## ATTACHMENT A – STATEMENT OF WORK

### 1. **Background.**

The Investigations and Reviews (“I&R”) division of the Health and Human Services Commission’s (“HHSC”) Office of Inspector General (“OIG”) investigates and reviews allegations of fraud, waste and abuse committed by Medicaid providers, who may be subject to a range of administrative enforcement actions, including education, prepayment review of claims, penalties, required repayment of Medicaid overpayment, and/or exclusion from the Medicaid program.

The HHSC OIG Medical Services (“HHSC OIG MS”) unit conducts claims and medical record reviews on a variety of health and human services, including acute care utilization, hospital utilization, nursing facility utilization, research and detection, and pharmacy lock-in. The unit also provides clinical consultation to the Inspections and Review division.

In accordance with chapter 2254(A) of the Texas Government Code (the “Professional Services Procurement Act”), HHSC, on behalf of the OIG, contracts with providers of certain professional services to perform such services to support HHSC OIG activities.

Contractor is a physician or a legal entity that will provide one or more physicians associated with the entity to perform the professional services required under this contract.

HHSC and Contractor therefore agree as follows:

Contractor will be responsible for reviewing medical records in a timely manner in his or her area of expertise. Certain cases and review types may necessitate either modifications of, or additions to, one or more of the requirements. A modification or addition must be agreed-upon in writing in order to be enforceable, and to the extent necessary, be captured in a contract amendment.

2.2 Contractor will render opinions as to the reasonableness of the services performed or reflected in the medical record and whether or not the treatment in question meets the applicable standard of care. Contractor will be required to reduce his or her opinions to writing in the approved report format. If needed and upon reasonable notice, Contractor must be available to testify in person or by deposition in all legal proceedings related to the services performed by the Contractor.
