STATEMENT OF WORK
(Multisystemic Therapy® Program)

I. PURPOSE

The purpose of this Health and Human Services Commission (HHSC) funding is to expand the use of Multisystemic Therapy® (MST) in the state of Texas. MST is an evidence-based intensive family and community-based treatment program for at-risk youth with intensive needs and their families. MST intervention is a short-term (three to five months), intensive (services are available 24 hours a day), and community-based clinical intervention aimed at promoting pro-social behavior and interrupting the child's involvement with the juvenile justice system. MST is non-traditional as services are delivered in the child's community and home instead of in an office setting. MST addresses the core causes of delinquent and antisocial conduct by identifying key drivers of the behaviors through an ecological assessment of the child.

II. GRANTEE RESPONSIBILITIES

A. Funding. Grantee shall expend MST funds only on the following costs:

1. Delivery of evidence-based MST Services as outlined at <https://www.mstservices.com/mst-juvenile-delinquency-prevention-program>.
2. Activities that facilitate expansion or initiation of an MST program as outlined by MST Services at <https://www.mstservices.com/mst-juvenile-delinquency-prevention-program>.
3. Administrative costs related to licensing, program implementation, service provision, and oversight of any MST providers; this includes, but is not limited to, additional personnel, fringe benefits, supplies, staff travel, and other direct and indirect costs.
4. To begin the licensing process with MST Services, pre-award spending against submitted budget categories is allowable.

B. Licensing. Grantee and/or subcontractor(s) must be a licensed MST provider accredited by an approved MST licensing entity. If not already licensed, Grantee and/or subcontractor must pursue licensing under this award.

C. Implementation. Per MST Service model requirements detailed at <https://www.mstservices.com/mst-juvenile-delinquency-prevention-program>, once licensed, Grantee and/or subcontractor(s) must provide MST to children and families within the systems they are embedded in, such as their homes, schools, and communities, via MST Teams, which consist of two to four therapists and a supervisor. According to their licensure, therapists and supervisors must be in compliance with Texas Occupation Code.

D. Fidelity. Grantee and/or subcontractor(s) will work with an approved MST licensing entity designated by MST Services to participate in ongoing training, supervision, and

technical assistance required to maintain MST credentialing and to better ensure fidelity to the MST model. To maintain licensing, MST service providers are required to participate in quality assurance monitoring and undertake continuous quality improvement activities in collaboration with their MST licensing provider.

- E. Eligibility.** Grantee and/or subcontractor(s) must ensure that youth served meet eligibility requirements as defined by the MST model detailed at <https://www.mstservices.com/mst-juvenile-delinquency-prevention-program>.
- F. Referral Process.** Grantee and/or subcontractor(s) must develop processes to ensure that eligible children and families are aware of and have access to MST services. MST Teams must work with community stakeholders to identify referral sources, and ensure compliance with referral process as defined by MST model. MST Teams must work with the Texas Child Mental Health Care Consortium (TCMHCC) and other child serving organizations such as those listed above to identify and refer children who could benefit from MST.
- G. Subcontracting.** Grantee subcontracting with eligible individual(s), entity or entities must administer and oversee all contracted activities and engage in regular communication with HHSC and stakeholders on MST implementation.
- H. Learning Collaborative.** Grantee and subcontractor(s) must participate in regularly scheduled meetings hosted by HHSC and other MST providers, to share implementation lessons, and discuss technical assistance needs.

III. PERFORMANCE MEASURES

The following performance measures will be used to assess Grantee’s effectiveness in providing the services described in this Statement of Work.

Grantee must:

- A.** Collect and report data to MST Services and/or their designated data coordination entity per MST Services data collection requirements. Grantee will allow HHSC to access client level data and information obtained as part of the MST Program Implementation Review.
- B.** Provide updates on program implementation to HHSC on a quarterly basis (e.g., hiring, training, licensure status, outreach progress etc.) using an HHSC-approved instrument. Quarterly reports are due per the following schedule:

Period of Performance by Quarter (Q)	Due Date
Q1: September 1st through November 30th	December 20th
Q2: December 1st through February 28th	March 20th
Q3: March 1st through May 30th	June 20th

Period of Performance by Quarter (Q)	Due Date
Q4: June 1st through August 31st	September 30th

C. Oversee subcontractor(s) adherence to all reporting requirements.

IV. EXPENDITURE REPORTING AND REIMBURSEMENT

A. Payment methodology will be cost reimbursement.

B. Grantee shall request monthly payments by the 15th day following each service month using the State of Texas Purchase Voucher Form 4116, which is incorporated by reference and can be downloaded at: <https://hhs.texas.gov/laws-regulations/forms/4000-4999/form-4116-state-texas-purchase-voucher>.

D. The Grantee must submit invoices to HHSC_AP@HHSC.state.tx.us and copy MHContracts@hhsc.state.tx.us and the assigned Contract Manager. It is recommended the Grantee use the following naming convention for the subject line of invoice submission emails: "Invoice Submission. [Legal Entity Name of Contractor]. Invoice [Number]. [Invoice Amount]. Purchase Order (PO) [Number] (if applicable). [Service Date or Month of Service]." In addition, invoices must comply with standards set forth in Title 34, Texas Administrative Code, Part 1, Chapter 20, Subchapter F, Division 1, Rule §20.487. If any invoice requirements and provisions specifically laid out elsewhere in the Contract conflict with those set forth here, those specific provisions take precedence. Alternative submission arrangements must be approved by the assigned Contract Manager.

11.7 CHANGE IN LAWS AND COMPLIANCE WITH LAWS

Grantee shall comply with all laws, regulations, requirements and guidelines applicable to a Grantee providing services and products required by the Grant Agreement to the State of Texas, as these laws, regulations, requirements and guidelines currently exist and as amended throughout the term of the Grant Agreement. Notwithstanding Section 11.1, Amendments, above, System Agency reserves the right, in its sole discretion, to unilaterally amend the Grant Agreement to incorporate any modifications necessary for System Agency's compliance, as an agency of the State of Texas, with all applicable state and federal laws, regulations, requirements and guidelines.

11.8 SUBCONTRACTORS

Grantee may not subcontract any or all of the Work and/or obligations under the Grant Agreement without prior written approval of the System Agency. Subcontracts, if any, entered into by the Grantee shall be in writing and be subject to the requirements of the Grant Agreement. Should Grantee subcontract any of the services required in the Grant Agreement, Grantee expressly understands and acknowledges System Agency is in no manner liable to any subcontractor(s) of Grantee. In no event shall this provision relieve Grantee of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with the Grant Agreement.

11.9 PERMITTING AND LICENSURE

At Grantee's sole expense, Grantee shall procure and maintain for the duration of this Grant Agreement any state, county, city, or federal license, authorization, insurance, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Grantee to provide the goods or services required by this Grant Agreement. Grantee shall be responsible for payment of all taxes, assessments, fees, premiums, permits, and licenses required by law. Grantee shall be responsible for payment of any such government obligations not paid by its Subcontractors during performance of this Grant Agreement.

11.10 INDEPENDENT CONTRACTOR

Grantee and Grantee's employees, representatives, agents, Subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the services

under the Grant Agreement. Neither Grantee nor System Agency is an agent of the other and neither may make any commitments on the other party's behalf. The Grantee is not a "governmental body" solely by virtue of this Grant Agreement or receipt of grant funds under this Grant Agreement. Grantee shall have no claim against System Agency for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. The Grant Agreement shall not create any joint venture, partnership, agency, or employment relationship between Grantee and System Agency.

11.11 GOVERNING LAW AND VENUE

The Grant Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Grant Agreement is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the System Agency.

11.12 SEVERABILITY

If any provision contained in this Grant Agreement is held to be unenforceable by a court of law or equity, such construction will not affect the legality, validity, or enforceability of any other provision or provisions of this Grant Agreement. It is the intent and agreement of the Parties this Grant Agreement shall be deemed amended by modifying such provision to the extent necessary to render it valid, legal and enforceable while preserving its intent or, if such modification is not possible, by substituting another provision that is valid, legal and enforceable and that achieves the same objective. All other provisions of this Grant Agreement will continue in full force and effect.

11.13 SURVIVABILITY

Expiration or termination of the Grant Agreement for any reason does not release Grantee from any liability or obligation set forth in the Grant Agreement that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Grant Agreement, including without limitation the provisions regarding return of grant funds, audit requirements, records retention, public information, warranty, indemnification, confidentiality, and rights and remedies upon termination.

11.14 FORCE MAJEURE

Neither Grantee nor System Agency shall be liable to the other for any delay in, or failure of performance, of any requirement included in the Grant Agreement caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

11.15 NO IMPLIED WAIVER OF PROVISIONS

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Grantee which is in violation or breach of the terms of the Grant Agreement shall not be construed as a waiver of the violation or breach, or of any future violation or breach.

11.16 FUNDING DISCLAIMERS AND LABELING

- A. Grantee shall not use System Agency's name or refer to System Agency directly or indirectly in any media appearance, public service announcement, or disclosure relating to this Grant Agreement including any promotional material without first obtaining written consent from System Agency. The foregoing prohibition includes, without limitation, the placement of banners, pop-up ads, or other advertisements promoting Grantee's or a third party's products, services, workshops, trainings, or other commercial offerings on any website portal or internet-based service or software application hosted or managed by Grantee. This does not limit the Grantee's responsibility to comply with obligations related to the Texas Public Information Act or Texas Open Meetings Act.
- B. In general, no publication (including websites, reports, projects, etc.) may convey System Agency's recognition or endorsement of the Grantee's project without prior written approval from System Agency. Publications funded in part or wholly by HHS grant funding must include a statement that "HHS and neither any of its components operate, control, are responsible for, or necessarily endorse, this publication (including, without limitation, its content, technical infrastructure, and policies, and any services or tools provided)" at HHS's request.

11.17 MEDIA RELEASES

- A. Grantee shall not use System Agency's name, logo, or other likeness in any press release, marketing material or other announcement without System Agency's prior written approval. System Agency does not endorse any vendor, commodity, or service. Grantee is not authorized to make or participate in any media releases or public announcements pertaining to this Grant Agreement or the Services to which they relate without System Agency's prior written consent, and then only in accordance with explicit written instruction from System Agency.
- B. Grantee may publish, at its sole expense, results of Grantee performance under the Grant Agreement with the System Agency's prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.

11.18 PROHIBITION ON NON-COMPETE RESTRICTIONS

Grantee shall not require any employees or Subcontractors to agree to any conditions, such as non-compete clauses or other contractual arrangements, that would limit or restrict such persons or entities from employment or contracting with the State of Texas.

11.19 SOVEREIGN IMMUNITY

Nothing in the Grant Agreement will be construed as a waiver of the System Agency's or the State's sovereign immunity. This Grant Agreement shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the

System Agency or the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas under the Grant Agreement or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. System Agency does not waive any privileges, rights, defenses, or immunities available to System Agency by entering into the Grant Agreement or by its conduct prior to or subsequent to entering into the Grant Agreement.

11.20 ENTIRE CONTRACT AND MODIFICATION

The Grant Agreement constitutes the entire agreement of the Parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in any future document incorporated into the Grant Agreement will be harmonized with this Grant Agreement to the extent possible.

11.21 COUNTERPARTS

This Grant Agreement may be executed in any number of counterparts, each of which will be an original, and all such counterparts will together constitute but one and the same Grant Agreement.

11.22 PROPER AUTHORITY

Each Party represents and warrants that the person executing this Grant Agreement on its behalf has full power and authority to enter into this Grant Agreement.

11.23 E-VERIFY PROGRAM

Grantee certifies that it utilizes and will continue to utilize the U.S. Department of Homeland Security's E-Verify system to determine the eligibility of:

- A. all persons employed to perform duties within Texas during the term of the Grant Agreement; and

These laws provide in part that no persons in the United States may, on the grounds of race, color, national origin, sex, age, disability, political beliefs, or religion, be excluded from

- participation in or denied any aid, care, service or other benefits provided by Federal or State funding, or otherwise be subjected to discrimination.
- C. Grantee agrees to comply with Title VI of the Civil Rights Act of 1964, and its implementing regulations at 45 C.F.R. Part 80 or 7 C.F.R. Part 15, prohibiting a contractor from adopting and implementing policies and procedures that exclude or have the effect of excluding or limiting the participation of clients in its programs, benefits, or activities on the basis of national origin. State and federal civil rights laws require contractors to provide alternative methods for ensuring access to services for applicants and recipients who cannot express themselves fluently in English. Grantee agrees to take reasonable steps to provide services and information, both orally and in writing, in appropriate languages other than English, in order to ensure that persons with limited English proficiency are effectively informed and can have meaningful access to programs, benefits, and activities.
- D. Grantee agrees to post applicable civil rights posters in areas open to the public informing clients of their civil rights and including contact information for the HHS Civil Rights Office.
