6.03 Termination for Cause

The System Agency will have the right to terminate the Contract in whole or in part if the System Agency determines, at its sole discretion, that Performing Agency has materially breached the Contract or has failed to adhere to any laws, ordinances, rules, regulations or

orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of Performing Agency's duties under the Contract.

6.04 Equitable Settlement

Any early termination under this Article shall be subject to the equitable settlement of the respective interests of the Parties up to the date of termination.

ARTICLE VII MISCELLANEOUS PROVISIONS

7.01 Technical Guidance Letters

In the sole discretion of the System Agency, and in conformance with federal and state law, the System Agency may issue instructions, clarifications, or interpretations as may be required during Work performance in the form of a Technical Guidance Letter. A TGL must be in writing, and may be delivered by regular mail, electronic mail, or facsimile transmission. Any TGL issued by the System Agency shall be incorporated into the Contract by reference herein for all purposes when it is issued.

7.02 Survivability

All obligations and duties of the Performing Agency not fully performed as of the expiration or termination of this Contract will survive the expiration or termination of the Contract.

7.03 No Waiver

Neither failure to enforce any provision of this Contract nor payment for services provided under it constitute waiver of any provision of the Contract.

7.04 Standard Terms and Conditions

- A. In the performance of this Contract, each Party shall comply with all applicable federal, state, and local laws, ordinances, and regulations. Each Party shall make itself familiar with and at all times shall observe and comply with all federal, state, and local laws, ordinances, and regulations that in any manner affect performance under this Contract. Each Party will be deemed to have knowledge of all applicable laws and regulations and be deemed to understand them.
- B. All records relevant to this Contract shall be retained for a minimum of seven (7) years. The period of retention begins at the date of final payment by the System Agency, or from the date of termination of the Contract, whichever is later. Performing Agency shall keep and maintain under GAAP or GASB, as applicable, full, true, and complete records necessary to fully disclose to the System Agency, the Texas State Auditor's Office, the United States Government, and/or their authorized representatives sufficient information to determine compliance with the terms and conditions of this Contract and all state and federal rules, regulations, and statutes.

- E. This Contract and the rights and obligations of the Parties hereto shall be governed by, and construed according to, the laws of the State of Texas, exclusive of conflicts of law provisions. Venue of any suit brought under this Contract shall be in a court of competent jurisdiction in Travis County, Texas. Performing Agency irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of forum non conveniens, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect of this Contract or any document related hereto. **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE SYSTEM AGENCY.**
- F. If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.
- G. Except with respect to the obligation of payments under this Contract, if either of the Parties, after a good faith effort, is prevented from complying with any express or implied covenant of this Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected Party (collectively referred to as a "Force Majeure"), then, while so prevented, the affected Party's obligation to comply with such covenant shall be suspended, and the affected Party shall not be liable for damages for failure to comply with such covenant. In any such event, the Party claiming Force Majeure shall promptly notify the other Party of the Force Majeure event in writing and, if possible, such notice shall set forth the extent and duration thereof. The Party claiming Force Majeure shall exercise due diligence to prevent, eliminate, or overcome such Force Majeure event where it is possible to do so and shall resume performance at the earliest possible date. However, if non-performance continues for more than thirty (30) days, the System Agency may terminate this Contract immediately upon written notification to Performing Agency.
- H. This Contract, its integrated Attachment(s), and any purchase order issued in conjunction with this Contract constitute the entire agreement of the Parties and are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in such Attachment(s) and/or purchase order shall be harmonized with this Contract to the extent possible. Unless such integrated Attachment or purchase order specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language shall be construed consistently with the terms of this Contract.

However, additional System Agency terms and conditions that do not conflict with the Contract, and are acceptable to the Contractor, may be added in a purchase or Work order and given effect. Any changes to the Contract that results in a change to either the term, fees, or significantly impacting the obligations of the parties to the Contract must be effectuated by a formal Amendment to the Contract. ARTICLE VII. CONFIDENTIALITY

7.01 CONSULTANT DISCLOSURE

Contractor will have a system in effect to protect Other Confidential Information. Any disclosure or transfer of Other Confidential Information by Contractor, including information requested to do so by HHSC, will be in accordance with the Contract. If Contractor receives a request for Other Confidential Information, Contractor will immediately notify HHSC of the request, and will make reasonable efforts to protect the Other Confidential Information from disclosure until further instructed by the HHSC.

Contractor will notify HHSC promptly of any unauthorized possession, use, knowledge, or attempt thereof, of any Other Confidential Information by any person or entity that may become known to Contractor. Contractor will furnish to HHSC all known details of the unauthorized possession, use, or knowledge, or attempt thereof, and use reasonable efforts to assist HHSC in investigating or preventing the reoccurrence of any unauthorized possession, use, or knowledge, or attempt thereof, of Other Confidential Information.

HHSC will have the right to recover from Contractor all damages and liabilities caused by or arising from Contractor or Contractor Agents' failure to protect HHSC's Confidential Information as required by this section.

ARTICLE VIII. DISPUTES AND REMEDIES

8.01 AGREEMENT OF THE PARTIES

The Parties agree that the interests of fairness, efficiency, and good business practices are best served when the Parties employ all reasonable and informal means to resolve any dispute under the Contract before resorting to formal dispute resolution processes otherwise provided in the Contract. The Parties will use all reasonable and informal means of resolving disputes prior to invoking a remedy provided elsewhere in the Contract, unless HHSC immediately terminates the Contract in accordance with the terms and conditions of the Contract.

Any dispute, that in the judgment of any Party to the Agreement, may materially affect the performance of any Party will be reduced to writing and delivered to the other Party within 10 business days after the dispute arises. The Parties must then negotiate in good faith and use every reasonable effort to resolve the dispute at the managerial or executive levels prior to initiating formal proceedings pursuant to the UTC and Texas Government Code §2260, unless a Party has reasonably determined that a negotiated resolution is not possible and has so notified the other Party. The resolution of any dispute disposed of by agreement between the Parties will be reduced to writing and delivered to all Parties within 10 business days of such resolution.

8.02 OPERATIONAL REMEDIES

The remedies described in this section may be used or pursued by HHSC in the context of the routine operation of the Contract and are directed to Contractor's timely and responsive performance of the Work as well as the creation of a flexible and responsive relationship between the Parties. HHSC's pursuit or non-pursuit of an operational remedy does not constitute a waiver of any other remedy that HHSC may have at law or equity; excuse Contractor's prior substandard performance, relieve

Contractor of its duty to comply with performance standards, or prohibit HHSC from assessing additional operational remedies or pursuing other appropriate remedies for continued substandard performance.

HHSC will provide notice to Contractor of the imposition of an operational remedy in accordance with this section, with the exception of accelerated monitoring, which may be unannounced. HHSC may require Contractor to file a written response as part of the operational remedy approach.

8.03 EQUITABLE REMEDIES

Contractor acknowledges that if, Contractor breaches, attempts, or threatens to breach, any obligation under the Contract, the State will be irreparably harmed. In such a circumstance, the State may proceed directly to court notwithstanding any other provision of the Contract. If a court of competent jurisdiction finds that Contractor breached, attempted, or threatened to breach any such obligations, Contractor will not oppose the entry of an order compelling performance by Contractor and restraining it from any further breaches, attempts, or threats of breach without a further finding of irreparable injury or other conditions to injunctive relief.

8.04 CONTINUING DUTY TO PERFORM

Neither the occurrence of an event constituting an alleged breach of contract, the pending status of any claim for breach of contract, nor the application of an operational remedy, is grounds for the suspension of performance, in whole or in part, by Contractor of the Work or any duty or obligation with respect to the Contract.

ARTICLE IX. DAMAGES

9.01 AVAILABILITY AND ASSESSMENT

HHSC will be entitled to actual, direct, indirect, incidental, special, and consequential damages resulting from Contractor's failure to comply with any of the terms of the Contract. as a single lump sum payment or as multiple payments until the full amount payable by the Contractor is received by the HHSC.

9.02 SPECIFIC ITEMS OF LIABILITY
