Except as otherwise provided by the U.S. Bankruptcy Code, or any successor law, the System Agency may terminate the Contract, in whole or in part, upon either of the following conditions:

i. Material Breach

The System Agency will have the right to terminate the Contract in whole or in part if the System Agency determines, in its sole discretion, that Performing Agency has materially breached the Contract or has failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of Performing Agency's duties under the Contract. Performing Agency's misrepresentation in any aspect of Performing Agency's Solicitation Response, if any, or Performing Agency's addition to the System for Award Management (SAM) exclusion list will also constitute a material breach of the Contract.

ii. Failure to Maintain Financial Viability

The System Agency may terminate the Contract if, in its sole discretion, the System Agency has a good faith belief that Performing Agency no longer maintains the financial viability required to complete the Work, or otherwise fully perform its responsibilities under the Contract.

8.4 PERFORMING AGENCY RESPONSIBILITY FOR SYSTEM AGENCY'S TERMINATION COSTS

If the System Agency terminates the Contract for cause, the Performing Agency shall be responsible to the System Agency for all costs incurred by the System Agency and the State of Texas to replace the Performing Agency. Performing Agency shall provide evidence of insurance as required under this Contract, including a schedule of coverage or underwriter's schedules establishing to the satisfaction of the System Agency the nature and extent of coverage granted by each such policy, upon request by the System Agency. In the event that any policy is determined by the System Agency to be deficient to comply with the terms of this Contract, Performing Agency shall secure such additional policies or coverage as the System Agency may reasonably request or that are required by law or regulation. If coverage expires during the term of this Contract, Performing Agency must produce renewal certificates for each type of coverage.

- B. These and all other insurance requirements under the Contract apply to both Performing Agency and its subcontractors, if any. Performing Agency is responsible for ensuring its subcontractors' compliance with all requirements.

- C. Performing Agency may not rely upon implied authority and is not granted authority under the Contract to:
 - i. Make public policy on behalf of the System Agency;
 - ii. Promulgate, amend, or disregard administrative regulations or program policy decisions made by State and federal agencies responsible for administration of a System Agency program; or
 - iii. Unilaterally communicate or negotiate with any federal or state agency or the Texas Legislature on behalf of the System Agency regarding System Agency programs or the Contract. However, upon System Agency request and with reasonable notice from System Agency to the Performing Agency, the Performing Agency shall assist the System Agency in communications and negotiations regarding the Work under the Contract with state and federal governments.

9.4 LEGAL OBLIGATIONS

Performing Agency shall comply with all applicable federal, state, and local laws, ordinances, and regulations, including all federal and state accessibility laws relating to direct and indirect use of information and communication technology. Performing Agency shall be deemed to have knowledge of all applicable laws and regulations and be deemed to understand them.

9.5 CHANGE IN LAWS AND COMPLIANCE WITH LAWS

Performing Agency shall comply with all laws, regulations, requirements and guidelines applicable to a vendor providing services and products required by the Contract to the State of Texas, as these laws, regulations, requirements and guidelines currently exist and as amended

throughout the term of the Contract. System Agency reserves the right, in its sole discretion, to unilaterally amend the Contract to incorporate any modifications necessary for System Agency's compliance, as an agency of the State of Texas, with all applicable state and federal laws, regulations, requirements and guidelines.

9.6 E-VERIFY PROGRAM

Performing Agency certifies that for contracts for services, Performing Agency shall utilize the U.S. Department of Homeland Security's E-Verify system during the term of the Contract to determine the eligibility of:

- i. all persons employed by Performing Agency to perform duties within Texas; and
- ii. all persons, including subcontractors, assigned by the Performing Agency to perform Work pursuant to the Contract within the United States of America.

9.7 PERMITTING AND LICENSURE

At Performing Agency's sole expense, Performing Agency shall procure and maintain for the duration of this Contract any state, county, city, or federal license, authorization, insurance, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Performing Agency to provide the goods or services required by this Contract. Performing Agency shall be responsible for payment of all taxes, assessments, fees, premiums, permits, and licenses required by law. Performing Agency shall be responsible for payment of any such government obligations not paid by its subcontractors during performance of this Contract.

9.8 SUBCONTRACTORS

Performing Agency may not subcontract any or all of the Work and/or obligations under the Contract without prior written approval of the System Agency. Subcontracts, if any, entered into by the Performing Agency shall be in writing and be subject to the requirements of the Contract. Should Performing Agency subcontract any of the services required in the Contract, Performing Agency expressly understands and acknowledges that in entering into such subcontract(s), System Agency is in no manner liable to any subcontractor(s) of Performing Agency. In no event shall this provision relieve Performing Agency of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with the Contract.

9.9 INDEPENDENT PERFORMING AGENCY

Performing Agency and Performing Agency's employees, representatives, agents, subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the services under the Contract. Neither Performing Agency nor System Agency is an agent of the other and neither may make any commitments on the other party's behalf. Performing Agency shall have no claim against System Agency for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. The Contract shall not create any joint venture, partnership, agency, or employment relationship between Performing Agency and System Agency.

9.10 GOVERNING LAW AND VENUE

This Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the System Agency.

9.11 SEVERABILITY

If any provision of the Contract is held to be illegal, invalid or unenforceable by a court of law or equity, such construction will not affect the legality, validity or enforceability of any other provision or provisions of this Contract. It is the intent and agreement of the Parties this Contract shall be deemed amended by modifying such provision to the extent necessary to render it valid, legal and enforceable while preserving its intent or, if such modification is not possible, by substituting another provision that is valid, legal and enforceable and that achieves the same objective. All other provisions of this Contract will continue in full force and effect.

9.12 SURVIVABILITY

Expiration or termination of the Contract for any reason does not release Performing Agency from any liability or obligation set forth in the Contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Contract, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.

9.13 FORCE MAJEURE

Neither Party shall be liable to the other for any delay in, or failure of performance of, any requirement included in the Contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

9.14 DISPUTE RESOLUTION

- A. The dispute resolution process provided for in Chapter 2260 of the Texas Government Code must be used to attempt to resolve any dispute arising under the Contract. If the Performing Agency's claim for breach of contract cannot be resolved informally with the System Agency, the claim shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, the Performing Agency shall submit written notice, as required by Chapter 2260, to the individual identified in the Contract for receipt of notices. Any informal resolution efforts shall in no way modify the requirements or toll the timing of the formal written notice of a claim for breach of contract required under §2260.051 of the Texas Government Code. Compliance by the Performing Agency with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.

- B. The contested case process provided in Chapter 2260 is the Performing Agency's sole and exclusive process for seeking a remedy for an alleged breach of contract by the System Agency if the Parties are unable to resolve their disputes as described above.
- C. Notwithstanding any other provision of the Contract to the contrary, unless otherwise requested or approved in writing by the System Agency, the Performing Agency shall continue performance and shall not be excused from performance during the period of any breach of contract claim or while the dispute is pending. However, the Performing Agency may suspend performance during the pendency of such claim or dispute if the Performing Agency has complied with all provisions of Section 2251.051, Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

9.15 NO IMPLIED WAIVER OF PROVISIONS

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Performing Agency which is in violation or breach of the terms of the Contract shall not be construed as a waiver of the violation or breach, or of any future violation or breach.

9.16 MEDIA RELEASES

- A. Performing Agency shall not use System Agency's name, logo, or other likeness in any press release, marketing material, or other announcement without System Agency's prior written approval. System Agency does not endorse any vendor, commodity, or service. Performing Agency is not authorized to make or participate in any media releases or public announcements pertaining to this Contract or the services to which they relate without System Agency's prior written consent, and then only in accordance with explicit written instruction from System Agency.
- B. Performing Agency may publish, at its sole expense, results of Performing Agency performance under the Contract with the System Agency's prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.

9.17 NO MARKETING ACTIVITIES

Performing Agency is prohibited from using the Work for any Performing Agency or third-party marketing, advertising, or promotional activities, without the prior written consent of System Agency. The foregoing prohibition includes, without limitation, the placement of banners, pop-up ads, or other advertisements promoting Performing Agency's or a third party's products, services, workshops, trainings, or other commercial offerings on any website portal or internet-based service or software application hosted or managed by Performing Agency as part of the Work.

9.18 PROHIBITION ON NON-COMPETE RESTRICTIONS

Performing Agency shall not require any employees or subcontractors to agree to any conditions, such as non-compete clauses or other contractual arrangements that would limit or restrict such persons or entities from employment or contracting with the State of Texas.

9.19 SOVEREIGN IMMUNITY

Nothing in the Contract shall be construed as a waiver of the System Agency's or the State's sovereign immunity. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas. The failure to enforce, or any delay in the enforcement of, any privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas under the Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. System Agency does not waive any privileges, rights, defenses, or immunities available to System Agency by entering into the Contract or by its conduct prior to or subsequent to entering into the Contract.

9.20 ENTIRE CONTRACT AND MODIFICATION
