If System Agency becomes subject to a legislative change, revocation of statutory authority, or lack of appropriated funds that would render either System Agency's or Grantee's delivery or performance under the Contract impossible or unnecessary, the Contract will be terminated or cancelled and be deemed null and void. In the event of a termination or cancellation under this Section, System Agency will not be liable to Grantee for any damages, that are caused or associated with such termination, or cancellation, and System Agency will not be required to give prior notice.

All right, title, and interest in the Work Product, including all Intellectual Property Rights therein, is exclusively owned by System Agency. Grantee and Grantee's employees will have no rights in or ownership of the Work Product or any other property of System Agency. Any and all Work Product that is copyrightable under United States copyright law is deemed to be "work made for hire" owned by System Agency, as provided by Title 17 of the United States Code. To the extent that Work Product does not qualify as a "work made for hire" under applicable federal law, Grantee hereby irrevocably assigns and transfers to System Agency, its successors and assigns, the entire right, title, and interest in and to the Work Product, including any and all Intellectual Property Rights embodied therein or associated

therewith, and in and to all works based upon, derived from, or incorporating the Work Product, and in and to all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto, and in and to all causes of action, either in law or in equity for past, present or future infringement based on the copyrights, and in and to all rights corresponding to the foregoing. Grantee agrees to execute all papers and to perform such other property rights as System Agency may deem necessary to secure for System Agency or its designee the rights herein assigned. In the event that Grantee has any rights in and to the Work Product that cannot be assigned to System Agency, Grantee hereby grants to System Agency an exclusive, worldwide, royalty-free, transferable, irrevocable, and perpetual license, with the right to sublicense, to reproduce, distribute, modify, create derivative works of, publicly perform and publicly display, make, have made, use, sell and offer for sale the Work Product and any products developed by practicing such rights.

No later than the first calendar day after the termination or expiration of the Contract or upon System Agency's request, Grantee shall deliver to System Agency all completed, or partially completed, Work Product, including any Incorporated Pre-existing Works, and any and all versions thereof. Grantee's failure to timely deliver such Work Product is a material breach of the Contract. Grantee will not retain any copies of the Work Product or any documentation or other products or results of Grantee's activities under the Contract without the prior written consent of System Agency.

6.5 SURVIVAL

The provisions and obligations of this **Article VI** survive any termination or expiration of the Contract.

ARTICLE VII. RECORDS, AUDIT, AND DISCLOSURE

7.1 BOOKS AND RECORDS

Grantee shall keep and maintain under GAAP or GASB, as applicable, full, true, and complete records necessary to fully disclose to the System Agency, the Texas State Auditor's Office, the United States Government, and their authorized representatives sufficient information to determine compliance with the terms and conditions of this Contract and all state and federal rules, regulations, and statutes. Unless otherwise specified in this Contract, Grantee shall maintain legible copies of this Contract and all related documents for a minimum of seven (7) years after the termination of the Contract period or seven (7) years after the completion of any litigation or dispute involving the Contract, whichever is later.

7.2 ACCESS TO RECORDS, BOOKS, AND DOCUMENTS

In addition to any right of access arising by operation of law, Grantee and any of Grantee's affiliate or subsidiary organizations, or Subcontractors shall permit the System Agency or any of its duly authorized representatives, as well as duly authorized federal, state or local authorities, unrestricted access to and the right to examine any site where business is conducted or services are performed, and all records, which includes but is not limited to financial, client and patient records, books, papers or documents related to this Contract. If the Contract includes federal funds, federal agencies that shall have a right of access to records as described in this section include: the federal agency providing the funds, the Comptroller General of the United States, the General Accounting Office, the Office of the Inspector General, and any of their authorized representatives. Each of these entities may be a duly authorized authority. If deemed necessary by the System Agency or any duly authorized authority, for the purpose of investigation or hearing, Grantee shall produce original documents related to this Contract. The System Agency and any duly authorized authority shall have the right to audit billings both before and after payment, and all documentation that substantiates the billings. Grantee shall include this provision concerning the right of access to, and examination of, sites and information related to this Contract in any Subcontract it awards.

7.3 RESPONSE/COMPLIANCE WITH AUDIT OR INSPECTION FINDINGS

- A. Grantee must act to ensure its and its Subcontractors' compliance with all corrections necessary to address any finding of noncompliance with any law, regulation, audit requirement, or generally accepted accounting principle, or any other deficiency identified in any audit, review, or inspection of the Contract and the services and Deliverables provided. Any such correction will be at Grantee's or its Subcontractor's sole expense. Whether Grantee's action corrects the noncompliance shall be solely the decision of the System Agency.
- B. As part of the services, Grantee must provide to HHSC upon request a copy of those portions of Grantee's and its Subcontractors' internal audit reports relating to the services and Deliverables provided to the State under the Contract.

7.4 SAO AUDIT

- A. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. The acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.
- B. Grantee shall comply with any rules and procedures of the state auditor in the implementation and enforcement of Section 2262.154 of the Texas Government Code.

7.5 CONFIDENTIALITY

Grantee shall maintain as confidential, and shall not disclose to third parties without System Agency's prior written consent, any System Agency information including but not limited to System Agency's business activities, practices, systems, conditions and services. This section will survive termination or expiration of this Contract.

ARTICLE VIII. CONTRACT REMEDIES AND EARLY TERMINATION

8.1 CONTRACT REMEDIES

To ensure Grantee's full performance of the Contract and compliance with applicable law, the System Agency reserves the right to hold Grantee accountable for breach of contract or substandard performance and may take remedial or corrective actions, including, but not limited to:

The System Agency may terminate the Contract at any time when, in its sole discretion, the System Agency determines that termination is in the best interests of the State of Texas. The termination will be effective on the date specified in HHSC's notice of termination. The System Agency's right to terminate the Contract for convenience is cumulative of all rights and remedies which exist now or in the future.

8.3 TERMINATION FOR CAUSE

Except as otherwise provided by the U.S. Bankruptcy Code, or any successor law, the System Agency may terminate the Contract, in whole or in part, upon either of the following conditions:

i. **Material Breach**

The System Agency will have the right to terminate the Contract in whole or in part if the System Agency determines, in its sole discretion, that Grantee has materially breached the Contract or has failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of Grantee's duties under the Contract. Grantee's misrepresentation in any aspect of Grantee's Solicitation Response, if any, or Grantee's addition to the Excluded Parties List System (EPLS) will also constitute a material breach of the Contract.

ii. **Failure to Maintain Financial Viability**

The System Agency may terminate the Contract if, in its sole discretion, the System Agency has a good faith belief that Grantee no longer maintains the financial viability required to complete the services and Deliverables, or otherwise fully perform its responsibilities under the Contract.

ARTICLE IX. MISCELLANEOUS PROVISIONS

9.1 AMENDMENT

The Contract may only be amended by an Amendment executed by both Parties.

9.2 INSURANCE

A. Unless otherwise specified in this Contract, Grantee shall acquire and maintain, for the duration of this Contract, insurance coverage necessary to ensure proper fulfillment of this Contract and potential liabilities thereunder with financially sound and reputable insurers licensed by the Texas Department of Insurance, in the type and amount customarily carried within the industry as determined by the System Agency. Grantee shall provide evidence of insurance as required under this Contract, including a schedule of coverage or underwriter's schedules establishing to the satisfaction of the System Agency the nature and extent of coverage granted by each such policy, upon request by the System Agency. In the event that any policy is determined by the System Agency to be deficient to comply with the terms of this Contract, Grantee shall secure such additional policies or coverage as the System Agency may reasonably request or that are required by law or regulation. If coverage expires during the term of this Contract, Grantee must produce renewal certificates for each type of coverage.

B. These and all other insurance requirements under the Contract apply to both Grantee and its Subcontractors, if any. Grantee is responsible for ensuring its Subcontractors' compliance with all requirements.

9.3 LEGAL OBLIGATIONS

Grantee shall comply with all applicable federal, state, and local laws, ordinances, and regulations, including all federal and state accessibility laws relating to direct and indirect use of information and communication technology. Grantee shall be deemed to have knowledge of all applicable laws and regulations and be deemed to understand them.

At Grantee's sole expense, Grantee shall procure and maintain for the duration of this Contract any state, county, city, or federal license, authorization, insurance, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Grantee to provide the goods or services required by this Contract. Grantee shall be responsible for payment of all taxes, assessments, fees, premiums, permits, and licenses required by law. THE DEFENSE SHALL BE COORDINATED BY GRANTEE WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND GRANTEE MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. GRANTEE AND SYSTEM AGENCY AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.**
- B. THIS PARAGRAPH IS NOT INTENDED TO AND SHALL NOT BE CONSTRUED TO REQUIRE GRANTEE TO INDEMNIFY OR HOLD HARMLESS THE STATE OR THE SYSTEM AGENCY FOR ANY CLAIMS OR LIABILITIES RESULTING FROM THE NEGLIGENCE ACTS OR OMISSIONS OF THE SYSTEM AGENCY OR ITS EMPLOYEES.**
- C. For the avoidance of doubt, System Agency shall not indemnify Grantee or any other entity under the Contract.**

9.6 ASSIGNMENTS

- A. Grantee may not assign all or any portion of its rights under, interests in, or duties required under this Contract without prior written consent of the System Agency, which may be withheld or granted at the sole discretion of the System Agency. Except where otherwise agreed in writing by the System Agency, assignment will not release Grantee from its obligations under the Contract.
- B. Grantee understands and agrees the System Agency may in one or more transactions assign, pledge, or transfer the Contract. This assignment will only be made to another State agency or a non-state agency that is contracted to perform agency support.

9.7 INDEPENDENT CONTRACTOR

Grantee and Grantee's employees, representatives, agents, Subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the services under the Contract. Neither Grantee nor System Agency is an agent of the other and neither may make any commitments on the other party's behalf. Should Grantee subcontract any of the services required in the Contract, Grantee expressly understands and acknowledges that in entering such subcontract(s), System Agency is in no manner liable to any Subcontractor(s) of Grantee. In no event shall this provision relieve Grantee of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with the Contract. Grantee shall have no claim against System Agency for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. The Contract shall not create any joint venture, partnership, agency, or employment relationship between Grantee and System Agency.

9.8 TECHNICAL GUIDANCE LETTERS

In the sole discretion of the System Agency, and in conformance with federal and state law, the System Agency may issue instructions, clarifications, or interpretations as may be required during work performance in the form of a Technical Guidance Letter (TGL). A TGL must be in writing, and may be delivered by regular mail, electronic mail, or facsimile transmission. Any TGL issued by the System Agency will be incorporated into the Contract by reference for all purposes when it is issued.

9.9 DISPUTE RESOLUTION

- A. The dispute resolution process provided for in Chapter 2260 of the Texas Government Code must be used to attempt to resolve any dispute arising under the Contract.
- B. If a contract dispute arises that cannot be resolved to the satisfaction of the Parties, either Party may notify the other Party in writing of the dispute. If the Parties are unable to satisfactorily resolve the dispute within fourteen (14) days of the written notification, the Parties must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve the dispute. This provision will not apply to any matter with respect to which either Party may make a decision within its respective sole discretion.

9.10 GOVERNING LAW AND VENUE

The Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the System Agency.

9.11 SEVERABILITY

If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-

enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

9.12 SURVIVABILITY

Expiration or termination of the Contract for any reason does not release Grantee from any liability or obligation set forth in the Contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Contract, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.

9.13 FORCE MAJEURE

Neither Grantee nor System Agency shall be liable to the other for any delay in, or failure of performance, of any requirement included in the Contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

9.14 NO WAIVER OF PROVISIONS

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Grantee which is in violation or breach of the terms of the Contract shall not be construed as a waiver of the violation or breach, or of any future violation or breach.

9.15 PUBLICITY

- A. Except as provided in the paragraph below, Grantee must not use the name of, or directly or indirectly refer to, the System Agency, the State of Texas, or any other State agency in any media release, public announcement, or public disclosure relating to the Contract or its subject matter, including in any promotional or marketing materials, customer lists, or business presentations.
- B. Grantee may publish, at its sole expense, results of Grantee performance under the Contract with the System Agency’s prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.
- C. Contractor is prohibited from using the Work for any Contractor or third party marketing, advertising, or promotional activities, without the prior written consent of System Agency. The foregoing prohibition includes, without limitation, the placement of banners, pop-up ads, or other advertisements promoting Contractor’s or a third party’s products, services, workshops, trainings, or other commercial offerings on any website portal or internet-based service or software application hosted or managed by Contractor as part of the Work.

9.16 PROHIBITION ON NON-COMPETE RESTRICTIONS

Grantee shall not require any employees or Subcontractors to agree to any conditions, such as non-compete clauses or other contractual arrangements that would limit or restrict such persons or entities from employment or contracting with the State of Texas.

9.17 NO WAIVER OF SOVEREIGN IMMUNITY

Nothing in the Contract will be construed as a waiver of the System Agency's or the State's sovereign immunity. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas under the Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. Article II. Grantee's Personnel and Subcontractors

2.01 Qualifications

Grantee agrees to maintain the organizational and administrative capacity and capabilities proposed in its response to the Solicitation, as modified, to carry out all duties and responsibilities under the Contract. Grantee Agents assigned to perform the duties and responsibilities under the Contract must be and remain properly trained and qualified for the functions they are to perform. While performing the Work under the Contract, Grantee Agents must comply with applicable Contract terms, State and federal rules, regulations, HHSC's policies, and HHSC's requests regarding personal and professional conduct; and otherwise conduct themselves in a businesslike and professional manner.

If HHSC determines in good faith that a particular Grantee Agent is not conducting himself or herself in accordance with the terms of the Contract, HHSC may provide Grantee with notice and documentation regarding its concerns. Upon receipt of such notice, Grantee must promptly investigate the matter and, at HHSC's election, take appropriate action that may include removing the Grantee Agent from performing any Work under the Contract and replacing the Grantee Agent with a similarly qualified individual acceptable to HHSC as soon as reasonably practicable or as otherwise agreed to by HHSC.

No different or additional Work or contractual obligations will be authorized or performed unless contemplated within the Scope of Work and memorialized in an amendment or modification of the Contract that is executed in compliance with this Article. No waiver of any term, covenant, or condition of the Contract will be valid unless executed in compliance with this Article. Grantee will not be entitled to payment for Work that is not authorized by a properly executed Contract amendment or modification, or through the express written authorization of HHSC.

Any changes to the Contract that results in a change to either the term, fees, or significantly impacting the obligations of the parties to the Contract must be effectuated by a formal Amendment to the Contract. Such Amendment must be signed by the appropriate and duly authorized representative of each party in order to have any effect.

HHSC will be relieved of its obligation to make any payments to Grantee until such time as any and all set-off amounts have been credited to HHSC. If HHSC disputes payment of all or any portion of an invoice from Grantee, HHSC will notify the Grantee of the dispute and both Parties will attempt in good faith to resolve the dispute in accordance with these Special Conditions. HHSC will not be required to pay any disputed portion of a Grantee invoice unless, and until, the dispute is resolved. Notwithstanding any such dispute, Grantee will continue to perform the Work in compliance with the terms of the Contract pending resolution of such dispute so long as all undisputed amounts continue to be paid to Grantee.

Article VI. Confidentiality

6.01 Consultant Disclosure

Grantee agrees that any consultant reports received by HHSC in connection with the Contract may be distributed by HHSC, in its discretion, to any other state agency and the Texas legislature. Grantee will have a system in effect to protect Confidential System Information. Any disclosure or transfer of Confidential System Information by Grantee, including information requested to do so by HHSC, will be in accordance with the Contract. Article VII. Disputes and Remedies

7.01 Agreement of the Parties

The Parties agree that the interests of fairness, efficiency, and good business practices are best served when the Parties employ all reasonable and informal means to resolve any dispute under the Contract before resorting to formal dispute resolution processes otherwise provided in the Contract. The Parties will use all reasonable and informal means of resolving disputes prior to invoking a remedy provided elsewhere in the Contract, unless HHSC immediately terminates the Contract in accordance with the terms and conditions of the Contract.

Any dispute, that in the judgment of any Party to the Agreement, may materially affect the performance of any Party will be reduced to writing and delivered to the other Party within 10 business days after the dispute arises. The Parties must then negotiate in good faith and use every reasonable effort to resolve the dispute at the managerial or executive levels prior to initiating formal proceedings pursuant to the UTC and Texas Government Code §2260, unless a Party has reasonably determined that a negotiated resolution is not possible and has so notified the other Party. The resolution of any dispute disposed of by agreement between the Parties will be reduced to writing and delivered to all Parties within 10 business days of such resolution.

7.02 Operational Remedies

The remedies described in this section may be used or pursued by HHSC in the context of the routine operation of the Contract and are directed to Grantee's timely and responsive performance of the Work as well as the creation of a flexible and responsive relationship between the Parties. HHSC's pursuit or non-pursuit of an operational remedy does not constitute a waiver of any other remedy that HHSC may have at law or equity; excuse Grantee's prior substandard performance, relieve Grantee of its duty to comply with performance standards, or prohibit HHSC from assessing additional operational remedies or pursuing other appropriate remedies for continued substandard performance.

HHSC will provide notice to Grantee of the imposition of an operational remedy in accordance with this section, with the exception of accelerated monitoring, which may be unannounced. HHSC may require Grantee to file a written response as part of the operational remedy approach.

7.03 Equitable Remedies

Grantee acknowledges that if, Grantee breaches, attempts, or threatens to breach, any obligation under the Contract, the State will be irreparably harmed. In such a circumstance, the State may proceed directly to court notwithstanding any other provision of the Contract. If a court of competent jurisdiction finds that Grantee breached, attempted, or threatened to breach any such obligations, Grantee will not oppose the entry of an order compelling performance by Grantee and restraining it from any further breaches, attempts, or threats of breach without a further finding of irreparable injury or other conditions to injunctive relief.

7.04 Continuing Duty to Perform

Neither the occurrence of an event constituting an alleged breach of contract, the pending status of any claim for breach of contract, nor the application of an operational remedy, is grounds for the suspension of performance, in whole or in part, by Grantee of the Work or any duty or obligation with respect to the Contract.

Article VIII. Damages

8.01 Availability and Assessment

HHSC will be entitled to actual, direct, indirect, incidental, special, and consequential damages resulting from Grantee's failure to comply with any of the terms of the Contract. Therefore, if provided in the Contract, liquidated damages may be assessed against Grantee for failure to meet any aspect of the Work or responsibilities of the Grantee. After acceptance by HHSC, the risk of loss or damage will be borne by HHSC; however, Grantee remains liable for loss or damage attributable to Grantee's fault or negligence.

Grantee will protect HHSC's real and personal property from damage arising from Grantee or Grantee Agents performance of the Contract, and Grantee will be responsible for any loss, destruction, or damage to HHSC's property that results from or is caused by Grantee or Grantee Agents' negligent

or wrongful acts or omissions. HHSC reserves the right to make a final determination regarding the existence of Conflicts of Interest, and Grantee agrees to abide by HHSC's decision.

If HHSC determines that Grantee was aware of a Conflict of Interest and did not disclose the conflict to HHSC, such nondisclosure will be considered a material breach of the Contract.
