The HHS Agency Contract Manager may report the following compliance issues to HHSC/PCS for resolution.

## 12.7 Confidential or Proprietary Information

### Bidder Requirements Regarding Disclosure

Proposals and contracts are subject to the Texas Public Information Act (PIA), [Texas Government Code Chapter 552](#), and may be disclosed to the public upon request. Other legal authority also requires HHSC to post certain contracts and Solicitation responses on its public website and to provide such information to the Legislative Budget Board for posting on its website.

Under the PIA, certain information is protected from public release. If Bidder asserts that information provided in its Solicitation Response is exempt from disclosure under the PIA, Bidder must:

- a) Mark Original Proposal
  - 1. Mark the Original Proposal, on the top of the front page, with the words "**CONTAINS CONFIDENTIAL INFORMATION**" in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font or larger); and
  - 2. Identify, adjacent to each portion of the Solicitation Response, that Bidder claims is exempt from public disclosure, the claimed exemption from disclosure (NOTE: no redactions are to be made in the Original Solicitation Response).
- b) Certify in Original Solicitation Response - HHS Solicitation Affirmations (attached as **Exhibit A** to this Solicitation)
  - 1. Certify, in the designated section of the HHS Solicitation Affirmations, Bidder's confidential information assertion and the filing of its Public Information Act Copy; and
  - 2. Submit Public Information Act Copy of Proposal

- i. Submit a separate “Public Information Act Copy” of the Original Proposal (in addition to the original and all copies otherwise required under the provisions of this Solicitation). The Public Information Act Copy must meet the following requirements:
- ii. The copy must be clearly marked as “**PUBLIC INFORMATION ACT COPY**” on the front page in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font or larger);
- iii. Each portion Bidder claims is exempt from public disclosure must be redacted (blacked out); and
- iv. Bidder must identify, adjacent to each redaction, the claimed exemption from disclosure. Each identification provided as required in Subsection (c) of this section must be identical to those set forth in the Original Proposal as required in Subsection (a)(2), above. The only difference in required markings and information between the Original Proposal and the “Public Information Act Copy” of the proposal will be redactions - which can only be included in the “Public Information Act Copy.” There must be no redactions in the Original Proposal.

**By submitting a response to this Solicitation, Bidder agrees that, if Bidder does not mark the Original Solicitation Response, provide the required certification in the HHS Solicitation Affirmations, and submit the Public Information Act Copy, Bidder’s Solicitation Response will be considered to be public information that may be released to the public in any manner including, but not limited to, in accordance with the Public Information Act, posted on the HHS public website, and posted on the Legislative Budget Board’s public website.**

If any or all Bidders submit partial, but not complete, information suggesting inclusion of confidential information and failure to comply with the requirements set forth in this section, HHSC, in its sole discretion and in any solicitation, reserves the right to (1) disqualify all Bidders that fail to fully comply with the requirements set forth in this section, or (2) to offer all Bidders that fail to fully comply with the requirements set forth in this section additional time to comply.

Bidder should not submit a Public Information Act Copy indicating that the entire proposal is exempt from disclosure. Merely making a blanket claim that the entire proposal is protected from disclosure because it contains any amount of confidential, proprietary, trade secret, or privileged information is not acceptable, and may make the entire Solicitation Response subject to release under the PIA.

Solicitation Responses should not be marked or asserted as copyrighted material. If Bidder asserts a copyright to any portion of its proposal, by submitting a proposal, Bidder agrees to reproduction and posting on public websites by the State of Texas, including HHSC and all other state agencies, without cost or liability.

HHSC will strictly adhere to the requirements of the PIA regarding the disclosure of public information. As a result, by participating in this solicitation process, Bidder acknowledges that

all information, documentation, and other materials submitted in the Solicitation Response in response to this Solicitation may be subject to public disclosure under the PIA. HHSC does not have authority to agree that any information submitted will not be subject to disclosure. Disclosure is governed by the PIA and by rulings of the Office of the Texas Attorney General. Bidders are advised to consult with their legal counsel concerning disclosure issues resulting from this process and to take precautions to safeguard trade secrets and proprietary or otherwise confidential information. HHSC assumes no obligation or responsibility relating to the disclosure or nondisclosure of information submitted by Bidders.

For more information concerning the types of information that may be withheld under the PIA or questions about the PIA, refer to the Public Information Act Handbook published by the Office of the Texas Attorney General or contact the attorney general's Open Government Hotline at (512) 478-OPEN (6736) or toll-free at (877) 673-6839 (877-OPEN TEX). ## 12.8 Bidder Waiver – Intellectual Property

Submission of any document to any HHS Agency in response to this solicitation constitutes an irrevocable waiver and agreement by the submitting party to fully indemnify the State of Texas and the HHS Agency from any claim of infringement by the HHS Agency regarding the intellectual property rights of the submitting party or any third party for any materials submitted to HHS by the submitting party.

## 13 Invoicing and Payment

### 13.1 Bill-to Address

The Contract or Purchase Order will include the appropriate bill-to address for the submission of invoices to any HHS Agency requesting services.

### 13.2 Invoice Information

Invoices submitted to the HHS Agency must reflect the Contract or PO number and must provide the work completed, in detail, for which payment is due. The detail of the work completed must comply with the Pricing Sheet (see **Exhibit D, Pricing Sheet**).

### 13.3 Payment

- a) Payment will be made by the HHS Agency in accordance with the pricing provided on **Exhibit D - Pricing Sheet**. The pricing is considered all-inclusive, and no other pricing may be provided on an invoice.

- b) The HHS Agency must receive products included on an invoice prior to approving the invoice for payment.
- c) Any additional expenses incurred by the Contractor are the responsibility of the Contractor and will not be paid by the HHS Agency.
- d) The HHS Agency will not pay any per diem, travel, hotel, equipment, phone calls, paper, reproduction services, office space, or other incidental expenses related to performing the services required by the Contract.

### 13.4 Invoice Submission

- a) Contractor must submit invoices on a monthly basis or as otherwise indicated on the purchase order.
- b) Separate invoices must be submitted for each delivery, as applicable.

In accordance with [34 Texas Administrative Code, Rule §20.487\(b\)](#), the HHS Agency will immediately return disputed invoices to the Contractor but in no event later than the 21st day after the HHS Agency receives the invoice. The HHS Agency reserves the right to dispute any portion of an invoice and will attempt to resolve the dispute with the Contractor in good faith. The HHS Agency shall not be required to pay any disputed portion of an invoice until the dispute is resolved. Notwithstanding any such dispute, the Contractor must continue to perform the services and/or produce deliverables in compliance with the terms of the Contract. Pending resolution of a dispute, the HHS Agency will continue to process payments for undisputed amounts and invoices to the Contractor.

## 14 Screening of Responses

Neither issuance of this Solicitation nor retention of Responses constitutes a commitment on the part of HHSC to award a Contract. HHSC maintains the right to reject any or all Responses and to cancel this Solicitation if HHSC, in its sole discretion, considers it to be in the best interests of HHSC to do so.

Retention of Responses by HHSC confers no legal rights upon any Bidder.

HHSC reserves the right to select qualified Bidders to this Solicitation with or without discussion of the Response with Bidders.

## 14.1 Administrative Screening

An administrative screening of Responses timely received will be conducted by HHSC PCS to determine which Responses meet all Solicitation minimum requirements and are deemed responsive and qualified for further consideration and evaluation.

**Appendix A – Submission Instructions and Response Checklist** will be used to conduct the screening process.

HHSC reserves the right to ask questions or request clarification from any Bidder at any time during the screening process.

## 14.2 Irregularities

HHSC reserves the right to waive irregularities in a Response. An irregularity is an omission or error that, in HHSC's determination if waived or modified when screening Responses, would not give a Bidder an unfair advantage over other Bidders or result in a material change in the Response or Solicitation requirements.

HHSC, at its sole discretion, may give a Bidder the opportunity to submit missing information or make corrections. The missing information or corrections must be submitted to the Point of Contact e-mail address, Section 6.1 by the deadline set by HHSC. Failure to respond before the deadline may result in HHSC's rejecting the Response and the Bidder not being considered for award.

**Note: Any disqualifying factor set forth in this Solicitation does not constitute an irregularity (e.g., Submission of Exhibit A HHS Solicitation Affirmations, which must be signed and submitted with the Solicitation response).**

## 15 Evaluation

### 15.1 Evaluation of Responses

HHSC reserves the right to select qualified Responses to this Solicitation without discussion of the Responses with Bidders. It is understood that all Responses will become a part of HHSC PCS' official procurement files and the Contract after award or the procurement has been terminated and will be available for public inspection in accordance with the Texas Public Information Act.

HHSC reserves the right to conduct studies and other investigations as necessary to evaluate any Response.

## 15.2 Conformance with State Law for Evaluation

Responses shall be evaluated in accordance with [Title 10, Subtitle D, Chapter 2155, sections 2155.074, 2155.075\(a\), and 2155.144](#); and [Chapter 2156, section 2156.007](#), Texas Government Code; and [Chapter 2157, section 2157.003](#).

Sections 2155.074, 2156.007, and 2157.003 provide the Best Value Standard for the purchase of goods or services and for the award, which includes consideration of the purchase price and whether the Bidder meets all requirements of this Solicitation.

## 15.3 Specific Evaluation Criteria

HHSC shall not be obligated to select the Bidder with the lowest price but shall make an award to the Bidder that provides the best value to the State of Texas.

All Responses will be evaluated according to the following criteria:

- a) Bidder meeting or exceeding specifications in accordance with this solicitation
- b) Bidder's ability to meet delivery requirements
- c) Price

### 15.3.1 Required Pricing

The Pricing Sheet, **Exhibit D**, identifies the pricing requested and required for the products and related services outlined in this Solicitation. The pricing is significant in the overall evaluation of the responses. HHSC PCS is not obligated to select the lowest priced response. The pricing will be evaluated across all Bidders to determine the Response with the lowest price per line item or lowest total for all line items.

The award will be made to the Bidder whose response offers the best value to the State based on all factors considered, including price.

### 15.3.2 Verification of Past Vendor Performance

By submitting a Response, the Bidder generally releases from liability and waives all claims against any party providing information about the Bidder at the request of HHSC.

Bidders may be rejected as a result of unsatisfactory past performance under any contract(s) as reflected in vendor performance reports, reference checks, or other sources.

The Bidder's past performance may be considered in the evaluation process and prior to making an award determination.

Reasons for which a Bidder may be denied a contract include, but are not limited to:

- a) Bidder has unfavorable reports or grade less than a C on the CPA Vendor Performance Tracking System (VPTS). [VPTS](#) may be accessed at:

<https://comptroller.texas.gov/purchasing/programs/vendor-performance-tracking/>,

OR,

- b) Bidder is currently under a corrective action plan through HHSC, OR,
- c) Bidder has had repeated, negative vendor performance reports for the same reason, OR,
- d) Bidder has a record of repeated non-responsiveness to vendor performance issues, OR,
- e) Bidder has contracts or purchase orders that have been cancelled in the previous 12 months for non-performance or sub-standard performance.

In addition, HHSC may examine other sources of vendor performance, which may include information provided by any governmental entity, whether an agency or political subdivision of the State of Texas, another state, or the federal government.

The performance information may include, but is not limited to:

- a) Notices of termination,
- b) Cure notices,
- c) Assessments of liquidated damages,
- d) Litigation,
- e) Audit reports, and
- f) Non-renewals of contracts.

Further, HHSC, at its sole discretion, may initiate investigations or examinations of vendor performance based upon media reports. Any negative findings, as determined by HHSC in its sole discretion, may result in HHSC's removing the Bidder from further consideration for award.

### 15.3.3 Ability to Perform

Evaluation will be based upon Bidder's demonstrated experience and ability to provide goods and related services with consideration of the Bidder's business size and scope of all operations, the number of employees and supervisors available to perform the services. The evaluation may also consider the Bidder's demonstrated financial capability, financial solvency and capacity to fulfil the requirements of this Solicitation.

## 16 Award

HHSC, at its sole discretion, reserves the right to cancel this Solicitation at any time or decline to award any contract(s) as a result of this Solicitation.

All awards are contingent upon approval of the HHSC Executive Commissioner or designee.

HHSC, at its sole discretion, reserves the right to make a single award or multiple awards to achieve the highest overall best value for the state.

## 17 Disclosure of Interested Parties

Subject to certain specified exceptions, [Texas Government Code Section 2252.908](#), Disclosure of Interested Parties, applies to a contract of a state agency that has a value of at least \$1 million or a contract that requires an action or vote by the governing body of the agency before the contract may be signed or a Purchase Order can be issued. One of the requirements of Section 2252.908 is that a business entity (defined as “any entity recognized by law through which business is conducted, including a sole proprietorship, partnership, or corporation”) must submit a Form 1295, Certificate of Interested Parties, to the state agency at the time the business entity is notified it is a potential awardee or at the time the business entity submits the signed contract to the agency.

Bidder represents and warrants that, if selected for award of a contract as a result of this Solicitation, Bidder shall submit to HHSC a Certificate of Interested Parties at the time Bidder submits the signed contract or is notified by HHSC that Bidder is a potential awardee. Form 1295 involves an electronic process through the Texas Ethics Commission (TEC).

Information regarding the [online process for completing Form 1295](#) is available at: [https://www.ethics.state.tx.us/whatsnew/elf\\_info\\_form1295.htm](https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm).

If the potential awardee does not timely submit a completed, certified and signed TEC Form 1295 to HHSC after notification of being a potential awardee or with the signed Contract, HHSC is prohibited by law from executing a contract, even if the potential awardee is otherwise eligible for award. Each qualified Bidder will be subject to this procedure.

## 18 Protest Procedures

[Texas Administrative Code, Title 1, Part 15, Chapter 391, Subchapter C](#) provides a formal protest procedure to be used by any Bidder who is allegedly aggrieved in connection with the solicitation, evaluation, or award of a contract by HHSC.
