This prohibition does not apply to a poll conducted by an academic institution as part of the institution's academic mission that is not conducted for the benefit of a particular candidate or party. Article IV. Project Period and Grant Term

4.1 PROJECT PERIOD

The Project Period is anticipated to be **September 1, 2023**, through **August 31, 2025**.

4.2 GRANT TERM

The anticipated initial award period is **September 1, 2023**, through **August 31, 2025**. At the sole discretion of HHSC, and contingent on the continued availability of funds appropriated by the Texas Legislature. HHSC may renew a grant issued under this RFA without re-procurement through **August 31, 2028**.

Extension of Project Period: HHSC may, at its sole discretion, extend the Project Period for up to one (1) year to allow for the full expenditure of awarded funding. No additional grant funds will be awarded during the grant extension period.

Article V. Grant Funding and Reimbursement Information

5.1 GRANT FUNDING SOURCE AND AVAILABLE FUNDING

The total amount of State funding available for the TV+FA Grant Program is **\$50,000,000.00** for the entire Grant Term. It is the System Agency's intention to make multiple awards to Applicants that successfully demonstrate the ability to provide community-based, sustainable, evidence-based, and accessible Behavioral Health Services to veterans and their families.

Applicants are strongly cautioned to only apply for the amount of grant funding they can responsibly expend during the Project Period to avoid lapsed funding at the end of the grant term. Successful Applications may not be funded to the full extent of Applicant's requested Budgets in order to ensure grant funds are available for the broadest possible array of communities and programs.

Reimbursement will only be made for actual, allowable, and allocable expenses that occur within the Project Period. No spending or costs incurred prior to the effective date of the award will be eligible for reimbursement.

5.2 NO GUARANTEE OF REIMBURSEMENT AMOUNTS

There is no guarantee of total reimbursements to be paid to any Grantee under any Grant Agreement, if any, resulting from this RFA. Grantees should not expect to receive additional or continued funding under future RFA opportunities and should maintain sustainability plans in case of discontinued grant funding. Any additional funding or future funding may require submission of a new Application through a subsequent RFA.

Receipt of an Application in response to this RFA does not constitute an obligation or expectation of any award of a Grant Agreement or funding of a grant award at any level under this RFA.

5.3 GRANT FUNDING PROHIBITIONS

Grant funds may not be used to support the following services, activities, and costs:

- A. Any use of grant funds to replace (supplant) funds that have been budgeted for the same purpose through non-grant sources;
- B. Inherently religious activities such as prayer, worship, religious instruction, or proselytization;
- C. Lobbying or advocacy activities with respect to legislation or to administrative changes to regulations or administrative policy (cf. 18 U.S.C. § 1913), whether conducted directly or indirectly;
- D. Any portion of the salary of, or any other compensation for, an elected or appointed government official;
- E. Vehicles for general agency use; to be allowable, vehicles must have a specific use related to Project objectives or activities;

- F. Entertainment, amusement, or social activities and any associated costs including but not limited to admission fees or tickets to any amusement park, recreational activity or sporting event unless such costs are incurred for components of a program approved by the grantor agency and are directly related to the program's purpose;
- G. Costs of promotional items, and memorabilia, including models, gifts, and souvenirs;
- H. Food, meals, beverages, or other refreshments, except for eligible per diem associated with grant-related travel, where pre-approved for working events, or where such costs are incurred for components of a program approved by the grantor agency and are directly related to the program's purpose;
- I. Membership dues for individuals;
- J. Any expense or service that is readily available at no cost to the Grant Project;
- K. Any activities related to fundraising;
- L. Capital expenditures such as capital improvements, property losses and expenses, real estate purchases, mortgage payments, remodeling, the acquisition or construction of facilities, or other items that are unallowable pursuant to 2 CFR § 200.439;
- M. Any other prohibition imposed by federal, State, or local law; and
- N. Other unallowable costs as listed under TxGMS, Appendix 7, Selected Items of Cost Supplement Chart and/or 2 CFR 200, Subpart E – Cost Principles, General Provisions for Selected Items of Cost, where applicable.

5.4 COST SHARING OR MATCHING REQUIREMENTS

Applicants receiving Grant Agreements under this RFA must contribute non-state and non-federal funding as cost sharing or Match in the following manner:

- A. If the Grant Project serves one or more counties, and the population of each county is less than 250,000, Applicant's cost sharing or Match amount must be no less than fifty percent (50%) of the value of State funds awarded; or
- B. If the Grant Project serves one or more counties, and any county has a population of 250,000 or greater, Applicant's cost sharing or Match amount must be no less than one hundred percent (100%) of the value of State funds awarded.

Population figures must be consistent with the Texas Demographic Center, Texas Population Projections Program, which is incorporated by reference and posted at <https://demographics.texas.gov/Data/TPEPP/Projections/>.

Match is defined as the non-State share of costs the Grantee is required to contribute to accomplish the purpose of the Grant Project. Match must be treated consistently with grant funds and used only for allowable and allocable purposes. All cost sharing or Matching funds and contributions must meet all the following criteria:

- A. Are verifiable from the Grantee's records;
- B. Are not included as contributions for any other State or federal award;
- C. Are necessary and reasonable for accomplishment of Grant Project objectives;

- D. Are allowable under the Grant Agreement;
- E. Are not paid by the State or federal government; and
- F. Are provided for in the approved Grant Project Budget.

Donations: The value of donated services may be used to meet cost sharing or Matching requirements. If a third party donates supplies, the contribution will be valued at the market value of the supplies at the time of donation. If a third party donates the use of Equipment or space in a building, but retains title, the contribution will be valued at the fair rental rate of the Equipment or space. If a third party donates Equipment, building, or land, and title passes to Grantee, the treatment of the donated property will be determined based on TxGMS, Cost Sharing or Matching Section.

5.5 PAYMENT METHOD

Grant Agreement(s) awarded under this RFA will be funded on a Cost Reimbursement basis for reasonable, allowable and allocable Grant Project costs. Under the Cost Reimbursement payment method, Grantee is required to finance operations and will only be reimbursed for actual, allowable, and allocable costs incurred on a [monthly basis or quarterly basis, or whatever is appropriate to the grant] and supported by adequate documentation. No additional payments will be rendered unless an advanced payment is approved.

Article VI. Application Forms and Exhibits for Submission

Note: Applicants must refer to **Article XIII, Submission Checklist**, for the complete checklist of documents that must be submitted with an Application under this RFA.

6.1 NARRATIVE PROPOSAL

Using **Forms D-I** attached to this RFA, Applicants shall provide an executive summary and describe their proposed activities, processes, and methodologies to satisfy all objectives described in **Article II, Scope of Grant Project**.

6.2 REQUESTED BUDGET

Attached **Form C, Expenditure and Match Proposal**, of this RFA is the template for submitting the requested Budget. Applicants must develop the requested Budget to support their Proposed Project and in alignment with the requirements described in this RFA.

Applicants must ensure that Project costs outlined in the requested Budget are reasonable, allowable, allocable, and developed in accordance with applicable State and federal grant requirements. Reasonable costs are those if, in nature and amount, do not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost. A cost is allocable to a particular cost objective if the cost is chargeable or assignable to such cost objective in accordance with relative benefits received. See 2 CFR § 200.403 or TxGMS Cost Principles, Basic Considerations (pgs. 32-33), for additional information related to factors affecting allowability of costs.

Applicants must utilize the Budget template provided, **Form C, Expenditure and Match Proposal**, and identify all Budget line items and Matching costs. Budget categories must be broken out into specific Budget line items that allow System Agency to determine if proposed costs are reasonable, allowable, and necessary for the successful performance of the Project. Applicants must enter all costs in the Budget tables and explain why the cost is necessary and how the cost was established. Matching funds must also be identified in the requested Budget.

If selected for a grant award under this RFA, only System Agency-approved Budget items in the requested Budget may be considered eligible for reimbursement.

Submission of Form C, Expenditure and Match Proposal, is mandatory. Applicants that fail to submit a requested Budget as set forth in this RFA with their Application will be disqualified.

6.3 INDIRECT COSTS

Applicants must have an approved Indirect Cost Rate (ICR) or request the de minimis rate to recover Indirect Costs. All Applicants that do not have an approved ICR are required to complete and submit an HHS System Indirect Cost Rate Questionnaire, which is incorporated by reference and can be found using the following link <https://www.hhs.texas.gov/business/grants/indirect-cost-rates>. The questionnaire initiates

the acknowledgment or approval of an ICR for use with the System Agency cost-reimbursable Grant Agreements. Entities declining the use of Indirect Cost cannot recover Indirect Costs on any System Agency award or use unrecovered Indirect Costs as Match.

HHS typically accepts the following approved ICRs:

- A. Federally Approved Indirect Cost Rate Agreement; or
- B. State of Texas Approved Indirect Cost Rate

The System Agency, at its discretion, may request additional information to support any approved ICR agreement.

If the Applicant does not have an approved ICR agreement, the Applicant may be eligible for the ten percent (10%) de minimis rate or may request to negotiate an ICR with HHS.

For Applicants requesting to negotiate an ICR with HHS, the ICR Proposal Package will be provided by the HHS Federal Funds Indirect Cost Rate Group to successful Grantees. The ICR Proposal Package must be completed and returned to the HHS Federal Funds Indirect Cost Rate Group no later than three (3) months post-award.

The HHS Federal Funds Indirect Cost Rate Group will contact applicable Grantees after Grant Agreement execution to initiate and complete the ICR process. Grantees should respond within thirty (30) business days or the request will be cancelled, and Indirect Costs may be disallowed.

Once HHS acknowledges an existing rate or approves an ICR, the Grantee will receive one of the three Indirect Cost approval letters: ICR Acknowledgement Letter, ICR Acknowledgement Letter – Ten Percent De Minimis, or the ICR Agreement Letter.

If an Indirect Cost Rate Letter is required but it is not issued at the time of Grant Agreement execution, the Grant Agreement will be amended to include the Indirect Cost Rate Letter after the ICR Letter is issued.

Approval or acceptance of an ICR will not result in an increase in the amount awarded or affect the agreed-upon service or performance levels throughout the life of the award.

6.4 ADMINISTRATIVE APPLICANT INFORMATION

Using **Forms D** through **I** attached to this RFA, Applicant must provide satisfactory evidence of its ability as an organization to manage and coordinate the types of activities described in this RFA.

B. Litigation and Contract History

Applicant must include in its Application a complete disclosure of any alleged or significant contractual or grant failures.

In addition, Applicant must disclose any civil or criminal litigation or investigation pending over the last five (5) years that involves Applicant or in which Applicant has been judged guilty or liable. Failure to comply with the terms of this provision may disqualify Applicant. See **Exhibit A, HHS Solicitation Affirmations**. Applicant certifies it does not have any existing claims against or unresolved audit exceptions with the State of Texas or any agency of the State of Texas.

Application may be rejected based upon Applicant's prior history with the State of Texas or with any other party that demonstrates, without limitation, unsatisfactory performance, adversarial or contentious demeanor, or significant failure(s) to meet contractual or grant obligations.

C. Internal Controls Questionnaire

Applicant must complete **Form J, TV+FA Internal Controls Questionnaire**, and submit with its Application.

The remaining Applications will continue to the evaluation stage and will be considered in the manner and form as which they are received. HHSC reserves the right to waive minor informalities in an Application. A “minor informality” is an omission or error that, in the determination of HHSC if waived or modified, would not give an Applicant an unfair advantage over other Applicants or result in a material change in the Application or RFA requirements. **Note:** Any disqualifying factor set forth in this RFA does not constitute an informality (e.g., **Exhibit A, HHS Solicitation Affirmations**, or **Form C, Expenditure and Match Proposal**).

HHSC, at its sole discretion, may give an Applicant the opportunity to submit missing information or make corrections at any point after receipt of Application. The missing information or corrections must be submitted to the Sole Point of Contact e-mail address in **Section 7.2, Sole Point of Contact**, by the deadline set by HHSC. System Agency reserves the right to select qualified Applications received in response to this RFA without discussion of the Applications with Applicants.

Article X. Award of Grant Agreement Process

10.1 FINAL SELECTION

After initial screening for eligibility and Application completeness, and initial evaluation against the criteria listed in **Section 9.4, Evaluation Criteria**, the System Agency may apply other considerations such as program policy or other selection factors that are essential to the process of selecting Applications that individually or collectively achieve program objectives. In applying these factors, the System Agency may consult with internal and external subject matter experts. The funding methodology for issuing final Grant Agreements will include the following identified factors:

- A. Application evaluation scores;
- B. Prior Applicant performance, with a preference given to existing Applicants with demonstrated success;
- C. Geographic distribution of funding and services represented by Applications, with an emphasis on funding Grant Projects serving communities with a population of 250,000 or less;
- D. Grant Projects that minimize duplication of effort and maximize existing resources in service areas with an emphasis on addressing service gaps; and
- E. Specific programmatic components such as demonstrating a focus on treating impacts of Military-related Trauma(s), holistically serving the veteran and family, and providing Clients with more than one service, treatment, and/or referral option.

All funding recommendations will be considered for approval by the HHSC Program Deputy Executive Commissioner, or their designee.

10.2 NEGOTIATIONS

After selecting Applicants for award, the System Agency may engage in negotiations with selected Applicants. As determined by System Agency, the negotiation phase may involve direct contact between the selected Applicant and HHS representatives by virtual meeting, by phone and/or by email. Negotiations should not be interpreted as a preliminary intent to award funding unless explicitly stated in writing by the System Agency and is considered a step to finalize the Application to a state of approval and discuss proposed grant activities. During negotiations, selected Applicants may expect:

- A. An in-depth discussion of the submitted Application and requested Budget; and
- B. Requests from the System Agency for revised documents, clarification or additional detail regarding the Applicant's submitted Application. These clarifications and additional details, as required, must be submitted in writing by Applicant as finalized during the negotiation.

10.3 DISCLOSURE OF INTERESTED PARTIES

Subject to certain specified exceptions, Section 2252.908 of the Texas Government Code, Disclosure of Interested Parties, applies to a Grant Agreement of a State agency that has a value of \$1 million or more; requires an action or vote by the governing body of the entity

or agency before the Grant Agreement may be signed; or is for services that would require a person to register as a lobbyist under Chapter 305 of the Texas Government Code.

One of the requirements of Section 2252.908 is that a business entity (defined as “any entity recognized by law through which business is conducted, including a sole proprietorship, partnership, or corporation”) must submit a Form 1295, Certificate of Interested Parties, to the System Agency at the time the business entity submits the signed Grant Agreement.

Applicant represents and warrants that, if selected for award of a Grant Agreement as a result of this RFA, Applicant will submit to the System Agency a completed, certified and signed Form 1295, Certificate of Interested Parties, at the time the potential Grantee submits the signed Grant Agreement.

The Form 1295 involves an electronic process through the Texas Ethics Commission (TEC). The online process for completing the Form 1295 may be found on the TEC public website at: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.

Additional instructions and information to be used to process the Form 1295 will be provided by the System Agency to the potential Grantee(s). Grantee may contact Sole Point of Contact or designated contract manager for information needed to complete Form 1295.

If the potential Grantee does not submit a completed, certified and signed TEC Form 1295 to the System Agency with the signed Grant Agreement, the System Agency is prohibited by law from executing a Grant Agreement, even if the potential Grantee is otherwise eligible for award. The System Agency, as determined in its sole discretion, may award the Grant Agreement to the next qualified Applicant, who will then be subject to this procedure.

10.4 EXECUTION AND ANNOUNCEMENT OF GRANT AGREEMENT(S)

The System Agency intends to award one or more Grant Agreements as a result of this RFA. However, not all Applicants who are deemed eligible to receive funds are assured of receiving a Grant Agreement.

At any time and at its sole discretion, System Agency reserves the right to cancel this RFA, make partial award, or decline to award any Grant Agreement(s) as a result of this RFA.

The final funding amount and the provisions of the grant will be determined at the sole discretion of System Agency.

HHSC may announce tentative funding awards through an “Intent to Award Letter” once the HHSC Program Deputy Executive Commissioner, or their designee, and relevant HHSC approval authorities have given approval to initiate and/or execute grants. Receipt of an “Intent to Award Letter” does not authorize the recipient to incur expenditures or begin Project activities, nor does it guarantee current or future funding.

Upon execution of a Grant Agreement(s) as a result of this RFA, HHSC will post a notification of all grants awarded to the [HHS Grants RFA](#) website.

Article XI. General Terms and Conditions

11.1 GRANT APPLICATION DISCLOSURE

In an effort to maximize State resources and reduce duplication of effort, the System Agency, at its discretion, may require the Applicant to disclose information regarding the Application for or award of State, federal, and/or local grant funding to the Applicant or subgrantee or subcontractor (i.e. organization who will participate, in part, in the operation of the Project) within the past two years to provide Behavioral Health Services and supports to veterans and their family members.

11.2 TEXAS HISTORICALLY UNDERUTILIZED BUSINESSES (HUBS)

Though not required, System Agency encourages Applicant to use HUBs to provide goods and services. For information regarding the Texas HUB program, refer to CPA's website: <https://comptroller.texas.gov/purchasing/vendor/hub/>.

Article XII. Application Confidential or Proprietary Information

12.1 TEXAS PUBLIC INFORMATION ACT – APPLICATION DISCLOSURE REQUIREMENTS

Applications and resulting Grant Agreements are subject to the Texas Public Information Act (PIA), Texas Government Code Chapter 552, and may be disclosed to the public upon request. Other legal authority also requires System Agency to post grants and Applications on its public website and to provide such information to the Legislative Budget Board for posting on its public website.

Under the PIA, certain information is protected from public release. If Applicant asserts that information provided in its Application is exempt from disclosure under the PIA, Applicant must:

A. Mark Original Application:

1. Mark the Original Application, at the top of the front page, with the words “CONTAINS CONFIDENTIAL INFORMATION” in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font); and
2. Identify, adjacent to each portion of the Application that Applicant claims is exempt from public disclosure, the claimed exemption from disclosure (NOTE: no redactions are to be made in the Original Application);

B. Certify in Original Application – HHS Solicitation Affirmations: Certify, in the designated section of the **Exhibit A, HHS Solicitation Affirmations**, Applicant’s confidential information assertion and the filing of its Public Information Act Copy; and

C. Submit Public Information Act Copy of Application: Submit a separate “Public Information Act Copy” of the Original Application (in addition to the original and all copies otherwise required under the provisions of this RFA). The Public Information Act Copy must meet the following requirements:

1. The copy must be clearly marked as “Public Information Act Copy” on the front page in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font);
2. Each portion Applicant claims is exempt from public disclosure must be redacted (blacked out); and
3. Applicant must identify, adjacent to each redaction, the claimed exemption from disclosure. Each identification provided as required in Subsection (3) of this section must be identical to those set forth in the Original Application as required in Subsection 1(b), above. The only difference in required markings and information between the Original Application and the “Public Information Act Copy” of the Application will be redactions – which can only be included in the “Public Information Act Copy.” There must be no redactions in the Original Application.

By submitting an Application under this RFA, Applicant agrees that, if Applicant does not mark the Original Application, provide the required certification in Exhibit A, HHS Solicitation Affirmations, and submit the Public Information Act Copy, the Application will be considered to be public information that may be released to the public in any manner including, but not limited to, in accordance with the Public Information Act, posted on the System Agency's public website, and posted on the Legislative Budget Board's public website.

If any or all Applicants submit partial, but not complete, information suggesting inclusion of confidential information and failure to comply with the requirements set forth in this section, the System Agency, in its sole discretion, reserves the right to (1) disqualify all Applicants that fail to fully comply with the requirements set forth in this section, or (2) to offer all Applicants that fail to fully comply with the requirements set forth in this section additional time to comply.

No Applicant should submit a Public Information Act Copy indicating that the entire Application is exempt from disclosure. Merely making a blanket claim that the entire Application is protected from disclosure because it contains any amount of confidential, proprietary, trade secret, or privileged information is not acceptable, and may make the entire Application subject to release under the PIA.

Applications should not be marked or asserted as copyrighted material. If Applicant asserts a copyright to any portion of its Application, by submitting an Application, Applicant agrees to reproduction and posting on public websites by the State of Texas, including the System Agency and all other State agencies, without cost or liability.

The System Agency will strictly adhere to the requirements of the PIA regarding the disclosure of public information. As a result, by participating in this RFA, Applicant acknowledges that all information, documentation, and other materials submitted in its Application may be subject to public disclosure under the PIA. The System Agency does not have authority to agree that any information submitted will not be subject to disclosure. Disclosure is governed by the PIA and by rulings of the Office of the Texas Attorney General. Applicants are advised to consult with their legal counsel concerning disclosure issues resulting from this process and to take precautions to safeguard trade secrets and proprietary or otherwise confidential information. The System Agency assumes no obligation or responsibility relating to the disclosure or nondisclosure of information submitted by Applicants.

For more information concerning the types of information that may be withheld under the PIA or questions about the PIA, please refer to the Public Information Act Handbook published by the Office of the Texas Attorney General or contact the attorney general's Open Government Hotline at (512) 478-OPEN (6736) or toll-free at (877) 673-6839 (877-OPEN TEX). To access the Public Information Act Handbook, please visit the attorney general's website at <http://www.texasattorneygeneral.gov>.

12.2 APPLICANT WAIVER – INTELLECTUAL PROPERTY
