12.3 Performance Reporting

The HHS Agency Contract Manager is required to report vendor performance for purchases over \$25,000 through the Texas Comptroller of Public Accounts (CPA) Vendor Performance Tracking System (VPTS). The VPTS reporting is required throughout the life of a contract and not just at its conclusion. HHSC PCS, at its sole discretion, may submit reports in the VPTS on Purchase Orders under \$25,000. The [VPTS information and report](https://comptroller.texas.gov/purchasing/programs/vendor-performance-tracking/) search may be accessed at: <https://comptroller.texas.gov/purchasing/programs/vendor-performance-tracking/>.

Performance Notification – Non-Material Deficiency

The HHS Agency may notify Contractor in writing of specific areas of the Contractor's performance that fail to meet performance expectations, standards, or schedules, but that, in the determination of the HHS Agency, do not result in a material deficiency or delay in the implementation or operation of the services.

12.4 Contractor Response to Notification of Non-Material Deficiency

The Contractor shall, within three (3) business days (or another date approved by the HHS Agency) of receipt of written notice of a non-material deficiency, provide the HHS Agency Contract Manager a written response that:

- a) Explains the reasons for the deficiency, the Contractor's plan to address or cure the deficiency, and when the deficiency will be cured; or
- b) If the Contractor disagrees with the HHS Agency's findings, the response must include the reasons why the findings are disputed.

The Contractor's noncompliance or rectifying the deficiency may result in delayed payment or non-payment as determined by the HHS Agency.

12.5 Corrective Action Plan (The Plan)

At its discretion, the HHS Agency may request in writing and require the Contractor to submit a detailed written Corrective Action Plan and include how the Contractor will correct or resolve an issue, deficiency, or a breach of this Contract.

The Plan must include, but is not limited to:

The Contractor shall be required to correct all performance issues reported by the HHS Agency Contract Manager within 48 business hours. If requested by the HHS Agency, the Contractor shall provide a written report detailing the performance issue(s) and resolution. The HHS Agency's Contract Manager will report/discuss performance deficiencies with the Contractor and seek to achieve resolution of the issues.

The HHS Agency Contract Manager may report the following compliance issues to HHSC/PCS for resolution.

- b) Failure to perform in accordance with the Corrective Action Plan.
- c) Violations of this Contract and Corrective Action Plan(s).

12.7 Confidential or Proprietary Information

Bidder Requirements Regarding Disclosure

Proposals and contracts are subject to the Texas Public Information Act (PIA), [Texas Government Code Chapter 552](#), and may be disclosed to the public upon request. Other legal authority also requires HHSC to post certain contracts and Solicitation responses on its public website and to provide such information to the Legislative Budget Board for posting on its website.

Under the PIA, certain information is protected from public release. If Bidder asserts that information provided in its Solicitation Response is exempt from disclosure under the PIA, Bidder must:

- a) Mark Original Proposal

1. Mark the Original Proposal, on the top of the front page, with the words “**CONTAINS CONFIDENTIAL INFORMATION**” in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font or larger); and
 2. Identify, adjacent to each portion of the Solicitation Response, that Bidder claims is exempt from public disclosure, the claimed exemption from disclosure (NOTE: no redactions are to be made in the Original Solicitation Response).
- b) Certify in Original Solicitation Response - HHS Solicitation Affirmations (attached as **Exhibit A** to this Solicitation)
1. Certify, in the designated section of the HHS Solicitation Affirmations, Bidder’s confidential information assertion and the filing of its Public Information Act Copy; and
 2. Submit Public Information Act Copy of Proposal
 - i. Submit a separate “Public Information Act Copy” of the Original Proposal (in addition to the original and all copies otherwise required under the provisions of this Solicitation). The Public Information Act Copy must meet the following requirements:
 - ii. The copy must be clearly marked as “**PUBLIC INFORMATION ACT COPY**” on the front page in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font or larger);
 - iii. Each portion Bidder claims is exempt from public disclosure must be redacted (blacked out); and
 - iv. Bidder must identify, adjacent to each redaction, the claimed exemption from disclosure. Each identification provided as required in Subsection (c) of this section must be identical to those set forth in the Original Proposal as required in Subsection (a)(2), above. The only difference in required markings and information between the Original Proposal and the “Public Information Act Copy” of the proposal will be redactions - which can only be included in the “Public Information Act Copy.” There must be no redactions in the Original Proposal.

By submitting a response to this Solicitation, Bidder agrees that, if Bidder does not mark the Original Solicitation Response, provide the required certification in the HHS Solicitation Affirmations, and submit the Public Information Act Copy, Bidder’s Solicitation Response will be considered to be public information that may be released to the public in any manner including, but not limited to, in accordance with the Public Information Act, posted on the HHS public website, and posted on the Legislative Budget Board’s public website.

If any or all Bidders submit partial, but not complete, information suggesting inclusion of confidential information and failure to comply with the requirements set forth in this section, HHSC, in its sole discretion and in any solicitation, reserves the right to (1) disqualify all Bidders that fail to fully comply with the requirements set forth in this section, or (2) to offer all Bidders

that fail to fully comply with the requirements set forth in this section additional time to comply.

Bidder should not submit a Public Information Act Copy indicating that the entire proposal is exempt from disclosure. Merely making a blanket claim that the entire proposal is protected from disclosure because it contains any amount of confidential, proprietary, trade secret, or privileged information is not acceptable, and may make the entire Solicitation Response subject to release under the PIA.

Solicitation Responses should not be marked or asserted as copyrighted material. If Bidder asserts a copyright to any portion of its proposal, by submitting a proposal, Bidder agrees to reproduction and posting on public websites by the State of Texas, including HHSC and all other state agencies, without cost or liability.

HHSC will strictly adhere to the requirements of the PIA regarding the disclosure of public information. As a result, by participating in this solicitation process, Bidder acknowledges that all information, documentation, and other materials submitted in the Solicitation Response in response to this Solicitation may be subject to public disclosure under the PIA. HHSC does not have authority to agree that any information submitted will not be subject to disclosure. Disclosure is governed by the PIA and by rulings of the Office of the Texas Attorney General. Bidders are advised to consult with their legal counsel concerning disclosure issues resulting from this process and to take precautions to safeguard trade secrets and proprietary or otherwise confidential information. HHSC assumes no obligation or responsibility relating to the disclosure or nondisclosure of information submitted by Bidders.

For more information concerning the types of information that may be withheld under the PIA or questions about the PIA, refer to the Public Information Act Handbook published by the Office of the Texas Attorney General or contact the attorney general's Open Government Hotline at (512) 478-OPEN (6736) or toll-free at (877) 673-6839 (877-OPEN TEX). To access the [Public Information Act Handbook](http://www.texasattorneygeneral.gov), visit the attorney general's website at <http://www.texasattorneygeneral.gov>.

Submission of any document to any HHS Agency in response to this solicitation constitutes an irrevocable waiver and agreement by the submitting party to fully indemnify the State of Texas and the HHS Agency from any claim of infringement by the HHS Agency regarding the intellectual property rights of the submitting party or any third party for any materials submitted to HHS by the submitting party.

The HHS Agency reserves the right to dispute any portion of an invoice and will attempt to resolve the dispute with the Contractor in good faith. The HHS Agency shall not be required to pay any disputed portion of an invoice until the

dispute is resolved. Notwithstanding any such dispute, the Contractor must continue to perform the services and/or produce deliverables in compliance with the terms of the Contract. Pending resolution of a dispute, the HHS Agency will continue to process payments for undisputed amounts and invoices to the Contractor.

15 Screening of Responses

Neither issuance of this Solicitation nor retention of Responses constitutes a commitment on the part of HHSC to award a Contract. HHSC maintains the right to reject any or all Responses and to cancel this Solicitation if HHSC, in its sole discretion, considers it to be in the best interests of HHSC to do so.

Retention of Responses by HHSC confers no legal rights upon any Bidder.

HHSC reserves the right to select qualified Bidders to this Solicitation with or without discussion of the Response with Bidders.

15.1 Administrative Screening

An administrative screening of Responses timely received will be conducted by HHSC PCS to determine which Responses meet all Solicitation minimum requirements and are deemed responsive and qualified for further consideration and evaluation.

Appendix A – Submission Instructions and Response Checklist will be used to conduct the screening process.

HHSC reserves the right to ask questions or request clarification from any Bidder at any time during the screening process.

15.2 Irregularities

HHSC reserves the right to waive irregularities in a Response. An irregularity is an omission or error that, in HHSC's determination if waived or modified when screening Responses, would not give a Bidder an unfair advantage over other Bidders or result in a material change in the Response or Solicitation requirements.

HHSC, at its sole discretion, may give a Bidder the opportunity to submit missing information or make corrections. The missing information or corrections must be submitted to the Sole Point of Contact e-mail address, **Section 6.1 (Sole Point of Contact and Communications)** by the deadline set by HHSC. Failure to respond before the deadline may result in HHSC's rejecting the Response and the Bidder not being considered for award.

Note: Any disqualifying factor set forth in this Solicitation does not constitute an irregularity (e.g., Submission of Exhibit A HHS Solicitation Affirmations, which must be signed and submitted with the Solicitation response).

16 Evaluation

16.1 Evaluation of Responses

HHSC reserves the right to select qualified Responses to this Solicitation without discussion of the Responses with Bidders. It is understood that all Responses will become a part of HHSC PCS' official procurement files and the Contract after award or the procurement has been terminated and will be available for public inspection in accordance with the Texas Public Information Act.

HHSC reserves the right to conduct studies and other investigations as necessary to evaluate any Response.

16.2 Conformance with State Law for Evaluation

Responses shall be evaluated in accordance with [Title 10, Subtitle D, Chapter 2155, sections 2155.074, 2155.075\(a\), and 2155.144](#); and [Chapter 2156, section 2156.007](#), Texas Government Code; and [Chapter 2157, section 2157.003](#).

Sections 2155.074, 2156.007, and 2157.003 provide the Best Value Standard for the purchase of goods or services and for the award, which includes consideration of the purchase price and whether the Bidder meets all requirements of this Solicitation.

16.3 Specific Evaluation Criteria

HHSC shall not be obligated to select the Bidder with the lowest price but shall make an award to the Bidder that provides the best value to the State of Texas.

All Responses will be evaluated according to the following criteria:

- a) Bidder meeting or exceeding specifications in accordance with this solicitation
- b) Bidder's ability to meet delivery requirements
- c) Price

16.3.1 Required Pricing

The **Pricing Sheet, Exhibit D**, identifies the pricing requested and required for the products and related services outlined in this Solicitation. The pricing is significant in the overall evaluation of the Responses. HHSC PCS is not obligated to select the lowest priced Response. The pricing will be evaluated across all Bidders to determine the Response with the lowest price per line item or lowest total for all line items.

The award will be made to the Bidder whose Response offers the best value to the State based on all factors considered, including price.

16.3.2 Verification of Past Vendor Performance

By submitting a Response, the Bidder generally releases from liability and waives all claims against any party providing information about the Bidder at the request of HHSC.

Bidders may be rejected as a result of unsatisfactory past performance under any contract(s) as reflected in vendor performance reports, reference checks, or other sources.

The Bidder's past performance may be considered in the evaluation process and prior to making an award determination.

Reasons for which a Bidder may be denied a contract include, but are not limited to:

- a) Bidder has unfavorable reports or grade less than a "C" on the CPA Vendor Performance Tracking System (VPTS). [VPTS](#) may be accessed at:

In addition, HHSC may examine other sources of vendor performance, which may include information provided by any governmental entity, whether an agency or political subdivision of the State of Texas, another state, or the federal government.

The performance information may include, but is not limited to:

- a) Notices of termination,
- b) Cure notices,
- c) Assessments of liquidated damages,
- d) Litigation,
- e) Audit reports, and

16.3.3 Ability to Perform

Evaluation will be based upon Bidder's demonstrated experience and ability to provide goods and related services with consideration of the Bidder's business size and scope of all operations, the number of employees and supervisors available to perform the services. The evaluation may also consider the Bidder's demonstrated financial capability, financial solvency and capacity to fulfil the requirements of this Solicitation.

17 Award

HHSC, at its sole discretion, reserves the right to cancel this Solicitation at any time or decline to award any contract(s) as a result of this Solicitation.

All awards are contingent upon approval of the HHSC Executive Commissioner or designee.

HHSC, at its sole discretion, reserves the right to make a single award or multiple awards to achieve the highest overall best value for the state.

18 Disclosure of Interested Parties

Subject to certain specified exceptions, [Texas Government Code Section 2252.908](#), Disclosure of Interested Parties, applies to a contract of a state agency that has a value of at least \$1 million or a contract that requires an action or vote by the governing body of the agency before the contract may be signed or a Purchase Order can be issued. One of the requirements of Section 2252.908 is that a business entity (defined as “any entity recognized by law through which business is conducted, including a sole proprietorship, partnership, or corporation”) must submit a Form 1295, Certificate of Interested Parties, to the state agency at the time the business entity is notified it is a potential awardee or at the time the business entity submits the signed contract to the agency.

Bidder represents and warrants that, if selected for award of a contract as a result of this Solicitation, Bidder shall submit to HHSC a Certificate of Interested Parties at the time Bidder submits the signed contract or is notified by HHSC that Bidder is a potential awardee. Form 1295 involves an electronic process through the Texas Ethics Commission (TEC).

Information regarding the [online process for completing Form 1295](#) is available at: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.

For further information:

[Reference Section 2252.908 of the Texas Government Code](#) which can be accessed at: <https://statutes.capitol.texas.gov/Docs/GV/htm/GV.2252.htm#2252.908>.

If the potential awardee does not timely submit a completed, certified and signed TEC Form 1295 to HHSC after notification of being a potential awardee or with the signed Contract, HHSC is prohibited by law from executing a contract, even if the potential awardee is otherwise eligible for award. Each qualified Bidder will be subject to this procedure.

19 Protest Procedures

[Texas Administrative Code, Title 1, Part 15, Chapter 391, Subchapter C](#) provides a formal protest procedure to be used by any Bidder who is allegedly aggrieved in connection with the solicitation, evaluation, or award of a contract by HHSC.

If HHS objects to such disclosure or access, Contractor shall refrain from disclosing or providing access to the Confidential Information until HHS has exhausted all alternatives for relief.

(7) Certify that its Authorized Users each have a demonstrated need to know and have access to Confidential Information solely to the minimum extent necessary to accomplish the Authorized Purpose and that each has agreed in writing to be bound by the disclosure and use limitations pertaining to the Confidential Information contained in this DUA. (10) Complete and return with the Base Contract to HHS, attached as Attachment 2 to this DUA, the HHS Security and Privacy Initial Inquiry (SPI) at <https://hhs.texas.gov/laws-regulations/forms/miscellaneous/hhs-information-security-privacy-initial-inquiry-spi>. Contractor shall provide name and current address, phone number and e-mail address for such designated officials to HHS upon execution of this DUA and prior to any change. Upon written notice from HHS, Contractor shall promptly remove and replace such official(s) if such official(s) is not performing the required functions.

ARTICLE 5. GENERAL PROVISIONS

Section 5.01 Ownership of Confidential Information

Contractor acknowledges and agrees that the Confidential Information is and shall remain the property of HHS. Contractor agrees it acquires no title or rights to the Confidential Information.

Section 5.02 HHS Commitment and Obligations

HHS will not request Contractor to create, maintain, transmit, use or disclose PHI in any manner that would not be permissible under applicable law if done by HHS.

Section 5.03 HHS Right to Inspection

At any time upon reasonable notice to Contractor, or if HHS determines that Contractor has violated this DUA, HHS, directly or through its agent, will have the right to inspect the facilities, systems, books and records of Contractor to monitor compliance with this DUA. For purposes of this subsection, HHS's agent(s) include, without limitation, the HHS Office of the Inspector General, the Office of the Attorney General of Texas, the State Auditor's Office, outside consultants, legal counsel or other designee.

Section 5.04 Term; Termination of DUA; Survival

This DUA will be effective on the date on which Contractor executes the Base Contract and will terminate upon termination of the Base Contract and as set forth herein. If the Base Contract is extended, this DUA is extended to run concurrent with the Base Contract.

(A) If HHS determines that Contractor has violated a material term of this DUA; HHS may in its sole discretion:

- (1) Exercise any of its rights including but not limited to reports, access and inspection under this DUA and/or the Base Contract; or
- (2) Require Contractor to submit to a corrective action plan, including a plan for monitoring and plan for reporting as HHS may determine necessary to maintain compliance with this DUA; or
- (3) Provide Contractor with a reasonable period to cure the violation as determined by HHS; or
- (4) Terminate the DUA and Base Contract immediately and seek relief in a court of competent jurisdiction in Travis County, Texas.

Before exercising any of these options, HHS will provide written notice to Contractor describing the violation and the action it intends to take.

(B) If neither termination nor cure is feasible, HHS shall report the violation to the applicable regulatory authorities.

(C) The duties of Contractor or its Subcontractor under this DUA survive the expiration or termination of this DUA until all the Confidential Information is Destroyed or returned to HHS, as required by this DUA.

Section 5.05 Injunctive Relief

(A) Contractor acknowledges and agrees that HHS may suffer irreparable injury if Contractor or its Subcontractor fails to comply with any of the terms of this DUA with respect to the Confidential Information or a provision of HIPAA or other laws or regulations applicable to Confidential Information.

(B) Contractor further agrees that monetary damages may be inadequate to compensate HHS for Contractor's or its Subcontractor's failure to comply. Accordingly, Contractor agrees that HHS will, in addition to any other remedies available to it at law or in equity, be entitled to seek injunctive relief without posting a bond and without the necessity of demonstrating actual damages, to enforce the terms of this DUA.

Section 5.06 Indemnification

Contractor shall indemnify, defend and hold harmless HHS and its respective Executive Commissioner, employees, Subcontractors, agents (including other state agencies acting on behalf of HHS) or other members of HHS' Workforce (each of the foregoing hereinafter referred to as "Indemnified Party") against all actual and direct losses suffered by the Indemnified Party and all liability to third parties arising from or in connection with any breach of this DUA or from any acts or omissions related to this DUA by Contractor or its employees, directors, officers, Subcontractors, or agents or other members of Contractor's Workforce. The duty to indemnify, defend and hold harmless is independent of the duty to insure. Upon demand, Contractor shall reimburse HHS for any and all losses, liabilities, lost profits, fines, penalties, costs or expenses (including costs of required notices, investigation, and mitigation of a Breach, fines or penalties imposed on an Indemnified Party by a regulatory authority, and reasonable attorneys' fees) which may be imposed upon any Indemnified Party to the extent caused by and which results from the Contractor's failure to meet any of its obligations under this DUA. Contractor's obligation to defend, indemnify and hold harmless any Indemnified Party will survive the expiration or termination of this DUA.

Section 5.07 Insurance

(A) In addition to any insurance required in the Base Contract, at HHS's option, HHS may require Contractor to maintain, at its expense, the special and/or custom first- and third-party insurance coverages, including without limitation data breach, cyber liability, crime theft and notification expense coverages, with policy limits sufficient to cover any liability arising under this DUA, naming the State of Texas, acting through HHS, as an additional named insured and loss payee, with primary and noncontributory status.

(B) Contractor shall provide HHS with written proof that required insurance coverage is in effect, at the request of HHS.

Section 5.08 Entirety of the Contract

This DUA is incorporated by reference into the Base Contract and, together with the Base Contract, constitutes the entire agreement between the parties. No change, waiver, or discharge of obligations arising under those documents will be valid unless in writing and executed by the party against whom such change, waiver, or discharge is sought to be enforced.

Section 5.09 Automatic Amendment and Interpretation

Upon the effective date of any amendment or issuance of additional regulations to any law applicable to Confidential Information, this DUA will automatically be amended so that the obligations imposed on HHS

and/or Contractor remain in compliance with such requirements. Any ambiguity in this DUA will be resolved in favor of a meaning that permits HHS and Contractor to comply with laws applicable to Confidential Information.

Section 5.10 Notices; Requests for Approval

All notices and requests for approval related to this DUA must be directed to the HHS Chief Privacy Officer at privacy@hsc.state.tx.us.

11.13 FORCE MAJEURE

Neither Contractor nor System Agency shall be liable to the other for any delay in, or failure of performance of, any requirement included in the Contract caused by force majeure. 11.14 DISPUTE RESOLUTION

- A. The dispute resolution process provided for in Chapter 2260 of the Texas Government Code must be used to attempt to resolve any dispute arising under the Contract. If the Contractor's claim for breach of contract cannot be resolved informally with the System Agency, the claim shall be submitted to the negotiation process provided in Chapter 2260. To initiate the process, the Contractor shall submit written notice, as required by Chapter 2260, to the individual identified in the Contract for receipt of notices. Any informal resolution efforts shall in no way modify the requirements or toll the timing of the formal written notice of a claim for breach of contract required under §2260.051 of the Texas Government Code. Compliance by the Contractor with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.
- B. The contested case process provided in Chapter 2260 is the Contractor's sole and exclusive process for seeking a remedy for an alleged breach of contract by the System Agency if the Parties are unable to resolve their disputes as described above.
- C. Notwithstanding any other provision of the Contract to the contrary, unless otherwise requested or approved in writing by the System Agency, the Contractor shall continue performance and shall not be excused from performance during the period of any breach of contract claim or while the dispute is pending. However, the Contractor may suspend performance during the pendency of such claim or dispute if the Contractor has complied with all provisions of Section 2251.051, Texas Government Code, and such suspension of performance is expressly applicable and authorized under that law.

11.15 NO IMPLIED WAIVER OF PROVISIONS

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Contractor which is in violation or breach of the terms of the Contract shall not be construed as a waiver of the violation or breach, or of any future violation or breach.

11.16 MEDIA RELEASES

- A. Contractor shall not use System Agency's name, logo, or other likeness in any press release, marketing material, or other announcement without System Agency's prior written approval. System Agency does not endorse any vendor, commodity, or service. - B. Contractor may publish, at its sole expense, results of Contractor performance under the Contract with the System Agency's prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.

11.17 NO MARKETING ACTIVITIES

Contractor is prohibited from using the Work for any Contractor or third-party marketing, advertising, or promotional activities, without the prior written consent of System Agency. The foregoing prohibition includes, without limitation, the placement of banners, pop-up ads, or other advertisements promoting Contractor's or a third party's products, services, workshops, trainings, or other commercial offerings on any website portal or internet-based service or software application hosted or managed by Contractor as part of the Work.

11.18 PROHIBITION ON NON-COMPETE RESTRICTIONS

Contractor shall not require any employees or Subcontractors to agree to any conditions, such as non-compete clauses or other contractual arrangements that would limit or restrict such persons or entities from employment or contracting with the State of Texas.

11.19 SOVEREIGN IMMUNITY

Nothing in the Contract shall be construed as a waiver of the System Agency's or the State's sovereign immunity. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas. The failure to enforce, or any delay in the enforcement of, any privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas under the Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. System Agency does not waive any privileges, rights, defenses, or immunities available to System Agency by entering into the Contract or by its conduct prior to or subsequent to entering into the Contract.

11.20 ENTIRE CONTRACT AND MODIFICATION

This Contract constitutes the entire agreement of the Parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in any future document incorporated into the Contract will be harmonized with this Contract to the extent possible.
