Agency or any duly authorized authority, for the purpose of investigation or hearing, Grantee will produce original documents related to this Contract. The System Agency and any duly authorized authority will have the right to audit billings both before and after payment, and all documentation that substantiates the billings. Grantee will include this provision concerning

the right of access to, and examination of, sites and information related to this Contract in any Subcontract it awards.

**7.03 Response/compliance with audit or inspection findings**

- a. Grantee must act to ensure its and its Subcontractor's compliance with all corrections necessary to address any finding of noncompliance with any law, regulation, audit requirement, or generally accepted accounting principle, or any other deficiency identified in any audit, review, or inspection of the Contract and the goods or services provided hereunder. Any such correction will be at Grantee or its Subcontractor's sole expense. Whether Grantee's action corrects the noncompliance will be solely the decision of the System Agency.
- b. As part of the Services, Grantee must provide to HHSC upon request a copy of those portions of Grantee's and its Subcontractors' internal audit reports relating to the Services and Deliverables provided to the State under the Contract.

**7.04 SAO Audit**

Grantee understands that acceptance of funds directly under the Contract or indirectly through a Subcontract under the Contract acts as acceptance of the authority of the State Auditor's Office (SAO), or any successor agency, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the SAO must provide the SAO with access to any information the SAO considers relevant to the investigation or audit. Grantee agrees to cooperate fully with the SAO or its successor in the conduct of the audit or investigation, including providing all records requested. Grantee will ensure that this clause concerning the authority to audit funds received indirectly by Subcontractors through Grantee and the requirement to cooperate is included in any Subcontract it awards.

**7.05 Confidentiality**

Any specific confidentiality agreement between the Parties takes precedent over the terms of this section. To the extent permitted by law, Grantee agrees to keep all information confidential, in whatever form produced, prepared, observed, or received by Grantee. The provisions of this section remain in full force and effect following termination or cessation of the services performed under this Contract.

**7.06 Public Information Act**

Information related to the performance of this Contract may be subject to the PIA and will be withheld from public disclosure or released only in accordance therewith. Grantee must make all information not otherwise excepted from disclosure under the PIA available in portable document file (".pdf") format or any other format agreed between the Parties.

**8.03 Termination for Cause**

Except as otherwise provided by the U.S. Bankruptcy Code, or any successor law, the System Agency may terminate the Contract, in whole or in part, upon either of the following conditions:

**a. Material Breach**

The System Agency will have the right to terminate the Contract in whole or in part if the System Agency determines, at its sole discretion, that Grantee has materially breached the Contract or has failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of Grantee's duties under the Contract. Grantee's misrepresentation in any aspect of Grantee's Solicitation Response, if any or Grantee's addition to the Excluded Parties List System (EPLS) will also constitute a material breach of the Contract.

**b. Failure to Maintain Financial Viability**

The System Agency may terminate the Contract if, in its sole discretion, the System Agency has a good faith belief that Grantee no longer maintains the financial viability required to complete the Services and Deliverables, or otherwise fully perform its responsibilities under the Contract.

**8.04 Equitable Settlement**

Any early termination under this Article will be subject to the equitable settlement of the respective interests of the Parties up to the date of termination.

**ARTICLE IX MISCELLANEOUS PROVISIONS**

Unless otherwise specified in this Contract, Grantee will acquire and maintain, for the duration of this Contract, insurance coverage necessary to ensure proper fulfillment of this Contract and potential liabilities thereunder with financially sound and reputable insurers licensed by the Texas Department of Insurance, in the type and amount customarily carried within the industry as determined by the System Agency. Grantee will provide evidence of insurance as required

under this Contract, including a schedule of coverage or underwriter's schedules establishing to the satisfaction of the System Agency the nature and extent of coverage granted by each such policy, upon request by the System Agency. In the event that any policy is determined by the System Agency to be deficient to comply with the terms of this Contract, Grantee will secure such additional policies or coverage as the System Agency may reasonably request or that are required by law or regulation. If coverage expires during the term of this Contract, Grantee must produce renewal certificates for each type of coverage.

These and all other insurance requirements under the Contract apply to both Grantee and its Subcontractors, if any. Grantee is responsible for ensuring its Subcontractors' compliance with all requirements.

Grantee will comply with all applicable federal, state, and local laws, ordinances, and regulations, including all federal and state accessibility laws relating to direct and indirect use of information and communication technology. Grantee will be deemed to have knowledge of all applicable laws and regulations and be deemed to understand them. In addition to any other act or omission that may constitute a material breach of the Contract, failure to comply with this Section may also be a material breach of the Contract.

**9.04 Permitting and Licensure**

At Grantee's sole expense, Grantee will procure and maintain for the duration of this Contract any state, county, city, or federal license, authorization, insurance, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Grantee to provide the goods or Services required by this Contract. Grantee will be responsible for payment of all taxes, assessments, fees, premiums, permits, and licenses required by law. THE PROVISIONS OF THIS SECTION WILL SURVIVE TERMINATION OF THIS CONTRACT.**

**9.06 Assignments**

Grantee may not assign all or any portion of its rights under, interests in, or duties required under this Contract without prior written consent of the System Agency, which may be withheld or granted at the sole discretion of the System Agency. Except where otherwise agreed in writing by the System Agency, assignment will not release Grantee from its obligations under the Contract.

Grantee understands and agrees the System Agency may in one or more transactions assign, pledge, or transfer the Contract. This assignment will only be made to another State agency or a non-state agency that is contracted to perform agency support.

**9.07 Relationship of the Parties**

Grantee is, and will be, an independent contractor and, subject only to the terms of this Contract, will have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract will be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create for the System Agency any liability whatsoever with respect to the indebtedness, liabilities, and obligations of Grantee or any other Party.

**9.09 Governing Law and Venue**

This Contract and the rights and obligations of the Parties hereto will be governed by, and construed according to, the laws of the State of Texas, exclusive of conflicts of law provisions. Venue of any suit brought under this Contract will be in a court of competent jurisdiction in Travis County, Texas unless otherwise elected by the System Agency. Grantee irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of forum non conveniens, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect of this Contract or any document related hereto.

**9.10 Severability**

If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract will be construed as if such provision did not exist and the non-enforceability of such provision will not be held to render any other provision or provisions of this Contract unenforceable.

**9.11 Survivability**

Termination or expiration of this Contract or a Contract for any reason will not release either party from any liabilities or obligations in this Contract that the parties have expressly agreed will survive any such termination or expiration, remain to be performed, or by their nature would be intended to be applicable following any such termination or expiration, including maintaining confidentiality of information and records retention.

**9.12 Force Majeure**

Except with respect to the obligation of payments under this Contract, if either of the Parties, after a good faith effort, is prevented from complying with any express or implied covenant of this Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected Party (collectively referred to as a "Force Majeure"), then, while so prevented, the affected Party's obligation to comply with such covenant will be suspended, and the affected Party will not be liable for damages for failure to comply with such covenant. In any such event, the Party claiming Force Majeure will promptly notify the other Party of the Force Majeure event in writing and, if possible, such notice will set forth the extent and duration thereof.

**9.13 No Waiver of Provisions**

Neither failure to enforce any provision of this Contract nor payment for services provided under it constitute waiver of any provision of the Contract.

**9.14 Publicity**

Except as provided in the paragraph below, Grantee must not use the name of, or directly or indirectly refer to, the System Agency, the State of Texas, or any other State agency in any media release, public announcement, or public disclosure relating to the Contract or its subject

matter, including in any promotional or marketing materials, customer lists, or business presentations.

Grantee may publish, at its sole expense, results of Grantee performance under the Contract with the System Agency's prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.

Each Party hereto represents and warrants that the person executing this Contract on its behalf has full power and authority to enter into this Contract. Any Services or Work performed by Grantee before this Contract is effective or after it ceases to be effective are performed at the sole risk of Grantee with respect to compensation.
