## **ARTICLE II. SCOPE OF WORK**

### **2.1 DESCRIPTION OF SERVICES/STATEMENT OF WORK**

HHSC's mission for this procurement is to engage the services of an appropriate Disinterested organization to perform Informal Dispute Resolution (IDR) reviews for Nursing Facilities (NFs), Assisted Living Facilities (ALFs) and Intermediate Care Facilities (ICF/IIDs) (collectively, Facilities).

HHSC's objective for this procurement is to ensure comprehensive reviews are performed by appropriate Disinterested persons within the required timeframes.

#### **2.1.1 Background/Overview**

On July 1, 1995, as part of its nursing home enforcement requirements, the Centers for Medicare and Medicaid Services (CMS) required states to establish an IDR process. The purpose of the IDR process is to provide Facilities an opportunity to informally dispute survey findings. The process is required to be performed in an informal manner.

The legacy Texas Department of Aging and Disability Services (DADS), as the Texas State survey agency, was originally responsible for administering an IDR process for nursing facilities and skilled nursing facilities. The process was conducted by DADS until Senate Bill (S.B.) 1839, was enacted during the 77th Legislature, Regular Session in 2001, which transferred the IDR function to HHSC effective January 1, 2002

Pursuant to S.B. 304, 84th Legislature, Regular Session, HHSC was required to contract with an appropriate Disinterested person to adjudicate disputes between an institution or facility licensed under Chapter 242 of the Texas Health and Safety Code and HHSC Long-term Care Regulatory, concerning a statement of violations prepared in connection with a survey conducted by HHSC Long-term Care Regulatory. Section 2009.053 of the Texas Government Code (Title 10., Subtitle A, Chapter 2009, Subchapter A) does not apply to the selection of an appropriate Disinterested person under this subsection.

HHSC seeks proposals for performing IDR services related to NFs, ALFs, and ICF/IIDs.

#### **2.1.2 Laws, Rules and Regulations**

The IDR reviews conducted must comply with all applicable Federal and State laws and policy, including but not limited to: Texas Government Code: Title 4, Part 1, Chapter 531, Subchapter A, Division 2, Rule §531.058; Texas Administrative Code: Title 1, Part 15, Chapter 393, Rule §393.1 and §393.2; and 42 C.F.R. §488.331, Chapter 7 of the CMS State Operations Manual (SOM), Appendix P, Appendix PP, Appendix J, and/or Appendix Q (for deficiencies constituting Immediate Jeopardy).

According to Chapter 7 of the CMS SOM: States should be aware that CMS holds them accountable for the legitimacy of the informal dispute resolution process including the accuracy and reliability of conclusions that are drawn with respect to survey findings. This means that while States may have the option to involve outside persons or entities they believe to be

qualified to participate in this process, it is the States, not outside individuals or entities that are responsible for informal dispute resolution decisions. So, when an outside entity conducts the informal dispute resolution process, the results may serve only as a recommendation of noncompliance or compliance to the State.

The Contractor must structure the process such that it will provide an informal review of all deficiencies/violations requested by a facility to determine compliance/non-compliance with applicable Federal and State requirements.

### **2.1.3 Requirements for the Informal Dispute Resolution Process**

#### **2.1.3.1 Receipt of Statement of Deficiencies (Form 2567) and/or Statement of Licensing Violations (Form 3724)**

a. Facilities must receive notification of a regulatory deficiency/violation from HHSC Long-term Care Regulatory via one of two official forms. These include:

1. Statement of Deficiencies (Form 2567); and/or
2. Statement of Licensing Violations (Form 3724)

b. No later than the 10th calendar day after receipt of either Form 2567 and/or Form 3724, Facilities, if they disagree with the findings, are required to provide a written request for an IDR on the form designated by HHSC (IDR Request Form) to the HHSC IDR Department.

c. The submission of the IDR Request Form to the HHSC IDR Department initiates the IDR process.

#### **2.1.3.2 IDR Process**

At a minimum, the contracted IDR process shall require:

a. HHSC IDR Department to provide the Contractor and HHSC Long-term Care Regulatory with the IDR Request Form.

b. Facilities to submit a written rebuttal letter and attached supporting documentation to the Contractor for review in accordance with the timelines in Texas Administrative Code: Title 1, Part 15, Chapter 393, Rule §393.1 and §393.2.

c. Contractor to facilitate sharing of all documentation submitted by either party in the dispute.

d. Facilities to be provided the option of a desk review or a conference. All review options for the IDR process must be free of charge to the facility. The surveyor who conducted the survey/investigation must be available during the IDR conference, if any, to clarify or answer questions being asked of the Contractor or facility.

e. All IDR timeframes to be computed in accordance with Texas Government Code §311.014.

f. Contractor to provide two levels of review for each IDR completed.

1. The first review will be a comprehensive review performed by a reviewer who has regulatory expertise in areas that include, but are not limited to, medicine, nursing, and building, fire, and life safety codes.

2. The second review will be performed by a position of oversight. This will ensure a sound review with appropriate recommendations of compliance or non-compliance with applicable State and Federal requirements.
- g. For quality of care deficiencies/violations, the review referenced above in f., shall be conducted by a registered nurse with long-term care experience.
- h. Contractor to distribute the written record to the HHSC IDR Department no later than the 25th calendar day of the IDR process for NFs and ICFs, and no later than the 80th calendar day for ALFs. The Contractor must submit the written record of the completed IDR, along with all documentation used in the review process. At a minimum, the Contractor must submit the facility's rebuttal letter, supporting documentation, and any other materials used in the decision-making process.
- i. Contractor to recommend revisions to an IDR outcome as a result of a review by HHSC determining that the IDR outcome violates a Federal law, regulation, or the CMS SOM.

### **2.1.3.3 Possible IDR Outcomes**

Possible IDR outcomes are a determination that there is:

- a. Insufficient evidence to sustain a deficiency/violation;
- b. Insufficient evidence to sustain a portion or a finding of a deficiency/violation;
- c. Sufficient evidence to sustain a deficiency/violation;
- d. Insufficient evidence to sustain the deficiency/violation as cited but that there is sufficient evidence to sustain a different citation;
- e. Insufficient evidence to sustain the severity and scope assessment but that there is sufficient evidence to sustain a reduced severity and scope assessment (for Immediate Jeopardy<sup>1</sup> or Substandard Quality of Care<sup>2</sup> only); and/or
- f. Sufficient evidence to sustain the severity and scope assessment as cited.

### **2.1.4 Contractor Qualifications and Additional Requirements**

#### **2.1.4.1 Disinterested Person**

According to Texas Government Code §531.058, the Contractor must be an appropriate Disinterested person with no conflicts of interest.

Specifically, Contractor must not have an interest in NFs, ALFs, or ICF/IIDs. Contractor must not receive any donations or support from a facility or have any member of its board or governing body employed by, or otherwise affiliated with, a facility or industry support group. Respondent must list all relevant affiliations and memberships as well as board or paid positions within other entities when submitting a bid.

A conflict of interest is a set of facts or circumstances in which either a Respondent or anyone acting on its behalf in connection with this procurement has past, present or currently planned personal, professional or financial interests or obligations that, in HHSC's determination, would actually or apparently conflict or interfere with the

Respondent's contractual obligations to HHSC. A conflict of interest would include circumstances in which a party's personal, professional or financial interests or obligations may directly or indirectly:

- a. Make it difficult or impossible to fulfill its contractual obligations to HHSC in a manner that is consistent with the best interests of the State of Texas;
  - b. Impair, diminish or interfere with that party's ability to render impartial or objective assistance or advice to HHSC; or
  - c. Provide the party with an unfair competitive advantage in future HHSC procurements.
- Neither the Respondent nor any other person or entity acting on its behalf, including but not limited to subcontractors, employees, agents and representatives, may have a conflict of interest with respect to this procurement. Before submitting a proposal, Respondents should carefully review the agency's terms and conditions for additional information concerning conflicts of interests. A Respondent must certify that it does not have personal or business interests that present a conflict of interest with respect to the RFP and resulting contract. Additionally, if applicable, the Respondent must disclose all potential conflicts of interest. The Respondent must describe the measures it will take to ensure that there will be no actual conflict of interest and that its fairness, independence and objectivity will be maintained. HHSC will determine to what extent, if any, a potential conflict of interest can be mitigated and managed during the term of the contract. **Failure to identify potential conflicts of interest may result in HHSC's disqualification of a proposal or termination of the contract.**

#### **2.1.8.1 Assessment of Liquidated Damages**

Failure to notify does not affect HHSC's assessment of liquidated damages and is not a condition precedent to an assessment of liquidated damages. HHSC will withhold liquidated damages from payments to Contractor. If HHSC is unable to withhold payments, HHSC will demand payment of liquidated damages from Contractor. Contractor must make payment within 30 calendar days of HHSC's demand. ensuring that the services performed under all Subcontracts are rendered in compliance with the Contract.

#### **11.9 INDEPENDENT CONTRACTOR**

Contractor and Contractor's employees, representatives, agents, Subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the services under the Contract. #### **11.11 SEVERABILITY**

If any provision of the Contract is held to be illegal, invalid or unenforceable by a court of law or equity, such construction will not affect the legality, validity or enforceability of any other provision or provisions of this Contract. It is the intent and agreement of the Parties this Contract shall be deemed amended by modifying such provision to the extent necessary to render it valid, legal and enforceable while preserving its intent or, if such modification is not possible, by substituting another provision that is valid, legal and enforceable and that achieves the same objective. All other provisions of this Contract will continue in full force and effect.

#### **11.12 SURVIVABILITY**

Expiration or termination of the Contract for any reason does not release Contractor from any liability or obligation set forth in the Contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Contract, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.

To initiate the process, the Contractor shall submit written notice, as required by Chapter 2260, to the individual identified in the Contract for receipt of notices. Any informal resolution efforts shall in no way modify the requirements or toll the timing of the formal written notice of a claim for breach of contract required under §2260.051 of the Texas Government Code. Compliance by the Contractor with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.
- B. The contested case process provided in Chapter 2260 is the Contractor's sole and exclusive process for seeking a remedy for an alleged breach of contract by the System Agency if the Parties are unable to resolve their disputes as described above.
- C. Notwithstanding any other provision of the Contract to the contrary, unless otherwise requested or approved in writing by the System Agency, the Contractor shall continue performance and shall not be excused from performance during the period of any breach of contract claim or while the dispute is pending. However, the Contractor may suspend performance during the pendency of such claim or dispute if the Contractor has complied with all provisions of Section 2251.051, Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

#### **11.15 NO IMPLIED WAIVER OF PROVISIONS**

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Contractor which is in violation or breach of the terms of the Contract shall not be construed as a waiver of the violation or breach, or of any future violation or breach.

**11.18 PROHIBITION ON NON-COMPETE RESTRICTIONS**

**11.19 SOVEREIGN IMMUNITY**

Nothing in the Contract shall be construed as a waiver of the System Agency's or the State's sovereign immunity. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas. The failure to enforce, or any delay in the enforcement of, any privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas under the Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. System Agency does not waive any privileges, rights, defenses, or immunities available to System Agency by entering into the Contract or by its conduct prior to or subsequent to entering into the Contract.

**11.20 ENTIRE CONTRACT AND MODIFICATION**

This Contract constitutes the entire agreement of the Parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof.
