### **III. STATEMENT OF SERVICES TO BE PERFORMED**

3.01 **Provision of Natural Gas:** The GLO agrees to sell and the Receiving Agency agrees to buy the Receiving Agency’s Full Requirements of natural gas on the terms and conditions set forth herein. If this contract is extended into a new biennium pursuant to Section 1.01, the GLO and the Receiving Agency shall, by written agreement, amend Exhibit A and Exhibit B, otherwise the

GLO will, in its sole discretion, schedule the volume(s) of natural gas to supply to the Receiving Agency for that period.

**3.02 Use of Natural Gas:** The Receiving Agency agrees that the natural gas purchased under the terms and conditions of this Contract shall be used only for the operational needs of the facilities, which includes providing gas to Receiving Agency's tenants, if any, identified in Exhibit A and may not be resold for any purpose or use whatsoever.

**3.03 Monthly Gas Consumption Form:** Upon execution of the Contract and annually thereafter, or from time to time as changed conditions require, the Receiving Agency shall complete and submit to the GLO a Monthly Gas Consumption Form in accordance with 31 Tex. Admin. Code §8.8.

**3.04 Fixed Gas Volume(s):** The Parties will execute an Exhibit A for purposes of locking in a Fixed Gas Price for the duration of time designated in Exhibit A and will execute an Exhibit B to designate the monthly volume of natural gas to be purchased at the Fixed Gas Price. Exhibit A and Exhibit B shall be amended in accordance with Section 3.10.

**3.05 Future Month Quantity Amendments:** In accordance with Section 3.10, volume(s) of natural gas designated to be purchased at the Index Gas Price on the most recent Exhibit B may be amended by execution of Exhibit C (Confirmation Of Amendments to Scheduled Gas Volumes) and attaching a revised Exhibit B at any time no less than two (2) weeks prior to the month for which the change is to be effective. The amended Exhibit B volume(s) shall not be effective until the GLO acknowledges its approval in writing.

**3.06 Intra-Month Quantity Amendments:** In order to mitigate the inevitable discrepancies between scheduled volume(s) and actual consumption of natural gas designated as Index Gas Price the Parties agree that the Receiving Agency may amend its scheduled volume(s) at any mutually agreeable time by execution of Exhibit C. The execution of Exhibit C will have the effect of amending Exhibit B; **however, intra-month amended Exhibit B volume(s) are not binding on the GLO.** The GLO will make commercially reasonable attempts to effectuate intra-month scheduled amendments, but makes no guarantee that they can be implemented or that avoidance of Imbalance Costs can be achieved.

**3.07 Imbalance Costs:** The Receiving Agency shall bear all Imbalance Costs.

**3.08 Transportation Agreements:** The Receiving Agency, if required, shall enter into separate agreements to transport through the LDC the volume(s) of natural gas received under this Contract. The Receiving Agency is directly and independently responsible to such LDC for all transportation costs to the Points of Delivery at Receiving Agency's facilities identified in Exhibit A.

**3.09 Title to Gas:** Title to the natural gas, its control and possession, risk of loss, and liability for damages and injuries, shall pass to the Receiving Agency upon delivery of the natural gas to the Points of Delivery at Receiving Agency's facilities identified in Exhibit A.

3.10 **Exhibit Amendments:** Exhibit A, Exhibit B, and Exhibit C of this Contract may be amended through the mutual agreement of the Parties by the execution of new exhibits signed and dated by both Parties. Receiving Agency hereby expressly grants authority to Tarek Bou-Saada (INITIALED BY SS) or Vincent Reyes (INITIALED BY SS) to execute amendments to Exhibit A, Exhibit B, and Exhibit C.

#### **IV. BILLING AND STATEMENT OF CHARGES**

4.01 **Billing:** The GLO shall bill the Receiving Agency via Monthly Invoices that shall be delivered via the United States Postal Service, electronic mail, or facsimile at the GLO's option to the Receiving Agency on or before the last working day of the month following the month of delivery.

4.02 **Invoicing:** The Monthly Invoices indicate the total sum of:

- (i) Fixed Gas Volume(s) times the Fixed Gas Price, **WHETHER OR NOT SUCH QUANTITY IS ACTUALLY TAKEN BY THE RECEIVING AGENCY DURING THE MONTH**, plus
- (ii) the product of the month's designated or scheduled Index Gas Volume(s) times the Index Gas Price, plus
- (iii) a positive or negative Prior Period Adjustment reflecting the difference, if any, between the previous month's designated or scheduled Index Gas Volume(s) and the actual Index Gas Volume(s) supplied, plus
- (iv) the Contract Maintenance Fee, plus
- (v) System Operating Expenses, plus
- (vi) Telemetry Recovery Charges, plus
- (vii) any charges incurred under Sections 4.04, 4.05 or 4.06.

4.03 **Default Gas Pricing:** For any month during the term of this Contract for which Exhibit A pricing is not in effect, all natural gas supplied to Receiving Agency will be sold per MMBtu at a price equal to the total sum of: the greater of (i) the first of the month Index Price for the month of flow times 120% or (ii) the average of the Gas Daily Price relative to the referenced Index Price for the month of flow times 120%, plus (a) the Contract Maintenance Fee, and (b) the System Operating Expenses.

4.04 **Excess Usage Pricing:** If the Index Gas Volume(s) of natural gas received by the Receiving Agency exceeds the Monthly Scheduled Quantity of Index Gas Price gas, such excess will be priced as follows:

- (i) if the Transporter utilizes a cash out provision, the actual excess quantity used times the Transporter's cash out contract price plus the associated transportation charges; or

- (ii) if the Transporter does not utilize a cash out provision and the natural gas received by the Receiving Agency exceeds 105% of the Monthly Scheduled Quantity of Index Gas Volume(s), all volume of natural gas exceeding 100% of the Monthly Scheduled Quantity will be priced at the greater of (a) the first of the month Index Price for the month of flow times 120% or (b) the average of the Gas Daily Price relative to the referenced Index Price for the month of flow times 120%.

**4.05 Shortfall Usage Pricing:** If the Receiving Agency does not accept delivery of the Monthly Scheduled Quantity of Index Gas Volume(s), the Receiving Agency shall pay the GLO as follows:

- (i) if the Transporter utilizes a cash out provision, the quantity of natural gas not accepted times the positive difference between the Index Gas Price for that particular quantity of natural gas minus the cash out price the Transporter paid the GLO for the Monthly Scheduled Quantity not accepted plus associated transportation charges; or
- (ii) if the Transporter does not utilize a cash out provision and the Receiving Agency does not accept delivery of at least 95% of the Monthly Scheduled Quantity of Index Gas Volume(s), the positive difference between the Index Gas Price for that quantity of natural gas not accepted less the lesser of (a) 80% of the first of month Index Price for the month of flow times the quantity of natural gas not accepted or (b) 80% of the average of the Gas Daily Price for the referenced index for the month of flow times the quantity of natural gas not accepted, plus (c) the actual transportation cost for all scheduled volume(s). For the purposes of subsection (i) and (ii), the phrase “quantity of natural gas not accepted” means the difference in the volume(s) of gas listed on the most recently filed or amended Exhibit B or Exhibit C and the gas actually accepted for the applicable time periods.

**4.06 Special Aggregation Provision:** For the calculations contemplated by subsections (ii) of sections 4.04 and 4.05, the GLO will, aggregate the Monthly Scheduled Quantity of Index Gas Volume(s) for the Receiving Agency and locations, where the LDC creates or allows a pool, and aggregate the natural gas index volumes actually accepted by the pooled Receiving Agencies at the locations provided for in their respective contracts. Any imbalance fee imposed by the GLO will be apportioned among those Receiving Agencies based upon their pro rata contribution to any resulting imbalance. However, in no event will the imbalance fee under this section exceed the imbalance fee for the Receiving Agency on a stand alone basis. The aggregation provided for in this special provision shall apply to each LDC, provided that the LDC provides an aggregation benefit for public retail gas customers.

## **V. PAYMENT FOR SERVICES**

**Payment Methods and Due Date:** Payments by check, electronic fund transfer or interagency transaction voucher (ITV), unless otherwise agreed, are the only acceptable methods of Payment. Payment is due no later than thirty (30) calendar days from date of receipt of the Statement of Charges for all undisputed charges. If the invoiced party disputes the amount of any such Statement of Charges, such invoiced party shall, within five (5) days of the payment due date, provide supporting documentation to support the amount disputed. In the event the parties are

unable to resolve such dispute, either party may pursue any remedy available to enforce its rights pursuant to this contract. Payment upon receipt of the Statement of Charges after a reasonable process period is encouraged, as the GLO must pay for purchased natural gas by the 25<sup>th</sup> of the month following the month of delivery. Payments involving ITVs shall be executed according to the guidelines established by Accounting Policy Statement Number 14 (entitled "Interagency Payments and Receipts" in Publication APS-14), or successor guidelines, under the Uniform Statewide Accounting System (Comptroller of Public Accounts, Accounting Policy Statements). ITV payments are to be made to the Texas Education Agency, **VENDOR NUMBER 33173173171000**, using **RTI NUMBER 317001**.

6.01 **Early Termination:** Subject to payment of Early Termination Damages, either Party may terminate this Contract early by giving at least thirty (30) days written notice to the other Party.

6.02 **Early Termination Date:** The terminating Party may establish the Early Termination Date. The non-terminating Party shall thereafter determine any Early Termination Damages in a commercially reasonable manner.

6.03 **Event of Default Early Termination Date:** The non-defaulting Party may establish the Early Termination Date. The non-defaulting Party shall thereafter determine any Early Termination Damages in a commercially reasonable manner.

6.04 **Non-Performance due to Force Majeure:** Any delays in or failure of performance by either Party, except in respect of the obligation of payments under this Contract, due to Force Majeure shall not constitute an Event of Default. In any such event, the Party claiming Force Majeure shall promptly notify the other Party of the Force Majeure event in writing and, if possible, such notice shall set forth the extent and duration thereof. The Party claiming Force Majeure shall, to the extent practical, exercise due diligence to prevent, eliminate, or overcome such Force Majeure event and resume performance at the earliest possible date. However, if non-performance continues for more than thirty (30) days, either Party may terminate this Contract immediately upon written notification to the other Party. Upon such termination, the terminating Party shall be responsible for Early Termination Damages, which shall be due and payable in accordance with Section 6.05 below.

6.05 **Early Termination Damages Payment Obligation and Due Date:** Early Termination Damages and all previously incurred charges pursuant to this Contract, are due and payable to the non-defaulting or non-terminating Party upon early termination or default. Early Termination Damages are due and payable thirty (30) days after the non-terminating or non-defaulting Party invoices the other Party.

## **VII. MISCELLANEOUS PROVISIONS**

7.01 **Assignment:** Either Party may assign this Contract upon written notice and prior approval of the other Party. Such approval shall not be unreasonably refused.

7.02 **Entire Agreement:** This Contract constitutes the entire agreement of the Parties. No other agreement, statement, or promise that is not contained in this Contract shall be binding except by a subsequent written modification signed by both Parties. The foregoing notwithstanding, the Parties may change non-substantive terms, including but not limited to names, addresses and account numbers, without the approval of the other Party. The Party making the non-substantive change shall provide the other Party written notice of the change within five (5) days of the change.

7.03 **Compliance with Other Laws:** Incorporated by reference, the same as if specifically written herein, are the rules, regulations, and all other requirements imposed by law, including but not limited to compliance with those pertinent rules and regulations of the State of Texas and those of federal agencies providing funds to the State of Texas, all of which shall apply to the performance of the Parties hereunder.

7.04 **Dispute Resolution:** The Parties agree to use good-faith efforts to decide all questions, difficulties, or disputes of any nature that may arise under or by this Contract. The dispute resolution process in Chapter 2009 and Chapter 2260, Government Code, must, to the extent applicable to this Contract, be used to resolve any dispute, other than a dispute regarding an invoiced amount, arising under this Contract; provided however, that nothing in this paragraph shall preclude either Party from pursuing any remedies as may be available under Texas state law. All disputes arising out of alleged errors in the monthly invoice shall be conducted in accordance with §771.008, Government Code “The Interagency Cooperation Act”. This provision shall not apply to any matter with respect to which the GLO or Receiving Agency may make a decision within its sole and complete discretion.

7.05 **Venue:** Venue of any suit brought for breach of this Contract is fixed in any court of competent jurisdiction in Travis County, Texas; provided, however, the foregoing shall not be construed as a waiver of sovereign immunity by the GLO or Receiving Agency.

7.06 **Termination for Non-Appropriation:** This Contract shall not be construed as creating any debt on behalf of the State of Texas and/or the GLO or Receiving Agency in violation of Tex. Const. art. III §49. In compliance with Tex. Const. art. VIII §6, it is understood that all obligations of the GLO and Receiving Agency are subject to the availability of funds. If such funds are not appropriated or become unavailable, this Contract may be terminated. In that event, the Parties shall be discharged from further obligations, subject to the equitable settlement of their respective interests accrued up to the date of termination.

7.07 **Severability:** Should any one or more provisions of this Contract be held to be void, voidable, or for any reason whatsoever of no force and effect, such provision(s) shall be construed as severable from the remainder of this Contract and shall not affect the validity of all other provisions of this Contract, which shall remain of full force and effect; so long as such severance does not deprive either Party of the benefit of the bargain.

7.08 **Execution:** This Contract shall be executed in multiple originals and/or several counterparts, each of which shall constitute an original. A complete set of said counterparts, when taken together, shall constitute a single instrument.

7.09 **Pipeline Integrity Testing:** During the term of this Contract, if any pipe line used to transport natural gas to the Receiving Agency ceases or interrupts regular operation, to include, but not limited to, inspection, maintenance, testing or repair, as a result of governmental action, order, rule or regulation, any resulting additional costs involved in delivering or providing natural gas under this Contract shall be borne entirely by the Receiving Agency. In such instance the GLO will assist the Receiving Agency in mitigating such additional costs by any operational means reasonably available to the GLO.

7.10 **Exhibits:** Exhibit A, Exhibit B, Exhibit C, and the Limited Agency Authorization attached hereto, and any subsequent amendments thereto, are incorporated by reference into this Contract.

7.11 **Continued Obligations:** Notwithstanding any other provision herein to the contrary, the Receiving Agency shall not be relieved of its obligation to make payments due to the GLO for natural gas actually supplied or tendered for delivery to the Points of Delivery set out in Exhibit A and any related expenses or liabilities incurred by the GLO in the performance of this Contract, except that the GLO and the Receiving Agency agree that each entity is responsible for its own proportionate share of any liability for its negligent acts or omissions.
