1. INTRODUCTION

The State of Texas, by and through the Texas Health and Human Services Commission (HHSC), seeks Over-The-Phone-Interpreter (OTPI) services to communicate effectively and efficiently with Limited English Proficient (LEP) clients, staff, and stakeholders. The Contract, if any, issued as a result of this Statement of Work (SOW), may be used by Health and Human Services Commission (HHSC), the Department of State Health Services (DSHS), each a "System Agency" of the Texas Health and Human Services System (HHS or HHS System). Individually, HHSC and DSHS may be referred to as an HHS Agency; collectively, the two (2) Agencies are referred to herein as the HHS Agencies.

HHSC is responsible for ensuring that the administrative services of HHS Agencies are delivered effectively and efficiently.

Within the HHS System there are eleven (11) regions that include numerous regional offices, eleven (11) State Hospitals, and thirteen (13) State Supported Living Centers.

2. SCOPE OF WORK

2.1. DESCRIPTION OF SERVICES

HHSC requires a Vendor to provide, customize, and deliver OTPI services as per the specification identified below and throughout this SOW. Requirements must be delivered throughout the term of the Contract, if Awarded, including renewals.

HHSC intends to contract with one (1) OTPI Vendor to serve as the primary point of contact for HHS Agency staff to assist them in communicating effectively and efficiently with LEP clients, stakeholders, and contractors. HHSC currently has a Contract with an OTPI Vendor to serve as the secondary point of contact for HHS Agency staff, if in the event the primary point of contact cannot be reached for reasons such as:

- Requested language and/or certified (medical or court) interpreter not available.
- Primary Vendor is unavailable due to an unforeseen peak in call volume and/or technical difficulties.
- New HHS employee ID numbers not added to the primary Vendor's validation lists.
- Primary Vendor does not provide the feature/service required to efficiently and effectively complete or connect a call with an LEP client.

The primary OTPI Vendor will serve the same role as the secondary Vendor with regards to HHSC legal hearings which average one (1) hour in length and may require a Certified Court Interpreter.

OTPI services, including Certified Medical and Certified Court Interpreters must be available 24 hours a day/7 day a week/365 day a year. Peak call volume is expected between 7:00 AM and 6:00 PM (CST), Monday through Friday, excluding public holidays and weekends. This does not apply to HHSC State Hospitals and State Supported Living Centers that operate 24 hours a day/7 day a week/365 day a year, including all public holidays and weekends. No minimum minutes per call and no advance call scheduling will be required for any request including Certified Court and Certified Medical Interpreter request.

The table below depicts usage in calls and minutes for the top ten most used foreign languages, including Certified Court and Medical, as requested by HHS Agencies during September 2017 through August 2020 for the HHS primary OTPI Vendor.

The key elements and deliverables for Over-the-Phone Interpreter Services are as follows:

2.1.1. Support, Training and Reference Material Requirements

- Vendor must ensure training is available to HHS staff at the time of Contract execution so that staff may quickly and efficiently set up, operate and access OTPI services. Training can be provided either in-person, virtual or through a training library provided by the Vendor, at no additional cost.
- Vendor must provide customized OTPI support material that can be distributed electronically to HHS Agency staff so that staff may quickly and efficiently access services. Support material includes, but is not limited to quick reference guides, wallet size reference guides, etc., at no additional cost. The call detail reports will be used by HHS Agency contact(s) to validate all charges and to identify disputable charges. HHS Agencies shall not be financially responsible for charges related to unvalidated and/or unauthorized access codes.
- Vendor must provide HHS Agency contact(s) access to an on-line portal with real-time usage data and reports.
- Vendor must provide, at no additional cost, toll-free 800-number(s) that are specific to HHS account(s). The number of toll-free 800-numbers and accounts will vary and be dependent on the Vendor's Interactive Voice Response technical infrastructure and requirements for routing calls for certain HHS Agency groups to specific interpreter types (standard and/or certified).
- Vendor must provide third party or three-way call connectivity at no additional cost when requested by HHS Agency staff.
- Vendor must ensure public communications are encrypted while traveling through foreign held nations to the United States and territories governed by the United States of America.

- Vendor must provide the appropriate number of interpreters and the appropriate language categories in conformance with industry standards. **TABLE 1**, Historical Usage includes historical HHSC OTPI usage that can be used by the Vendor as a guide for identifying the appropriate number of interpreters to ensure Contract compliance. Most HHSC legal hearings will average one (1) hour in length and may require a Certified Spanish Court Interpreter or a seasoned Standard Interpreter, depending on the requested language. HHS Agency requester will inform the interpreter prior to the service being provided on the estimated length of the session, subject matter and complexity of the session and the estimated number of interpreters needed. If multiple interpreters are required for a session, there must not be more than a one (1) minute delay between interpreters.
- Vendor must provide Certified Interpreters as defined as holding a current, valid certification or credentialing. Upon request by HHS Agency Contact, documentation may be requested to show proof of certification/credentials.
- Vendor must only utilize interpreters (standard and/or certified), whether employed directly by the Vendor or as a subcontractor, that are physically located within the United States of America, consisting of 50 states and the District of Columbia and territories governed by the United States of America, consisting of the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands. Preference is placed on interpreters (standard and/or certified) physically located in the United States of America, consisting of the 50 states and District of Columbia. Interpreters, whether employed directly by the Vendor or as a subcontractor, that are physically located in territories governed by the United

States of America, the Vendor must ensure compliance with a territory's laws and regulations to do business in the territory as a United States based entity governed and protected by United States privacy laws. This requirement ensures the security of the conversations based on the enforceability of United States privacy laws including but not limited to the Health Insurance Portability and Accountability Act (HIPPA).

- Vendor must assign each interpreter a unique Interpreter Identification Number (i.e., employee identification number) that must be provided to the HHS Agency requester at the beginning of each call.
- Vendor must provide the capability for interpreters to connect third party or three-way calls to LEP clients on behalf of the HHS Agency staff, as requested, at no additional charge.

The interpreter certification statement must document the Vendor's ongoing commitment to ensure all interpreters providing services meet the interpreter standards, certifications and on-going training requirements and as required within this SOW and incorporated into the Contract.
- Vendor must provide a clear, audible transmission of voices for all OTPI services.

2.1.3. Interpreter Requirements

 - Interpreting Skills
 - Consecutive Interpreting
 - Protocols (managing the session)
 - Industry standard code of ethics for interpreters
 - Cultural Awareness
 - Legislation and Regulations [Americans with Disabilities Act (ADA), Section 504 of the Rehabilitation Act, Title VI of Civil Rights Act, and National Culturally and Linguistically Appropriate Services (CLAS) Standards]
- Interpreters, regardless of their level or certification, must be able to fluently and clearly interpret in both English and the requested foreign language.
- Interpreters must comply with the professional code of ethics or conduct as required for their level of training and/or certification established for the industry and any applicable for foreign-language interpretation including National Culturally and Linguistically Appropriate Services (CLAS) Standards, International Medical Interpreters Association Code of Ethics (IMIA) and IMIA Medical Interpreting Standards of Practice.
- Interpreters must comply with HHSC disclosure/confidentiality of information requirements in **Attachment A, Solicitation Affirmations, Data Use Agreement, HHSC Uniform Terms and**

Conditions.

- Interpreters must provide an exact interpretation of the response (; i.e. not to assume or infer facts or dates not actually provided by the client).
- Interpreters must remain impartial when providing interpreting services. The Vendor and interpreters must not have personal stake in the outcome that would be contrary to the interests of the client, or that would benefit the client representative.
- Interpreters must not engage in casual conversation with HHS Agency staff nor the LEP client. Additionally, interpreter must not engage in a conversation that is not related to the information requested by the Agency staff with the LEP client in the requested foreign language.

2.1.4. Customized Interactive Voice Response (IVR) Account Requirements

Vendor must provide customized Interactive Voice Response (IVR) accounts with restricted user access codes per account, at no additional cost access codes shall be provided by HHS Agency contact(s) and may contain up to an eleven (11)-digit numeric code. HHS Agencies shall not be limited to the number of access codes per IVR account and access codes may be on more than one IVR account. Each IVR account will be required to capture and validate authorization before access to an interpreter is granted to the requester.

The HHS Agency contact(s) will provide the Vendor with a list of access codes per IVR account by the 10th working day of each month and may provide weekly updates as needed. The list of access codes must be kept confidential by the Vendor as per the HHSC Data Usage Agreement.

The monthly access code list may consist of existing and new access codes that are eligible to access services on the identified IVR account. The Vendor will be required to establish an internal process that identifies access codes to be removed, that must remain and that must be added to the identified IVR account without interruption in service to HHS Agency requesters. Access code updates must be completed within two (2) business days of receipt of the list from the HHS Agency contact(s).

The Vendor must work with the HHS Agency contact(s) and the HHS Contract Manager to customize each IVR account. All IVR accounts, and modifications to IVR accounts, must be approved in writing by the HHS Agency contact(s) and the HHSC Contract Manager.

HHSC cannot guarantee the number of IVR accounts, therefore, throughout the term of the Contract the number of IVR accounts may increase or decrease based on business need. HHS Agencies must not be financially impacted for adding or removing IVR accounts from the resulting Contract, if one is awarded.

2.1.5. Service Level Agreements (SLA)

HHS Agency contact(s) will monitor the SLA for the established Contract based on monthly service period reporting that must include, but is not limited to the following:

- SLA1: Average speed of answer either by IVR and/or a live operator/agent.
- SLA 2: Availability of requested interpreter. Availability is defined as the percentage of time a qualified interpreter was available to take a call within the stated average connect time.
- SLA 3: Average interpreter connect time. Connect time is defined as interpreter search time. Interpreter search time begins after the language has been determined,

account codes/access codes have been verified, and the appropriate interpreter has completely connected to the customer.

Each SLA will be monitored monthly for each IVR account at the language category level per interpreter type. In the event that a language category's SLA is not met over a one (1) month period, the following discount for the language category not meeting performance standards for the period in question will be provided to the HHS Agency in the form of a credit as an operational remedy. The credit will be applied to services for the next billing monthly or upon termination of the Contract, if one is awarded.

SLAs are based on the following minimum requirements listed in the table below:

TABLE 2: SLA Requirements and Remedies

Contractor shall provide evidence of insurance as required under this Contract, including a schedule of coverage or underwriter's schedules establishing to the satisfaction of the System Agency the nature and extent of coverage granted by each such policy, upon request by the System Agency. In the event that any policy is determined by the System Agency to be deficient to comply with the terms of this Contract, Contractor shall secure such additional policies or coverage as the System Agency may reasonably request or that are required by law or regulation. If coverage expires during the term of this Contract, Contractor must produce renewal certificates for each type of coverage.

Contractor shall be responsible for payment of all taxes, assessments, fees, premiums, permits, and licenses required by law. Contractor shall be responsible for payment of any such government obligations not paid by its Subcontractors during performance of this Contract.

11.8 SUBCONTRACTORS

Contractor may not subcontract any or all of the Work and/or obligations under the Contract without prior written approval of the System Agency. Subcontracts, if any, entered into by the Contractor shall be in writing and be subject to the requirements of the Contract. Should Contractor Subcontract any of the services required in the Contract, Contractor expressly understands and acknowledges that in entering into such Subcontract(s), System Agency is in no manner liable to any subcontractor(s) of Contractor. In no event shall this provision relieve Contractor of the responsibility for

ensuring that the services performed under all Subcontracts are rendered in compliance with the Contract.

11.9 INDEPENDENT CONTRACTOR

Contractor and Contractor's employees, representatives, agents, Subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the services under the Contract. Neither Contractor nor System Agency is an agent of the other and neither may make any commitments on the other party's behalf. Contractor shall have no claim against System Agency for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. The Contract shall not create any joint venture, partnership, agency, or employment relationship between Contractor and System Agency.

11.10 GOVERNING LAW AND VENUE

This Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the System Agency.

11.11 SEVERABILITY

If any provision of the Contract is held to be illegal, invalid or unenforceable by a court of law or equity, such construction will not affect the legality, validity or enforceability of any other provision or provisions of this Contract. It is the intent and agreement of the Parties this Contract shall be deemed amended by modifying such provision to the extent necessary to render it valid, legal and enforceable while preserving its intent or, if such modification is not possible, by substituting another provision that is valid, legal and enforceable and that achieves the same objective. All other provisions of this Contract will continue in full force and effect.

11.12 SURVIVABILITY

Expiration or termination of the Contract for any reason does not release Contractor from any liability or obligation set forth in the Contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Contract, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.

11.13 FORCE MAJEURE

Neither Contractor nor System Agency shall be liable to the other for any delay in, or failure of performance of, any requirement included in the Contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to

avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

11.14 DISPUTE RESOLUTION

- A. The dispute resolution process provided for in Chapter 2260 of the Texas Government Code must be used to attempt to resolve any dispute arising under the Contract. To initiate the process, the Contractor shall submit written notice, as required by Chapter 2260, to the individual identified in the Contract for receipt of notices. Any informal resolution efforts shall in no way modify the requirements or toll the timing of the formal written notice of a claim for breach of contract required under §2260.051 of the Texas Government Code. Compliance by the Contractor with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.
- B. The contested case process provided in Chapter 2260 is the Contractor's sole and exclusive process for seeking a remedy for an alleged breach of contract by the System Agency if the Parties are unable to resolve their disputes as described above.
- C. Notwithstanding any other provision of the Contract to the contrary, unless otherwise requested or approved in writing by the System Agency, the Contractor shall continue performance and shall not be excused from performance during the period of any breach of contract claim or while the dispute is pending. However, the Contractor may suspend performance during the pendency of such claim or dispute if the Contractor has complied with all provisions of Section 2251.051, Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

11.15 NO IMPLIED WAIVER OF PROVISIONS

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Contractor which is in violation or breach of the terms of the Contract shall not be construed as a waiver of the violation or breach, or of any future violation or breach.

11.16 MEDIA RELEASES

- A. Contractor shall not use System Agency's name, logo, or other likeness in any press release, marketing material, or other announcement without System Agency's prior written approval. System Agency does not endorse any vendor, commodity, or service. Contractor is not authorized to make or participate in any media releases or public announcements pertaining to this Contract or the Services to which they relate without System Agency's prior written consent, and then only in accordance with explicit written instruction from System Agency.
- B. Contractor may publish, at its sole expense, results of Contractor performance under the Contract with the System Agency's prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.

11.17 NO MARKETING ACTIVITIES

Contractor is prohibited from using the Work for any Contractor or third-party marketing, advertising, or promotional activities, without the prior written consent of System Agency. The foregoing prohibition includes, without limitation, the placement of banners, pop-up ads, or other advertisements promoting Contractor's or a third party's products, services, workshops, trainings, or other commercial offerings on any website portal or internet-based service or software application hosted or managed by Contractor as part of the Work.

11.18 PROHIBITION ON NON-COMPETE RESTRICTIONS

Contractor shall not require any employees or Subcontractors to agree to any conditions, such as non-compete clauses or other contractual arrangements that would limit or restrict such persons or entities from employment or contracting with the State of Texas.

11.19 SOVEREIGN IMMUNITY

Nothing in the Contract shall be construed as a waiver of the System Agency's or the State's sovereign immunity. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas. The failure to enforce, or any delay in the enforcement of, any privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas under the Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. System Agency does not waive any privileges, rights, defenses, or immunities available to System Agency by entering into the Contract or by its conduct prior to or subsequent to entering into the Contract.

11.20 ENTIRE CONTRACT AND MODIFICATION

This Contract constitutes the entire agreement of the Parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in any future document incorporated into the Contract will be harmonized with this Contract to the extent possible.

**DATA USE AGREEMENT
BETWEEN THE
TEXAS HEALTH AND HUMAN SERVICES SYSTEM
AND
CONTRACTOR**

This Data Use Agreement (“DUA”) is effective as of the date of the Base Contract into which it is incorporated (“Effective Date”), by and between the Texas Health and Human Services System, which includes the Texas Health and Human Services Commission and the Department of State Health Services (“HHS”) and Contractor (the "Base Contract").

ARTICLE 1. PURPOSE; APPLICABILITY; ORDER OF PRECEDENCE

The purpose of this DUA is to facilitate access to, creation, receipt, maintenance, use, disclosure or transmission of Confidential Information with Contractor, and describe Contractor’s rights and obligations with respect to the Confidential Information and the limited purposes for which the Contractor may create, receive, maintain, use, disclose or have access to Confidential Information. This DUA also describes HHS’s remedies in the event of Contractor’s noncompliance with its obligations under this DUA. This DUA applies to both HHS business associates, as “business associate” is defined in the Health Insurance Portability and Accountability Act (HIPAA), and contractors who are not business associates, who create, receive, maintain, use, disclose or have access to Confidential Information on behalf of HHS, its programs or clients as described in the Base Contract. As a best practice, HHS requires its contractors to comply with the terms of this DUA to safeguard all types of Confidential Information.

As of the Effective Date of this DUA, if any provision of the Base Contract conflicts with this DUA, this DUA controls.

ARTICLE 2. DEFINITIONS

For the purposes of this DUA, capitalized, underlined terms have the following meanings:

- (2) For whom Contractor warrants and represents has a demonstrable need to create, receive, maintain, use, disclose or have access to the Confidential Information; and
- (3) Who has agreed in writing to be bound by the disclosure and use limitations pertaining to the Confidential Information as required by this DUA.

“**Breach**” means an impermissible use or disclosure of electronic or non-electronic sensitive personal information by an unauthorized person or for an unauthorized purpose that compromises the security or privacy of Confidential Information such that the use or disclosure poses a risk of reputational harm, theft of financial information, identity theft, or medical identity theft. Any acquisition, access, use, disclosure or loss of Confidential Information other than as permitted by this

DUA shall be presumed to be a Breach unless Contractor demonstrates, based on a risk assessment, that there is a low probability that the Confidential Information has been compromised.

“Confidential Information” means any communication or record (whether oral, written, electronically stored or transmitted, or in any other form) provided to or made available to Contractor or that Contractor may create, receive, maintain, use, disclose or have access to on behalf of HHS that consists of or includes any or all of the following:

Section 5.02 HHS Commitment and Obligations

HHS will not request Contractor to create, maintain, transmit, use or disclose PHI in any manner that would not be permissible under applicable law if done by HHS.

Section 5.03 HHS Right to Inspection

At any time upon reasonable notice to Contractor, or if HHS determines that Contractor has violated this DUA, HHS, directly or through its agent, will have the right to inspect the facilities, systems, books and records of Contractor to monitor compliance with this DUA. For purposes of this subsection, HHS's agent(s) include, without limitation, the HHS Office of the Inspector General, the Office of the Attorney General of Texas, the State Auditor's Office, outside consultants, legal counsel or other designee.

Section 5.04 Term; Termination of DUA; Survival

This DUA will be effective on the date on which Contractor executes the Base Contract and will terminate upon termination of the Base Contract and as set forth herein. If the Base Contract is extended, this DUA is extended to run concurrent with the Base Contract.

- (3) Provide Contractor with a reasonable period to cure the violation as determined by HHS; or
- (4) Terminate the DUA and Base Contract immediately and seek relief in a court of competent jurisdiction in Travis County, Texas.

Before exercising any of these options, HHS will provide written notice to Contractor describing the violation and the action it intends to take.

(B) If neither termination nor cure is feasible, HHS shall report the violation to the applicable regulatory authorities.

(B) Contractor further agrees that monetary damages may be inadequate to compensate HHS for Contractor's or its Subcontractor's failure to comply. Accordingly, Contractor agrees that HHS will, in addition to any other remedies available to it at law or in equity, be entitled to seek injunctive relief without posting a bond and without the necessity of demonstrating actual damages, to enforce the terms of this DUA.

(B) Contractor shall provide HHS with written proof that required insurance coverage is in effect, at the request of HHS.

Section 5.08 Entirety of the Contract

This DUA is incorporated by reference into the Base Contract and, together with the Base Contract, constitutes the entire agreement between the parties. Section 5.09 Automatic Amendment and Interpretation

Upon the effective date of any amendment or issuance of additional regulations to any law applicable to Confidential Information, this DUA will automatically be amended so that the obligations imposed on HHS and/or Contractor remain in compliance with such requirements. Any ambiguity in this DUA will be resolved in favor of a meaning that permits HHS and Contractor to comply with laws applicable to Confidential Information.
