In no event shall this provision relieve Performing Agency of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with the Contract.

9.9 INDEPENDENT PERFORMING AGENCY

Performing Agency and Performing Agency's employees, representatives, agents, subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the services under the Contract. Neither Performing Agency nor System Agency is an agent of the other and neither may make any commitments on the other party's behalf. Performing Agency shall have no claim against System Agency for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. The Contract shall not create any joint venture, partnership, agency, or employment relationship between Performing Agency and System Agency.

9.10 GOVERNING LAW AND VENUE

This Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the System Agency.

9.11 SEVERABILITY

If any provision of the Contract is held to be illegal, invalid or unenforceable by a court of law or equity, such construction will not affect the legality, validity or enforceability of any other provision or provisions of this Contract. It is the intent and agreement of the Parties this Contract shall be deemed amended by modifying such provision to the extent necessary to render it valid, legal and enforceable while preserving its intent or, if such modification is not possible, by substituting another provision that is valid, legal and enforceable and that achieves the same objective. All other provisions of this Contract will continue in full force and effect.

9.12 SURVIVABILITY

Expiration or termination of the Contract for any reason does not release Performing Agency from any liability or obligation set forth in the Contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Contract, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.

9.13 FORCE MAJEURE

Neither Party shall be liable to the other for any delay in, or failure of performance of, any requirement included in the Contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

9.14 DISPUTE RESOLUTION

A. The dispute resolution process provided for in Chapter 2260 of the Texas Government Code must be used to attempt to resolve any dispute arising under the Contract. If the Performing Agency's claim for breach of contract cannot be resolved informally with the System Agency, the claim shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, the Performing Agency shall submit written notice, as required by Chapter 2260, to the individual identified in the Contract for receipt of notices. Any informal resolution efforts shall in no way modify the requirements or toll the timing of the formal written notice of a claim for breach of contract required under §2260.051 of the Texas Government Code. Compliance by the Performing Agency with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.

- B. The contested case process provided in Chapter 2260 is the Performing Agency's sole and exclusive process for seeking a remedy for an alleged breach of contract by the System Agency if the Parties are unable to resolve their disputes as described above.
- C. Notwithstanding any other provision of the Contract to the contrary, unless otherwise requested or approved in writing by the System Agency, the Performing Agency shall continue performance and shall not be excused from performance during the period of any breach of contract claim or while the dispute is pending. However, the Performing Agency may suspend performance during the pendency of such claim or dispute if the Performing Agency has complied with all provisions of Section 2251.051, Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

9.15 NO IMPLIED WAIVER OF PROVISIONS

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Performing Agency which is in violation or breach of the terms of the Contract shall not be construed as a waiver of the violation or breach, or of any future violation or breach.

9.16 MEDIA RELEASES

- A. Performing Agency shall not use System Agency's name, logo, or other likeness in any press release, marketing material, or other announcement without System Agency's prior written approval. System Agency does not endorse any vendor, commodity, or service. Performing Agency is not authorized to make or participate in any media releases or public announcements pertaining to this Contract or the services to which they relate without System Agency's prior written consent, and then only in accordance with explicit written instruction from System Agency.
- B. Performing Agency may publish, at its sole expense, results of Performing Agency performance under the Contract with the System Agency's prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.

9.17 NO MARKETING ACTIVITIES

Performing Agency is prohibited from using the Work for any Performing Agency or third-party marketing, advertising, or promotional activities, without the prior written consent of System Agency. The foregoing prohibition includes, without limitation, the placement of banners, pop-up ads, or other advertisements promoting Performing Agency's or a third party's products, services, workshops, trainings, or other commercial offerings on any website portal or internet-based service or software application hosted or managed by Performing Agency as part of the Work.

9.18 PROHIBITION ON NON-COMPETE RESTRICTIONS

Performing Agency shall not require any employees or subcontractors to agree to any conditions, such as non-compete clauses or other contractual arrangements that would limit or restrict such persons or entities from employment or contracting with the State of Texas.

9.19 SOVEREIGN IMMUNITY

Nothing in the Contract shall be construed as a waiver of the System Agency's or the State's sovereign immunity. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas. The failure to enforce, or any delay in the enforcement of, any privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas under the Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. System Agency does not waive any privileges, rights, defenses, or immunities available to System Agency by entering into the Contract or by its conduct prior to or subsequent to entering into the Contract.

9.20 ENTIRE CONTRACT AND MODIFICATION

This Contract constitutes the entire agreement of the Parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in any future document incorporated into the Contract will be harmonized with this Contract to the extent possible.

9.21 COUNTERPARTS

This Contract may be executed in any number of counterparts, each of which will be an original, and all such counterparts will together constitute but one and the same Contract.
