It is the System Agency's intention to make multiple awards to Applicants that successfully meet all requirements and receive the top scoring evaluations.

Applicants are strongly cautioned to only apply for the amount of grant funding they can responsibly expend during the Project Period to avoid lapsed funding at the end of the Grant Term. Successful Applications may not be funded to the full extent of Applicant's requested Budgets in order to ensure grant funds are available for the broadest possible array of communities and programs.

Reimbursement will only be made for actual, allowable, and allocable expenses that occur within the Project Period. No spending or costs incurred prior to the Effective Date of the award will be eligible for reimbursement.

### **5.2 NO GUARANTEE OF REIMBURSEMENT AMOUNTS**

There is no guarantee of total reimbursements to be paid to any Grantee under any Grant Agreement, if any, resulting from this RFA. Grantees should not expect to receive additional or continued funding under future RFA opportunities and should maintain sustainability plans in case of discontinued grant funding. Any additional funding or future funding may require submission of a new Application through a subsequent RFA.

Receipt of an Application in response to this RFA does not constitute an obligation or expectation of any award of a Grant Agreement or funding of a grant award at any level under this RFA.

1. If applicable, Applicant has an unfavorable report or grade on the CPA Vendor Performance Tracking System (VPTS). VPTS may be accessed at: <https://comptroller.texas.gov/purchasing/programs/vendor-performance-tracking/>; or
2. Applicant is currently under a corrective action plan through HHSC or DSHS; or

3. Applicant has had repeated, negative vendor performance reports for the same reason; or
4. Applicant has a record of repeated non-responsiveness to vendor performance issues; or
5. Applicant has contracts or purchase orders that have been cancelled in the previous 12 months for non-performance or substandard performance; or
6. Any other performance issue that demonstrates that awarding a Grant Agreement to Applicant would not be in the best interest of the State.

## **9.6 COMPLIANCE FOR PARTICIPATION IN STATE CONTRACTS**

Prior to award of a Grant Agreement as a result of this RFA and in addition to the initial screening of Applications, all required verification checks will be conducted.

The information (e.g., legal name and, if applicable, assumed name (d/b/a), tax identification number, Unique Entity Identifier (“UEI”, a unique identifier created via SAM.gov, which replaces the previously used DUNS)) provided by Applicant will be used to conduct these checks. At System Agency’s sole discretion, Applicants found to be barred, prohibited, or otherwise excluded from award of a Grant Agreement may be disqualified from further consideration under this solicitation, pending satisfactory resolution of all compliance issues.

Checks include:

### **1. State of Texas Debarment and Warrant Hold**

Applicant must not be debarred from doing business with the State of Texas (<https://comptroller.texas.gov/purchasing/programs/vendor-performance-tracking/debarred-vendors.php>) or have an active warrant or payee hold placed by the Comptroller of Public Accounts (CPA).

### **2. U.S. System of Award Management (SAM) Exclusions List**

Applicant must not be excluded from Contract participation at the federal level. This verification is conducted through SAM, the official website of the U.S. Government which may be accessed at: <https://usfer.com/>

### **3. Divestment Statute Lists**

Applicant must not be listed on the Divestment Statute Lists provided by CPA, which may be accessed at:

<https://comptroller.texas.gov/purchasing/publications/divestment.php>

- a. Companies that boycott Israel;
- b. Companies with Ties to Sudan;
- c. Companies with Ties to Iran;
- d. Foreign Terrorist Organizations; and
- e. Companies with Ties to Foreign Terrorist Organizations.

#### 4. HHS Office of Inspector General

Applicant must not be listed on the HHS Office of Inspector General Texas Exclusions List for people or businesses excluded from participating as a provider: <https://oig.hhs.texas.gov/exclusions>

#### 5. U.S. Department of Health and Human Services

Applicant must not be listed on the U.S. Department of Health and Human Services Office of Inspector General's List of Excluded Individuals/Entities (LEIE), excluded from participation as a provider, unless a valid waiver is currently in effect: <https://www.oig.hhs.gov/exclusions/index.asp>

Additionally, if a subrecipient under a federal award, the Grantee shall comply with requirements regarding registration with the U.S. Government's System for Award Management (SAM). This requirement includes maintaining an active SAM registration and the accuracy of the information in SAM. The Grantee shall review and update information at least annually after initial SAM registration and more frequently as required by [2 CFR Part 25](#).

For Grantees that may make procurements using grant funds awarded under the Grant Agreement, Grantee must check SAM Exclusions that contain the names of ineligible, debarred, and/or suspended parties. Grantee certifies through acceptance of a Grant Agreement it will not conduct business with any entity that is an excluded entity under SAM.

HHSC reserves the right to conduct additional checks to determine eligibility to receive a Grant Agreement.

## **ARTICLE X. AWARD OF GRANT AGREEMENT PROCESS**

### **10.1 FINAL SELECTION**

After initial screening for eligibility and Application completeness, and initial evaluation against the criteria listed in **Section 9.4, Evaluation Criteria**, the System Agency may apply other considerations such as program policy or other selection factors that are essential to the process of selecting Applications that individually or collectively achieve program objectives. In applying these factors, the System Agency may consult with internal and external subject matter experts. The funding methodology for issuing final Grant Agreements will be determined by the selection factors.

HHSC intends on making multiple awards. After initial screening for eligibility, Application completeness, and initial scoring of the elements listed above in **Section 9.4, Evaluation Criteria**, a selection committee will look at all eligible Applicants to determine which Applications should be awarded in order to most effectively accomplish State priorities. The selection committee will recommend grant awards to be made to the HHSC Executive Commissioner, who will make the final award approval.

HHSC will make all final funding decisions based on eligibility, geographic distribution across the State, State priorities, reasonableness, availability of funding, and cost-effectiveness.

Applications must meet the minimum score (70) in order to receive an award. If there is not an Applicant in a region, or an Applicant meeting the minimum score requirement in a region, the Applicant with the next highest score not otherwise awarded a Contract in a specific region will be awarded. There will not be more than two (2) awarded Applicants per region.

The procurement is in development and the Application forms and/or processes have not been established, however these are the proposed procedures if a tie occurs:

1. The score will be increased to 2 numbers beyond the decimal.
2. If a tie remains the Applicant with the highest score under the “Program” evaluation criteria will be awarded.
3. If a tie remains the Applicant with the highest score under the “Organization Background and Staffing Plan” evaluation criteria will be awarded.

The System Agency will make final funding decisions based on Applicant eligibility, evaluation rankings, the funding methodology above, and include as applicable: geographic distribution across the State, State priorities, reasonableness, availability of funding, cost-effectiveness, and other relevant factors.

All funding recommendations will be considered for approval by the HHSC Program Deputy Executive Commissioner or their designee.

## **10.2 NEGOTIATIONS**

After selecting Applicants for award, the System Agency may engage in negotiations with selected Applicants. As determined by System Agency, the negotiation phase may involve direct contact between the selected Applicant and HHS representatives by virtual meeting, by phone and/or by email. Negotiations should not be interpreted as a preliminary intent to award funding unless explicitly stated in writing by the System Agency and is considered a step to finalize the Application to a state of approval and discuss proposed grant activities. During negotiations, selected Applicants may expect:

1. An in-depth discussion of the submitted Application and Requested Budget; and
2. Requests from the System Agency for revised documents, clarification, or additional detail regarding the Applicant’s submitted Application. These clarifications and additional details, as required, must be submitted in writing by Applicant as finalized during the negotiation.

### 10.3 DISCLOSURE OF INTERESTED PARTIES

Subject to certain specified exceptions, Section [2252.908 of the Texas Government Code](#), Disclosure of Interested Parties, applies to a Grant Agreement of a State agency that has a value of \$1 million or more; requires an action or vote by the governing body of the entity or agency before the Grant Agreement may be signed; or is for services that would require a person to register as a lobbyist under Chapter 305 of the Texas Government Code.

One of the requirements of [Section 2252.908](#) is that a business entity (defined as “any entity recognized by law through which business is conducted, including a sole proprietorship, partnership, or corporation”) must submit a Form 1295, Certificate of Interested Parties, to the System Agency at the time the business entity submits the signed Grant Agreement.

Applicant represents and warrants that, if selected for award of a Grant Agreement as a result of this RFA, Applicant will submit to the System Agency a completed, certified and signed Form 1295, Certificate of Interested Parties, at the time the potential Grantee submits the signed Grant Agreement.

The Form 1295 involves an electronic process through the Texas Ethics Commission (TEC). The online process for completing the Form 1295 may be found on the TEC public website at: [https://www.ethics.state.tx.us/whatsnew/elf\\_info\\_form1295.htm](https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm).

Additional instructions and information to be used to process the Form 1295 will be provided by the System Agency to the potential Grantee(s). Grantee may contact Sole Point of Contact or designated contract manager for information needed to complete Form 1295.

If the potential Grantee does not submit a completed, certified, and signed TEC Form 1295 to the System Agency with the signed Grant Agreement, the System Agency is prohibited by law from executing a Grant Agreement, even if the potential Grantee is otherwise eligible for award. The System Agency, as determined in its sole discretion, may award the Grant Agreement to the next qualified Applicant, who will then be subject to this procedure.

### 10.4 EXECUTION AND ANNOUNCEMENT OF GRANT AGREEMENT(S)

The System Agency intends to award multiple Grant Agreements as a result of this RFA. However, not all Applicants who are deemed eligible to receive funds are assured of receiving a Grant Agreement.

At any time and at its sole discretion, System Agency reserves the right to cancel this RFA, make partial award, or decline to award any Grant Agreement(s) as a result of this RFA.

The final funding amount and the provisions of the grant will be determined at the sole discretion of System Agency.

HHSC may announce tentative funding awards through an “Intent to Award Letter” once the HHSC Program Deputy Executive Commissioner and relevant HHSC approval authorities have given approval to initiate and/or execute grants. Receipt of an “Intent to Award Letter” does not authorize the recipient to incur expenditures or begin Project activities, nor does it guarantee current or future funding.

Upon execution of a Grant Agreement(s) as a result of this RFA, HHSC will post a notification of all grants awarded to the [HHS Grants RFA website](#).

## **ARTICLE XI. GENERAL TERMS AND CONDITIONS**

### **11.1 GRANT APPLICATION DISCLOSURE**

In an effort to maximize State resources and reduce duplication of effort, the System Agency, at its discretion, may require the Applicant to disclose information regarding the Application for or award of State, federal, and/or local grant funding to the Applicant or subgrantee or subcontractor (i.e. organization who will participate, in part, in the operation of the Project) within the past two (2) years to demonstrate effective linkage to community-based referrals and community resources for this at-risk and high-risk population. It is expected that eligible Applicants have the demonstrated experience, expertise, and infrastructure to perform the work outlined in this RFA.

### **11.2 TEXAS HISTORICALLY UNDERUTILIZED BUSINESSES (HUBS)**

In procuring goods and services using funding awarded under this RFA, Grantee must use HUBs or other designated businesses as required by law or the terms of the State or federal grant under which this RFA has been issued. See, e.g., [2 CFR § 200.321](#). If there are no such requirements, System Agency encourages Applicant to use HUBs to provide goods and services.

For information regarding the Texas HUB program, refer to CPA's website: <https://comptroller.texas.gov/purchasing/vendor/hub/>

## **ARTICLE XII. APPLICATION CONFIDENTIAL OR PROPRIETARY INFORMATION**

### **12.1 TEXAS PUBLIC INFORMATION ACT – APPLICATION DISCLOSURE REQUIREMENTS**

Applications and resulting Grant Agreements are subject to the Texas Public Information Act (PIA), [Texas Government Code Chapter 552](#), and may be disclosed to the public upon request. Other legal authority also requires System Agency to post grants and Applications on its public website and to provide such information to the Legislative Budget Board for posting on its public website.

Under the PIA, certain information is protected from public release. If Applicant asserts that information provided in its Application is exempt from disclosure under the PIA, Applicant must:

#### **1. Mark Original Application:**

- a. Mark the Original Application, at the top of the front page, with the words “CONTAINS CONFIDENTIAL INFORMATION” in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font); and
  - b. Identify, adjacent to each portion of the Application that Applicant claims is exempt from public disclosure, the claimed exemption from disclosure (NOTE: no redactions are to be made in the Original Application).
2. **Certify in Original Application – HHS Solicitation Affirmations:** Certify, in the designated section of the **Exhibit A, HHS Solicitation Affirmations**, Applicant’s confidential information assertion and the filing of its Public Information Act Copy; and
3. **Submit Public Information Act Copy of Application:** Submit a separate “Public Information Act Copy” of the Original Application (in addition to the original and all copies otherwise required under the provisions of this RFA). The Public Information Act Copy must meet the following requirements:
  - a. The copy must be clearly marked as “Public Information Act Copy” on the front page in large, bold, capitalized letters (the size of, or equivalent to, 12-point Times New Roman font);
  - b. Each portion Applicant claims is exempt from public disclosure must be redacted (blacked out); and
  - c. Applicant must identify, adjacent to each redaction, the claimed exemption from disclosure. Each identification provided as required in Subsection (3) of this section must be identical to those set forth in the Original Application as required in Subsection 1(b), above. The only difference in required markings and information between the Original Application and the “Public Information Act Copy” of the Application will be redactions – which can only be included in the “Public Information Act Copy.” There must be no redactions in the Original Application.

**By submitting an Application under this RFA, Applicant agrees that, if Applicant does not mark the Original Application, provide the required certification in Exhibit A, HHS Solicitation Affirmations, and submit the Public Information Act Copy, the Application will be considered to be public information that may be released to the public in any manner including, but not limited to, in accordance with the Public Information Act, posted on the System Agency’s public website, and posted on the Legislative Budget Board’s public website.**

**If any or all Applicants submit partial, but not complete, information suggesting inclusion of confidential information and failure to comply with the requirements set forth in this section, the System Agency, in its sole discretion, reserves the right to (1) disqualify all Applicants that fail to fully comply with the requirements set forth in this section, or (2) to offer all Applicants that fail to fully comply with the requirements set forth in this section additional time to comply.**

No Applicant should submit a Public Information Act Copy indicating that the entire Application is exempt from disclosure. Merely making a blanket claim that the entire Application is protected from disclosure because it contains any amount of confidential,

proprietary, trade secret, or privileged information is not acceptable, and may make the entire Application subject to release under the PIA.

Applications should not be marked or asserted as copyrighted material. If Applicant asserts a copyright to any portion of its Application, by submitting an Application, Applicant agrees to reproduction and posting on public websites by the State of Texas, including the System Agency and all other State agencies, without cost or liability.

The System Agency will strictly adhere to the requirements of the PIA regarding the disclosure of public information. As a result, by participating in this RFA, Applicant acknowledges that all information, documentation, and other materials submitted in its Application may be subject to public disclosure under the PIA. The System Agency does not have authority to agree that any information submitted will not be subject to disclosure. Disclosure is governed by the PIA and by rulings of the Office of the Texas Attorney General. Applicants are advised to consult with their legal counsel concerning disclosure issues resulting from this process and to take precautions to safeguard trade secrets and proprietary or otherwise confidential information. The System Agency assumes no obligation or responsibility relating to the disclosure or nondisclosure of information submitted by Applicants.

For more information concerning the types of information that may be withheld under the PIA or questions about the PIA, please refer to the Public Information Act Handbook published by the Office of the Texas Attorney General or contact the attorney general's Open Government Hotline at (512) 478-OPEN (6736) or toll-free at (877) 673-6839 (877-OPEN TEX).
