Medicare Advantage Dual Eligible Special Needs Plan Agreement

Article I. BACKGROUND

The MA Dual SNP has entered into a Medicare Advantage Plan Agreement (MA Agreement) with the Centers for Medicare and Medicaid Services (CMS). The MA Dual SNP is responsible for coordinating the delivery of all benefits covered by both Medicare and Medicaid, including the services listed in **Attachment B, Texas Medicaid Summary of Benefits**. Pursuant to the Texas State Plan, HHSC is financially responsible for the Cost Sharing Obligations attributable to Dual Eligible Members enrolled in the MA Dual SNP's Medicare Advantage Product. HHSC will pay the MA Dual SNP a per Dual Eligible Member monthly capitated payment in exchange for the MA Dual SNP's payment of Cost Sharing Obligations to healthcare service providers. The MA Dual SNP shall track and pay all eligible providers the Cost Sharing Obligations incurred on behalf of Dual Eligible Members with applicable Medicaid eligibility categories covered under this Agreement. This Statement of Work sets out the responsibilities of the Parties for Dual Eligible Members enrolled in the MA Dual SNP Health Plan Medicare Advantage.

Article II. DEFINITIONS

Coinsurance is a percentage of costs normally paid by a member for medical services provided under an MA Product. Coinsurance amounts must comply with the terms of the MA Agreement.

Coordination of Care means, for the purposes of this Agreement, the MA Dual SNP's mechanisms that promote increased coordination between the services provided by the MA Dual SNP and the Long-Term Services and Supports ("LTSS") the Member receives from Medicaid, including but not limited to discharge planning, disease management, and care management.

Co-payments are fixed dollar amounts that a member normally must pay for a medical service provided under a Medicare Advantage Product. Co-payment amounts must comply with the terms of the MA Agreement.

Cost Sharing Obligations mean those financial payment obligations incurred by HHSC in satisfaction of the Deductibles, Coinsurance, and Co-payments for the Medicare Part A and Part B programs with respect to Dual Eligible Members. Effective January 1, 2020, Cost Sharing Obligations include co-insurance provided during a Dual Eligible Member's Medicare-covered stay in a skilled nursing facility when the Dual Eligible Member is enrolled in a MA Dual SNP that is contracted with HHSC and receives Medicaid services under the State's fee-for-service model. For purposes of this Agreement, Cost Sharing Obligations do not include: (1) Medicare premiums that HHSC is required to pay under the Texas State Plan on behalf of Dual Eligible Members or Other Dual SNP Members, (2) Deductibles, Coinsurance, and Co-payments for the Medicare Part A and Part B programs with respect to Other Dual SNP Members, (3) wrap-around services that are covered by Medicaid, and (4) Coinsurance for Part A services provided during a Dual Eligible Member's Medicare-covered stay in a nursing facility when the member is also enrolled in STAR+PLUS for their Medicaid services. Payment of coinsurance to the skilled nursing facility for a Part A skilled stay is covered by the STAR+PLUS MCO.

Deductible means fixed dollar amounts that a member normally must pay out-of-pocket before the costs of services are covered by an MA Dual SNP. Deductibles must comply with the terms of the MA Agreement.

Dual Eligible means a Medicare managed care recipient who is also eligible for Medicaid, and for whom HHSC has a responsibility for payment of Cost Sharing Obligations under the Texas State Plan. For purposes of this Agreement, Dual Eligibles are limited to the following categories of recipients: QMB Only, QMB Plus, and SLMB Plus.

Dual Eligible Member means a Dual Eligible who is eligible to participate in, and voluntarily enrolled in, the MA Dual SNP's MA Product.

High Risk Dual Eligible Members For purposes of this Agreement, High Risk Dual Eligible Members are limited to the following categories of recipients: QMB Plus and SLMB Plus.

Medicare Advantage Dual Eligible Special Needs Plan Agreement

Highly Integrated Dual Eligible Special Needs Plan (HIDE-SNP) has the meaning given at 42 C.F.R. § 422.2.

Long-Term Services and Supports (LTSS) has the meaning assigned in 42 C.F.R. § 438.2. LTSS under Medicaid may include but are not limited to: assistance with Activities of Daily Living (ADLs); attendant services; nursing; occupational/speech/physical therapies; homemaker services; home modifications; adaptive aids; adult day care; and other rehabilitative and habilitative services and supports that help individuals maximize their independence.

MA Agreement means the Medicare Advantage Plan Agreement between the MA Dual SNP and CMS to provide an MA Product.

MA Product means the Medicare Part C and other health plan services provided to members pursuant to an MA Agreement.

Medicaid Only means an individual who is eligible for Medicaid either categorically or through optional coverage groups such as medically needy or special income levels for institutionalized or home and community-based waivers, but who does not meet the federal income or resource criteria for QMB or SLMB. For purposes of this Agreement, Medicaid Only does not include individuals required to recertify eligibility monthly.

Medicare Advantage Dual Eligible Special Needs Plan or MA Dual SNP means a Medicare Advantage coordinated care plan that is filed and approved as a dual eligible special needs plan by CMS. The plan must be designed for and offered to individuals who are eligible for Medicare under Title XVIII of the Social Security Act (“SSA”) and entitled to medical assistance under the Texas State Plan, in accordance with Title XIX of the SSA.

Network Provider means a provider who has a contract with the MA Dual SNP, or its subcontractor, for the delivery of healthcare services to the MA Dual SNP’s members.

Other Dual SNP Member means a Medicare managed care recipient who is also eligible for Medicaid, but for whom HHSC does not have a responsibility for payment of Deductibles, Coinsurance, or Co-payments under the Texas State Plan. To qualify as an Other Dual SNP Member, the recipient must be eligible to participate in, and voluntarily enrolled in, the MA Dual SNP’s MA Product. For purposes of this Agreement, Other Dual SNP Members are limited to the following categories of recipients: Medicaid Only, SLMB Only, QI, and QDWI.

Qualified Disabled and Working Individual (QDWI) means an individual who lost Medicare Part A benefits due to returning to work, but who is eligible to enroll in the purchase of Medicare Part A. The individual must meet federal income and resource criteria and may not be otherwise eligible for Medicaid. A QDWI is eligible only for Medicaid payment of Part A premiums.

Qualified Medicare Beneficiary (QMB) means an individual who is entitled to Medicare Part A, meets federal income criteria, and whose resources do not exceed twice the Supplemental Security Income (SSI) limit. A QMB is eligible for Medicaid payment of Medicare premiums, Deductibles, Coinsurance, and Co-payments (except for Medicare Part D) (collectively, these benefits are called “QMB Medicaid Benefits”). Categories of QMBs are:

- **QMB Only** – means a QMB who does not qualify for any additional QMB Medicaid Benefits.
- **QMB Plus** – means a QMB who also meets the financial criteria for full Medicaid coverage. QMB Plus individuals are entitled to QMB Medical Benefits, plus all benefits available under the Texas State Plan for fully eligible Medicaid recipients.

Qualifying Individual (QI) means an individual who is entitled to Medicare Part A, meets federal income and resource criteria, and who is not otherwise eligible for Medicaid. A QI is eligible only for Medicaid payment of Medicare Part B premiums.

Medicare Advantage Dual Eligible Special Needs Plan Agreement

Specified Low-income Medicare Beneficiary (SLMB) means an individual who is entitled to Medicare Part A and meets federal income and resource criteria. A SLMB is eligible for payment of Medicaid payment of Medicare Part B premiums. Categories of SLMBs are:

- **SLMB Only** – means a SLMB does not qualify for any additional Medicaid benefits.
- **SLMB Plus** – means a SLMB who also meets the financial criteria for full Medicaid Coverage. SLMB Plus individuals are entitled to payment of Medicare Part B premiums, plus all benefits available under the Texas State Plan for fully eligible Medicaid recipients.

Article III. MA DUAL SNP'S OBLIGATIONS

3.01 MA Dual SNP Offer to Dual Eligibles Residing in CMS-approved Service Areas.

(a) The MA Dual SNP must offer the MA Product to Dual Eligibles who: (1) reside in a Texas service area where the MA Dual-SNP has been authorized, per CMS, to offer the MA Dual SNP Plan, and (2) are otherwise eligible to receive the MA Product. A service area is the geographic area in which Members or potential Members reside and for whom the MA Dual SNP is approved to provide services by CMS.

(b) The MA Dual SNP has applied to the CMS to provide the MA Product in the Texas service areas described in **Attachment C, Proposed MA Product Service Areas**. No later than fifteen (15) business days after CMS approves or denies the MA Dual SNP's application to provide the MA Product in such Texas service areas, the MA Dual SNP must provide HHSC with written notice of such CMS action. The MA Dual SNP represents and agrees that the information included in **Attachment C, Proposed MA Product Service Areas**, is accurate and complete as of the date of the MA Dual SNP's execution of this Agreement. Additionally, the MA Dual SNP must notify HHSC of all amendments to the MA Agreement's Texas service areas including but not limited to the addition, deletion, or modification of a Texas service area, CMS contract code, plan identification, or plan name. The MA Dual SNP must notify HHSC no later than fifteen (15) business days after the effective date of such an amendment to the MA Agreement.

(c) No later than fifteen (15) business days after receiving the MA Dual SNP's notice of CMS's approval of or amendment to one or more Texas service areas, HHSC will notify the MA Dual SNP of the effective date of coverage of the Texas service area(s) under this Agreement. All modifications requiring changes to HHSC's system(s) will be effective prospectively. The MA Dual SNP will begin covering Cost Sharing Obligations for Dual Eligible Members in the Texas service areas that are added to the scope of this Agreement on the effective date identified in HHSC's notice, and HHSC will pay for these Dual Eligible Members in accordance with Article V.

(d) The MA Dual SNP must meet federal and state Medicaid-Medicare integration requirements through one of the two following options: Option 1, obtaining designation from CMS as a Highly Integrated Dual Eligible Special Needs Plan (HIDE-SNP) through coverage of Medicaid LTSS and/or behavioral health (BH) listed in **Attachment B, Texas Medicaid Summary of Benefits**, through a related STAR+Plus organization that covers the Texas service areas identified in **Attachment C, Proposed MA Product Service Areas**; **OR** Option 2, sharing information about hospital and skilled nursing facility (SNF) admissions with the STAR+ PLUS MCO (HHSC's designee), for High Risk Dual Eligible Members.

If the MA Dual SNP qualifies through coverage of Medicaid LTSS and/or BH under Option 1, the MA Dual SNP must clearly identify which of the following applies to the MA Dual SNP under this Agreement:

- The legal entity holding a contract with CMS for the MA Dual SNP covered under this Agreement receives direct per-member-per-month (PMPM) capitation payment from HHSC to provide coverage of the Medicaid benefits described in **Attachment B, Texas Medicaid Summary of Benefits**; or

Medicare Advantage Dual Eligible Special Needs Plan Agreement

The legal entity holding a contract with CMS for the MA Dual SNP covered under this Agreement is under the ownership and control of the same parent organization as a STAR+PLUS MCO operating in at least one of the same regions as the MA Dual SNP covered under this Agreement. The STAR+PLUS MCO is responsible for covering the Medicaid benefits described in **Attachment B, Texas Medicaid Summary of Benefits.**

3.02 Enrollment.

(a) Unless a Dual Eligible is otherwise not eligible to enroll in the MA Product under federal Medicare Advantage plan rules, the MA Dual SNP will accept all Dual Eligibles who select the MA Dual SNP's MA Product without regard to physical or mental condition, health status or need for or receipt of healthcare services, claims experience, medical history, genetic information, disability, marital status, age, sex, national origin, race, color, or religion, and will not use any policy or practice that has the effect of such discrimination.

(b) MA Dual SNP will provide enrollment files of Dual Eligible Members and Other Dual SNP Members covering monthly reporting periods. The files must comply with State formatting requirements. After the conclusion of a monthly reporting period, the MA Dual SNP will submit the enrollment file no earlier than the first business day and no later than twenty (20) calendar days following the expiration of a three (3)-month lag period. HHSC will then verify eligibility of the Dual Eligible Members with HHSC's eligibility system and CMS enrollment information and return the validated enrollment information to MA Dual SNP by the fifth business day of the month following receipt of the enrollment file. By way of example, the MA Dual SNP must submit the January 2023 enrollment file no earlier than May 1, 2023 (the first business day of the month following a three-month lag period) and no later than May 20, 2023. HHSC will return validated enrollment information to the MA Dual SNP no later than June 7, 2023 (the fifth business day of the following month).

If the enrollment file does not include a Dual Eligible Member by the 20th calendar day deadline, the MA Dual SNP: (1) will lose the opportunity to receive the per member per month capitation payment for such Dual Eligible Member for the reporting period, and (2) will be responsible for all Cost Sharing Obligations for such Dual Eligible Member for the reporting period.

3.03 Healthcare Services.

(a) The MA Dual SNP must provide the MA Product to all Dual Eligible Members and Other Dual SNP Members who are qualified to receive such services under the terms of the MA Agreement.

(1) The MA Dual SNP must pay all eligible Network Providers and out-of-network providers the Cost Sharing Obligations incurred on behalf of Dual Eligible Members. Except as provided in Section 3.03(b), the amount or method of payment for Cost Sharing Obligations included in the agreements with Network Providers or out-of-network providers may differ between agreements.

In accordance with the Medicaid State Plan, Supplement 1 to Attachment 4.19-B, the amount of the MA Dual SNP's payment of Cost Sharing Obligations for the following services must be the same as or greater than the Medicare rate for the services:

- (A) behavioral health services provided by psychiatrists, psychologists, and licensed clinical social workers;
- (B) codes R0070 and R0075, related to the transport of portable x-ray equipment; and
- (C) ambulance services, including ground and air ambulance service.

(2) The MA Dual SNP is not responsible for paying Network Providers or out-of-network providers for the Deductibles, Coinsurance, and Co-payments incurred by Other Dual SNP Members.

Medicare Advantage Dual Eligible Special Needs Plan Agreement

(b) Unless the healthcare service or benefit is also covered under the MA Product, and is thus considered to be a Medicare benefit, the MA Dual SNP is not responsible for providing Medicaid-only wrap services or benefits to Dual Eligible Members or Other Dual SNP Members and is not expected to assume any obligations to provide Medicaid services or benefits other than those outlined in this Agreement. This provision does not limit or otherwise restrict the MA Dual SNP's obligation to provide Coordination of Care pursuant to Section 3.05.

3.04 Copies of MA Agreement.

Upon execution of this Agreement, the MA Dual SNP must provide HHSC with a copy of the MA Agreement and all attachments. The MA Dual SNP must provide HHSC with the actuarial value for Medicare Cost Sharing Obligations for the projection period consistent with the CMS bid submission. The MA Dual SNP agrees to provide HHSC a summary of its benefit designs for Dual Eligible Members and Other Dual SNP Members as well as financial data in a set format that allows HHSC, in HHSC's sole determination, to determine the cost of services and utilization experience to calculate the PMPM rates. In addition, the MA Dual SNP must also provide all amendments to the MA Agreement or the Bid Pricing Tool to HHSC within fifteen (15) business days of receiving a request for this information.

3.05 Coordination of Care.

(a) The MA Dual SNP is responsible for coordinating the delivery of all benefits covered by both Medicare and Medicaid for Dual Eligible Members, and Other Dual SNP Members who are eligible for LTSS, including when benefits are delivered via Medicaid fee-for-service. The MA Dual SNP must make reasonable efforts to coordinate Medicare Advantage benefits provided by the MA Dual SNP with LTSS provided through Texas Health and Human Services Commission and the STAR+PLUS MCOs. Coordination of Care must include the following for these members:

- (1) identify providers of covered Medicaid LTSS in the Texas service areas identified in **Attachment C, Proposed MA Product Service Areas**;
- (2) help access needed Medicaid LTSS, to the extent they are available to the member;
- (3) help coordinate the delivery of Medicaid LTSS and Medicare benefits and services; and
- (4) provide training to its Network Providers regarding Medicaid LTSS so that they may help members receive needed LTSS that are not covered by Medicare. The MA Dual SNP must inform Network Providers of the Medicare benefits and Medicaid LTSS available to Dual Eligible Members and Other Dual SNP Members.

(b) The MA Dual SNP's Coordination of Care efforts for LTSS may include protocols for working with STAR+PLUS service coordinators or HHSC caseworkers, as well as protocols for reciprocal referral and communication of data and clinical information regarding Dual Eligible Members with the coordinators and caseworkers.

(c) MA Dual SNPs that are not designated as HIDE-SNPs by CMS must provide timely notification of all admissions to a hospital and SNF to the STAR+PLUS MCO via a secure file transfer. The file shall be organized and populated in accordance with the template provided by HHSC. For the purposes of this section, timely notification is defined as no later than two business days from which the MA Dual SNP becomes aware that a High-Risk Dual Eligible Member has been admitted. If the MA Dual SNP delegates responsibility for information sharing to its contracted hospitals and SNFs, the MA Dual SNP will require its contracted hospitals and SNFs meet the same information sharing requirements on admissions as required of the MA Dual SNP by this Agreement. The MA Dual SNP retains ultimate responsibility for compliance with the information sharing requirements in this Agreement.

(d) The MA Dual SNP is responsible for the coordination of both Medicare and Medicaid benefits, regardless of whether a Dual Eligible Member is enrolled with the MA Dual SNP's companion Health Plan for Medicaid.

Medicare Advantage Dual Eligible Special Needs Plan Agreement

(e) The MA Dual SNP must provide HHSC with the name of the contact person at the MA Dual SNP who must be responsible for the Coordination of Care for dual eligible members. The MA Dual SNP must provide HHSC with the MA Dual SNP Coordination of Care contact person's name, telephone number, and e-mail address.

(f) The MA Dual SNP must also establish a contact person with each STAR+PLUS MCO and provide the same information required in (d) to each STAR+PLUS MCO.

3.06 Cost Sharing Protections for Dual Eligible Members.

The MA Dual SNP must notify its Network Providers, in writing (via a provider manual, provider bulletin, or other contractual document), that Network Providers:

(1) must not hold a Dual Eligible Member liable for the Cost Sharing Obligations; and

(2) must accept as payment in full the MA Dual SNP's payment of the Cost Sharing Obligations and must not seek additional payment from HHSC or a Dual Eligible Member for healthcare services covered under the MA Product offered by the MA Dual SNP and provided to the Dual Eligible Member.

3.07 Information Sharing.

(a) HHSC will provide the MA Dual SNP with resources regarding the LTSS covered by Medicaid in accordance with this section.

(b) Texas Medicaid benefits are described in **Attachment B, Texas Medicaid Summary of Benefits**. The MA Dual SNP must include the Texas Medicaid Summary of Benefits in its Member Handbook for the MA Product.

(c) HHSC and the MA Dual SNP will identify and share information, such as the following:

(1) HHSC will provide the MA Dual SNP with links to online Medicaid LTSS provider information for the traditional fee-for-service and STAR+PLUS programs. Within thirty (30) business days after receiving such information, the MA Dual SNP must post a link to this information on its website.

(2) The MA Dual SNP must:

(A) Notify Dual Eligible Members and Other Dual SNP Members, via its member communication materials that information concerning Medicaid provider participation is available on the MA Dual SNP's website;

(B) Notify Dual Eligible Members and Other Dual SNP Members that they may request written copies of Medicaid Provider directories by contacting their STAR+PLUS MCO;

(C) Assist the Dual Eligible Members and Other Dual SNP Members in obtaining printed copies of Medicaid Provider directories from their STAR+PLUS MCO; and

(D) Verify that the Dual Eligible Members and Other Dual SNP Member received the requested directory.

(3) The MA Dual SNP must notify Network Providers that information concerning Medicaid provider participation is available on the MA Dual SNP's website. The MA Dual SNP must provide this notice in the Network Provider agreement, Network Provider manuals, bulletins, faxes, policies and procedures, provider manual updates, or other contractual documents.

(4) The MA Dual SNP must have written procedures for ensuring that Dual Eligible Members and Other Dual SNP Members have access to the services identified in the MA Product, including policies regarding network adequacy that are consistent with the requirements of the MA Agreement. The MA Dual SNP must provide HHSC with a copy of these policies no later than five (5) business days after a request.

Medicare Advantage Dual Eligible Special Needs Plan Agreement

(d) The MA Dual SNP must encourage Network Provider SNF to electronically submit to the HHSC Medicaid claims administrator a resident transaction notice within 72 hours after a Dual Eligible Member's admission or discharge from the nursing facility, in accordance with 26 Tex. Admin. Code § 554.2615.

(e) The MA Dual SNP is required to notify HHSC of significant changes to the terms of its CMS contract within ten (10) business days of such changes, which may include but is not limited to the following: changes in the services areas; plan benefit package (PBP) changes; non-renewal; terminations or deficiencies of the contract; notices of intent to deny; and any novation agreements. Plans must submit to HHSC all CMS warning letters or corrective action plans within ten (10) business days of receipt.

(f) The MA Dual SNP is required to notify HHSC in the event the Plan receives less than a 3.0 star Medicare rating on either its Part C or Part D scores. The Plan must provide an outline of the steps proposed or implemented to improve the low score.

(g) The MA Dual SNP must participate in meetings with HHSC, telephonic or in person, relating to the health care provided under this Agreement and their compliance with this Agreement's terms, and to timely provide any necessary information and data upon HHSC's request.

(h) The MA Dual SNP, upon request from HHSC, must provide all documents it provides to and receives from CMS, within thirty (30) business days of the HHSC request, unless an extension is granted by HHSC.

3.08 Compliance with Laws.

The MA Dual SNP must comply with all applicable laws, rules, policies, and regulations governing this Agreement, including all applicable provisions of the Health Insurance Portability and Accountability Act of 1996, as amended or modified.

3.09 Privacy, Security, and Breach Notification.

(b) To verify Medicaid eligibility of an individual member, HHSC agrees to provide the MA Dual SNP with real-time access to HHSC's claims administrator's Medicaid eligibility verification system.

4.03 Service Areas.

HHSC authorizes the MA Dual SNP to add the MA Product to Texas service areas that are not identified in **Attachment C, Proposed MA Product Service Areas**, provided it receives prior CMS approval and complies with the notice requirements specified in this Agreement.

Article V. COMPENSATION*5.01 Payment.*

(a) HHSC will pay the MA Dual SNP a PMPM capitation payment of **\$10.00** as payment for the Cost Sharing Obligations for each Dual Eligible Member who is enrolled in the MA Product in a CMS-authorized Texas service area and confirmed by HHSC as eligible to participate, regardless of whether the Dual Eligible Member receives healthcare services during the period covered by the payment. HHSC will pay each PMPM capitation payment to MA Dual SNP within thirty (30) calendar days after HHSC returns the validated enrollment file to the MA Dual SNP in accordance with Section 3.02(b).

(b) If the MA Dual SNP includes a Dual Eligible Member on the monthly enrollment file by the deadline set forth in Section 3.02 and HHSC fails to pay the PMPM capitation payment for such Dual Eligible Member based on State error, HHSC will pay the MA Dual SNP any outstanding PMPM capitation payment owed thirty (30) calendar days after receiving written notice of the error from the MA Dual SNP.

(c) The PMPM capitation payment will be payment in full for the Cost Sharing Obligations attributable to a Dual Eligible Member as well as all costs associated with the administration of this Agreement. Neither the MA Dual SNP nor its Network Providers will seek additional payment from HHSC, Dual Eligible Members, or healthcare providers for such Cost Sharing Obligations.

(d) The MA Dual SNP will not be entitled to receive a PMPM capitation payment for Other Dual SNP Members. The MA Dual SNP has agreed to provide services relating to Other Dual SNP Members, as identified in this Agreement, as part of the consideration for receiving the PMPM capitation payment for Dual Eligible Members.

5.02 Rights of Set-off.

With respect to any amount that HHSC in good faith determines should be reimbursed to it or is otherwise payable to it by the MA Dual SNP pursuant to this Agreement, HHSC may deduct the entire amount owed against the charges otherwise payable or expenses owed to it under this Agreement until such time as the entire amount determined to be owed has been paid. HHSC will provide the MA Dual SNP with written notice of and supporting information concerning such offsets, and will be relieved of its obligation to make any payments to the MA Dual SNP until such time as all such amounts have been paid to HHSC.

5.03 Modification of Payment.

The PMPM capitation rate is subject to modification in accordance with Section 9.08 if HHSC reasonably determines that: (1) changes in state or federal laws, rules, regulations, or policies materially affect the rate; (2) an amendment, modification, or change to the MA Agreement materially affects the rate; or (3) other information justifies a modification to the rate. HHSC will provide the MA Dual SNP notice of a modification to the rate sixty (60) calendar days prior to the effective date of the change, unless HHSC

Medicare Advantage Dual Eligible Special Needs Plan Agreement

determines that circumstances warrant a shorter notice period. If the MA Dual SNP does not accept the rate change, the Parties may terminate this Agreement in accordance with Article VIII.

Article VI. REMEDIES*6.01 Understanding and expectations.*

The remedies described in this Article are directed to MA Dual SNP's timely and responsive performance of this Agreement, and the creation of a flexible and responsive relationship between the Parties. The MA Dual SNP must be subject to performance evaluation by HHSC. Performance reviews may be conducted at the discretion of HHSC at any reasonable time and may relate to any responsibility or requirement of the MA Dual SNP under this Agreement. Any responsibilities or requirements not fulfilled by the MA Dual SNP may be subject to the remedies set forth in this Agreement.

6.02 Tailored remedies.

(a) Understanding of the Parties.

The MA Dual SNP agrees and understands that HHSC may pursue tailored contractual remedies for noncompliance with this Agreement, to the extent that noncompliance is not due to adherence with the requirements of the MA Agreement. At any time and at its discretion, HHSC may impose or pursue one or more remedies for each instance of noncompliance and will determine remedies on a case-by-case basis. HHSC's pursuit or non-pursuit of a tailored remedy does not constitute a waiver of any other remedy that HHSC may have pursuant to this Agreement or at law or equity.

(b) Corrective action plan.

(1) At its discretion, HHSC may require the MA Dual SNP to submit a written plan ("Corrective Action Plan") to correct or resolve a deficiency or breach of this Agreement, as determined by HHSC.

(2) The Corrective Action Plan must provide:

- (A) A detailed explanation of the reasons for the cited deficiency;
- (B) The MA Dual SNP's assessment or diagnosis of the cause; and
- (C) A specific proposal to cure or resolve the deficiency; and
- (D) The MA Dual SNP's timeline for cure or resolution of the deficiency.

(3) The Corrective Action Plan must be submitted by the deadline set forth in HHSC's written request for a Corrective Action Plan, unless an extension is granted by HHSC.

(4) The Corrective Action Plan is subject to approval by HHSC.

(5) HHSC will notify the MA Dual SNP in writing of whether HHSC approves of the MA Dual SNP's proposed Correction Action Plan.

(6) If HHSC approves the MA Dual SNP's proposed Corrective Action Plan, HHSC may condition such approval on completion of tasks in the order of priority that HHSC may reasonably prescribe,

(7) If HHSC does not approve the MA Dual SNP's proposed Correction Action Plan, HHSC may:

- (A) Disapprove portions of the MA Dual SNP's proposed Corrective Action Plan; or
- (B) Require additional or different corrective actions relating to the breach.

Medicare Advantage Dual Eligible Special Needs Plan Agreement

Notwithstanding the submission and acceptance of a Corrective Action Plan, the MA Dual SNP remains responsible for achieving all contractual requirements.

(8) HHSC's acceptance of a Corrective Action Plan under this Section will not:

- (A) Excuse the MA Dual SNP's prior substandard performance;
- (B) Relieve the MA Dual SNP of its duty to comply with performance standards; or
- (C) Prohibit HHSC from assessing additional tailored remedies or pursuing other appropriate remedies for continued substandard performance.

(c) Administrative remedies.

(1) At its discretion, HHSC may impose one or more of the following remedies for each item of noncompliance and will determine the scope and severity of the remedy on a case-by-case basis:

- (A) Assess liquidated damages up to \$500 per month or portion of the month the MA Dual SNP fails to provide a complete copy of the MA Agreement and all amendments, modifications, or changes as required by Section 3.05, or, in the case of all other breaches of this Agreement, assess liquidated damages up to \$100 per calendar day until the breach is cured to the satisfaction of HHSC;
- (B) Conduct accelerated monitoring of the MA Dual SNP. Accelerated monitoring includes more frequent or more extensive monitoring by HHSC or its agent;
- (C) Require additional, more detailed data or reports to be submitted by the MA Dual SNP;
- (D) Withhold or recoup payment to the MA Dual SNP; or
- (E) Terminate the Agreement in accordance with Article VIII.

(2) For purposes of this Agreement, an item of noncompliance means a specific action of the MA Dual SNP that:

- (A) Violates any provision of this Agreement;
- (B) Represents a failure of MA Dual SNP to be reasonably responsive to a request by HHSC for information, assistance, or support relating to this Agreement within the timeframe specified by HHSC.

(3) HHSC will provide notice to the MA Dual SNP of its assessment of an administrative remedy, with the exception of accelerated monitoring, which may be unannounced.

(d) Damages.

(1) HHSC will be entitled to actual or liquidated, damages resulting from the MA Dual SNP's failure to comply with any of the terms of this Agreement. In some cases, the actual damage to HHSC as a result of the MA Dual SNP's failure to meet any aspect of the responsibilities of this Agreement is difficult or impossible to determine with precise accuracy. Therefore, liquidated damages will be assessed in writing against and paid by the MA Dual SNP in accordance with Section 6.02(c)(1) (A)–(B). Liquidated damages may be assessed if HHSC determines such failure is the fault of the MA Dual SNP (including the MA Dual SNP's subcontractors or agents) and is not materially caused or contributed to by HHSC or its agents. If at any time, HHSC determines the MA Dual SNP has not met any aspect of the responsibilities of this Agreement due to mitigating circumstances, HHSC reserves the right to waive all or part of the liquidated damages. All such waivers must be in writing, contain the reasons for the waiver, and must be signed by the appropriate executive of HHSC.

Medicare Advantage Dual Eligible Special Needs Plan Agreement

(2) The liquidated damages prescribed in Section 6.02(c)(1)(A)–(B) are not intended to be in the nature of a penalty; but are intended to be reasonable estimates of HHSC’s projected financial loss and damage resulting from the MA Dual SNP’s nonperformance, including financial loss as a result of project delays. Accordingly, in the event the MA Dual SNP fails to perform in accordance with this Agreement, HHSC may assess liquidated damages only as provided in this Article.

(3) If the MA Dual SNP fails to perform any of the responsibilities described in this Agreement, HHSC may assess liquidated damages for each occurrence of a liquidated damages event, to the extent consistent with HHSC’s tailored approach to remedies and Texas law.

(4) HHSC may elect to collect liquidated damages:

(A) Through direct assessment and demand for payment delivered to the MA Dual SNP; or

(B) By deduction of amounts assessed as liquidated damages as set-off against payments then due to the MA Dual SNP Health Plan or that become due at any time after assessment of the liquidated damages. HHSC will make deductions until the full amount payable by the MA Dual SNP Health Plan is received by HHSC.

(e) Equitable Remedies.

(1) The MA Dual SNP acknowledges that, if the MA Dual SNP breaches its material obligation under this Agreement, HHSC may be irreparably harmed. In such a circumstance, HHSC may proceed directly to court to pursue equitable remedies.

(2) If a court of competent jurisdiction finds that the MA Dual SNP breached any such obligations, the MA Dual SNP agrees that without any additional findings of irreparable injury or other conditions to injunctive relief, it must not oppose the entry of an appropriate order compelling performance by the MA Dual SNP and restraining it from any further breaches.

Article VII. DISPUTE RESOLUTION

7.01 General Agreement of the Parties.

The Parties mutually agree that the interests of fairness, efficiency, and good business practices are best served when the Parties employ all reasonable and informal means to resolve any dispute under this Agreement. The Parties express their mutual commitment to using all reasonable and informal means of resolving disputes prior to invoking a remedy provided elsewhere in this Section.

7.02 Duty to Negotiate in Good Faith.

Any dispute that in the judgment of any Party to this Agreement may materially or substantially affect the performance of this Agreement will be reduced to writing and delivered to the other Party within ten business days. The Parties must then negotiate in good faith and use every reasonable effort to resolve such dispute and the Parties shall not resort to any formal proceedings unless they have reasonably determined that a negotiated resolution is not possible. The resolution of any dispute disposed of by agreement between the Parties shall be reduced to writing and delivered to all Parties within ten business days.

7.03 Claims for Breach of Agreement.

(a) *General Requirement.* As required by Tex. Gov’t Code Chapter 2260, any claim by the MA Dual SNP for breach of this Agreement must be resolved in accordance with the dispute resolution process established by HHSC in accordance with Tex. Gov’t Code Chapter 2260.

Medicare Advantage Dual Eligible Special Needs Plan Agreement

(b) *Negotiation of Claims.* The Parties expressly agree that if the MA Dual SNP's claim for breach of this Agreement cannot be resolved by the Parties in the ordinary course of business or through the use of all reasonable and informal means will be submitted to the negotiation process provided in Tex. Gov't Code Chapter 2260, Subchapter B.

(1) To initiate the process, the MA Dual SNP must submit written notice to HHSC that specifically states that the MA Dual SNP invokes the provisions of Tex. Gov't Code Chapter 2260, Subchapter B. The notice must comply with the requirements of Tex. Gov't Code Chapter 2260, Subchapter B and 1 Tex. Admin. Code Chapter §391.621.

(2) The Parties agree that the MA Dual SNP's compliance with Tex. Gov't Code Chapter 2260, Subchapter B, will be a condition precedent to the filing of a contested case proceeding under Tex. Gov't Code Chapter 2260, Subchapter C.

(c) *Contested Case Proceedings.* The contested case process provided in Tex. Gov't Code Chapter 2260, Subchapter C, will be the MA Dual SNP's sole and exclusive process for seeking a remedy for any and all alleged breaches of contract by HHSC if the Parties are unable to resolve their disputes under Section 7.03(b). The Parties expressly agree that compliance with the contested case process provided in Tex. Gov't Code Chapter 2260, Subchapter C, will be a condition precedent to seeking consent to sue HHSC from the Texas Legislature under Chapter 107, Texas Civil Practices and Remedies Code. Neither the execution of this Agreement by HHSC nor any other conduct of any representative of HHSC relating to this Agreement will be considered a waiver of HHSC's sovereign immunity to suit.

(d) *HHSC Rules.* The submission, processing, and resolution of MA Dual SNP's claim is governed by 1 Tex. Admin. Code §391.621, Subchapter F, in addition to the provisions of Tex. Gov't Code Chapter 2260.

(e) *MA Dual SNP's Duty to Perform.* Neither the occurrence of an event constituting an alleged breach of contract nor the pending status of any claim for breach of contract is grounds for the suspension of performance, in whole or in part, by the MA Dual SNP of any duty or obligation with respect to the performance of this Agreement. Any changes to the Agreement as a result of a dispute resolution will be implemented in accordance with Section 9.07.

Article VIII. TERMINATION

8.01 This Agreement may be terminated by mutual written agreement of the Parties.

8.02 HHSC may terminate the Agreement in whole or in part and at any time when, in its sole discretion, it determines that termination is in the best interests of HHSC. The termination will be effective on the date specified in HHSC's notice of termination. HHSC will provide the MA Dual SNP written notice of this termination at least thirty (30) calendar days prior to the effective date of termination, unless HHSC determines that circumstances warrant a shorter notice period.

8.03 In addition to the reasons set forth above or as otherwise provided by the U.S. Bankruptcy Code, or any successor law, HHSC may terminate this Agreement upon the following conditions:

(a) HHSC may terminate this Agreement at any time if a court of competent jurisdiction finds MA Dual SNP failed to adhere to any laws, ordinances, rules, regulations, or orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of MA Dual SNP's duties under this Agreement.

(b) HHSC may terminate this Agreement at any time following the determination by a competent judicial or quasi-judicial authority and MA Dual SNP's exhaustion of all legal remedies that MA Dual SNP, its employees, agents, subcontractors, or representatives have either offered or given anything of value to an officer or employee of HHSC or the State of Texas in violation of state law. For purposes of this Section, a "thing of value" means any item of tangible or intangible property that has a monetary value

Medicare Advantage Dual Eligible Special Needs Plan Agreement

of more than \$50.00 and includes, but is not limited to, cash, food, lodging, entertainment, and charitable contributions. The term does not include contributions to holders of public office or candidates for public office that are paid and reported in accordance with state or federal law.

(c) HHSC may terminate the Agreement if funds for the continued fulfillment of this Agreement by HHSC are at any time not forthcoming or are insufficient, through failure of any entity to appropriate funds or otherwise. HHSC will provide the MA Dual SNP written notice of such termination at least one hundred and twenty (120) calendar days prior to termination, unless circumstances warrant a shorter notice period.

(d) The Parties have the mutual right to terminate the Agreement at any time and in whole or in part if one or the other determines, at each Party's sole discretion, that the other Party has breached the Agreement.

8.04 The MA Dual SNP may terminate this Agreement by providing HHSC written notice at least thirty (30) calendar days prior to termination. The termination is effective on the date specified in the MA Dual SNP's notice of termination.

8.05 In the event of termination pursuant to this Article, HHSC will pay the PMPM capitation payment for Cost Sharing Obligations incurred through the effective date of termination, provided the MA Dual SNP has complied with the submission requirements set forth in Section 3.02(b). All pertinent provisions of the Agreement will form the basis of settlement. This provision will survive the termination of the Agreement.

8.06 The MA Dual SNP is required to participate in all activities as directed by the State which relate to member transition as a result of termination of this Agreement. This applies to terminations directed by the State, CMS or the MA Dual SNP.

ARTICLE IX. MISCELLANEOUS PROVISIONS*9.01 Non-Debarment from State or Federal Healthcare Programs.*

The MA Dual SNP represents that neither it nor any of its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily or mandatorily excluded from participation in any state or federal healthcare program.

9.02 Severability.

If any provision of the Agreement is held to be illegal, invalid or unenforceable by a court of law or equity, such construction will not affect the legality, validity or enforceability of any other provision or provisions of this Agreement. It is the intent and agreement of the Parties this Agreement shall be deemed amended by modifying such provision to the extent necessary to render it valid, legal and enforceable while preserving its intent or, if such modification is not possible, by substituting another provision that is valid, legal and enforceable and that achieves the same objective. All other provisions of this Agreement will continue in full force and effect.

9.03 Survivability.

Expiration or termination of the Agreement for any reason does not release MA Dual SNP from any liability or obligation set forth in the Agreement that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Agreement, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.

9.04 Force Majeure.

Medicare Advantage Dual Eligible Special Needs Plan Agreement

Neither Party shall be liable to the other for any delay in, or failure of performance of, any requirement included in the Agreement caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either Party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such Party is unable to overcome.

9.05 Assignment.

(a) The MA Dual SNP must not assign all or any portion of its rights under or interests in this Agreement or delegate any of its duties without prior written consent of HHSC. Any written request for assignment or delegation must be accompanied by written acceptance of the assignment or delegation by the assignee or delegation by the delegate. Except where otherwise agreed in writing by HHSC, assignment or delegation will not release the MA Dual SNP from its obligations under this Agreement.

(b) The MA Dual SNP understands and agrees HHSC may in one or more transactions assign, pledge, or transfer this Agreement. This assignment will only be made to another state agency or a non-state agency that is contracted to perform agency support.

9.06 Binding Effect.

The Agreement shall inure to the benefit of, be binding upon, and be enforceable against, each Party and their respective permitted successors, assigns, transferees, and delegates.

9.07 Modification, Amendment, or Waiver.

This Agreement may only be modified, amended, or waived by mutual written agreement or in accordance with Section 7.03(e). No course of dealing between the Parties will modify, amend, or waive any provision of this Agreement or any rights or obligations of any Party under this Agreement.

9.08 Record Retention and Audit.

(a) The MA Dual SNP agrees to maintain, and require its subcontractors to maintain, supporting information and documents that are adequate to ensure that payment is made in accordance with applicable federal and state requirements. These documents, including all original claims forms, will be maintained and retained by the MA Dual SNP or its subcontractors for a period of ten (10) years after the expiration of the Agreement period or until the resolution of all litigation, claim, financial management review, or audit pertaining to this Agreement, whichever is longer. The MA Dual SNP agrees to timely repay any undisputed audit exceptions taken by HHSC in any audit of the Agreement.

(b) If HHSC determines that it has overpaid the MA Dual SNP, HHSC will provide the MA Dual SNP with written notice of the overpayment, including the amount of overpayment and supporting information. The MA Dual SNP must promptly pay HHSC the amount of any undisputed overpayment the MA Dual SNP owes HHSC, plus interest. Interest on this amount will be calculated from the date of receipt by the MA Dual SNP of the undisputed overpaid amount until the date of payment to HHSC, and will be calculated at the Department of Treasury's Median Rate (resulting from the Treasury's auction of 13-week bills) for the week in which liability is assessed. In the event an audit reveals an overpayment caused in whole or in part by the MA Dual SNP's, its subcontractors' or agents' error, MA Dual SNP must reimburse HHSC for all costs of the audit.

(c) For purposes of this Section 9.07 only, the term "subcontractor" does not include Network Providers.

9.09 SAO Audit.

Medicare Advantage Dual Eligible Special Needs Plan Agreement

The MA Dual SNP understands that acceptance of funds under this Agreement acts as acceptance of the authority of the State Auditor's Office (SAO), or any successor agency, to conduct an investigation in connection with those funds. The MA Dual SNP further agrees to cooperate fully with the SAO or its successor in the conduct of the audit or investigation, including providing all records requested. The MA Dual SNP must ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through MA Dual SNP and the requirement to cooperate is included in any subcontract it awards.

9.10 Access to records, books, and documents.

(a) Upon reasonable notice, MA Dual SNP must provide, and require its subcontractors to provide, the officials and entities identified in this section with prompt, reasonable, and adequate access to any records, books, documents, and papers that are directly pertinent to the performance of this Agreement.

(b) MA Dual SNP and its subcontractors must provide the access described in this section upon HHSC's request. This request may be for, but is not limited to, the following purposes: examination; audit; investigation; contract administration; or the making of copies, excerpts, or transcripts.

(c) The access required must be provided to the following officials or entities or their designees: the United States Department of Health and Human Services; the Comptroller General of the United States; HHSC; the HHSC Office of Investigations and Enforcement; the Office of the State Auditor of Texas; Texas or federal law enforcement agencies; a special or general investigating committee of the Texas Legislature; and any other entity identified by HHSC.

(d) MA Dual SNP agrees to provide the access described wherever MA Dual SNP maintains these books, records, and supporting documentation. MA Dual SNP further agrees to provide such access in reasonable comfort and to provide any furnishings, equipment, or other conveniences deemed reasonably necessary to fulfill the purposes described in this Section. MA Dual SNP must require its subcontractors to provide comparable access and accommodations.

(e) Upon request, MA Dual SNP must provide copies of the information described in this Section free of charge to HHSC and the entities described in subsection (c).

9.11 Governing Law & Venue.

This Agreement is governed by the laws of the State of Texas and interpreted in accordance with Texas law, except to the extent preempted by federal law. Provided the MA Dual SNP first complies with the procedures set forth in Article VII, "Dispute Resolution," proper venue for a claim arising from this Agreement will be in a court of competent jurisdiction in Travis County, Texas. Additionally, any equitable remedy pursued by HHSC as referenced in Section 6.02(e) will be filed in a court of competent jurisdiction in Travis County, Texas.

9.12 Publicity.

Except as otherwise required by this Agreement or by law, the MA Dual SNP must not use the name of HHSC, the State of Texas, or any other state agency, or refer to HHSC or any state agency directly or indirectly in any media release, public announcement, or public disclosure relating to the Agreement or its subject matter, including in any promotional or marketing materials, customer lists, or business presentations (other than proposals or reports submitted to HHSC, an administrative agency of the State of Texas, or a governmental agency or unit of another state or the federal government).

9.13 Anti-trust.

The MA Dual SNP hereby certifies to HHSC that neither the MA Dual SNP, nor the person represented by the MA Dual SNP, nor any person acting for the represented person, has been found by a

Medicare Advantage Dual Eligible Special Needs Plan Agreement

judgment of a court of law to have violated the anti-trust laws codified by Chapter 15, Texas Business and Commerce Code, or the federal anti-trust laws.

9.14 Requests for public information.

(a) HHSC agrees to promptly notify the MA Dual SNP of a request for disclosure of information filed in accordance with the Texas Public Information Act, Tex. Gov't Code Chapter 552, that consists of information identified by the MA Dual SNP as "confidential information," including information to which the MA Dual SNP believes it has a proprietary or commercial interest. HHSC will deliver a copy of the request for public information to the MA Dual SNP.

(b) With respect to any information that is the subject of a request for disclosure, the MA Dual SNP is required to demonstrate to the Texas Office of Attorney General the specific reasons why the requested information or data is confidential or otherwise excepted from required public disclosure under law. The MA Dual SNP must provide the HHSC Contract Representation with copies of all communications made under this section.

(c) The MA Dual SNP must make information defined as public information not otherwise excepted from disclosure under the Texas Public Information Act, Tex. Gov't Code Chapter 552 available to HHSC in a format agreeable to HHSC, accessible by the public, and at no additional charge to HHSC.

MEMORANDUM FOR THE STATE MEDICAID DIRECTOR

THROUGH: Shannon Kelley
Deputy Executive Commissioner
Managed Care

FROM: Camisha D. Banks
Deputy Associate Commissioner
Managed Care

SUBJECT: 2023 Medicare Advantage Plan and Medicare Advantage Dual Eligible
Special Needs Plan Contracts

Purpose

To obtain your approval to process and execute the annual 2023 Medicare Advantage Plan (MAP) and Medicare Advantage Dual Eligible Special Needs Plan (MA DSNP) contracts, effective January 1, 2023.

Background/Summary

Health and Human Services (HHS) Circular C-046 authorizes chiefs of Health and Human Services Commission (HHSC) to approve contracts less than \$49 million. Although MAP and MA DSNP contracts are processed as zero-dollar contracts, each has a historical spend of \$5 million or less.

In accordance with the State Plan, HHSC is financially responsible for the cost sharing obligations attributable to dual eligible members enrolled in a MAP or MA DSNP Medicare Advantage (MA) product. MAP plans can enroll any individual that is eligible for Medicare, however MA DSNP plans only enroll dual eligible individuals. The Centers for Medicare and Medicaid Services (CMS) requires plans that wish to operate as a MA DSNP to contract with the Medicaid State Agency. CMS also requires the MA DSNPs to submit their fully executed contracts to CMS prior to July 1 of that upcoming contract year. To meet the CMS deadline, the MA DSNP contracts must be executed before June 30, 2022, for submission to CMS prior to July 1, 2022. CMS does not require the MAPs to contract with

HHSC, however if the MAP chooses to contract with the HHSC, then HHSC will pay a set amount for cost sharing obligations for its dual eligible members.

MAP and MA DSNP contracts expire annually on December 31st of each year.

Discussion

Pursuant to the MA and MA DSNP contracts, HHSC will pay the MA and MA DSNP plans a monthly capitation payment of \$10.00 per member per month (PMPM) in exchange for the MA and MA DSNP’s payment of HHSC’s cost sharing obligations to healthcare providers for deductibles, coinsurance and copayments for the Medicare Part A and Part B programs for dual eligible members. Typically, Managed Care Contracts and Oversight (MCCO) process and execute contracts with the same vendors annually; however, new vendors do request contracts periodically. The number of contracts or vendors enrolling has not been determined for contract year 2023; however, based on historical data, MCCO anticipates approximately, eight MAP contracts and 25 MA DSNP contracts to be executed.

Recommendation

Staff recommends approval to process and execute the 2023 MAP and MA DSNP contracts effective January 1, 2023 by May 16, 2022, to ensure MA DSNP plans have sufficient time to submit its contracts to CMS by the July 1 deadline.
