The **Health and Human Services Commission** (“HHSC” or “System Agency”), a pass-through entity, and **South Plains Association of Governments** (“Grantee” or “Contractor”) (each a “Party” and collectively the “Parties”) enter into the following grant agreement to fund services provided under the Older Americans Act of 1965 (“OAA”) (the “Contract”). HHSC has designated Grantee to act as an area agency on aging (“AAA”), thus authorizing Grantee to administer OAA funds.

II. LEGAL AUTHORITY

The Parties enter into this Contract under the authority of the OAA, Chapter 531 of the Texas Government Code, and Chapter 101A of the Texas Human Resources Code. The Texas Legislature designated HHSC as the state’s agency for coordinating OAA programs in Section 101A.003 of the Texas Human Resources Code. - E.** 45 CFR Part 1321 (Grants to States and Community Programs on Aging);
- F.** 45 CFR Part 1324, Subpart A (State Long-Term Care Ombudsman Program);
- G.** Texas Government Code, Chapter 531;
- H.** Texas Human Resources Code, Chapter 101A;
- I.** Texas Human Resources Code, Chapter 102;

III. DURATION

The Contract is effective on October 1, 2020 and terminates on September 30, 2022, unless renewed, extended, or terminated pursuant to the terms and conditions of the Contract. HHSC, upon the agreement of both parties, may extend this Contract for any period(s) of time, provided the Contract term, including all extensions or renewals, does not exceed five (5) years. Notwithstanding the limitation in the preceding sentence, HHSC, upon agreement of both parties, also may extend the Contract beyond five (5) years as necessary to ensure continuity of service, for purposes of transition, or as otherwise determined by HHSC to serve the best interest of the State. The extension or renewal must be in writing and subject to all terms and conditions of this Contract.

SCOPE OF SERVICES RELATED TO HOUSING BONDS
HHSC Contract No. HHS000874100024

GRANTEE: South Plains Association of Governments

HHSC PROGRAM: Area Agencies on Aging

1. BACKGROUND

Chapter 394 of the Texas Local Government Code, commonly referred to as the Texas Housing Finance Corporation Act (the “Act”), provides “. . . a means to finance the cost of residential ownership and development that will provide decent, safe, and sanitary housing at affordable prices for residents of local governments.” See Section 394.002 of the Act.

Housing finance corporations are created under the Act and are public, nonprofit corporations. Under Section 394.902(b), housing finance corporations may collect a fee equal to one-tenth percent of the total principal amount of a loan made for multi-housing developments to pay to the Texas Health and Human Services Commission (“HHSC”). The fee is paid in lieu of a five percent housing unit set-a-side for elderly persons of low to moderate income, including veterans, homeless, and heads of households. The Government Code directs the funds to be used to assist in obtaining housing for an elderly person or families in which an elderly person is the head of a household. Section 394.003(4) defines “elderly person” as a person who is 60 years of age or older. For the purpose of this Contract, the terms “elderly person” and “older person” will be used interchangeably.

2. GOAL

The goal of this Attachment is to provide certain housing bond funds to be utilized by Grantee to expand service capacity, which will help eligible individuals to obtain not only housing but also assistance with residential repair and renovation projects designed to ensure the health, safety, security, and independence of elderly persons.

3. TARGET POPULATION

Grantee must use housing bond funds to obtain housing for elderly persons or families of low or moderate income in which an elderly person is the head of the household. An elderly person who receives assistance must be:

- 3.1** homeless;
- 3.2** a veteran;
- 3.3** a head of household;
- 3.4** an individual with limited English proficiency;

- 3.5 an individual with the greatest economic or social need, with particular attention to low-income minority individuals and older individuals residing in rural areas;
- 3.6 an individual at risk for institutional placement or transitioning from a long-term care facility back to the community;
- 3.7 an individual deemed to be at high risk, or is a suspected victim, of elder abuse; or
- 3.8 an individual receiving services from Adult Protective Services.

An individual who meets the criteria for the target population may be referred to in this Attachment as an “eligible individual.”

4. GRANTEE RESPONSIBILITIES

- 4.1 Grantee must use housing bond funds to assist eligible individuals with obtaining housing. No more than \$2,500 may be awarded to an eligible individual’s household during a 12-month period.
 - 4.1.1 Housing bond funds utilized for the purpose of assisting eligible individuals may be used to:
 - 4.1.1.1 Provide temporary shelter for an eligible individual in emergency situations, such as natural disasters;
 - 4.1.1.2 Relocate an eligible individual to permanent housing within the community for emergency, safety, or security reason *or* to allow an eligible individual to transition to more affordable housing or from long-term care to the community; or
 - 4.1.1.3 Make housing repairs, which allow eligible individuals to remain in their current residences. Home repairs or modifications may not be made for cosmetic reasons or on rental properties.
 - 4.1.2 To serve the purposes listed in Section 4 Grantee Responsibilities (4.1)(4.1.1) above, Grantee may use housing bond funds to pay for the following expenses:
 - 4.1.2.1 Costs associated with moving the eligible individual’s belongings;
 - 4.1.2.2 Two months’ rent or basic utility costs, or both, necessary to prevent eviction, to relocate within the community, to relocate from a long-term care setting to a community setting, or to avoid uninhabitable housing conditions, such as lacking water, electricity, or heat;
 - 4.1.2.3 Purchase of furnishings, including refrigerator and stove, if not supplied by the landlord;
 - 4.1.2.4 Purchase of essential equipment and supplies necessary to sustain a healthy environment and independent living; and

- 4.1.2.5** Repairs and modifications to, or supplies for, an eligible individual's home, excluding rental properties, for the following purposes:
 - 4.1.2.5.1** Accessibility: To make structural adaptations to a dwelling that give eligible individuals, who have disabling conditions, free movement within their residence;
 - 4.1.2.5.2** Safety and Security: To modify, treat, or remove safety hazards; prevent accidents and fires to or intrusion into a dwelling;
 - 4.1.2.5.3** Structural Repairs: To renovate or remediate the structure of a dwelling, as needed to ensure health and safety;
 - 4.1.2.5.4** Weatherization: To conserve energy, provide alternative energy sources to cool and heat a dwelling, and protect the eligible individual from exposure to weather;
 - 4.1.2.5.5** Electrical Repairs: To replace, repair, or install essential electrical wiring or fixtures in a dwelling, including that which is needed for communications; or
 - 4.1.2.5.6** Plumbing Repairs: To replace, repair, or install essential plumbing lines or fixtures in a dwelling.
- 4.2** Grantee may request approval for housing bond funds to be used in a manner not included in Section 4 (4.1). To request approval for alternate allowable use of funds, Grantee must submit a written request to the HHSC AAA Help Desk at AAA.Help@hhsc.state.tx.us. The written request must demonstrate how the alternate use is essential toward obtaining housing for the eligible individual. HHSC must give Grantee written approval in response before Grantee may spend the funds as it has requested. HHSC will not approve awarding more than \$2,500 to an eligible individual's household during a 12-month period.
- 4.3** Grantee may also enter into subrecipient agreements with applicable housing or home repair providers to deliver the services within the scope outlined above in Section 4 (4.1).
- 4.4** Grantees that receive housing bond funds must complete and submit an annual Housing Bond Report to HHSC. The annual Housing Bond Report must be completed as instructed on the form provided by HHSC and submitted by HHSC's designated deadline.

Performing Agency shall provide evidence of insurance as required under this Contract, including a schedule of coverage or underwriter's schedules establishing to the satisfaction of the System Agency the nature and extent of coverage granted by each such policy, upon request by the System Agency. In the event that any policy is determined by the System Agency to be deficient to comply with the terms of this Contract, Performing Agency shall secure such additional policies or coverage as the System Agency may reasonably request or that are required by law or regulation. throughout the term of the Contract. System Agency reserves the right, in its sole discretion, to unilaterally amend the Contract to incorporate any modifications necessary for System Agency's compliance, as an agency of the State of Texas, with all applicable state and federal laws, regulations, requirements and guidelines.

9.6 E-VERIFY PROGRAM

Performing Agency certifies that for contracts for services, Performing Agency shall utilize the U.S. Department of Homeland Security's E-Verify system during the term of the Contract to determine the eligibility of:

- i. all persons employed by Performing Agency to perform duties within Texas; and
- ii. all persons, including subcontractors, assigned by the Performing Agency to perform Work pursuant to the Contract within the United States of America.

At Performing Agency's sole expense, Performing Agency shall procure and maintain for the duration of this Contract any state, county, city, or federal license, authorization, insurance, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Performing Agency to provide the goods or services required by this Contract. Performing Agency shall be responsible for payment of all taxes, assessments, fees, premiums, permits, and licenses required by law. Performing Agency shall be responsible for payment of any such government obligations not paid by its subcontractors during performance of this Contract.

9.8 SUBCONTRACTORS

Performing Agency may not subcontract any or all of the Work and/or obligations under the Contract without prior written approval of the System Agency. Subcontracts, if any, entered into by the Performing Agency shall be in writing and be subject to the requirements of the Contract. Should Performing Agency subcontract any of the services required in the Contract, Performing Agency expressly understands and acknowledges that in entering into such subcontract(s), System Agency is in no manner liable to any subcontractor(s) of Performing Agency. In no event shall this provision relieve Performing Agency of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with the Contract.

9.9 INDEPENDENT PERFORMING AGENCY

Performing Agency and Performing Agency's employees, representatives, agents, subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the services under the Contract. Neither Performing Agency nor System Agency is an agent of the other and neither may make any commitments on the other party's behalf. Performing Agency shall have no claim against System Agency for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. The Contract shall not create any joint venture, partnership, agency, or employment relationship between Performing Agency and System Agency.

9.10 GOVERNING LAW AND VENUE

This Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the System Agency.

9.11 SEVERABILITY

If any provision of the Contract is held to be illegal, invalid or unenforceable by a court of law or equity, such construction will not affect the legality, validity or enforceability of any other provision or provisions of this Contract. It is the intent and agreement of the Parties this Contract shall be deemed amended by modifying such provision to the extent necessary to render it valid, legal and enforceable while preserving its intent or, if such modification is not possible, by substituting another provision that is valid, legal and enforceable and that achieves the same objective. All other provisions of this Contract will continue in full force and effect.

9.12 SURVIVABILITY

Expiration or termination of the Contract for any reason does not release Performing Agency from any liability or obligation set forth in the Contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Contract, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.

9.13 FORCE MAJEURE

Neither Party shall be liable to the other for any delay in, or failure of performance of, any requirement included in the Contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

9.14 DISPUTE RESOLUTION

A. The dispute resolution process provided for in Chapter 2260 of the Texas Government Code must be used to attempt to resolve any dispute arising under the Contract. If the Performing Agency's claim for breach of contract cannot be resolved informally with the System Agency, the claim shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, the Performing Agency shall submit written notice, as required by Chapter 2260, to the individual identified in the Contract for receipt of notices. Any informal resolution efforts shall in no way modify the requirements or toll the timing of the formal written notice of a claim for breach of contract required under §2260.051 of the Texas Government Code. Compliance by the Performing Agency with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.

- B. The contested case process provided in Chapter 2260 is the Performing Agency's sole and exclusive process for seeking a remedy for an alleged breach of contract by the System Agency if the Parties are unable to resolve their disputes as described above.
- C. Notwithstanding any other provision of the Contract to the contrary, unless otherwise requested or approved in writing by the System Agency, the Performing Agency shall continue performance and shall not be excused from performance during the period of any breach of contract claim or while the dispute is pending. However, the Performing Agency may suspend performance during the pendency of such claim or dispute if the Performing Agency has complied with all provisions of Section 2251.051, Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

9.15 NO IMPLIED WAIVER OF PROVISIONS

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Performing Agency which is in violation or breach of the terms of the Contract shall not be construed as a waiver of the violation or breach, or of any future violation or breach.
